INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
of Wonder Ice Cream, Inc. Profit Sharing Plan
Santa Clara, California

Opinion

We have audited the accompanying financial statements of Wonder Ice Cream, Inc. Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

To the Board of Trustees
of Wonder Ice Cream, Inc. Profit Sharing Plan
Santa Clara, California

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The Supplemental Schedules of Assets (Held at End of Year) at December 31, 2024 and 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

To the Board of Trustees
of Wonder Ice Cream, Inc. Profit Sharing Plan
Santa Clara, California

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules are fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

WONDER ICE CREAM, INC. PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE A – PLAN DESCRIPTION

The following is a brief description of the Wonder Ice Cream, Inc. Profit Sharing Plan (the “Plan”) and is provided for general information purposes only. Participants should refer to the Plan document, as amended, for a more complete description of the Plan's provisions.

General

The Plan is a discretionary profit sharing plan adopted by Wonder Ice Cream, Inc. (collectively either the "Company" or the "Employer") in 1994 and was last amended and restated January 1, 2023. Effective January 1, 2023, the Plan name changed from Wonder Ice Cream Co. Profit Sharing Plan to Wonder Ice Cream, Inc. Profit Sharing Plan. The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent laws. The Plan's fiscal year ("Plan Year") is the twelve-months ended December 31.

Plan administration

The Company is the administrator of the Plan, and, as such, carries out the duties imposed by ERISA. The Company has delegated certain responsibilities for the operation and administration of the Plan. Merrill Lynch, a Bank of America company, and Rockefeller Capital Management serves as trustees for the administration of Plan investments. Ghassan F. Elfar serves as the trustee (“the Trustee”) responsible for general oversight and governance of the Plan. Quintes Administrative and Insurance Services, Inc., provides general consultation, legal compliance and Form 5500 preparation services. A Company investment committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and consults with the trustees on a quarterly basis.

Eligibility

To be eligible for participation in the Plan, full time employees of the Employer must be 21 years of age or older, have one year of employment service, have 1,000 hours of service during the Plan Year and are employed by the Company on the last day of the year.

Contributions

The Employer shall have the right to make an annual discretionary contribution that is subject to a vesting schedule. The contribution for any Plan Year (plus forfeitures) shall be allocated to the accounts of eligible participants in direct proportion to their respective compensation for the Plan Year. The contribution is invested in accordance with the Employer's direction into various investment options offered by the Plan.

NOTES TO FINANCIAL STATEMENTS – CONTINUED

December 31, 2024 and 2023

NOTE A – PLAN DESCRIPTION – CONTINUED

Contributions - continued

For the years ended December 31, 2024 and 2023, the Employer made no contributions.

Participants' accounts

Each participant's account is credited with the participant's share of Employer contributions and any forfeitures of former employees, any rollover/transfer contributions from other plans made by the participant, and the participant's share of investment earnings and increases in the value of investments.

Each participant's account is decreased by the participant's withdrawals or distributions, the participant's share of any administrative fees and expenses paid out of the Plan, and the participant's share of investment losses and decreases in the value of investments.

Vesting

Employer contributions are not 100% vested when deposited into a participant's account. After the participant's second year of completed employment service, 20% shall be vested in the participant's account and 20% shall be vested for each year of employment service completed thereafter. Employer contributions will be 100% vested after the participant has completed six years of employment service.

Forfeitures

Forfeitures are allocated to the account of each participant based upon a percentage of the participant's eligible compensation to total eligible compensation for the Plan Year.

At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$98,695 and \$18,505, respectively.

Notes receivable from participants

Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Notes receivable are secured by the balance in the participant's account and bear interest at a rate commensurate with the local prevailing rates as determined by the Plan administrator. Principal and interest are paid to the Plan ratably through payroll deductions.

WONDER ICE CREAM, INC. PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS – CONTINUED

December 31, 2024 and 2023

NOTE A – PLAN DESCRIPTION – CONTINUED

Payment of benefits

The full value of the account balance is payable upon retirement after attaining age 65, severance from employment, disability or death. Generally, the payment is made in a lump sum. However, if requested, benefits can be received in a direct rollover to the participant's IRA (if eligible) or in other marketable securities.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND BASIS OF PRESENTATION

Basis of accounting

The accompanying financial statements are prepared in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Valuation of investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note E for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. Dividend receivables are reported within investments.

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023.

WONDER ICE CREAM, INC. PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS – CONTINUED

December 31, 2024 and 2023

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND BASIS
OF PRESENTATION – CONTINUED

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Administrative expenses may be paid by either the Plan or by the Company. Historically, the Plan has paid for administrative expenses.

Allowance for Credit Losses

Effective January 1, 2023, the Plan adopted Accounting Standards Update 2016-13, *Financial Instruments - Credit Losses* (Topic 326), which requires the use of a current expected credit loss (CECL) model for certain financial assets measured at amortized cost. As of December 31, 2024 and 2023, the Plan did not hold any financial assets subject to the CECL model. Accordingly, no allowance for credit losses has been recognized for the periods presented.

NOTE C – TAX STATUS

The Plan was adopted in the form of a volume submitted plan and the Internal Revenue Service ("IRS") issued a favorable opinion letter dated October 13, 1995, indicating that the Plan qualifies under the provision of Section 401(a) of the IRC; and, therefore, the underlying trust is exempt from tax under section 401(a) of the IRC. The Plan was restated effective January 1, 2022, to comply with the requirements listed in IRS Notice 2017-37, 2017-29 I.R.B 89 (the 2017 IRS Cumulative List). The Plan's pre-approved plan provider received a favorable opinion letter dated November 30, 2020, for a non-standardized pre-approved profit sharing plan. Consequently, a provision for income taxes has not been included in the Plan's financial statements. Subject to future events and circumstances, the Company and the Plan's tax advisor currently believe that the Plan and its underlying trust are currently designed and operated within the terms of the Plan and remain qualified under the applicable provisions of the IRC.

WONDER ICE CREAM, INC. PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS – CONTINUED

December 31, 2024 and 2023

NOTE C – TAX STATUS – CONTINUED

U.S. GAAP requires the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon an examination by the IRS. No uncertain positions have been identified that would require the recognition of a tax liability or disclosure in the financial statements as of December 31, 2024 and 2023, respectively. The Plan is subject to routine audits by applicable taxing jurisdictions. However, there are currently no audits for any tax period in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for the Plan years prior to 2021.

NOTE D – INVESTMENT OPTIONS, RISKS, AND UNCERTAINTIES

The Trustee holds the Plan's investments and executes all investment transactions. The Plan allows for a variety of investment options including a cash reserve account and mutual funds. Available investment options may change at any time.

Investment securities are exposed to various risks, such as interest rate, market volatility and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE E – FAIR VALUE MEASUREMENTS

The Plan defines fair value as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Accounting guidance establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements).

NOTE E – FAIR VALUE MEASUREMENTS – CONTINUED

The three levels of fair value hierarchy are as follows:

Level 1: inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date;

Level 2: inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or

Level 3: inputs are unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at both December 31, 2024 and 2023:

Common stocks: Valued at daily closing prices as reported on the active market on which the individual securities are traded.

Preferred stocks: Valued at daily closing prices as reported on the active market on which the individual stocks are traded.

Mutual funds: Valued at the daily closing prices as reported by the funds. Mutual funds currently invested in by the Plan are open-end mutual funds registered with the Securities and Exchange Commission and are required to publish their daily net asset value and to transact based on that value. These funds are currently deemed to be actively traded.

Cash reserve account: Valued at cost plus accrued interest.

NOTE F – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan at any time subject to the provisions of ERISA.

Partial plan terminations occur when more than 20% of the total plan participants are laid off in a particular year, over a different period, or in association with a significant Company event.

In the event of a full (or partial) Plan termination, the full value of each participant’s account shall become fully vested and non-forfeitable on the date of termination and shall subsequently be distributed to the participants.
