INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Management of
American Ad Bag Profit Sharing 401(k) Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of American Ad Bag Profit Sharing 401(k) Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AMERICAN AD BAG PROFIT SHARING 401(K) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE A – DESCRIPTION OF PLAN

The following description of the American Ad Bag Profit Sharing 401(k) Plan and Trust (the “Plan”) provides only general information. Participants should refer to the plan document and Summary Plan Description (SPD) for a more detailed description of the plan provisions. The Plan is subject to the *Employee Retirement Income Security Act of 1974 (ERISA)*.

General

The Plan is a defined contribution plan covering all qualified employees of American Ad Bag (the “Plan Sponsor”) who are at least 21 years of age and have completed one year of service. Participants may enter the plan on one of two entry dates during the year, January 1 or July 1. The Plan became effective January 1, 2005, and has been periodically amended to conform to new laws and regulations under ERISA. The most recent plan amendment was effective December 15, 2024.

The Plan elected to implement certain provisions of the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), including, among others, increasing the age of required minimum distributions, allowing qualified birth or adoption withdrawals, and permitting long-term part-time employees to participate in the Plan. Also, the Plan elected to implement certain provisions of the Coronavirus Aid, Relief, and Economic Security (“CARES Act”) of 2020. The CARES Act included several relief provisions available to tax-qualified retirement plans and their participants only for a limited duration of time. These provisions include, among other things, special COVID-19 related distributions of up to \$100,000 and suspension of required minimum distributions for the year ended December 31, 2020. The Plan adopted provisions of SECURE Act and CARES Act in 2024.

Contributions

Employee contributions are voluntary and limited to the maximum allowed under the Internal Revenue Code. Participants may also rollover amounts representing distributions from other qualified employee benefit plans.

The Plan Sponsor may make discretionary matching contributions upon written corporate resolution to eligible employees up to the maximum amount allowed by the Internal Revenue Code. Employees who have completed 1,000 hours of service and are employed at the last day of the plan year are eligible to receive matching contributions. The Plan Sponsor may also make discretionary contributions upon written instructions to the plan administrator or Trustee to eligible employees up to the maximum amount allowed by the Internal Revenue Code. Employees who have completed at least a year of service for participation and are employed at the last day of the plan year are eligible to receive such contributions.

Participants’ Accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) the Employer contributions and (b) earnings in a participant’s account, and charged with an allocation of transaction fees, if applicable. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participants’ vested account.

Payment of Benefits

Generally, benefits are paid to participants upon termination of service due to death, retirement, or separation of service. Account balances less than \$7,000 are subject to payment in a lump-sum upon termination. While

the account and timing of payments will vary depending on the option selected, the total payment will have the same dollar value equivalent to the value of the participant's account at retirement.

Hardship Withdrawals and Notes Receivable from Participants

Hardship withdrawals may be made to satisfy certain immediate financial needs, according to specific types of costs and set conditions designated in the Plan. Hardship distributions can only be made from accounts which are 100% vested. Currently, the Plan does not allow for notes from participants.

Forfeited Accounts

Forfeitures of non-vested discretionary contributions, when not used to reduce employer matching contributions, will be used to pay administrative costs of the Plan or reallocated amongst the remaining participants. There were no amounts used on employer contributions for 2024 or 2023. As of December 31, 2024 and 2023, the forfeited non-vested accounts balance was \$15,116 and \$10,569, respectively.

Administrative Expenses

Certain administrative operating expenses of the Plan are paid by the Plan Sponsor, as provided in the plan agreement.

Investment Options

Participants may direct the investment of their account balances and future contributions and Employer contributions into various investment options offered by the Plan. Participants are allowed to change their investment options daily.

Vesting

All investment accounts are directed by the participants.

The participant's vested percentage in their account attributable to profit sharing is determined under the following schedule:

<u>Years of Vesting Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Plan Termination

Although the Plan Sponsor has not expressed intent to terminate the Plan, it may do so at any time. If the Plan is terminated, participants become 100 percent vested in their accounts and the net assets would be distributed to the participants according to the balances in the participants' accounts.

AMERICAN AD BAG PROFIT SHARING 401(K) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America (US GAAP).

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value based on quoted market prices. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold during the year, assets held during the year, and interest and dividend income.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan's expenses are paid either by the Plan or the Plan Sponsor, as provided by the plan document. Expenses that are paid directly by the Plan Sponsor are excluded from these financial statements. Certain administrative fees and expenses incurred in connection with the general administration of the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment-related expenses are included in net appreciation of fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that change in the value in investment securities will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the financial statements.

AMERICAN AD BAG PROFIT SHARING 401(K) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE C – INFORMATION CERTIFIED BY THE PLAN’S CUSTODIAN

The plan administrator elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the *Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA*. Under this provision of ERISA, investment information and related activity certified as accurate and complete by a qualified institution need not be subjected to independent audit.

The plan administrator has obtained a certification from John Hancock Life Insurance Company, the custodian of the Plan, that the following information included in the Plan’s financial statements and supplemental schedule is complete and accurate:

- Investments as of December 31, 2024 and 2023
- Plan transactions related to investment income and securities transactions for the years ended December 31, 2024 and 2023
- Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024.

Accordingly, at the request of the plan administrator, the Plan’s independent certified public accountants performed no procedures on investment information and related activity, other than to agree the information to the trust statements certified by the Plan’s trustee and provided to them by the plan administrator.

NOTE D – FAIR VALUE OF MARKET INVESTMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurement and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1:

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2:

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3:

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

AMERICAN AD BAG PROFIT SHARING 401(K) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE D – FAIR VALUE MEASUREMENTS (continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

Pooled Separate Accounts: These investments are pooled funds that are similar to mutual funds but are not registered with the Securities and Exchange Commission. Often, they will be invested in mutual funds or other marketable securities, but the unit price generally will be different from the value of the underlying securities because the fund may also hold cash for liquidity purposes, and the fees imposed by the fund are deducted from the fund value rather than charged separately to investors. These accounts are valued at the quoted net asset value of mutual fund shares held by the Plan at year-end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value.

<u>Assets at Fair Value at December 31, 2024</u>

NOTE D – FAIR VALUE MEASUREMENTS (continued)

** Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this footnote are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.*

The Plan also holds other assets not measured at fair value on a recurring basis, including contributions receivable and unallocated cash. The fair value of these assets approximates the carrying amounts in the accompanying financial statements due to either the short maturity of the instruments or the use of the interest rates that approximate market rates for instruments of similar maturity.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2024 and 2023, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE E – GUARANTEED INTEREST ACCOUNT

Contributions to the guaranteed interest account are held in John Hancock Life Insurance Company's general account. The guaranteed interest account guarantees the return of principal plus compound interest earned over a defined term provided all contributions remain in the account until the end of the guarantee period corresponding to the Plan's reporting year-end.

Interest rates are established on the first day of each calendar month and apply to all contributions made into the account during the period. At the end of each reporting year, a "composite rate" of interest is determined. After the end of each reporting year, contributions made will continue to earn that reporting year's composite interest rate until the end of the guaranteed term.

Inter-account transfers or early withdrawals from guaranteed interest accounts may be subject to market value adjustment. In addition, all distributions from the contract are made at contract value; thus, the guaranteed interest account is considered not fully-benefit responsive.

The guaranteed interest account is reported at contract value, which is the aggregation of contributions, plus interest, less withdrawals, if any.

NOTE F – PARTY-IN-INTEREST TRANSACTIONS

Substantially all fees to administer the Plan are paid by the employer on behalf of the Plan. Certain employees of the employer provide administrative services to the Plan. These employees are compensated by the employer for such services.

Investments in separate accounts are provided through a group annuity contract with John Hancock Life Insurance Company (U.S.A.). John Hancock Life Insurance Company (U.S.A) serves as manager of the underlying funds or as subadvisor of the underlying John Hancock Trust, John Hancock Funds II, or John Hancock Funds III fund in which the sub-account invests; therefore, these transactions qualify as party-in-interest transactions. Contributions under a group annuity contract issued by John Hancock are allocated to investment options which: (a) invest solely in shares of an underlying mutual fund, collective trust, ETF, or insurance company separate account; (b) invest in a combination of these; or (c) are guaranteed interest accounts and which will be held in the John Hancock general account. Fees paid by the Plan for investment management services were included as a reduction of the return on each fund.

John Hancock Retirement Plan Services, LLC offers administrative or recordkeeping services to sponsors and administrators of retirement plans. John Hancock Trust Company LLC provides trust and custodial services.

AMERICAN AD BAG PROFIT SHARING 401(K) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE G – TAX STATUS

The Internal Revenue Service (“IRS”) has determined and informed the Plan by letter dated March 31, 2008, that the form of the Plan is acceptable under Section 401 of the Internal Revenue Code (“IRC”). The Plan has been amended since and most recently was accepted by the IRS by letter dated June 30, 2020. Although the Plan may have been amended since, the plan administrator and the Plan’s legal counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax exempt.

US GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax position taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain position taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. For federal purposes, the tax returns essentially remain open for possible examination for a period of three years after the respective filing deadlines of those returns. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

NOTE H – SUBSEQUENT EVENTS

The management of the Plan has evaluated events subsequent to the statement of net assets available for benefits date of December 31, 2024, through September 25, 2025, the date the financial statements were available to be issued. It has concluded that there are no effects that provide additional evidence about conditions that existed at the statement of net assets available for benefits date that require recognition in the financial statements or related note disclosures in accordance with FASB ASC 855, *Subsequent Events*.
