INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of
Teamsters Local 575 Pension Fund
Cherry Hill, New Jersey

Qualified Opinion

We have audited the financial statements of Teamsters Local 575 Pension Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits (liquidation basis) as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits (liquidation basis) for the years then ended, and the related notes to the financial statements.

In our opinion, except for the omission of information on the financial statements described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Teamsters Local 575 Pension Fund as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Qualified Opinion

As more fully described in Note 7 to the financial statements, the Plan's financial statements do not disclose information regarding the actuarial present value of accumulated plan benefits for the beginning of the plan years. In our opinion, disclosure of that information is required to conform with accounting principles generally accepted in the United States of America.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Teamsters Local 575 Pension Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Teamsters Local 575 Pension Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Teamsters Local 575 Pension Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Teamsters Local 575 Pension Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Basis for Qualified Opinion

As more fully described in Note 7 to the financial statements, the Plan's financial statements do not disclose information regarding the actuarial present value of accumulated plan benefits for the beginning of the plan years. In our opinion, disclosure of that information is required to conform with accounting principles generally accepted in the United States of America.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

LOCAL 575 PENSION FUND

Notes to Financial Statements

(1) Description of the Plan

The following brief description of the Teamsters Local 575 Pension Fund (the "Plan") is provided for general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General - The Plan is a multiemployer defined benefit pension plan covering eligible employees employed under the terms of various collective bargaining agreements. The Plan is administered by a Board of Trustees, comprised of union officials and management of certain employers covering eligible employees pursuant to a collective bargaining agreement between the Union and various employers. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the Internal Revenue Code.

Pension Benefits - Normal retirement can occur at age 65 with at least 5 years of future service credit. The Plan also provides that in the event a pensioner dies, or if an employee dies who was eligible for a pension but had not yet retired as of his date of death, a monthly pension may be paid under certain circumstances to the participant's spouse in an amount and for a period of time specified in the Plan Regulations. All future pension benefit accruals were frozen effective May 1, 2005.

Plan Termination - The Plan was terminated by mass withdrawal of employers effective December 28, 2010. The Plan has filed a Notice of Mass Withdrawal with the Pension Benefit Guaranty Corporation and has assessed withdrawal liability against each employer. Under ERISA, the Trustees continue to administer the Plan, including collecting withdrawal liability payments and paying benefits to retirees.

Insolvency and the Pension Benefit Guaranty Corporation Funding - Amounts received from the PBGC are recognized as a loan payable on the statement of net assets available for benefits in the period received. PBGC funding requires benefits only be paid at the guaranteed level and are collateralized by employer contributions, withdrawal liability payments, and other plan assets. The ability of the Plan to continue operations and payment of benefits is dependent on the PBGC continuing to provide financial assistance.

During the year ended December 31, 2017, the Plan prepared a notice of insolvency to the Pension Benefit Guaranty Corporation (PBGC). In connection with this notice, the Plan submitted an application for financial assistance requesting that the PBGC provide supplemental funding for payment of benefits and reasonable administrative expenses incurred by the Plan after the depletion of existing plan assets. Effective January 1, 2018, the PBGC began providing financial assistance to the Plan. During the years ended December 31, 2024 and 2023, the Plan received \$175,600 and \$169,500, respectively. The PBGC loan liability of \$1,404,425 and \$1,221,314 at December 31, 2024 and 2023 is subject to interest at the rate in effect under Section 6621(a)(2) of the Internal Revenue code compounded daily. Repayment of the PBGC loan principal and related accrued interest is contingent upon the Plan becoming solvent under ERISA regulations. PBGC loan interest expense recorded in the statement of changes in net assets available for benefits, was \$125,409 and \$92,477 for the years ended December 31, 2024 and 2023, respectively.

(2) Significant Accounting Policies and Information

Basis of Accounting - The accompanying financial statements are presented on the liquidation basis and include all material accounts receivable and payable, all other significant liabilities, and material prepaid expenses. Accounting principles generally accepted in the United States of America require that financial statements of a terminated pension plan be prepared on a "liquidation basis" of accounting commencing with the date of termination (December 31, 2010). The trust in which the Plan assets are held will continue to administer the payment of benefits funded primarily by proceeds received from PBGC.

TEAMSTERS LOCAL 575 PENSION FUND

Notes to Financial Statements

(2) Significant Accounting Policies and Information (Continued)

Basis of Accounting (Continued) - The Plan is not able to reasonably estimate future expenses over the period in which liquidation will occur as the liquidation period is expected to occur over an extended number of years depending on various factors including future PBGC funding. Accordingly, the financial statements at December 31, 2024 and 2023 do not include an accrual for expenses to be incurred by the Plan over its liquidation period.

Adoption of New Accounting Pronouncements - Effective January 1, 2023, the Plan adopted ASC 326 which changed how entities will measure credit losses for certain financial assets that aren't measured at fair value through changes in net assets available to benefits. The most significant change in this standard is a shift from the incurred loss model to the expected loss model. Under the standard, disclosures are required to provide users of the financial statements with useful information in analyzing the Plan's exposure to credit risk and the measurement of credit losses. The primary financial asset held by the Plan that are subject to the guidance in ASC 326 is withdrawal liability receivable. The impact of the adoption was not considered material to the financial statements and primarily resulted solely in enhanced disclosures.

On July 30, 2025, the FASB issued Accounting Standards Update (ASU) 2025-05, Financial Instruments—Credit Losses (Topic 326): Measurement of Credit Losses for Accounts Receivable and Contract Assets. This standard allows entities to elect a practical expedient that assumes that current conditions as of the fiscal year-end do not change for the remaining life of the asset. In addition, the standard provides for consideration of subsequent collections in developing reasonable and supportable forecasts as part of estimating expected credit losses. The Plan elected to early adopt this standard in the reporting period ended December 31, 2024

Prior Period Adjustment - The accompanying financial statements for the year ended December 31, 2023 have been restated to record accrued interest and PBGC insurance expenses related to prior years' PBGC funding. The effect of the restatement was to record accrued interest liability of \$212,857 at December 31, 2023 and an adjustment of (\$168,826) reducing net assets available for benefits at January 1, 2023. Additionally, an adjustment was made to the statement of changes in net assets available for benefits for the year ended December 31, 2023 to record \$92,477 of interest expense and \$7,558 of PBGC premiums.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Employers' Withdrawal Liability Receivable - The Plan's policy is to recognize a receivable at its present value, net of any allowance for collectability once a withdrawal liability has been actuarially determined and formally assessed by the Plan.

Administrative Expenses - Expenses incurred in connection with the general administration of the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits.

Payment of Benefits - Benefits payments to participants are recorded upon distribution.

Subsequent Events - The Plan has evaluated subsequent events through September 26, 2025, the date the financial statements were available to be issued.

Notes to Financial Statements

(3) Assessed Withdrawal Liability

The Plan complies with the provisions of the Multiemployer Pension Plan Amendment Act of 1980 (MPPAA), which requires imposition of a withdrawal liability on a participating employer that partially or totally withdraws from the Plan. Under the provisions of MPPAA, a portion of the Plan's unfunded vested liability would be allocated to a withdrawing employer. A withdrawal liability is usually paid in quarterly installments as determined by a statutory formula over a maximum of 20 years. The Plan entered into various settlement agreements with participating employers who withdrew from the Plan and were subject to withdrawal liability assessments. The Trustees, at times, approve settlements and payment plan arrangements for assessment amounts owed to the Plan.

During the years ended December 31, 2024 and 2023, the Plan recognized withdrawal liability income of \$4,532 and \$7,552, respectively.

As of December 31, 2024 and 2023, the following employers had outstanding withdrawal liabilities balances due to the Plan with repayment terms as follows:

	<u>2024</u>	<u>2023</u>
\$274,348 total withdrawal liability balance as of December 5, 2011 due in quarterly installments of \$1,510 through March 31, 2086.	\$ 161,799	\$ 167,843
\$19,843 total withdrawal liability balance as of December 5, 2011 due in 101 quarterly installments of \$366 through March 31, 2037	<u>7,489</u>	<u>7,489</u>
Total Outstanding Withdrawal Liability Balance	169,288	175,332
Less: Allowance for Collectability	<u>(167,777)</u>	<u>(172,311)</u>
<u>Net Balance</u>	<u>\$ 1,511</u>	<u>\$ 3,021</u>

(4) Commitments and Contingencies

The Plan entered into a contract with O’Sullivan Associates, Inc. to provide record keeping services to the Plan. The contract terms provide for automatic extensions from year to year each December 31st. The trustees or record keeper may terminate the agreement after the contract end date with thirty or ninety days notice, respectively. The current contract renewal is through December 31, 2024 and was subsequently renewed through December 31, 2025. The fees were \$23,400 and \$22,000 for the years ended December 31, 2024 and 2023, respectively.

(5) Tax Status

The Plan obtained its latest determination letter on November 20, 2012, in which the Internal Revenue Service (IRS) states that the Plan as then designed, was in compliance with the applicable requirements of the Internal Revenue Code IRC. The Plan has been amended since receiving the determination letter. However, the Board of Trustees believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing authorities, however, there are currently no audits for any tax periods in progress.

(6) Party-in-Interest Transactions

The Plan pays for fees for several arrangements with service providers and affiliated entities. These transactions are considered exempt party in interest transactions under ERISA.

(7) Qualified Opinion

Effective July 1, 2019, the Pension Benefit Guaranty Corporation (PBGC) amended its rules for terminated and insolvent multiemployer plans and duties of plan sponsors. The amendments include permitting sponsors of a multiemployer plan terminated by mass withdrawal to reduce its administrative burden by allowing a plan sponsor to perform an actuarial valuation every 5 years if the present value of the plan's non-forfeitable benefits is \$50 million or less. The trustees of the Plan have adopted the amended PBGC rules and had not obtained actuarial information for the Plan for the beginning of the plan years ended December 31, 2024 and 2023. Accordingly, the December 31, 2024 and 2023 financial statements did not include disclosure of the Plan's actuarial present value of accumulated benefit obligations required by accounting principles generally accepted in the United States of America.

Schedule H, Lines 1j & 1l – Other Liabilities & Net Assets – Beginning of Year

The net assets and other liabilities as of December 31, 2023, have been restated due to PBGC funding received during the years ended December 31, 2023 and prior. The principal only amount of this loan was previously recorded as a liability. The interest and other expenses related to this liability have now been included in this liability amount.

The effect of the restatement was to increase Line 1(j), column (a) “Other Liabilities” and to decrease Line 1(l), column (a) “Net Assets” by \$268,861. As a result, “Other Liabilities” at the beginning of the year which was reported in the prior year as \$1,165,310 has been changed to \$1,434,171. Also “Net Assets” at the beginning of the year which was reported in the prior year as \$(1,119,413) has been changed to \$(1,388,274).
