## Report of Independent Auditors

The Plan Administrative Committee  
Taos Pueblo 401(k) Profit Sharing Plan

### Report on the Audit of the Financial Statements

#### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Taos Pueblo 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of fiduciary net position as of December 31, 2024 and 2023, and the related statement of changes in fiduciary net position for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

#### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Taos Pueblo 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Taos Pueblo 401(k) Profit Sharing Plan's ability to continue as a going concern within twelve months after the financial statement date.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Taos Pueblo 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Taos Pueblo 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### *Supplemental Schedules Required by ERISA*

The Schedule H, line 4(i) – Schedule of assets (held at end of year) as of December 31, 2024, and Schedule H, line 4(a) – Schedule of delinquent participant contributions for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Required Supplementary Information*

Management has omitted management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the Plan's financial statements. Such missing information, although not part of the Plan's financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the Plan's financial statements is not affected by the missing information.

### Note 1 – Description of Plan

The following description of the Taos Pueblo 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan agreement, as amended, for a more complete description of the Plan's provisions.

**General** – The Plan is a 401(k) defined contribution plan covering substantially all employees of Taos Mountain Casino, Taos Pueblo CMS, Taos Pueblo Gaming Commission, Taos Pueblo Tribal Government Operations, Taos Pueblo Utility Service, Taos Pueblo Housing, Taos Pueblo Enterprises, Inc., Taos Pueblo Tourism, Hail Creek Travel Center, LLC, Taos Pueblo Business Development Corp., and Taos Pueblo Hotel Group LLC (collectively, the Pueblo), and is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Taos Pueblo is the Plan's sponsor and serves as plan administrator. The Plan's membership is estimated as follows as of December 31:

	2024	2023
Active participants	285	287
Terminated employees with balances	63	52
	348	339

**Eligibility** – Employees of the Pueblo are eligible to participate in the Plan upon reaching age 21; Effective November 4, 2024, the Plan was amended and the age requirement was changed to 18. Employees must also complete 6 months of service in which at least 1,000 hours are worked. Participants must complete at least 1,000 hours of service during the plan year to be eligible to receive any employer paid contributions.

### Contributions

*Participant contributions* – Each year, participants may contribute between 1% and 100% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans.

## Taos Pueblo 401(k) Profit Sharing Plan

### Notes to Financial Statements

---

*Employer contributions* – The Pueblo may elect to make discretionary matching and profit-sharing contributions to the Plan. The Pueblo matches employee contributions ranging from 100% to 200% of eligible compensation deferred to the Plan determined by years of service. The Plan does not provide matching contributions in excess of 5% of participant compensation. Profit-sharing contributions are allocated to participants in the same proportion as a participant’s compensation bears to the total of all participants’ compensation. There were no profit-sharing contributions for the year ended December 31, 2024.

Years of Service	Matching Contributions
Less than 5	100%
5 - 10	125%
10 - 15	150%
15 - 20	175%
More than 20	200%

Contributions are subject to regulatory limitations.

**Participant accounts** – Each participant’s account is credited with the participant’s contributions and Pueblo’s matching contributions, as well as allocations of the Pueblo’s profit-sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Participants direct the investment of their account into various investment options offered by the Plan.

**Vesting** – Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Pueblo’s contribution portion of their accounts is based on years of continuous service. Participants vest in the Pueblo’s contributions based on the following schedule:

Years of Service	Vesting Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

**Notes receivable from participants** – Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are issued by the Plan and secured by the balance in the participant’s account. Under the terms of the plan agreement, loans bear a reasonable rate of interest determined by the plan administrator. Principal and interest are paid ratably through payroll deductions. As of December 31, 2024, the interest rates on outstanding loans ranged from 3.25% to 8.50%, with various maturities through December 2029.

## Taos Pueblo 401(k) Profit Sharing Plan Notes to Financial Statements

---

**Payment of benefits** – On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Upon termination of employment for any reason, if the amount of the participants vested account balance is less than or equal to \$1,000, the Pueblo will distribute the balance in a single lump-sum payment without the consent of the participant. The Plan's administrative policy states that a terminated participant is entitled to a distribution as soon as administratively feasible.

**Forfeitures** – Forfeitures are the nonvested portion of a participant's account that are lost upon termination of employment. Forfeitures are retained in the Plan and will first be used to pay the Plan's administrative expenses, with any remaining amount used to reduce future Pueblo contributions. As of December 31, 2024 and 2023, forfeited nonvested accounts totaled \$17,043 and \$0, respectively. During the year ended December 31, 2024, forfeiture balances totaling to \$3,541 were used to pay the Plan's administrative expenses.

### **Note 2 – Summary of Significant Accounting Policies**

**Basis of accounting** – The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America using the accrual method of accounting. The financial statements have been prepared in accordance with standards promulgated by the Governmental Accounting Standards Board.

**Use of estimates** – The preparation of financial statements in conformity with generally accepted accounting principles requires the use of estimates and assumptions that may affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Investment valuation** – The investments are reported at fair value. The Plan's custodian, John Hancock Life Insurance Company (U.S.A) (the Custodian), certifies the fair value of all investments. If available, quoted market prices are used to value investments.

Fair value is the price that would be received to sell an asset or paid to transfer a liability (the "exit price") in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

**Income recognition** – Purchases and sales of securities are recorded on a trade-date basis. Net appreciation in fair value of investments consists of both the realized gains and losses and unrealized appreciation and depreciation of those investments.

**Notes receivable from participants** – Notes receivable from participants are measured at amortized cost, which represents unpaid principal balance plus accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions upon the occurrence of a distributable event, based on the terms of the Plan agreement.

**Payment of benefits** – Benefits are recorded when paid.

## Taos Pueblo 401(k) Profit Sharing Plan Notes to Financial Statements

---

**Expenses** – Certain expenses of maintaining the Plan are paid directly by the Pueblo and are excluded from these financial statements. Administrative expenses paid by the Plan may include notes receivable and distribution fees charged to participants' accounts and administrative Plan fees. Investment-related expenses are included in net appreciation in fair value of investments.

**Excess contributions payable** – Excess contributions payable represent amounts refunded to participants after year end to comply with regulatory contribution limitations.

### **Note 3 – Fair Value Measurements**

The Plan's investments are held in pooled separate accounts (PSAs) managed by the Custodian. Units held in PSAs are valued using the net asset value practical expedient (NAV practical expedient) of the PSA as reported by the account managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the PSA, minus its liabilities, and then divided by the number of units outstanding. The PSAs can be redeemed daily, and there are no redemption restrictions or notice requirements. As of December 31, 2024 and 2023, the fair value of investments in the PSAs totaled \$9,094,954 and \$7,737,746, respectively.

### **Note 4 – Tax Status**

The Plan document is a prototype standardized defined contribution plan that received a favorable opinion letter from the Internal Revenue Service on June 30, 2020, which stated that the prototype plan, as then designed, was in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since the date of the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

### **Note 5 – Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. It is reasonably possible, given the level of risk associated with investment securities, that changes in the values of the investments in the near term could materially affect a participant's account balance and the amounts reported in the statement of fiduciary net position. Since all investments are participant directed, all risks exist at the participant level. Each individual within the Plan has the ability to liquidate his or her position and retains responsibility for managing exposure to fair value loss. A summary of the risks and plan exposure is summarized below.

**Custodial credit risk** – Custodial credit risk is the risk that in the event of the failure of the counterparty, the Plan will not be able to recover the value of its investments that are in the possession of an outside party. The Plan's investments are held in actively traded securities held in trust with the Custodian.

**Interest rate risk** – Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The Plan's investments in fixed income securities are limited to PSAs with underlying investments in bonds, which are actively traded and valued daily at a net asset value.

## Taos Pueblo 401(k) Profit Sharing Plan Notes to Financial Statements

---

**Credit risk** – Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligation to the Plan. The Plan has an investment policy that manages credit risk by offering a selection of PSA options for investment within each investment classification in the investment policy. These investment options and the Plan’s investment policy are monitored by the plan administrator and an independent investment consultant.

**Concentration of credit risk** – Concentration of credit risk is the risk of loss that may be attributed to the magnitude of the Plan’s investment with a single investment or issuer. The fair values of investments representing more than 5% of the Plan’s net position are summarized as follows as of December 31:

	2024	2023
Pooled separate accounts		
JH Multimanager Growth LS	\$ 2,611,419	\$ 2,254,211
JH Multimanager Balanced LS	1,369,365	1,370,436
T. Rowe Price Retirement 2035	1,261,610	1,071,065
John Hancock Stable Value	486,634	454,734

### **Note 6 – Certified Investment Information**

The following information related to investments was obtained by management and agreed to or derived from information certified as complete and accurate by the Custodian:

- Investments and notes receivable from participants reflected on the accompanying statements of fiduciary net position as of December 31, 2024 and 2023.
- Net appreciation in fair value of investments and interest income on notes receivable from participants reflected on the accompanying statement of changes in fiduciary net position for the years ended December 31, 2024 and 2023.
- Investments and participant loans reflected on the schedule of assets (held at end of year).

### **Note 7 – Party-in-Interest Transactions**

The Plan paid expenses related to the Plan’s operations and investment management to various service providers. Certain investments are managed by the Custodian and, therefore, transactions with these entities qualify as exempt party-in-interest transactions.

### **Note 8 – Plan Termination**

Although it has not expressed any intent to do so, the Pueblo has the right to terminate the Plan and discontinue its contributions at any time, subject to the provisions of ERISA. If the Plan is terminated, amounts allocated to a participant’s account become fully vested.
