## INDEPENDENT AUDITOR'S REPORT

To the Participants and Board of Trustees,  
M.H. Whittier Corporation Savings Plan  
Pasadena, California

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of M.H. Whittier Corporation Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to Section 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with Section 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## M.H. WHITTIER CORPORATION SAVINGS PLAN

Notes to Financial Statements  
December 31, 2024 and 2023

---

### NOTE 1. PLAN DESCRIPTION

The following description of the M.H. Whittier Corporation Savings Plan (the Plan) for the employees of M.H. Whittier Corporation and adopting employers: Whittier Trust Company, Whittier Trust Company of Nevada, Mericos Aviation, Ltd. and Whittier Advisors, LLC. (collectively, the Company) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General:** The Plan is a defined contribution plan covering all employees of the Company, who have completed 30 days of employment. Employees may enter the Plan on the first day of the month upon meeting the eligibility requirement.

The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC). The Plan is also subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Participant Accounts and Contributions:** Participants may elect to defer up to 6% of annual compensation, as defined in the Plan, in 1% increments. In addition, any participant who has elected to contribute 6% of annual compensation may elect to designate an additional percentage up to 14% of annual compensation to be paid as contributions instead of compensation. Participants may also elect to designate certain contributions that are includible in the compensation as Roth contributions. Automatic enrollment deferrals start at 3% and are increased annually by 1% up to a maximum deferral percentage of 6%.

The maximum participant deferral limit was \$23,000 for the year ended December 31, 2024. Catch up contributions of \$7,500 were available to participants who had attained age 50 or older by December 31, 2024, and had not exceeded the contribution limit for the Plan year.

The Company is required to make matching contributions on participants' salary deferrals equal to 100% of participants' deferrals, up to 6% of compensation, as defined in the Plan. Matching contributions for the year ended December 31, 2024 totaled \$1,877,101.

In addition, the Company may make annual discretionary contributions to the Plan. Such additional contributions may not exceed 15% of the participant's compensation. Discretionary contributions for the year ended December 31, 2024 totaled \$2,257,494.

Each participant's account is credited or charged with the participant's contribution and allocations of the Company's matching contributions, discretionary contributions, investment earnings and administrative expenses.

## M.H. WHITTIER CORPORATION SAVINGS PLAN

Notes to Financial Statements  
December 31, 2024 and 2023

---

### NOTE 1. PLAN DESCRIPTION (Continued)

**Vesting:** Participants are immediately vested in their voluntary contributions and the Company's matching contributions plus actual earnings thereon. Vesting in the Company discretionary contributions is based on years of continuous service. A participant is 20% vested after two years, and continues to vest 20% per year thereafter. A participant becomes fully vested after six years of service.

Notwithstanding the above, if a participant (1) attains the age of 65, (2) dies or (3) terminates employment by reason of permanent disability, the Company discretionary contribution amount becomes 100% vested without regard to years of service.

**Notes Receivable from Participants:** Participants may borrow from their vested account balances up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. The notes receivable from participants are secured by the vested balance in the participant's account and bear interest at the prevailing market rate as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions or participants' own personal funds over a term not to exceed five years, except for notes receivable used to purchase or improve the participant's primary residence, which may have a repayment term not to exceed 15 years.

**Benefit Payments:** Distributions of a participant's account can be made upon termination of service, death, disability, or retirement. Distributions are made in a lump-sum payment. If the value of the vested portion is less than \$5,000, the participant may automatically receive a distribution. An in-service distribution can also be made to participants who have attained the age of 59-1/2, upon disability or when experiencing financial hardship.

**Administrative Expenses:** The Company incurs certain administrative expenses related to the Plan, which are not passed on as expenses of the Plan. Administrative expenses charged to the Plan consist of charges associated with investment transactions, benefit payments and loan processing.

**Forfeitures:** Forfeitures of terminated participants' unvested Company discretionary contributions may be used to reduce future Company contributions or may be re-allocated to participants' accounts. During the year ended December 31, 2024, forfeitures of approximately \$55,000 were re-allocated to participants' accounts. Approximately \$148,000 of forfeitures remain available for future use at December 31, 2024.

**Plan Termination:** Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

### NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Accounting:** The financial statements of the Plan have been prepared using the accrual basis of accounting.

**Use of Estimates:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

## M.H. WHITTIER CORPORATION SAVINGS PLAN

Notes to Financial Statements  
December 31, 2024 and 2023

---

### NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

**Investment Valuation:** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for disclosure of fair value measurements.

**Valuation of Notes Receivable from Participants:** Notes receivable from participants are reported at their unpaid principal balances plus accrued but unpaid interest.

**Realized and Unrealized Appreciation (Depreciation):** Realized and unrealized appreciation (depreciation) is based on the market value of the assets at the end of the Plan year compared to the market value of the assets at the beginning of the Plan year, or at the time of purchase for assets purchased/exchanged during the Plan year.

**Benefit Payments:** Benefits are recorded when paid.

### NOTE 3. CERTIFIED FINANCIAL INFORMATION

The Plan Administrator has elected the method of compliance permitted by Section 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the financial information included in the Plan's financial statements as it relates to investment assets, investment transactions, investment income, notes receivable from participants, and the schedule of assets held at end of year has been derived from information certified as complete and accurate by T. Rowe Price Trust Company (T. Rowe Price), the trustee of the Plan, in accordance with Section 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

### NOTE 4. INCOME TAX STATUS

The Plan obtained its latest opinion letter on June 22, 2016, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan management believes that the Plan, as designed, is in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require the Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by applicable taxing authorities. The Plan Administrator has analyzed tax positions taken by the Plan and concluded that, as of December 31, 2024, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or that would require disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions. However, currently no audits for any tax periods are in progress. The Plan Administrator believes that the Plan is no longer subject to income tax examinations for years prior to December 31, 2021.

### NOTE 5. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are invested in shares of mutual funds managed by T. Rowe Price, the trustee of the Plan. Therefore, these transactions qualify as party-in-interest transactions.

## M.H. WHITTIER CORPORATION SAVINGS PLAN

Notes to Financial Statements  
December 31, 2024 and 2023

---

### NOTE 6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market performance and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### NOTE 7. FAIR VALUE MEASUREMENTS

Fair value is determined based on assumptions that a market participant would use in pricing an asset or liability. Measurements of fair value are classified within a hierarchy based upon valuation inputs that gives the highest priority to quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The fair value hierarchy is as follows:

- Level 1* Observable quoted prices in active markets for identical assets and liabilities.
- Level 2* Observable quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar instruments in markets that are not active and model-based valuation techniques for which all significant assumptions are observable in the market.
- Level 3* Model-based techniques that use at least one significant assumption not observable in the market. These unobservable assumptions reflect estimates of assumptions that market participants would use in pricing the asset or liability. Valuation techniques include use of option pricing models, discounted cash flow models and similar techniques.

The following methods and assumptions were used to estimate the fair value of each class of assets that are recognized at fair value. There have been no changes in the methodologies used as of December 31, 2024 and 2023:

*Mutual funds:* Valued using quoted market prices in active markets, which represent the net assets value of shares held by the Plan at year-end.

*Money Market Fund:* The carrying value approximates fair value.

*Common Trust Funds:* Consists of a stable value common trust fund and target date retirement funds - Valued at the net asset value of units (NAV) of the common trust fund. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the common trusts, the issuer reserves the right to require 90 days to 12 months notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

Notes to Financial Statements  
December 31, 2024 and 2023

### NOTE 7. FAIR VALUE MEASUREMENTS (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

	Fair Value Measurements Using			Total
