Independent Auditors' Report

Plan Administrator
Retina Consultants, Ltd.
Savings and Profit Sharing Plan
St. Louis, Missouri

Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Retina Consultants, Ltd. Savings and Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis For Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities Of Management For The Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities For The Audit Of The Financial Statements

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit For The Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required By ERISA

The supplemental schedule of assets held at end of year as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS
December 31, 2024 And 2023**

1. Description Of The Plan

The following description of Retina Consultants, Ltd. Savings and Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan, which became effective December 31, 1969, and was most recently amended and restated effective January 1, 2021, is a defined contribution plan covering all employees, except union and leased employees, of Retina Consultants, Ltd. and Illinois Retina Consultants, Ltd. (collectively, the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility

Employees who have completed one year of service and are age 18 or older are eligible to become participants in the Plan and receive Company contributions. Participants may enter the Plan upon satisfaction of the minimum age and service requirements.

In addition to the eligibility requirements above, employees who are deceased, retired, or became disabled during the Plan year will not be eligible to receive the discretionary profit sharing contribution.

Contributions

The Plan provides for an automatic enrollment provision. Participants, upon meeting the eligibility requirements, will be auto enrolled in the Plan at a default contribution rate of 3%. Participants may choose to change their deferral percentage or opt out of participant deferrals at any time.

Participants may make contributions up to certain Internal Revenue Service (IRS) limits. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants can elect to defer into Roth contributions beginning in 2023.

RETINA CONSULTANTS, LTD.
SAVINGS AND PROFIT SHARING PLAN

Notes To Financial Statements (*Continued*)

The Plan provides for a discretionary Company matching contribution and a safe harbor contribution. The discretionary Company matching contribution formula can change, but at no point will the formula exceed more than 4% of participant compensation. The discretionary Company matching contribution was 100% of employee contributions, up to 3% of participant compensation for the years ended December 31, 2024 and 2023. The safe harbor contribution was 3% of compensation for the years ended December 31, 2024 and 2023.

The Plan also provides for a discretionary profit sharing contribution to be determined annually by the Company. Discretionary profit sharing contributions were \$234,890 and \$137,709 for the years ended December 31, 2024 and 2023, respectively.

Participants direct the investment of all contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with participants' contributions, the Company's contributions and allocations of the Plan's earnings. The allocation of earnings is determined by the earnings of the participant's investment selection based on each participant's account balance, as defined in the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are 100% vested in their salary deferral, rollover and safe harbor contributions at all times. For the discretionary matching contribution and profit sharing contribution, participants are 20% vested after two years of service, 40% vested after three years of service, 60% vested after four years of service, 80% vested after five years of service, and 100% vested after six years of service. Participants also become fully vested upon death, disability, or attainment of normal retirement age (65).

Forfeitures

Forfeitures are first used to pay Plan expenses and then any remaining amounts are used to reduce future Company contributions. As of December 31, 2024 and 2023, there was \$2,288 and \$27, respectively, in forfeitures available for future use. For the years ended December 31, 2024 and 2023, forfeitures used to pay Plan expenses and offset Company contributions amounted to \$10,000 and \$31,182, respectively.

RETINA CONSULTANTS, LTD.
SAVINGS AND PROFIT SHARING PLAN

Notes To Financial Statements (*Continued*)

Payment Of Benefits

Participants who have reached a benefit event (death, disability, retirement or termination) have the right to elect to receive an amount equal to the vested value of the participant's account in a lump-sum distribution or in installment payments. Distributions are subject to the applicable provisions of the Plan Agreement.

In-Service Distributions

Active participants who reach age 59-1/2 may withdraw all or part of their vested accounts.

Notes Receivable From Participants

Participants are allowed to borrow from their vested accounts a minimum of \$1,000 and up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance as of the date of the loan. Loan terms cannot exceed five years unless the loan is for the purchase of a principal residence, in which case the term is fifteen years. Loans are secured by the balance in the participant's vested account and bear interest at the prime rate plus 1%. Principal and interest are paid ratably through payroll deductions.

Administrative Expenses

Plan expenses relating to administration, processing of notes receivable and distributions, consulting and recordkeeping are paid by the Plan. Investment related expenses are included in the net change in of fair value of investments. Some administrative expenses of the Plan may be paid by the Company. These amounts are not reflected in the financial statements.

2. Summary Of Significant Accounting Policies

Basis Of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Estimates And Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

RETINA CONSULTANTS, LTD.
SAVINGS AND PROFIT SHARING PLAN

Notes To Financial Statements (*Continued*)

Investment Valuation And Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of investments are reflected on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. The net change in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Contributions Receivable And Credit Loss Policy

Amounts due for contributions are stated at the amount that management expects to collect from outstanding balances less an allowance for expected credit losses. The expected credit losses amount reflects management's best estimate of amounts that will not be collected. This assessment considered historical experience, current conditions and, when appropriate, reasonable and supportable forecasts.

The Company has concluded that no allowance for current expected credit losses was necessary at December 31, 2024 or 2023.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment Of Benefits

Benefits are recorded when paid.

Subsequent Events

Management evaluates subsequent events through the date the financial statements are available for issue, which is the date of the Independent Auditors' Report.

3. Certified Financial Information

The following is a summary of the Plan's asset information as of December 31, 2024 and 2023, and for the years then ended, included throughout the Plan's financial statements and supplemental schedule that was prepared by or derived from information certified by Vanguard Fiduciary Trust Company (Vanguard), and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from Vanguard that the information provided to the Plan Administrator related to the following information is complete and accurate.

Accordingly, as permitted by CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the following assets as of December 31:

	<u>2024</u>	<u>2023</u>
Mutual funds	\$ 33,500,173	\$ 32,619,842
Notes receivable from participants	207,312	214,095

Vanguard also certified to the completeness and accuracy related the following investment income and interest income on notes receivable from participants for the years ended December 31:

	<u>2024</u>	<u>2023</u>
Interest and dividend income	\$ 992,444	\$ 745,586
Net change in fair value of investments	3,711,836	4,752,947
Interest income on notes receivable from participants	15,821	12,097

4. Fair Value Measurements

The Plan follows an established framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the standards are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of:

	December 31, 2024			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 33,500,173	\$ —	\$ —	\$ 33,500,173

	December 31, 2023			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 32,619,842	\$ —	\$ —	\$ 32,619,842

There have been no changes in the valuation methodology used at December 31, 2024 or 2023.

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

6. Risks And Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

7. Income Tax Status

The Company has adopted the Ascensus, LLC non-standardized pre-approved profit sharing plan document. The pre-approved sponsor has received an opinion letter from the IRS dated June 30, 2020, in which the IRS stated that the pre-approved document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan itself did not receive a determination letter. The Plan has been amended since the date of the opinion letter. However, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Party In Interest Transactions

The Plan invests in shares of mutual funds managed by Vanguard and certain Plan participants have outstanding loans with the Plan as of December 31, 2024 and 2023. These transactions qualify as allowable party in interest transactions under ERISA.
