INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Nyemaster, Goode, West, Hansell, & O'Brien
Medical Benefit Plan
Des Moines, Iowa

Opinion

We have audited the accompanying financial statements of Nyemaster, Goode, West, Hansell, & O'Brien Medical Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of Nyemaster, Goode, West, Hansell, & O'Brien Medical Benefit Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits and benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis of Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Nyemaster, Goode, West, Hansell, & O'Brien Medical Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Nyemaster, Goode, West, Hansell, & O'Brien Medical Benefit Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Nyemaster, Goode, West, Hansell, & O'Brien Medical Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Nyemaster, Goode, West, Hansell, & O'Brien Medical Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Nyemaster, Goode, West, Hansell, & O'Brien Medical Benefit Plan
NOTES TO FINANCIAL STATEMENTS

NOTE 1 DESCRIPTION OF PLAN

The following description of Nyemaster, Goode, West, Hansell, & O'Brien Medical Benefit Plan (the Plan) provides only general information. Participants should refer to the Trust Agreement for a more complete description of the Plan.

General

The Plan provides health benefits covering all eligible employees of Nyemaster Goode, P.C. (the Plan Sponsor or the Employer) and their eligible dependents. Eligible dependents include a covered employee's spouse and unmarried children (with certain restrictions). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Benefits

The Plan provides health benefits, as outlined in the Plan document. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Stop-Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over \$55,000 per person and 125% of expected paid claims in aggregate per plan year).

Contributions

In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections, which are determined annually by the Plan administrator based on the amount of claims incurred. The Employer makes contributions to the Plan based on estimates of amounts necessary to avoid a funding deficiency in the Plan's trust fund. The Employer also contributes the remaining amounts of claims and administrative expenses, including reinsurance premiums. Submitted approved health claims are paid by an independent third party administrator (TPA).

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Sponsor to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits

Claims are recorded when submitted to the Plan by the TPA for reimbursement. Claims payable and claims incurred but not reported are included in the accompanying statements of benefit obligations.

Nyemaster, Goode, West, Hansell, & O'Brien Medical Benefit Plan
NOTES TO FINANCIAL STATEMENTS

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Claims Payable and Claims Incurred but not Reported

Claims payable include claims paid by the TPA but not yet reimbursed by the Plan. Claims incurred but not reported are estimated by the Plan's management as 5% of maximum claims as of December 31, 2024 and 2023. These amounts are paid by the Plan only if claims are submitted and approved for payment.

Stop-Loss

Stop-loss insurance recoveries, netted against claims paid, totaled \$40,591 and \$470,385 during 2024 and 2023, respectively. Amounts received by the TPA during the plan year but not reimbursed to the Plan until the following year are included in stop-loss and rebates receivable on the statements of net assets available for benefits and totaled \$20,833 and \$63,166 for the years ended December 31, 2024 and 2023, respectively.

Uncertain Tax Positions

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management has evaluated their material tax positions and determined there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 3 BENEFIT OBLIGATIONS

Benefit obligations at December 31, 2024 and 2023 of \$283,000 and \$294,000, respectively, represent the estimate of health claims incurred by active participants but not paid. Total claims reported and approved for payments, including benefits reclassified from benefit obligations were \$1,427,885 and \$1,793,828 for the years ended December 31, 2024 and 2023, respectively. Claims paid for the years ended December 31, 2024 and 2023 totaled \$1,438,885 and \$1,782,828, respectively.

NOTE 4 ADMINISTRATION FEES

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators and consulting fees. All other administrative expenses, such as audit fees, are paid by the Employer on behalf of the Plan.

NOTE 5 PLAN TERMINATION

Although it has not expressed any intention to do so, the Employer reserves the right to terminate the Plan subject to the provisions set forth in ERISA. If the Plan is terminated, all eligible claims outstanding at that time will be paid in full or paid on a prorated basis.

NOTE 6 ADMINISTRATION OF PLAN ASSETS

Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan.

Employees of the Plan Sponsor participate in the Plan.

Nyemaster, Goode, West, Hansell, & O'Brien Medical Benefit Plan
NOTES TO FINANCIAL STATEMENTS

NOTE 7 TAX STATUS

The trust established under the Plan to hold the Plan's assets is intended to qualify pursuant to section 501(c)(9) of the Internal Revenue Code as a tax-exempt organization. The Plan Sponsor believes that the Plan continues to qualify and to operate as designed.

NOTE 8 CONCENTRATIONS OF CREDIT RISK

The Plan at various times throughout the year has amounts on deposit with a financial institution in excess of FDIC limits.
