In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Rifenburg Support Services, LLC Employee Savings & Prevailing Wage Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Rifenburg Support Services, LLC Employee Savings & Prevailing Wage Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rifenburg Support Services, LLC Employee Savings & Prevailing Wage Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Responsibilities of Management for the Financial Statements (Continued)

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rifenburg Support Services, LLC Employee Savings & Prevailing Wage Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rifenburg Support Services, LLC Employee Savings & Prevailing Wage Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

RIFENBURG SUPPORT SERVICES, LLC EMPLOYEE SAVINGS & PREVAILING WAGE PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

1. THE PLAN

The following description of the Rifenburg Support Services, LLC Employee Savings & Prevailing Wage Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Rifenburg Holdings, Inc. and Its Subsidiaries (Rifenburg Construction, Inc., Rifenburg North Carolina, LLC, Rifenburg Contracting Corp, Marcy Excavation Services, LLC, Rifenburg Equipment Services, LLC, Rifenburg Logistics, Inc., Rifenburg Aggregates, LLC, 125 Defreest, LLC, and Rifenburg Support Services, LLC), collectively referred to as "Company," who are not covered under a collective bargaining agreement and are age eighteen or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective June 15, 2024, employees of New Castle Asphalt, LLC were transferred to a newly established plan named New Castle Asphalt, LLC Employee Savings Plan. Prior to this date, New Castle Asphalt, LLC was also a participating employer in this plan.

Effective December 6, 2024, the name of the Plan was changed from Construction Administration Network, LLC Employee Savings & Prevailing Wage Plan to Rifenburg Support Services, LLC Employee Savings & Prevailing Wage Plan.

Contributions and Contributions Receivable

Contributions to the Plan may include profit sharing, employee 401(k) deferrals, Roth deferral contributions, Company matching, and wage rate contributions.

Eligible employees may contribute up to 75% of their income (not exceeding dollar limitations set by law) into the Plan under 401(k) and Roth provisions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants are 100% vested in their 401(k), Roth, and rollover contributions. The Company matches a percentage of a participant's 401(k) contribution. This percentage is discretionary and is determined each year. The percentage is applied to contributions based on the first 6% of the participants' eligible compensation. The company match is only available for participants who do not receive a wage rate contribution.

The Company may make a profit sharing contribution for eligible employees. The amount of the profit sharing contribution, if any, is determined by the Board of Directors at its sole discretion each year. The Company is not required to make any profit sharing contribution for any year and no profit sharing contributions were made for the years ended December 31, 2024 and 2023.

Wage rate contributions are made for each eligible participant while working on construction jobs located in New York State. 15% of the gross eligible wages of a participant are contributed to the Plan on their behalf. Participants are 100% vested in their wage rate contributions.

1. THE PLAN (Continued)

Contributions and Contributions Receivable (Continued)

At December 31, 2024 and 2023 the details of the employer and participant portion of the contributions receivable were as follows:

	<u>2024</u>	<u>2023</u>
Employer match	\$ 877,735	\$ 1,061,957
Employer wage rate contribution	16,533	8,405
Participant contribution	<u>28,670</u>	<u>20,550</u>
Total contribution receivable	<u>\$ 922,938</u>	<u>\$ 1,090,912</u>

Participant Accounts

Each participant's account is credited with the employee's contributions and an allocation of (a) the Company's contribution, (b) Plan earnings (losses), and (c) charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in their voluntary contributions, rollover contributions, and employer wage rate contributions, plus actual earnings thereon.

Vesting in the Company's discretionary profit sharing and 401(k) match contributions, plus earnings thereon, is based on years of continuous service. A participant is 100 percent vested after six years of credited service in line with the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeitures

At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$10,378 and \$28,334, respectively. These accounts will be used to reduce future employer matching contributions. For the years ended December 31, 2024 and 2023, employer contributions were reduced by \$10,378 and \$31,232, respectively, from forfeited nonvested accounts.

Investment Options

The Plan entered into an agreement with Charles Schwab Bank (the custodian of the Plan) whereby the custodian directs new contributions, in accordance with the participant's election, into a choice of various mutual funds and one stable value collective trust fund.

Participants may change their investment options daily.

1. THE PLAN (Continued)

Payment of Benefits

On termination of service due to death, disability or retirement, a participant will automatically receive a joint and 50% survivor annuity equal to the value of the participant's vested interest in his or her account, unless said participant elects an alternative form of payment (lump sum, alternate survivor annuity, or life annuity, etc.). For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Administrative Expenses

The majority of Plan administrative expenses are paid by the Plan. The primary administrative expenses incurred for 2024 and 2023 were investment advisory/management fees and professional fees.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Management determines the Plan's valuation policies.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties

The Plan provides for various investment options in a variety of investment securities. Investment securities are exposed to various risks, such as interest rate risk, financial market risk and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statement of net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Financial Instruments Measured at Fair Value

The Plan has financial instruments which are recorded at fair value in the accompanying statements of net assets available for benefits. The Plan makes estimates regarding the valuation of assets and liabilities measured at fair value in the financial statements. These assets and liabilities include the investments in mutual funds and insurance contracts.

Fair Value Measurement - Definition and Hierarchy

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There were no changes in the methods used to measure fair value at December 31, 2024 and 2023.

The Plan's policy is to recognize transfers of investments into or out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2024 and 2023, there were no transfers of investments into or out of Level 3.

Following is a description of the valuation methodologies used for assets measured at fair value.

Money market and mutual funds: Valued at the net asset value of shares held at year-end based on quoted market prices.

Stable value collective trust fund: Valued based on the fair value using the net asset value (NAV) practical expedient as determined by the issuer based on the current fair values of the underlying assets of the fund.

Cash surrender value of life insurance: Valued at the current cash surrender value of the individual whole life insurance policies, which approximates fair value.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

3. INVESTMENTS

Except for its insurance policies with insurance companies, the Plan's investments are held in a bank-administered trust fund. The following tables present a breakdown of the Plan's investments at fair value as of December 31, 2024 and 2023.

At December 31, 2024, the Plan's investments are measured at fair value on a recurring basis and are valued as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money market funds	\$ 574,606	\$ -	\$ -	\$ 574,606
Mutual funds	59,953,197	-	-	59,953,197
Cash surrender value of life insurance	-	-	39,208	39,208
Total assets measured				
within fair value hierarchy	<u>\$60,527,803</u>	<u>\$ -</u>	<u>\$ 39,208</u>	60,567,011
Stable value collective trust fund measured at NAV				<u>905,975</u>
Total investments at fair value				<u>\$61,472,986</u>

At December 31, 2023, the Plan's investments are measured at fair value on a recurring basis and are valued as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money market funds	\$ 809,630	\$ -	\$ -	\$ 809,630
Mutual funds	52,521,987	-	-	52,521,987
Cash surrender value of life insurance	-	-	39,041	39,041
Total assets measured				
within fair value hierarchy	<u>\$53,331,617</u>	<u>\$ -</u>	<u>\$ 39,041</u>	53,370,658
Stable value collective trust fund measured at NAV				<u>1,388,811</u>
Total investments at fair value				<u>\$54,759,469</u>

In accordance with ASC 820, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

3. INVESTMENTS (Continued)

Investments measured using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2024 and 2023. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2024</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Eligible)</u>	<u>Redemption Notice Period</u>
Stable value collective trust fund	\$ 905,975	n/a	Daily	12 months
<u>December 31, 2023</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Eligible)</u>	<u>Redemption Notice Period</u>
Stable value collective trust fund	\$ 1,388,811	n/a	Daily	12 months

The Plan invests in the Morely Stable Value Fund, a stable value collective trust fund whose underlying assets are fully benefit-responsive investment contracts. This stable value fund seeks to provide preservation of capital and relatively stable returns by investing primarily in short-term investments and investment-grade stable value investment contracts. The underlying investments of the Morley Stable Value Fund consist of Conventional Guaranteed Investment Contracts (“GICs”) and Synthetic Guaranteed Investment Contracts (wrap contracts) and cash equivalents. The GICs are typically issued with a fixed crediting rate and a fixed maturity date that does not change over the life of the contract. Whereas wrap contracts typically reset on a monthly or quarterly basis as negotiated with the issuer and do not have a final stated maturity date. Gains and losses on the underlying portfolio are amortized over the duration of the investment, through adjustments to the future interest-crediting rate.

A number of factors can influence future crediting rates of wrap contracts, which may include but are not limited to: portfolio cash flows, underlying portfolio performance, current market interest rates for reinvestment, duration posture, change in credit ratings, default or bankruptcy by an asset or wrap issuer, the unexpected receipt of principal and interest payments, extraordinary withdrawals and certain wrap contract terms, including wrap fees.

3. INVESTMENTS (Continued)

Cash Surrender Value of Life Insurance

The Plan's investments in Cash Surrender Value of Life Insurance are insurance contracts between the Plans' participants and Reliastar. The cash surrender value is reported at fair value, which is the aggregation of cash surrender value for each individual policy. The insurance company calculates the cash surrender value based on each individual's insurance policy.

The plan administrator assesses and approves the fair value measurement policies and procedures applied in the measurement of fair value on a continuing basis.

The following table represents the Plan's level 3 financial instruments, the valuation techniques used to measure the fair value of those financial instruments, and the significant unobservable inputs and the ranges of values for those inputs.

<u>Type</u>	<u>Fair Value</u>	<u>Valuation Technique</u>
Cash surrender value of life insurance	<u>2024</u> \$ 39,208	Cash surrender value calculated for each individual insurance policy
	<u>2023</u> \$ 39,041	

The following is a reconciliation of the beginning and ending balances for the Plan's investments measured at fair value on a recurring basis using significant unobservable inputs (Level 3) during 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Level 3 inputs balance January 1,	\$ 39,041	\$ 38,839
Increase in cash surrender value of life insurance	<u>167</u>	<u>202</u>
Level 3 inputs balance December 31,	<u>\$ 39,208</u>	<u>\$ 39,041</u>

4. INSURANCE POLICIES

A number of Plan participants elected to purchase individual life insurance contracts as permitted by the Plan. Plan management chose Reliastar to provide these services. Purchasing insurance policies is no longer allowed by the Plan.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

6. PARTY-IN-INTERST AND RELATED-PARTY TRANSACTIONS

Charles Schwab Trust Bank is the Plan's custodian and Rifenburg Support Services, LLC is the Plan Sponsor. As such, transactions between Charles Schwab Trust Bank, Rifenburg Support Services, LLC, and the Plan qualify as parties-in-interest transactions. As of December 31, 2024 and 2023, all of the Plan's assets were invested with Charles Schwab Trust Bank, the Plan's custodian, except for the Plan's investment in life insurance.

7. TAX STATUS

The Company has adopted a pre-approved plan document issued through Ascensus, LLC that has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since adopting the pre-approved plan document, the plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income tax has been included in the Plan's financial statements.

8. PLAN TRANSFER

Transfers to affiliated plans represent fund transfers made between the Plan and the New Castle Asphalt, LLC Employee Savings Plan as a result of New Castle Asphalt, LLC ceasing its affiliation as a participating employer in the Plan. For the year ended December 31, 2024, transfers from the Plan to the New Castle Asphalt, LLC Employee Savings Plan for participant account balances of New Castle Asphalt, LLC employees totaled \$362,658.

All participant elections effective immediately prior to the transfer under the prior plan continued to apply in the receiving plan until changed by the participant. Also, as a transfer (which differs from a rollover), all accounts under the prior plan carried over into the receiving plan retained their same character and treatment.

9. SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 18, 2025, which is the date the financial statements were available to be issued.

In June 2025, the Plan changed their custodian and investment platform from Charles Schwab Trust Bank to Ascensus Trust.
