INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Kaufman Container Employees 401(k) Savings Plan
Cleveland, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Kaufman Container Employees 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023 and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Delaware Charter Guarantee & Trust Company, d/b/a Principal Trust Company, a member of the Principal Financial Group, the custodian of the Plan, a qualified institution, as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as identified in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule as listed in the table of contents as of the year ended December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2024 and 2023 and Year Ended December 31, 2024

NOTE A - DESCRIPTION OF PLAN

The following description of Kaufman Container Employees 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Kaufman Container Company (the Company, Plan Sponsor, and Plan Administrator) who have completed one month of service and are not part-time, temporary, or seasonal who are scheduled to work, and work less than 1,000 hours of service in a Plan year.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Participants may elect to defer up to a maximum of 89% of their compensation as defined by the Plan on either a pre-tax or after-tax basis. The Plan also provides for catch-up contributions for participants who reach the age of 50 by the end of the Plan year. The Plan provides for the acceptance of rollover contributions from other plans qualified under the Internal Revenue Code (the Code).

Employees who have not declined participation in the Plan or completed a salary deferral agreement as of the date of their eligibility to participate in the Plan will be automatically enrolled in the Plan with a pre-tax deferral rate of 3% invested in a fund designated by the Plan Administrator until changed by the participant. The automatic enrollment deferral rate increases 1% on July 1 of each year up to a maximum of 5% for participants automatically enrolled in the Plan.

The Plan provides for employer safe harbor matching contributions of 100% of employees' salary deferrals up to 3%, and 50% of employees' salary deferrals in excess of 3% up to 5% of a participant's annual compensation, as defined. Additional employer nonelective contributions such as profit-sharing contributions may be made at the discretion of the Plan Sponsor to participants of the Plan. The Company did not make any nonelective contributions for the year ended December 31, 2024.

Participants direct the investment of their contributions into various options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as an allocation of the Company's nonelective contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based upon participant account earnings, compensation, specific participant transactions, or account balances, as defined. The benefit to which a participant is entitled to receive is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their deferral and rollover contributions, employer matching contributions, and in the Company's profit sharing contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance reduced by the excess of the participant's highest outstanding participant loan balance during the 12-month period ending on the date of the loan over the participant's current outstanding participant loan balance on the date of the loan, subject to Plan provisions. Notes receivable terms range from 1 - 5 years or longer for the purchase of a primary residence. Notes receivable are secured by the balances in the participants' accounts. Interest rates on notes receivable ranged from 5.25% to 10.50% at December 31, 2024. Principal and interest is paid ratably through bi-weekly payroll deductions.

Payment of Benefits

A participant, upon reaching age 59½ or severance from employment, or a participant's beneficiary upon the participant's death, may elect to receive partial amounts or a lump-sum amount equal to the value of the participant's account.

If the value of the vested benefits credited to the participant's account is \$5,000 or less, excluding rollovers, at the time of termination, the entire amount will be distributed without the participant's consent. If a participant is terminated from the Plan and makes no distribution or rollover election, balances of \$5,000 or less will be automatically rolled over into an individual retirement account as designated by the Plan Sponsor.

Active participants may request hardship withdrawals from their elective deferral and rollover contributions and earnings thereon.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the custodian. See Note D for discussion of fair value measurements.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make repayments on a note receivable and the Plan Administrator deems the note receivable to be uncollectible, the balance on the note receivable from the participant is reclassified to benefits paid to participants.

Investment Income Recognition

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions and Contributions Receivable

Contributions from Plan participants and related employer contributions are recorded in the year in which the employee's participant contributions are withheld from compensation. Any contributions attributable to the Plan year but not received by the trust by the last day of the Plan year are recorded as a receivable.

The carrying amount of contributions receivable are assessed for the need to record a valuation allowance. The valuation allowance is an estimate derived from the Plan's historical losses of contributions receivable, adjusted for the Plan Administrator's assessment of current conditions, reasonable and supportable forecasts regarding future events, and any other factors deemed relevant by the Plan. Based on the Plan Administrator's assessment as of December 31, 2024 and 2023, no allowances for contributions receivable were recorded as of December 31, 2024 and 2023.

Payment of Benefits

Benefits are recorded when paid.

Notes to Financial Statements

December 31, 2024 and 2023 and Year Ended December 31, 2024

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of benefits paid to participants and notes receivable from participants are charged directly to the participants' accounts and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments on the accompanying statement of changes in net assets available for benefits.

Income Taxes

The Company adopted a non-standardized pre-approved profit sharing/money purchase plan with a cash or deferred arrangement which received an opinion letter from the IRS dated June 30, 2020, stating that the Plan was designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the opinion letter, the Plan Sponsor believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the Code, and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Subsequent Events

The Plan has evaluated subsequent events through September 22, 2025, the date which the financial statements were available to be issued.

NOTE C - CERTIFICATION

Investment information and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in the fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024 was obtained by management and agreed to or derived from information certified as complete and accurate by the custodian.

Notes to Financial Statements

December 31, 2024 and 2023 and Year Ended December 31, 2024

NOTE D - FAIR VALUE MEASUREMENTS

The three levels of the fair value hierarchy, which are based on the inputs used to measure fair value, are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical unrestricted assets or liabilities (for example, exchange quoted prices).

Level 2 - Inputs to the valuation methodology are observable inputs, other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices in markets that are not sufficiently active to qualify as Level 1, other observable inputs, or inputs that can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs to the valuation methodology are significant to the fair value measurement and unobservable (for example, supported by little or no market activity).

Financial assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

The Plan's investments accounted for at fair value as of December 31, 2024 are summarized below:

	<u>Level 1</u>	<u>Total</u>
Mutual funds	\$ 18,495,160	\$ 18,495,160
Total investments in the fair value hierarchy	<u>\$ 18,495,160</u>	18,495,160
Investments measured at net asset value:		
Common/collective trust		<u>2,391,136</u>
Total investments at fair value		<u>\$ 20,886,296</u>

KAUFMAN CONTAINER EMPLOYEES 401(K) SAVINGS PLAN

Notes to Financial Statements

December 31, 2024 and 2023 and Year Ended December 31, 2024

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

The Plan's investments accounted for at fair value as of December 31, 2023 are summarized below:

	<u>Level 1</u>	<u>Total</u>
Mutual funds	\$ 19,618,845	\$ 19,618,845
Total investments in the fair value hierarchy	<u>\$ 19,618,845</u>	19,618,845
Investments measured at net asset value		
Common/collective trust		<u>2,950,677</u>
Total investments at fair value		<u>\$ 22,569,522</u>

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used as of December 31, 2024 and 2023.

Mutual funds are valued at the net asset values of shares held by the Plan at year end, as reported on the active markets in which the investments are traded.

The common/collective trust (see Note E) is valued at the net asset value of units held by the Plan at year end. The net asset value, as provided by the custodian, is used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the trust's underlying assets, less its liabilities. This practical expedient is not used when it is determined to be probable that the trust will sell the investment for amounts different than the reported net asset value.

The methods described on the preceding page may produce fair value calculations that may not be indicative of net realizable values or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair values of certain financial instruments could result in different fair value measurements as of the reporting date.

Notes to Financial Statements

December 31, 2024 and 2023 and Year Ended December 31, 2024

NOTE E - INVESTMENTS IN COMMON/COLLECTIVE TRUST

The Plan has an investment in the Principal Stable Value Institutional Fund (the Fund) of \$2,391,136 and \$2,950,677 at December 31, 2024 and 2023, respectively. Withdrawals from the Fund for benefit payments to be paid to Plan participants and participant transfers to noncompeting options are generally made within 30 days.

Withdrawals, other than for benefit payments and participant transfers to noncompeting options require a twelve month advance written notice, including withdrawals for Plan Sponsor directed actions. Such Plan Sponsor directed actions include, but are not limited to: (i) trustee or Plan Sponsor directed reallocation of investments; (ii) company sponsored layoffs/termination of groups of employees; (iii) disposing of or selling a component of the business which involves the transfer or termination of employees; (iv) terminating the Fund as an investment option of the Plan; and (v) terminating the Plan. The Plan Sponsor does not believe that any such events that would limit the Plan's ability to transact at net asset value are probable of occurring.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE G - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE H - RELATED-PARTY TRANSACTIONS AND PARTIES-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include the investment in a fund of the custodian of the Plan, and the related interest and dividend income, and the payment of administrative expenses by the Plan. Such transactions are exempt from being prohibited transactions.

Notes to Financial Statements

December 31, 2024 and 2023 and Year Ended December 31, 2024

NOTE H - RELATED-PARTY TRANSACTIONS AND PARTIES-IN-INTEREST TRANSACTIONS (CONTINUED)

Principal Financial Group (Principal) provides certain administrative services to the Plan. Principal receives revenues for these services from the Plan directly and also indirectly from investment fund service providers. The revenues received indirectly from investment fund service providers are withheld from investment fund earnings prior to allocation of investment income to the Plan and range from 0.04% to 0.89% of the funds' balances. A portion of these amounts withheld from Plan earnings is also used to pay the investment advisor and other Plan expenses. These fees reduced the rate of return credited to the Plan for these investments and are netted within net appreciation in fair value of investments on the statement of changes in net assets available for benefits.

NOTE I - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to net assets available for benefits per Form 5500:
