Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: GRANT THORNTON LLP

(2) EIN: 36-6055558

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X

REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

To the Plan Administrator
Reliance, Inc. Employee Stock Ownership Plan

Opinion

We have audited the financial statements of Reliance, Inc. Employee Stock Ownership Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for opinion

We conducted our audits of the financial statements in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in

conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental schedule required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to

the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Reliance, Inc. Employee Stock Ownership Plan

Notes to Financial Statements

1. Description of the Plan

The following description of the Reliance, Inc. Employee Stock Ownership Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description.

General

Reliance, Inc. (the “Corporation”, “Company” or “Reliance”) established the Plan effective January 1, 1976. The Plan operates as an employee stock ownership plan that is designed to comply with Section 4975(e)(7) and the regulations thereunder of the Internal Revenue Code of 1986, as amended (the “Code”). The Plan is also subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 and subsequent amendments (“ERISA”). The Plan is administered by the Reliance, Inc. Benefits Committee (“Plan Administrator”). The trustee of the Plan is Fidelity Management Trust Company (the “Trustee”) and the recordkeeper is Fidelity Investments Institutional Operations Company, Inc. The Trustee holds the Plan’s assets and executes certain transactions of the Plan.

In February 2024, the Reliance Steel & Aluminum Co. corporate name was changed to Reliance, Inc. and the Plan’s name was changed accordingly. The disclosures will not distinguish between Reliance’s prior and current corporate name and will refer to its current name throughout the financial statements.

The Plan is a noncontributory defined contribution retirement plan for the benefit of full-time employees of the Corporation not covered by a collective bargaining agreement that were Plan participants as of December 31, 2016. Employees of the Company’s subsidiaries did not participate in the Plan.

The Company is not currently making contributions to the Plan.

Vesting

Participants are fully vested in their individual accounts at all times.

Payment of Benefits

Upon separation from service with the Company due to retirement, disability, death, or termination of service, a participant receives a lump sum distribution in cash, whole shares or Reliance common stock, or any combination thereof, with any fractional shares paid in cash. The Plan includes certain automatic distribution provisions for small account balances.

Participant Accounts

Each participant’s account is credited with an allocation of earnings and losses and expenses thereon for the common stock allocated to the participant’s account.

Voting Rights

Each participant is entitled to exercise voting rights attributable to the shares allocated to their account and is notified by the Trustee prior to the time that such rights are to be exercised. The Trustee is not permitted to vote any allocated shares for which instructions have not been given by a participant.

In-service Withdrawals

Eligible participants can request an in-service withdrawal of a portion of their account balance over a six-year period. Participants aged 55 through 61 may request in-service withdrawals for up to 25% of the number of shares allocated to their account for the first five years and then up to 50% in the sixth year.

Reliance, Inc. Employee Stock Ownership Plan

Notes to Financial Statements

Dividends

Plan participants elect how dividends attributable to Reliance common stock are distributed by the Trustee, either reinvested in additional shares of Reliance common stock or paid in cash. For the year ended December 31, 2024, dividends in the amount of \$853,819 were reinvested in additional shares of Reliance common stock.

Administrative Expenses

Administrative expenses mainly include Fidelity overnight fees that are charged by the Trustee directly to the account balance of the applicable participants.

Recordkeeping fees, audit, legal and other administrative expenses of the Plan are not reflected in the accompanying financial statements as they are paid by the Company.

2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments held by the Plan, including shares of Reliance common stock, are reported at fair value. The fair value of the common stock of the Company is determined based on the closing price reported by the New York Stock Exchange on the last business day of the Plan year. Money market funds are valued at the closing price as reported by the fund.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on an ex-dividend basis.

Net appreciation (depreciation) in fair value of investments presented in the accompanying statement of changes in net assets available for benefits includes gains and losses realized on shares bought and sold during the year and unrealized appreciation or depreciation on shares held at the end of the Plan year.

Risks and Uncertainties

The Plan’s assets are substantially comprised of Reliance common stock, which is exposed to various risks such as interest rate, market volatility, and credit risks. Due to the level of risk associated with the common stock and the level of uncertainty related to changes in the value of common stock, it is at least reasonably possible that changes in risk in the near term would materially affect participants’ account balances and the amounts reported in the financial statements.

Reliance, Inc. Employee Stock Ownership Plan

Notes to Financial Statements

Benefit Payments

Benefits to participants and beneficiaries are recorded when paid.

3. Investment in Reliance, Inc. Common Stock

Information related to the Plan's investment in Company common stock is presented below:

December 31,		2024		2023
Fair value	\$	78,271,355	\$	94,787,902
Cost	\$	12,269,083	\$	13,394,720
Shares held		290,691		338,916

During the year ended December 31, 2024, purchases and sales of Reliance, Inc. common stock were \$853,819 and \$14,034,804, respectively.

4. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to amend or terminate the Plan at any time, subject to the provisions of ERISA. Upon such termination of the Plan, the interest of each participant in the trust fund will be distributed to the participant (or their beneficiary) in accordance with the terms of the Plan and the Code.

5. Income Tax Status

The Internal Revenue Service ("IRS") issued an opinion letter dated November 8, 2017 that states that the form of the Fidelity plan document adopted by the Plan is acceptable under Section 401 of the Internal Revenue Code ("IRC"). Although the Plan has been amended since the date of this letter, the Plan Administrator believes the Plan is currently operating in compliance with the applicable requirements of the IRC and therefore is tax qualified.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. Plan management has concluded that, as of December 31, 2024 and 2023, there were no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax years in progress.

6. Related Party and Party-in-Interest Transactions

The Plan's investments includes shares of Reliance common stock and a money market fund that are managed by the Trustee. The Plan received \$1,352,695 of dividends from Reliance, Inc. in the 2024 Plan year.

The Plan engages in the purchase and sale of Reliance common stock, as noted above in *Note 3—Investment in Reliance, Inc. Common Stock*. Transactions in these investments qualify as exempt party-in-interest transactions.

7. Fair Value Measurements

Fair value is the price that would be received to sell the investment in an orderly transaction between market participants (an exit price). The Financial Accounting Standards Board Accounting Standards Codification establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities. An active market for the asset or liability is a market in which the transaction for the asset or liability occurs with sufficient frequency and volume to provide pricing information on an ongoing basis.
- Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities in markets that are active; quoted market prices in markets that are not active; or model-derived valuations or other inputs that are observable or can be corroborated by observable market data for substantially the full terms of the assets or liabilities.
- Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.
