INDEPENDENT AUDITORS' REPORT

Retirement Committee
Runbeck Companies 401(k) Profit Sharing Plan
St. Louis, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Runbeck Companies 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for plan benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets held for investment purposes as of December 31, 2024 and delinquent participant contributions for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RUNBECK COMPANIES 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024

1. DESCRIPTION OF THE PLAN

The following brief description of the Runbeck Companies 401(k) Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Summary Plan Description for more complete information.

General

The Plan is a defined contribution plan covering substantially all employees of Runbeck Graphics, Inc./Runbeck Election Services (the "Company") who are not covered by a collective bargaining agreement or are nonresident aliens. To be eligible to enroll in the salary reduction portion of the Plan, employees must have attained the age of 19, and have completed one month of service. Participation begins on the first of the month following the date in which the employee attains eligibility. For matching contributions, employees must be making 401(k) contributions to the Plan, attained the age of 19 and completed six months of service. To be eligible for the discretionary employer contributions, employees must be over the age of 19 and have completed six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may make basic pre-tax and post-tax contributions, as defined in the Plan. The Plan has an automatic contribution arrangement with an initial deferral rate of 3% with annual increases of 1% up to a maximum of 6%.

The Company makes safe harbor matching contributions of 3% of participants' compensation. In addition, the Company may make a non-elective discretionary profit sharing contribution at the end of the Plan year. No discretionary profit sharing contribution was made for the year ending December 31, 2024. Participants direct the investment of both their contributions and the Company's contributions into various investment options offered by the Plan. Contributions are subject to certain limitations.

Participant accounts

Each participant's account is credited with (a) the participant's contributions, (b) the Company's matching and discretionary contributions, and (c) Plan earnings and appreciation. Each participant's account is charged with (a) any withdrawals or distributions, (b) Plan losses and depreciation, and (c) an allocation of administrative and investment expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

See independent auditors' report.

1. DESCRIPTION OF THE PLAN - CONTINUED

Investment options

During the year ended December 31, 2024, participants were able to allocate their contributions among a variety of funds available through Matrix Trust Company.

Vesting

Participants are always 100 percent vested in their contributions and safe harbor employer contributions.

Participants' vested interest in other employer contributions is determined under the following schedule and is based on vesting years of service:

Years of Service	Percentage
Less than 1	20%
1	40%
2	60%
3	80%
4 or more	100%

Participants are also fully vested in employer contributions upon the attainment of normal retirement age, retirement due to disability, death or the termination of the Plan.

Forfeitures

If a participant forfeits any unvested balances in their account, the forfeited amount is used to offset Plan expenses and employer contributions to the Plan. At December 31, 2024 and 2023, there were no forfeited non-vested accounts. No forfeited, non-vested accounts were used to reduce employer contributions or Plan expenses for 2024.

Participant loans

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates of 5.25 to 10.50 percent, which is commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

See independent auditors' report.

1. DESCRIPTION OF THE PLAN - CONTINUED

Payment of benefits

On termination of service due to death, disability, early retirement, normal retirement or other termination of employment a participant may elect to receive a lump-sum amount equal to the value of the participant's account. The Plan allows for hardship withdrawals, as defined.

Payment of administrative expenses

Administrative expenses pertaining to the Plan are paid by the Plan. Loan and distribution processing charges are paid by the respective participants.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investments valuation and recognition

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end. Participant loans are valued at their outstanding balances, which approximate fair value.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Net appreciation or depreciation in the fair value of investments includes both realized and unrealized appreciation, including those investments bought and sold during the year.

Payment of benefits

Benefits are recorded when paid.

See independent auditors' report.

3. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for plan benefits.

	2024			
	Fair Value	Fair Value Measurement Using:		
	Level 1	Level 2	Level 3	
Registered investment companies	\$ 9,399,392	\$ 9,399,392	\$ -	\$ -
Common collective trust	1,256,383	-	1,256,383	-
	\$ 10,655,775	\$ 9,399,392	\$ 1,256,383	\$ -

	2023			
	Fair Value	Fair Value Measurement Using:		
	Level 1	Level 2	Level 3	
Registered investment companies	\$ 7,520,087	\$ 7,520,087	\$ -	\$ -
Common collective trust	2,067,783	-	2,067,783	-
	\$ 9,587,870	\$ 7,520,087	\$ 2,067,783	\$ -

FASB ASC 820-10, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

Level 1 Fair Value Measurements

Level 1 inputs are quoted prices in active markets on the actual asset being valued. An active market has sufficient transaction activity to provide pricing information on an ongoing basis.

See independent auditors' report.

3. FAIR VALUE MEASUREMENTS - CONTINUED

Level 2 Fair Value Measurements

Level 2 inputs are those other than quoted prices in Level 1 that are observable and include the following: quoted prices on similar assets in active markets; quoted prices for identical or similar assets in markets that are not active; observable inputs other than quoted prices such as yield curves, volatilities, prepayment speeds; or inputs derived principally or corroborated by observable market data by correlation or other means.

Level 3 Fair Value Measurements

Level 3 inputs are unobservable inputs for the asset reflecting internal assumptions used to arrive at an estimate or exit price. Those inputs are based on the best information available in the circumstances.

4. TAX STATUS

The Internal Revenue Service has determined and informed the Plan Sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC) Section 401. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and tax counsel believe the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRS and, therefore, believe the Plan is qualified, and the related trust is tax-exempt.

The Plan continually evaluates expiring statutes of limitations, audits, changes in tax laws and new authoritative rulings. The Plan files an annual return in the U.S. federal jurisdiction. U.S. federal returns prior to 2021 are closed.

5. CERTIFICATION OF INVESTMENT DATA (UNAUDITED)

The assets of the Plan are held by Matrix Trust Company. Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2024 and 2023, and net appreciation in fair value of investments and investment income for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Matrix Trust Company (the trustee of the Plan).

6. RELATED PARTY TRANSACTIONS

Certain Plan investments are sponsored by Matrix Trust Company. Matrix Trust Company is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Account fees were paid by the Plan for services provided by The Retirement Plan Company, the third party administrators as defined by the Plan. Diversified Financial Advisors, LLC provided services such as participant enrollment and financial advisor for the Plan. Attestation services were provided to the Plan by Conner Ash, P.C., and is therefore considered a party-in-interest transaction.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits.

8. PLAN TERMINATION

While it is the Company's intention to continue the Plan indefinitely, it has the right to terminate or amend the Plan at any time. No amendment, however, may permit any part of the assets of the Plan, other than those required to pay taxes and administrative expenses, to be used for any purpose other than for the exclusive benefit of the participants.

9. SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 26, 2025, the date on which the financial statements were available to be issued.

See independent auditors' report.
