INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Benson Enterprises, Inc.
San Antonio, TX

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the financial statements of Benson Enterprises, Inc. Profit Sharing and 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Benson Enterprises, Inc. Profit Sharing and 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution, Ascensus, LLC, as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements - continued
Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA
The supplemental schedules, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation: The accounting records of the Benson Enterprises, Inc. Profit Sharing and 401(k) Plan (the "Plan") are maintained on the accrual basis.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note F for discussion of fair value measurements. Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments, including realized gains and losses on sales during the year and current changes in unrealized appreciation in the market value of investments held at year end, is presented in the statement of changes in net assets available for benefits.

The stable value fund is stated at contract value, which represents net contributions plus interest at the contract rate. The contract is fully benefit-responsive.

Participants' Notes Receivable: Participants' notes receivable are stated at their unpaid principal balance plus any accrued interest. Interest is recognized as accrued. An allowance was not required at either year end. If a participant ceases to make a note repayment and the Plan Administrator deems the participant note to be in default, the note balance is reduced and a benefit payment to the participant is recorded.

Payment of Benefits: Benefits are recorded when paid.

Plan Expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Subsequent Events: Subsequent events have been evaluated by management through the date of the independent auditor's report, the date the financial statements were available to be issued. Material subsequent events, if any, are disclosed in a separate footnote to these financial statements.

Use of Estimates: The preparation of financial statements in conformity with U. S. generally accepted accounting principles requires estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Reclassifications: Certain amounts for prior year are reclassified for comparative purposes to the current year, there are no changes to the previous reported net change in net assets.

NOTE B - DESCRIPTION OF PLAN

The following description of the Benson Enterprises, Inc. Profit Sharing and 401(k) Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and covers substantially all employees of the Plan Sponsors who are age twenty-one or older and have six months of service. Employees starting after January 1, 2023 are auto enrolled in the Plan unless they formally opt out.

Companies of the Plan Sponsor with employees in the Plan include the following:

Benson Enterprises, Inc. (Parent/holding company)
Ingram Park Chrysler Jeep, Inc. (Ingram Park Auto Center, San Antonio)
Benson Nissan, Inc. (dba Ingram Park Nissan, San Antonio)
Ingram Park Body Shop, L.L.C. (San Antonio)
Ingram Park Auto Center Pre-Owned Auto, L.L.C. (San Antonio)

Plan Restatement: The Plan was restated effective January 1, 2023, and has been amended with operational and regulatory changes.

Secure 2.0 ACT: The Securing a Strong Retirement Act (SECURE 2.0 Act) was signed into law on December 29, 2022, and includes mandatory and optional provisions with varying effective dates in 2025 and later.

Termination: Although it has not expressed intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Contributions: Participants may contribute up to 100% of pretax (traditional) and after tax (Roth) annual compensation subject to certain limitations of the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan Sponsor may elect to contribute a matching contribution, the amount of which is determined by the Board of Directors and allocated based on each participant's contributions. Participants also direct the investment of any matching contribution received.

Participant Accounts: Each participant's account is credited with the participant's contributions and allocations of (a) the Plan Sponsor's contributions, (b) Plan earnings, and (c) is charged with an allocation of administrative expenses. Allocations are based on participant contributions or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor's contribution portion of their accounts, plus actual earnings thereon is based on years of service following the Department of Labor’s guidelines.

NOTE B - DESCRIPTION OF PLAN – continued

Participants' Notes Receivable: Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Note terms generally range from 1 to 5 years. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate as determined by the Plan Administrator. Principal and interest are repaid no less frequently than quarterly by payroll deductions.

Payment of Benefits: Benefits are generally paid in a lump sum. The participant or beneficiary is entitled to a benefit equal to the vested balance and non-forfeitable interest in their account as of the distribution date. The Plan requires mandatory distributions for participants with an account balance of less than $5,000 upon termination; however, for distributions made after December 31, 2023, this threshold increased to $7,000 pursuant to the provisions of the SECURE 2.0 Act. The vested portion of terminated participants' accounts that had elected to withdraw from the Plan, but had not been paid, was $0 at December 31, 2024 and 2023.

Forfeited Accounts: Forfeited non-vested accounts totaled $0 at December 31, 2024 and 2023. These accounts, when available, may be used to pay the Plan's administrative expenses and to reduce employer contributions.

NOTE C - INVESTMENTS CERTIFIED BY THIRD PARTY (unaudited)

As permitted by Department of Labor CFR 2520.103-8, investments and participants' notes receivable at December 31, 2024 and 2023, and the related investment earnings and interest on participants' notes for the years then ended, were certified and held by Ascensus, LLC, the Trustee, and were not audited by the independent auditor.

NOTE D – FIXED INCOME ACCOUNT WITH INSURANCE COMPANY

The Plan has a fully benefit-responsive group funding agreement, The Standard's Stable Asset Fund I, with a balance of $415,500 at December 31, 2024 and $365,741 at December 31, 2023. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The group funding agreement provides a fixed account which is contractually obligated to repay the principal and a specified minimum interest rate that is guaranteed to the Plan.

Because the fixed account is fully benefit-responsive, it is stated at contract value, the amount the participant would receive if they were to initiate permitted transactions under the Plan. Contract value, as reported to the plan by The Standard, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) full or partial plan termination, (2) insolvency of the Plan Sponsor, or (3) aggregate terminations in any contract year exceed 20% of the full contract value as determined on the first day of the contract year. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probably of occurring.

NOTE E - INCOME TAX STATUS

The Internal Revenue Service has ruled that the Plan qualifies under Section 401(k) of the Internal Revenue Code (IRC) and is, therefore, not subject to tax under present income tax law. The Plan has been amended since receiving the determination letter; however, the Plan administrator believes that the Plan is appropriately designed and is currently being operated in compliance with applicable requirements of the IRC.

Management is not aware of any tax positions that would have a significant impact on its financial position. Its federal tax returns for the last four years remain subject to examination.

NOTE F - FAIR VALUE MEASUREMENTS

In accordance with U.S. generally accepted accounting principles, the Plan utilizes a fair value hierarchy that prioritizes the inputs for the valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability
- inputs that are derived principally from or corroborated by observable market data by correlation or other means
- if the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in methodologies used to measure fair value, nor transfers between levels. Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds: Valued at quoted prices in an active market.

Common Collective Trust: Valued at the net asset value (NAV) of units held by the Plan at year-end. The NAV is determined by the custodian of the fund and is based upon the fair value of the underlying assets held by the fund. NAV is used as a practical expedient to estimate fair value. There are no participant redemption restrictions for this investment; the redemption notice period is applicable only to the Plan.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE F - FAIR VALUE MEASUREMENTS - continued

The following table sets forth by level, within the fair value hierarchy, investments measured at fair value:

	Fair Value Measurements Using			
	Level 1	**Level 2**	**Level 3**	**Total**
December 31, 2024:				
Mutual funds	$ 9,042,768	-	-	$ 9,042,768
Total investments in fair value hierarchy	$ 9,042,768	$ -	$ -	9,042,768
Common collective trust*				115,485
Investments, at fair value				$ 9,158,253
December 31, 2023:				
Mutual funds	$ 8,440,853	-	-	$ 8,440,853
Total investments in fair value hierarchy	$ 8,440,853	$ -	$ -	8,440,853
Common collective trust*				105,321
Investments, at fair value				$ 8,546,174

**Certain investments measured at fair value using the net asset value per share (or equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line item presented in the statement of net assets available for benefits.*

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient:

	2024	2023
Collective trust fund		
Fair value	$ 115,485	$ 105,321
Unfunded commitment	None	None
Redemption frequency	Immediate	Immediate
Other redemption restrictions	None	None
Redemption notice period	None	None

NOTE G - TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan's administrative expenses are paid either by the Plan or the Plan Sponsor as allowed by the Plan document. Expenses paid directly by the Plan Sponsor are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment-related expenses are included in net appreciation of fair value of investments.

NOTE H – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The audited financial statements are prepared on the accrual basis of accounting, whereas, the Form 5500 is prepared on the cash basis. The following is a reconciliation of net assets available for benefits as of December 31:

	2024	2023
Net assets available for benefits per financial statements	$ 9,844,380	$ 9,236,227
Add: Corrective distribution payable	258	-
Net assets available for benefits per Form 5500	$ 9,844,638	$ 9,236,227

The following is a reconciliation of the change in net assets for the year ended December 31:

	2024	2023
Change in net assets per financial statements	$ 608,153	$ 1,460,579
Add: Current year corrective distributions payable	258	-
Change in net assets per Form 5500	$ 608,411	$ 1,460,579

NOTE I – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Benson Enterprises, Inc.
San Antonio, TX

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the financial statements of Benson Enterprises, Inc. Profit Sharing and 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Benson Enterprises, Inc. Profit Sharing and 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution, Ascensus, LLC, as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements - continued
Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA
The supplemental schedules, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation: The accounting records of the Benson Enterprises, Inc. Profit Sharing and 401(k) Plan (the "Plan") are maintained on the accrual basis.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note F for discussion of fair value measurements. Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments, including realized gains and losses on sales during the year and current changes in unrealized appreciation in the market value of investments held at year end, is presented in the statement of changes in net assets available for benefits.

The stable value fund is stated at contract value, which represents net contributions plus interest at the contract rate. The contract is fully benefit-responsive.

Participants' Notes Receivable: Participants' notes receivable are stated at their unpaid principal balance plus any accrued interest. Interest is recognized as accrued. An allowance was not required at either year end. If a participant ceases to make a note repayment and the Plan Administrator deems the participant note to be in default, the note balance is reduced and a benefit payment to the participant is recorded.

Payment of Benefits: Benefits are recorded when paid.

Plan Expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Subsequent Events: Subsequent events have been evaluated by management through the date of the independent auditor's report, the date the financial statements were available to be issued. Material subsequent events, if any, are disclosed in a separate footnote to these financial statements.

Use of Estimates: The preparation of financial statements in conformity with U. S. generally accepted accounting principles requires estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Reclassifications: Certain amounts for prior year are reclassified for comparative purposes to the current year, there are no changes to the previous reported net change in net assets.

NOTE B - DESCRIPTION OF PLAN

The following description of the Benson Enterprises, Inc. Profit Sharing and 401(k) Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and covers substantially all employees of the Plan Sponsors who are age twenty-one or older and have six months of service. Employees starting after January 1, 2023 are auto enrolled in the Plan unless they formally opt out.

Companies of the Plan Sponsor with employees in the Plan include the following:

Benson Enterprises, Inc. (Parent/holding company)
Ingram Park Chrysler Jeep, Inc. (Ingram Park Auto Center, San Antonio)
Benson Nissan, Inc. (dba Ingram Park Nissan, San Antonio)
Ingram Park Body Shop, L.L.C. (San Antonio)
Ingram Park Auto Center Pre-Owned Auto, L.L.C. (San Antonio)

Plan Restatement: The Plan was restated effective January 1, 2023, and has been amended with operational and regulatory changes.

Secure 2.0 ACT: The Securing a Strong Retirement Act (SECURE 2.0 Act) was signed into law on December 29, 2022, and includes mandatory and optional provisions with varying effective dates in 2025 and later.

Termination: Although it has not expressed intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Contributions: Participants may contribute up to 100% of pretax (traditional) and after tax (Roth) annual compensation subject to certain limitations of the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan Sponsor may elect to contribute a matching contribution, the amount of which is determined by the Board of Directors and allocated based on each participant's contributions. Participants also direct the investment of any matching contribution received.

Participant Accounts: Each participant's account is credited with the participant's contributions and allocations of (a) the Plan Sponsor's contributions, (b) Plan earnings, and (c) is charged with an allocation of administrative expenses. Allocations are based on participant contributions or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor's contribution portion of their accounts, plus actual earnings thereon is based on years of service following the Department of Labor’s guidelines.

NOTE B - DESCRIPTION OF PLAN – continued

Participants' Notes Receivable: Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Note terms generally range from 1 to 5 years. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate as determined by the Plan Administrator. Principal and interest are repaid no less frequently than quarterly by payroll deductions.

Payment of Benefits: Benefits are generally paid in a lump sum. The participant or beneficiary is entitled to a benefit equal to the vested balance and non-forfeitable interest in their account as of the distribution date. The Plan requires mandatory distributions for participants with an account balance of less than $5,000 upon termination; however, for distributions made after December 31, 2023, this threshold increased to $7,000 pursuant to the provisions of the SECURE 2.0 Act. The vested portion of terminated participants' accounts that had elected to withdraw from the Plan, but had not been paid, was $0 at December 31, 2024 and 2023.

Forfeited Accounts: Forfeited non-vested accounts totaled $0 at December 31, 2024 and 2023. These accounts, when available, may be used to pay the Plan's administrative expenses and to reduce employer contributions.

NOTE C - INVESTMENTS CERTIFIED BY THIRD PARTY (unaudited)

As permitted by Department of Labor CFR 2520.103-8, investments and participants' notes receivable at December 31, 2024 and 2023, and the related investment earnings and interest on participants' notes for the years then ended, were certified and held by Ascensus, LLC, the Trustee, and were not audited by the independent auditor.

NOTE D – FIXED INCOME ACCOUNT WITH INSURANCE COMPANY

The Plan has a fully benefit-responsive group funding agreement, The Standard's Stable Asset Fund I, with a balance of $415,500 at December 31, 2024 and $365,741 at December 31, 2023. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The group funding agreement provides a fixed account which is contractually obligated to repay the principal and a specified minimum interest rate that is guaranteed to the Plan.

Because the fixed account is fully benefit-responsive, it is stated at contract value, the amount the participant would receive if they were to initiate permitted transactions under the Plan. Contract value, as reported to the plan by The Standard, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) full or partial plan termination, (2) insolvency of the Plan Sponsor, or (3) aggregate terminations in any contract year exceed 20% of the full contract value as determined on the first day of the contract year. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probably of occurring.

NOTE E - INCOME TAX STATUS

The Internal Revenue Service has ruled that the Plan qualifies under Section 401(k) of the Internal Revenue Code (IRC) and is, therefore, not subject to tax under present income tax law. The Plan has been amended since receiving the determination letter; however, the Plan administrator believes that the Plan is appropriately designed and is currently being operated in compliance with applicable requirements of the IRC.

Management is not aware of any tax positions that would have a significant impact on its financial position. Its federal tax returns for the last four years remain subject to examination.

NOTE F - FAIR VALUE MEASUREMENTS

In accordance with U.S. generally accepted accounting principles, the Plan utilizes a fair value hierarchy that prioritizes the inputs for the valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability
- inputs that are derived principally from or corroborated by observable market data by correlation or other means
- if the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in methodologies used to measure fair value, nor transfers between levels. Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds: Valued at quoted prices in an active market.

Common Collective Trust: Valued at the net asset value (NAV) of units held by the Plan at year-end. The NAV is determined by the custodian of the fund and is based upon the fair value of the underlying assets held by the fund. NAV is used as a practical expedient to estimate fair value. There are no participant redemption restrictions for this investment; the redemption notice period is applicable only to the Plan.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE F - FAIR VALUE MEASUREMENTS - continued

The following table sets forth by level, within the fair value hierarchy, investments measured at fair value:

	Fair Value Measurements Using			
	Level 1	**Level 2**	**Level 3**	**Total**
December 31, 2024:				
Mutual funds	$ 9,042,768	-	-	$ 9,042,768
Total investments in fair value hierarchy	$ 9,042,768	$ -	$ -	9,042,768
Common collective trust*				115,485
Investments, at fair value				$ 9,158,253
December 31, 2023:

Common collective trust*				105,321
Investments, at fair value				$ 8,546,174

**Certain investments measured at fair value using the net asset value per share (or equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line item presented in the statement of net assets available for benefits.*

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient:

	2024	2023
Collective trust fund		
Fair value	$ 115,485	$ 105,321
Unfunded commitment	None	None
Redemption frequency	Immediate	Immediate
Other redemption restrictions	None	None
Redemption notice period	None	None

NOTE G - TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan's administrative expenses are paid either by the Plan or the Plan Sponsor as allowed by the Plan document. Expenses paid directly by the Plan Sponsor are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment-related expenses are included in net appreciation of fair value of investments.

NOTE H – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The audited financial statements are prepared on the accrual basis of accounting, whereas, the Form 5500 is prepared on the cash basis. The following is a reconciliation of net assets available for benefits as of December 31:

	2024	2023
Net assets available for benefits per financial statements	$ 9,844,380	$ 9,236,227
Add: Corrective distribution payable	258	-
Net assets available for benefits per Form 5500	$ 9,844,638	$ 9,236,227

The following is a reconciliation of the change in net assets for the year ended December 31:

	2024	2023
Change in net assets per financial statements	$ 608,153	$ 1,460,579
Add: Current year corrective distributions payable	258	-
Change in net assets per Form 5500	$ 608,411	$ 1,460,579

NOTE I – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Benson Enterprises, Inc.
San Antonio, TX

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the financial statements of Benson Enterprises, Inc. Profit Sharing and 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Benson Enterprises, Inc. Profit Sharing and 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution, Ascensus, LLC, as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements - continued
Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA
The supplemental schedules, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation: The accounting records of the Benson Enterprises, Inc. Profit Sharing and 401(k) Plan (the "Plan") are maintained on the accrual basis.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note F for discussion of fair value measurements. Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments, including realized gains and losses on sales during the year and current changes in unrealized appreciation in the market value of investments held at year end, is presented in the statement of changes in net assets available for benefits.

The stable value fund is stated at contract value, which represents net contributions plus interest at the contract rate. The contract is fully benefit-responsive.

Participants' Notes Receivable: Participants' notes receivable are stated at their unpaid principal balance plus any accrued interest. Interest is recognized as accrued. An allowance was not required at either year end. If a participant ceases to make a note repayment and the Plan Administrator deems the participant note to be in default, the note balance is reduced and a benefit payment to the participant is recorded.

Payment of Benefits: Benefits are recorded when paid.

Plan Expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Subsequent Events: Subsequent events have been evaluated by management through the date of the independent auditor's report, the date the financial statements were available to be issued. Material subsequent events, if any, are disclosed in a separate footnote to these financial statements.

Use of Estimates: The preparation of financial statements in conformity with U. S. generally accepted accounting principles requires estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Reclassifications: Certain amounts for prior year are reclassified for comparative purposes to the current year, there are no changes to the previous reported net change in net assets.

NOTE B - DESCRIPTION OF PLAN

The following description of the Benson Enterprises, Inc. Profit Sharing and 401(k) Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and covers substantially all employees of the Plan Sponsors who are age twenty-one or older and have six months of service. Employees starting after January 1, 2023 are auto enrolled in the Plan unless they formally opt out.

Companies of the Plan Sponsor with employees in the Plan include the following:

Benson Enterprises, Inc. (Parent/holding company)
Ingram Park Chrysler Jeep, Inc. (Ingram Park Auto Center, San Antonio)
Benson Nissan, Inc. (dba Ingram Park Nissan, San Antonio)
Ingram Park Body Shop, L.L.C. (San Antonio)
Ingram Park Auto Center Pre-Owned Auto, L.L.C. (San Antonio)

Plan Restatement: The Plan was restated effective January 1, 2023, and has been amended with operational and regulatory changes.

Secure 2.0 ACT: The Securing a Strong Retirement Act (SECURE 2.0 Act) was signed into law on December 29, 2022, and includes mandatory and optional provisions with varying effective dates in 2025 and later.

Termination: Although it has not expressed intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Contributions: Participants may contribute up to 100% of pretax (traditional) and after tax (Roth) annual compensation subject to certain limitations of the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan Sponsor may elect to contribute a matching contribution, the amount of which is determined by the Board of Directors and allocated based on each participant's contributions. Participants also direct the investment of any matching contribution received.

Participant Accounts: Each participant's account is credited with the participant's contributions and allocations of (a) the Plan Sponsor's contributions, (b) Plan earnings, and (c) is charged with an allocation of administrative expenses. Allocations are based on participant contributions or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor's contribution portion of their accounts, plus actual earnings thereon is based on years of service following the Department of Labor’s guidelines.

NOTE B - DESCRIPTION OF PLAN – continued

Participants' Notes Receivable: Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Note terms generally range from 1 to 5 years. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate as determined by the Plan Administrator. Principal and interest are repaid no less frequently than quarterly by payroll deductions.

Payment of Benefits: Benefits are generally paid in a lump sum. The participant or beneficiary is entitled to a benefit equal to the vested balance and non-forfeitable interest in their account as of the distribution date. The Plan requires mandatory distributions for participants with an account balance of less than $5,000 upon termination; however, for distributions made after December 31, 2023, this threshold increased to $7,000 pursuant to the provisions of the SECURE 2.0 Act. The vested portion of terminated participants' accounts that had elected to withdraw from the Plan, but had not been paid, was $0 at December 31, 2024 and 2023.

Forfeited Accounts: Forfeited non-vested accounts totaled $0 at December 31, 2024 and 2023. These accounts, when available, may be used to pay the Plan's administrative expenses and to reduce employer contributions.

NOTE C - INVESTMENTS CERTIFIED BY THIRD PARTY (unaudited)

As permitted by Department of Labor CFR 2520.103-8, investments and participants' notes receivable at December 31, 2024 and 2023, and the related investment earnings and interest on participants' notes for the years then ended, were certified and held by Ascensus, LLC, the Trustee, and were not audited by the independent auditor.

NOTE D – FIXED INCOME ACCOUNT WITH INSURANCE COMPANY

The Plan has a fully benefit-responsive group funding agreement, The Standard's Stable Asset Fund I, with a balance of $415,500 at December 31, 2024 and $365,741 at December 31, 2023. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The group funding agreement provides a fixed account which is contractually obligated to repay the principal and a specified minimum interest rate that is guaranteed to the Plan.

Because the fixed account is fully benefit-responsive, it is stated at contract value, the amount the participant would receive if they were to initiate permitted transactions under the Plan. Contract value, as reported to the plan by The Standard, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) full or partial plan termination, (2) insolvency of the Plan Sponsor, or (3) aggregate terminations in any contract year exceed 20% of the full contract value as determined on the first day of the contract year. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probably of occurring.

NOTE E - INCOME TAX STATUS

The Internal Revenue Service has ruled that the Plan qualifies under Section 401(k) of the Internal Revenue Code (IRC) and is, therefore, not subject to tax under present income tax law. The Plan has been amended since receiving the determination letter; however, the Plan administrator believes that the Plan is appropriately designed and is currently being operated in compliance with applicable requirements of the IRC.

Management is not aware of any tax positions that would have a significant impact on its financial position. Its federal tax returns for the last four years remain subject to examination.

NOTE F - FAIR VALUE MEASUREMENTS

In accordance with U.S. generally accepted accounting principles, the Plan utilizes a fair value hierarchy that prioritizes the inputs for the valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability
- inputs that are derived principally from or corroborated by observable market data by correlation or other means
- if the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in methodologies used to measure fair value, nor transfers between levels. Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds: Valued at quoted prices in an active market.

Common Collective Trust: Valued at the net asset value (NAV) of units held by the Plan at year-end. The NAV is determined by the custodian of the fund and is based upon the fair value of the underlying assets held by the fund. NAV is used as a practical expedient to estimate fair value. There are no participant redemption restrictions for this investment; the redemption notice period is applicable only to the Plan.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE F - FAIR VALUE MEASUREMENTS - continued

The following table sets forth by level, within the fair value hierarchy, investments measured at fair value:

	Fair Value Measurements Using			
	Level 1	**Level 2**	**Level 3**	**Total**
December 31, 2024:				
Mutual funds	$ 9,042,768	-	-	$ 9,042,768
Total investments in fair value hierarchy	$ 9,042,768	$ -	$ -	9,042,768
Common collective trust*				115,485
Investments, at fair value				$ 9,158,253
December 31, 2023:				
Mutual funds	$ 8,440,853	-	-	$ 8,440,853
Total investments in fair value hierarchy	$ 8,440,853	$ -	$ -	8,440,853
Common collective trust*				105,321
Investments, at fair value				$ 8,546,174

**Certain investments measured at fair value using the net asset value per share (or equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line item presented in the statement of net assets available for benefits.*

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient:

	2024	2023
Collective trust fund		
Fair value	$ 115,485	$ 105,321
Unfunded commitment	None	None
Redemption frequency	Immediate	Immediate
Other redemption restrictions	None	None
Redemption notice period	None	None

NOTE G - TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan's administrative expenses are paid either by the Plan or the Plan Sponsor as allowed by the Plan document. Expenses paid directly by the Plan Sponsor are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment-related expenses are included in net appreciation of fair value of investments.

NOTE H – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The audited financial statements are prepared on the accrual basis of accounting, whereas, the Form 5500 is prepared on the cash basis. The following is a reconciliation of net assets available for benefits as of December 31:

	2024	2023
Net assets available for benefits per financial statements	$ 9,844,380	$ 9,236,227
Add: Corrective distribution payable	258	-
Net assets available for benefits per Form 5500	$ 9,844,638	$ 9,236,227

The following is a reconciliation of the change in net assets for the year ended December 31:

	2024	2023
Change in net assets per financial statements	$ 608,153	$ 1,460,579
Add: Current year corrective distributions payable	258	-
Change in net assets per Form 5500	$ 608,411	$ 1,460,579

NOTE I – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☐ Unmodified **(2)** ☐ Qualified **(3)** ☐ Disclaimer **(4)** ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☐ DOL Regulation 2520.103-8 **(2)** ☐ DOL Regulation 2520.103-12(d) **(3)** ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **(2)** EIN:

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. **(2)** ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions.)

During the plan year:

		Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	**4a**			
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)	**4b**			
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)	**4c**			
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)	**4d**			
e Was this plan covered by a fidelity bond?	**4e**			
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?	**4f**			
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?	**4g**			
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?	**4h**			
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	**4i**			
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)	**4j**			
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?	**4k**			
l Has the plan failed to provide any benefit when due under the plan?	**4l**			
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)	**4m**			
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3	**4n**			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☐ No

If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)
