To the Retirement Plan Committee of the
Autism Outreach Southern California 401(k) Profit Sharing Plan Trust

We have audited the financial statements of Autism Outreach Southern California 401(k) Profit Sharing Plan Trust ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2024 and we will issue our report thereon dated August 21, 2025. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company ("Fidelity"), the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated July 16, 2025. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Autism Outreach Southern California 401(k) Profit Sharing Plan Trust are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2024. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no significant estimates.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements was:

The disclosure of fair value measurements in Note 3 to the financial statements FASB ASC 820,
Fair Value Measurement.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Reportable Findings

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. We identified the following reportable findings:

Based on responses received from the cyber security questionnaire from Plan management, insufficient controls exist around online security measures, and the Plan has no formal written policy related to cyber security controls.

During our audit, we noted that the employer does not maintain adequate supporting documentation within employees' personnel files for critical information such as Social Security numbers, dates of hire, and termination dates for employees employed from 2018 through 2020.

During testing of remittances to the Plan, we noted a delinquent contribution totaling approximately \$16,800 during the year ended December 31, 2024. This resulted in the Company having to make corrective contributions.

During our audit, we found that the Plan incorrectly classified certain employer contributions in 2022 as safe harbor contributions. This misclassification resulted in certain employees receiving distributions that included amounts they were not fully vested in, had the coding in Fidelity been set up correctly.

We recommend that management work with their TPA to review and correct the coding of employer contributions, ensuring compliance with vesting requirements. Necessary adjustments should be made to affected employee accounts to restore the correct vesting.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated August 21, 2025.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an

accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of Plan Committee, management and the Plan administrator of the Autism Outreach Southern California 401(k) Profit Sharing Plan Trust and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

PKF San Diego, LLP

INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
The Autism Outreach Southern California 401(k) Profit Sharing Plan Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Autism Outreach Southern California 401(k) Profit Sharing Plan Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Autism Outreach Southern California 401(k) Profit Sharing Plan Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Autism Outreach Southern California 401(k) Profit Sharing Plan Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Autism Outreach Southern California 401(k) Profit Sharing Plan Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Autism Outreach Southern California 401(k) Profit Sharing Plan Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Autism Outreach Southern California 401(k) Profit Sharing Plan Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of (1) Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2024 and (2) Schedule H, Line 4(a) - Schedule of Delinquent Participant Contributions for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to the Financial Statements
December 31, 2024

NOTE 1 – PLAN DESCRIPTION

The following description of Autism Outreach Southern California 401(k) Profit Sharing Plan Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering all full-time employees of Autism Outreach Southern California, LLC as well as its related entities Autism Outreach of Washington, Inc., Autism Outreach Clinical Services, Inc., MeBe San Francisco Bay, LLC, MeBe Virginia LLC, MeBe Colorado LLC, MeBe Los Angeles, LLC, MeBe Arizona, LLC, MeBe Nevada, LLC, Autism Outreach of Oregon, LLC, MeBe Georgia, LLC, MeBe District of Columbia, LLC, MeBe Maryland, LLC, and MeBe Texas, LLC, (collectively the "Company", "Employer") who have three months of service and are age 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Board of Trustees oversees governance of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

Contributions – Each year, participants may contribute up to 90% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and common/collective trust funds as investment options for participants. Effective January 1, 2019, the Company began making a Safe Harbor matching contribution equal to 100% of the first 3% and an additional 50% of the next 2% of base compensation that a participant contributes to the Plan. In June 2020, the Company suspended the Safe Harbor matching contributions. Effective January 1, 2021, the Company reinstated the Safe Harbor matching contributions. Effective June 1, 2022, the Company suspended its Safe Harbor match and reinstated its Employer matching contributions equal to 100% of the first 3% and an additional 50% of the next 2% of base compensation that a participant contributes to the Plan. Effective December 23, 2022, the Company suspended the Employer matching contributions.

The Company may make discretionary contributions to the Plan. These discretionary contributions are allocated in proportion to employee eligible earnings compared to the eligible earnings of the other employees who will also share in the contribution each Plan year. There were no Company discretionary contributions to the Plan during the year ended December 31, 2024. There were corrective contributions of \$83 to the Plan during the year ended December 31, 2024.

Participant Accounts – Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching and discretionary contributions and, (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 – PLAN DESCRIPTION (Continued)

Vesting – Participants are immediately vested in their contributions, Safe Harbor matching contributions and rollovers, plus actual earnings thereon. Vesting in the Company's contributions made prior to January 1, 2019, and any discretionary contribution portion of their accounts is based on years of continuous service.

The discretionary contributions and Employer matching contributions and for participants who did not work an hour of service on or after June 1, 2022, shall vest subject to the following vesting schedule:

Years of Service	Vested Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Effective June 1, 2022, the Plan amended, whereby the vesting period for participants who received Employer matching contributions prior to January 1, 2019 (before the Plan adopted a Safe Harbor Plan) and who worked an hour or more on or after June 1, 2022 would be subject to the following vesting schedule:

Years of Service	Vested Percentage
Less than 1	0%
1	50%
2	100%

If a participant did not work after June 1, 2022, their match would be under the prior vesting schedule or under the Safe Harbor provisions. Participants become fully vested upon termination for reason of retirement, death, disability, or if the Plan is terminated. Non-vested benefits are forfeited by participants upon termination for reasons other than normal retirement, death, or disability.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid ratably through monthly payroll deductions. As of December 31, 2024 and 2023, the interest rates on loans outstanding ranged from 8.75% to 9.5% and 8.5% to 9.5%, respectively.

Notes to the Financial Statements
December 31, 2024

NOTE 1 – PLAN DESCRIPTION (Continued)

Payment of Benefits – On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or chose to rollover these funds into another qualified plan or receive annual installments over a specified period. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts – At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$1,130 and \$873, respectively. These accounts can be used to reduce future Company contributions or pay Plan expenses. In 2024, \$103 forfeitures were used for Plan administrative expenses.

SECURE 2.0 Act of 2022 – The Plan has implemented certain requirements of the SECURE 2.0 Act of 2022 ("SECURE 2.0"). The provision implemented in 2024 includes an increase in the required minimum distribution age from 72 to 73. Future provisions will be adopted at later dates, as necessary, to comply with the requirements of SECURE 2.0.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends (if declared) are recorded on the ex-dividend date. The Plan presents in the statement of changes in net assets available for benefits the net appreciation or depreciation in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments bought and sold during the year, and held at year end.

Payment of Benefits – Distributions to participants are recorded when paid. As of December 31, 2024 and 2023, no benefits were payable to Plan participants.

Administrative Expenses – Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation or depreciation in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

Autism Outreach Southern California 401(k) Profit Sharing Plan Trust
Notes to the Financial Statements
December 31, 2024

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2024 and 2023, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Subsequent Events – Subsequent events were evaluated through August 21, 2025, which is the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The Plan uses the fair value hierarchy, which prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are set forth below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices that are observable for securities, either directly or indirectly. Examples include matrix pricing utilizing yield curves, prepayment speeds, credit risks, etc.; quoted prices for similar assets in active markets; and inputs derived from observable market data by correlation or other means.

Level 3 – Unobservable inputs, which contain assumptions by the party valuing those assets. For level 3 inputs, there is no market data or correlations with market assumptions. Examples would include limited partnership interests, closely held stock, etc.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual Funds – The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value ("NAV") and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Common/Collective Trust Funds – The fair value of common/collective trust funds are based on the NAV of units held by the Plan as of year-end, provided by the administrator of the fund. The NAV is based on the value of the underlying assets of

Autism Outreach Southern California 401(k) Profit Sharing Plan Trust
Notes to the Financial Statements
December 31, 2024

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

the fund, minus its liabilities, and then divided by the number of units outstanding. The NAV's unit price is quoted on a private market that is not active; however, the unit price is based on underlying investments which are traded on an active market.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement as of the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Mutual funds	\$ 2,748,993	\$ -	\$ -	\$ 2,748,993
Total	<u>\$ 2,748,993</u>	<u>\$ -</u>	<u>\$ -</u>	2,748,993
Investments valued at net asset value				
Common/collective trust funds (a)				<u>64,609</u>
Total investments at fair value				<u>\$ 2,813,602</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Mutual funds	\$ 2,189,082	\$ -	\$ -	\$ 2,189,082
Total	<u>\$ 2,189,082</u>	<u>\$ -</u>	<u>\$ -</u>	2,189,082
Investments valued at net asset value				
Common/collective trust funds (a)				<u>77,774</u>
Total investments at fair value				<u>\$ 2,266,856</u>

- (a) In accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Subtopic 820-10, Fair Value Measurements, certain investments that were measured at NAV per share (or equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

NOTE 4 – INFORMATION CERTIFIED BY THE TRUSTEE

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA, certain information prepared and certified by Fidelity Management Trust Company, the Trustee and, need not be audited or reported on by an independent public accountant. Pursuant to that regulation, the Plan administrator has instructed the independent public accountants not to perform any auditing procedures with respect to information certified by the Trustee. This includes the cost and market values of the investments, the activity therein, net appreciation/depreciation in fair value of investments, interest and dividend income and information presented in the supplemental schedule, Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year). The Trustee has certified to the completeness and accuracy of all investments and notes receivable from participants in the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023, investment activity in the statement of changes in net assets available for benefits for the year ended December 31, 2024, and investments included in the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2024.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, the participants' account balances fully vest, and they would be distributed.

NOTE 6 – RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 – INCOME TAX STATUS

On June 30, 2020, the Internal Revenue Service ("IRS") stated that the prototype adopted by the Plan, as then designed, qualifies under IRS Section 401(a). The Plan has not received a determination letter specific to the Plan itself; however, the Plan administrator and the Plan's tax counsel believe that the Plan was designed and is being operated in

Autism Outreach Southern California 401(k) Profit Sharing Plan Trust
Notes to the Financial Statements
December 31, 2024

NOTE 7 – INCOME TAX STATUS (Continued)

compliance with the applicable requirements of the IRS. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

NOTE 8 – PROHIBITED TRANSACTIONS

During the year ended December 31, 2024, the Company failed to timely deposit employee deferrals, totaling to \$18,051, within the timeframe required by the Department of Labor guidance. These will be fully corrected in 2025. Late deposits are considered prohibited transactions and are included in the supplemental schedule, Schedule H, Line 4(a) – Schedule of Delinquent Participant Contributions for the year ended December 31, 2024.
