INDEPENDENT AUDITORS' REPORT

September 17, 2025

To the Trustees of
Yanke Health Benefit Trust
Boise, Idaho

Opinion

We have audited the accompanying financial statements of Yanke Health Benefit Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits (cash basis) as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits (cash basis) for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits (cash basis) of Yanke Health Benefit Trust as of December 31, 2024 and 2023, and the changes in its net assets available for benefits (cash basis) for the years then ended, in accordance with the cash basis of accounting described in Note B.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted (GAAS) in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Yanke Health Benefit Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule were prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting described in Note B, this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to error or fraud.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Yanke Health Benefit Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Yanke Health Benefit Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Yanke Health Benefit Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements taken as a whole. The supplemental schedule (cash basis) as listed in the accompanying table of contents referred to as "supplemental information" is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule (cash basis), we evaluated whether the supplemental schedule (cash basis), including its form and contents, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules (cash basis) is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

YANKE HEALTH BENEFIT TRUST
NOTES TO FINANCIAL STATEMENTS (CASH BASIS)
Years Ended December 31, 2024 and 2023

A. Plan Description:

The following description of the Yanke Health Benefit Trust (the Plan) provides only general information about the Plan's provisions. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General:

The Plan offers health and accident benefits to substantially all qualified employees of Yanke Machine Shop, Inc.; Nashua Homes of Idaho, Inc.; Idaho Tank & Culvert, Inc.; RY Timber, Inc.; and YMC, Inc. (the Plan Sponsors). During 2022, YMC, Inc. was sold and was no longer part of the Plan effective January 1, 2023. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. During 2023, RY Timber, Inc. experienced a fire and shut down operations. Substantially all the assets were subsequently sold. As of December 31, 2023, all RY Timber employees have been laid off.

Benefits:

The Plan offers health benefits (major medical, dental and supplemental accident) covering all permanent full-time non-union employees, after 30 days of employment. Current health claims of active participants and their qualified dependents are paid from the assets of the Plan. The Plan has a stop-loss insurance contract to cover high dollar claims. Current dental claims are paid from the Plan assets. The Plan does not provide post-employment or post-retirement benefits. Terminated employees and their qualifying dependents may elect to receive health benefits through Consolidated Omnibus Budget Reconciliation Act (COBRA); the cost of those benefits is funded by the allowed premiums charged to those Plan participants making those elections. The Plan also provides life insurance through purchased insurance policies.

Stop Loss Coverage:

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Self-insured Benefits:

Except for life insurance, all other Plan benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims administrator under an administrative services only arrangement. The claims processor pays claims directly to or on behalf of participants and is then reimbursed by the Plan. Despite the Plan's utilization of a third-party claim processor, ultimate responsibility for payments to providers and participants is retained by the Plan. The Plan utilizes a pharmacy benefit manager (PBM) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

A. Plan Description (continued):

Contributions:

The Plan requires that the Plan Sponsors make monthly contributions to the Plan of a determined amount to provide benefits for employees. The employer contribution rate is determined by the Plan trustees with recommendations from the Plan consultant. The monthly premium paid by employees to their respective employers for participation in the Plan is also determined by the Plan trustees. Any deficiency of the Plan's net assets over benefit obligations is funded by the Plan Sponsors on a pay-as-you go basis.

B. Summary of Significant Accounting Policies:

Subsequent Events:

The Plan has evaluated subsequent events through September 17, 2025, the date the financial statements were available to be issued.

Estimates:

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits:

Premiums paid by the Plan are recorded as insurance premiums in the accompanying statement of changes in net assets available for benefits. Claim payments are recorded when paid by the third-party claim's administrator.

Basis of Accounting:

The Plan's financial statements have been prepared on the cash basis of accounting; consequently, certain revenues are recognized when received rather than when earned, and certain expenses are recognized when cash is disbursed rather than when the obligation is incurred.

Because the financial statements are prepared on a cash basis, liabilities or Plan obligations have not been recognized in the financial statements. Significant liabilities are as follows:

	<u>2024</u>	<u>2023</u>
Incurred claims not yet reported, which is the greater of the amount as calculated by the third party administrator or the actual claims paid through April 30 of the following year.	<u>\$164,082</u>	<u>\$344,418</u>

B. Summary of Significant Accounting Policies (continued):

Assets Valuation, Concentration of Credit Risk and Cash Equivalents:

Assets of the Plan are valued at current value as of the date of the financial statements. All cash and cash equivalents are on deposit with U.S. Bank and are sometimes in excess of insured limits exposing the Plan to credit risk. Cash equivalents consist of highly liquid instruments.

Administrative Expenses:

The plan uses the services of a contract administrator to maintain certain accounting records of the Plan and to administer the processing and payment of claims and other operating expenses. The expense of this service is based on a monthly fee per employee. The monthly contributions to the plan are used to cover the cost of the Plan administration.

Stop Loss:

Premiums for stop loss insurance are included in premium payments in the accompanying statement of changes in net assets available for benefits. Stop loss refunds totaling \$256,821 and \$885,300 have been recorded as other additions in the accompanying statement of changes in net assets for the years ended December 31, 2024 and 2023, respectively.

Refunds:

Refunds due from the Plan's PBM are recorded when received. Pharmacy rebates totaling \$100,753 and \$74,735 have been netted with claims paid in the accompanying statement of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, respectively.

C. Plan Termination:

Although they have not expressed any intention to do so, the Plan Sponsors have the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue their contributions at any time and to terminate the Plan subject to the provisions or ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Plan Sponsors or be used for purposes other than for the exclusive benefit of the Plan's participants.

D. Income Tax Status:

The Plan received an exemption letter from the IRS dated January 22, 1990, stating that the Plan is tax-exempt under the provisions of Section 501(c)(9) of the IRC. However, as a result of the Plan's funding policy, from time to time the Plan may be subject to income taxes. No federal or state income taxes have been recorded in 2024 and 2023 for unrelated business taxable income.

In addition, the Plan and the Trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the Plan. The Plan Sponsors believe that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the related Plan is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax jurisdictions; however, there are currently no audits for any tax periods in progress.

E. Reconciliation of Financial Statements to Form 5500:

For the years ended December 31, 2024 and 2023 there were no reconciling items between the Financial Statements and Form 5500.

F. Safe Harbor Balance of the Plan Cash and Investments:

The Internal Revenue Service laws and regulations allow the Plan Sponsors to deduct contributions to the Plan as an expense on their tax returns subject to certain limitations. As of December 31, 2024 and 2023 the Plan Sponsors were not subject to any safe harbor limitations.
