Independent Auditors' Report

The Board of Trustees of
**PLAN DE BIENESTAR DE LA UNIÓN DE
CARPINTEROS DE PUERTO RICO**

Opinion

We have audited the accompanying financial statements of **PLAN DE BIENESTAR DE LA UNIÓN DE CARPINTEROS DE PUERTO RICO** (the Plan), an employee benefit plan subject to Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and statement of plan's benefit obligations as of February 28, 2025 and February 29, 2024, and the related statements of changes in net assets available for benefits and of changes in plan's benefit obligations for the year ended February 28, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of the **PLAN DE BIENESTAR DE LA UNIÓN DE CARPINTEROS DE PUERTO RICO** as of February 28, 2025 and February 29, 2024, and the changes in net assets available for benefits and the changes in benefit obligations for the year ended February 28, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **PLAN DE BIENESTAR DE LA UNIÓN DE CARPINTEROS DE PUERTO RICO** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Management's Responsibilities for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **PLAN DE BIENESTAR DE LA UNIÓN DE CARPINTEROS DE PUERTO RICO**'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Efraín Rodríguez & Associates, CPA's, LLC

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **PLAN DE BIENESTAR DE LA UNIÓN DE CARPINTEROS DE PUERTO RICO's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **PLAN DE BIENESTAR DE LA UNIÓN DE CARPINTEROS DE PUERTO RICO's** ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.
