INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of the
Alpha Teknova, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Alpha Teknova, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ALPHA TEKNOVA, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024

1. Description of Plan

The following description of the Alpha Teknova, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was adopted by Alpha Teknova, Inc. (the "Company" and "Plan Administrator") on January 1, 2008 and was most recently amended and restated on May 1, 2022. The Plan is defined as a contribution retirement plan of the profit-sharing type containing a cash or deferred arrangement described in Internal Revenue Code ("IRC") Section 401(a). Eligible employees who have attained age 18 and have completed one month of service during the Plan year are eligible to participate in the Plan on the first day of the month following eligibility and may enter the Plan on January 1st, April 1st, July 1st and October 1st. Certain classes of employees, as defined by the Plan document, are excluded from participating in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and certain provisions of the IRC.

Plan Administration

The Company has appointed a trustee (an employee of the Company) to manage the operation and administration of the Plan. The Company has also contracted with Ascensus Trust Company ("Ascensus") to act as the Plan trustee and recordkeeper and Woodruff Sawyer as the Investment Advisor. The Plan paid the majority of all necessary and proper expenses incurred in the administration of the Plan. Such expenses are primarily comprised of legal fees, auditing fees, and expenses relating to the maintenance of the Plan's records.

Contributions

Employees who elect to participate in the Plan may contribute a portion of their eligible salary up to the limits imposed by Section 402(g) of the IRC. Participants who have attained age 50 before the end of a calendar year are eligible to make catch-up contributions. Participants may also contribute nondeductible contributions and/or contribute amounts representing distributions from other qualified plans. Participants direct their investments into various investment options offered by the Plan. The Plan provides for a safe harbor matching contribution based on deferral percentages elected by participants up to 4% of eligible compensation. The Plan also provides for a discretionary profit sharing contribution. For the year ended December 31, 2024, the Company made an employer safe harbor matching contribution of approximately \$449,800, net of forfeitures.

Participant Accounts

Each participant's account is credited with the participant's contributions, any employer contributions, Plan earnings or losses, and rollovers from other qualified plans. Plan earnings or losses are allocated based upon each participant's account balance. Certain fees are charged to the fund investments and are offset against Plan investment income and loss as presented on the statement of changes in net assets available for benefits. Participants should refer to the prospectuses of these funds for details on the various types and amounts of investment fees charged to the Plan and their individual accounts.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024

1. Description of Plan, continued

Vesting

Participant contributions, rollovers, employer safe harbor matching contributions, and earnings on these contributions, are fully vested when made or earned.

Discretionary employer non-elective contributions, as well as all earnings on these contributions vest according to the following schedule:

Years of Service	Vesting Percentage
Less than One	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Forfeitures

Forfeitures that occur during a Plan year may be used to pay expenses related to the administration of the Plan and to reduce future Company discretionary contributions. As of December 31, 2024 and 2023, forfeited non-vested accounts totaled \$23,856 and \$22,134, respectively. For the year ended December 31, 2024, forfeited funds in the amount of \$18,237 were used to reduce employer contributions of the Plan.

Notes Receivable from Participants

Participants are allowed to borrow from their account a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms shall be no more than five years. Loans shall bear a reasonable rate of interest, commensurate with what would be charged by a lending institution providing similar loans, as determined by the Plan Administrator at the time the loan originates. Payments on loans shall be repaid through automatic deductions through regular payroll. Interest rates on loan participant notes receivable were 4.25% to 9.50% per annum as of December 31, 2024.

Payments of Benefits

When participants leave the Company upon retirement (age 65) or for any other reason, those participants (or their beneficiaries) may receive their benefits in a single lump sum amount equal to the value of the participant's vested interest in their account or may receive partial payments.

The Plan allows for in-service withdrawals at age 59½ and for certain heavy financial need (hardship) as defined by the Plan document.

In order to receive distributions, participants (or their beneficiaries) are required to file the appropriate forms with the Plan Administrator. Account values will be determined as of the day the distribution is made.

ALPHA TEKNOVA, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024

1. Description of Plan, continued

Payments of Benefits, continued

Distributions under the Plan shall generally be made as soon as possible after the date of retirement, death or termination of employment. The participant may elect, at the time, to have all or a portion paid directly to an eligible retirement plan specified by the participant. The Plan allows for automatic lump-sum distributions of participant-vested account balances that do not exceed \$5,000.

Investment Options

Upon enrollment in the Plan, a participant may direct their contributions in a specific percentage or dollar amount into a series of mutual funds or a money market fund offered by the Plan. Participants may change their investment options at any time.

SECURE Act 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023, which included SECURE Act 2.0 ("SECURE"). SECURE contains over 90 new retirement provisions, with varying effective dates through 2027. Since provisions of SECURE include both required and optional elements, applicable provisions will be evaluated and implemented in accordance with accompanying regulations and guidance, and the Plan will be amended as required. Certain provisions became effective for 2024, these changes had no material impact to the Plan's financial statements as of December 31, 2024 and 2023, and for the year ended December 31, 2024.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, disclosure of contingent assets and liabilities and changes in net assets available for benefits. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

All investments are recorded at fair value based upon active market values determined by investment advisors as required under ERISA regulations.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note 4 for discussion of fair value measurements.

2. Summary of Significant Accounting Policies, continued

Investment Valuation and Income Recognition, continued

Investments in securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the valuation period. In accordance with the policy of stating investments at fair value, net realized and unrealized appreciation (depreciation) for the year are reflected in the statement of changes in net assets available for benefits.

Purchases and sales of securities are reflected on a trade date basis. Interest is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2024 and 2023, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in investment income, net of fees.

Information Certified by the Trustee

Ascensus has prepared and certified as complete and accurate the Plan's schedule of investment assets, transactions, and net realized and unrealized gains and losses on investments, and interest and dividend income, which was used to prepare the accompanying financial statements and supplemental schedule.

Payment of Benefits

Benefit payments are recorded when paid.

3. Certified Information

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the trustee, as of December 31, 2024 and 2023 and for the year ended December 31, 2024.

	2024	2023
Mutual funds	\$ 10,754,060	\$ 9,315,028
Money market fund	\$ 40,101	\$ 24,955
Notes receivable from participants	\$ 200,501	\$ 214,483
Net appreciation in fair value of investments	\$ 1,162,706	
Dividends and interest	\$ 171,910	
Interest on participant notes receivable	\$ 12,393	

4. Fair Value Measurements

Accounting standards for fair value measurements establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under these accounting standards are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024

4. Fair Value Measurements, continued

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

Cash and cash equivalents: Value based on redemption value on the last day of the Plan year.

Mutual funds: Valued at the daily closing price reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

Assets at Fair Value as of December 31, 2024				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 10,754,060	\$ -	\$ -	\$ 10,754,060
Money market fund	40,101	-	-	40,101
	<u>\$ 10,794,161</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,794,161</u>

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,315,028	\$ -	\$ -	\$ 9,315,028
Money market fund	24,955	-	-	24,955
	<u>\$ 9,339,983</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 9,339,983</u>

5. Related-Party Transactions and Party-in-Interest Transactions

Certain Plan investments are managed by Woodruff Sawyer and Ascensus, the investment advisor and trustee and recordkeeper of the Plan. Any purchases and sales of these funds are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan, and are specifically exempt from the prohibition of party-in-interest transactions under ERISA. Fees incurred by the Plan for certain Plan related services are included in investment income, net of fees, as they are paid through revenue sharing rather than a direct payment.

NOTES TO FINANCIAL STATEMENTS

6. Tax Status

The Plan has a Volume Submitter 401(k) Profit Sharing Plan document that received an opinion letter dated June 30, 2020 stating that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan document has been amended since receiving the opinion letter, the Plan Administrator and tax counsel believe that the Plan is currently designed and is currently being operated in compliance with the applicable requirements of the IRC and ERISA, and that the trust, which forms a part of the Plan, is exempt from income tax. Accordingly, no provision has been made for federal or state income taxes.

7. Plan Termination

The Company has established the Plan with the intention and expectation that the Plan will continue indefinitely. However, the Company reserves the right at any time to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in any non-vested employer contributions. Distributions will be made to participants as outlined in the Plan's provisions.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market fluctuations and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks will occur in the near term that could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

The Plan held four funds that represent 21%, 13%, 12% and 10% of net assets as of December 31, 2024.

The Plan held four funds that represent 23%, 13%, 12% and 12% of net assets as of December 31, 2023.

9. Subsequent Events

On August 26, 2025, the Plan Sponsor elected to adopt the Woodruff Sawyer pooled employer plan ("PEP"), which is planned to be effective October 21, 2025. As a result of this change, the Plan will terminate and no longer function as a retirement Plan. All of the Plan's assets will be transferred into the Woodruff Sawyer PEP.

In accordance with accounting standards affecting disclosures of subsequent events, the Plan evaluated subsequent events for recognition and disclosure through September 11, 2025, the date which these financial statements were available to be issued. Management concluded that no material subsequent events have occurred, other than those disclosed above, since December 31, 2024 that require recognition or disclosure in such financial statements.
