Independent Auditor's Report

Board of Trustees
International Union of Operating Engineers'
Local 57 Legal Services Fund
Johnston, Rhode Island

Opinion

We have audited the accompanying financial statements of International Union of Operating Engineers' Local 57 Legal Services Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of plan benefit obligations as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits and of changes in plan benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of International Union of Operating Engineers' Local 57 Legal Services Fund as of December 31, 2024 and 2023, and the changes in its net assets available for benefits and changes in its benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the International Union of Operating Engineers' Local 57 Legal Services Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Responsibilities of Management for the Financial Statements (continued)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about International Union of Operating Engineers' Local 57 Legal Services Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of International Union of Operating Engineers' Local 57 Legal Services Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about International Union of Operating Engineers' Local 57 Legal Services Fund's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Notes to Financial Statements
December 31, 2024 and 2023

1. DESCRIPTION OF THE PLAN

The following description of the International Union of Operating Engineers' Local 57 Legal Services Fund (the "Plan") provides only general information. Participants should refer to the plan agreement establishing the Plan and/or the Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan provides legal advice and services to eligible Operating Engineers' Local 57 employees and their dependents. It is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

Benefits

The Plan provides attorneys' services at no cost to eligible participants. The types of legal services available are set forth in the Plan booklet.

Generally, to receive the services provided under the Plan, an eligible member must have 500 hours of service within each six-month period beginning with January and July or 1,000 hours of service for any consecutive twelve-month period beginning with January and July.

Contributions

The Plan provides that participating employers make monthly contributions to the Plan of a specified amount for each hour worked.

Other

The Board of Trustees has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

2. SIGNIFICANT ACCOUNTING POLICIES

Plan Benefit Obligations

Plan obligations for accumulated eligibility credits of participants are estimated based on six months of legal retainers paid to the attorney.

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, benefit obligations and changes therein at the date of the financial statements. Accordingly, actual results could differ from those estimates.

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting.

Subsequent Events

The Plan has evaluated subsequent events through September 12, 2025, which is the date the financial statements were available to be issued.

Contributions Receivable

Current year employers' contributions received up to six months after year end and payroll audit settlements are recorded as contributions receivable. Prior year contributions received after six months are recorded as revenue when received. An allowance for doubtful accounts is unnecessary and is not provided.

3. TAX STATUS

The Plan qualifies under Section 501 (c)(9) of the Internal Revenue Code and is, therefore, not subject to tax under present income tax law.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

4. CONCENTRATION OF CREDIT RISK

The Plan maintains its cash accounts in financial institutions whose cash balance accounts are fully insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per depositor. Management does not believe that it is exposed to any significant risk in connection with the uninsured cash balances.

5. RELATED-PARTY TRANSACTIONS

The Plan is maintained pursuant to collective bargaining agreements which include the International Union of Operating Engineers’ Local 57’s other employee benefit plans. The Plan is related to these other benefit plans and the Union through common membership. Payroll costs and certain administrative expenses are paid by the Health Fund and allocated to the International Union of Operating Engineers’ Local 57 Legal Services Fund. These expenses amounted to \$39,778 and \$44,314 for the years ended December 31, 2024 and 2023, respectively.

6. COMPENSATION – RETIREMENT BENEFITS – MULTI-EMPLOYER PLANS

As illustrated in the table below, the Plan participated in two multi-employer plans for the years ended December 31, 2024, 2023, and 2022. The “EIN/Pension Plan Number” column provides the Employer Identification Number (EIN) and the three-digit plan number, if applicable. The most recent Pension Protection Act (PPA) zone status available is for the plan years 2023 and 2022. Based on an actuary’s certified information, the Plan received the zone status information for the plan to identify the zone the plan was identified with. Plans in the red zone are generally less than 65% funded, plans in the yellow zone are less than 80% funded, and plans in the green zone are at least 80% funded. The “FIP/RP Status Pending/Implemented” column indicates plans for which a Financial Improvement Plan (FIP) or a Rehabilitation Plan (RP) is either pending or has been implemented. The last column lists the expiration date of the collective bargaining agreement. The Plan does not participate in the collective bargaining process but does contribute under a “Participation Agreement” which remains in force unless written notice of intention to terminate is provided.
