Independent Auditor's Report

To the Plan Administrator  
Met Council 403(b) Retirement Savings Plan  
(Formerly known as 403(b) Thrift Plan of Metropolitan Council on Jewish Poverty)

*Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Met Council 403(b) Retirement Savings Plan, formerly known as 403(b) Thrift Plan of Metropolitan Council on Jewish Poverty (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

*Opinion*

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### *Auditor's Responsibilities for the Audit of the Financial Statements*

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a significant likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

*Supplemental Schedules Required by ERISA*

The supplemental Schedule of Delinquent Participant Contributions (Schedule H, Line 4a) for the year ended December 31, 2024 and Schedule of Assets (Held at End of Year) (Schedule H, Line 4i) as of December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Met Council 403(b) Retirement Savings Plan  
(Formerly Known as 403(b) Thrift Plan of Metropolitan  
Council on Jewish Poverty)**

**Notes to Financial Statements  
December 31, 2024**

**Note 1 - Description of Plan**

The following description of the Met Council 403(b) Retirement Savings Plan, formerly known as 403(b) Thrift Plan of Metropolitan Council on Jewish Poverty (the "Plan") provides only general information. Participants should refer to the Plan document, and any amendments thereto, for a more complete description of the Plan's provisions. On February 1, 2023, the Plan changed its name from 403(b) Thrift Plan of Metropolitan Council on Jewish Poverty to Met Council 403(b) Retirement Savings Plan. On July 1, 2023, the Plan changed its year-end from June 30 to December 31.

**General**

The Plan is a defined contribution plan covering all eligible employees of Metropolitan Council on Jewish Poverty (the "MCJP"), Met Council Home Care Service (the "MCHCS"), Jewish Community Council Services Commission (the "Jewish Community Council Services") and Project OHR, Inc. ("OHR"), together, the "Organization". Employees become eligible to participate in the Plan immediately upon their hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Board of Directors is responsible for oversight of the Plan. The Organization's Board of Directors determine the appropriateness of the Plan's investment offerings and monitors investment performance.

Effective February 1, 2023, the Plan changed their recordkeeper from Mutual of America Life Insurance Company ("Mutual of America") to Principal Trust Company ("Principal"). As of December 31, 2024, approximately \$17 million and \$1.5 million of the Plan assets are held by Principal and Mutual of America, respectively. As of December 31, 2023, approximately \$16 million and \$2 million of the Plan assets are held by Principal and Mutual of America, respectively.

**Contributions**

Each year, participants may contribute any percentage of their pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. Participants also direct the investment of the Organization's contributions. Contributions are subject to certain Internal Revenue Service ("IRS") limitations. Pursuant to an amendment to the Plan document, effective on July 1, 2017, the Organization will no longer provide employer contributions.

Effective January 1, 2022, the Plan reinstated employer matching contributions. All full-time employees of the Organization are eligible, except for those who are nonresident aliens. Eligible employees shall receive an allocation of employer matching contributions of an amount equal to 100% of the employee's salary reduction contributions, and that do not exceed 1% of their compensation received during that plan year. The amounts in a participant's employer matching contribution account vest immediately.

Effective February 1, 2023, the Plan was amended to increase employer matching contributions. Eligible employees shall receive an allocation of employer matching contributions of an amount equal to 100% of the employee's salary reduction contributions, and that do not exceed 1.2% of their compensation received during that plan year.

(Formerly Known as 403(b) Thrift Plan of Metropolitan

**Notes to Financial Statements  
December 31, 2024**

**Participant accounts**

Each participant's account is credited with the participant's contributions and the Organization's contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are vested 100% in the total value of their individual account balances.

**Notes receivable from participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. Loan terms shall not exceed five years unless the loan is used to purchase a primary residence. The loan interest rate, determined on the first day of loan is taken, will be based on the rates available for similar loans from commercial lending institutions. Principal and interest are paid by the participant directly to the Plan through payroll deductions.

Prior to February 1, 2023, participants may also borrow from Mutual of America using the assets in the participant's account as collateral. Under this arrangement, Mutual of America has the right to collect the collateral in the event of a default.

**Payment of benefits**

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or receive annuity payments for a period of not more than the participant's assumed life expectancy.

**Note 2 - Summary of accounting policies**

**Basis of accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment valuation and income recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Directors determine the Plan's valuation policies utilizing information provided by the investment advisers, custodian and insurance company. See Note 3 for discussion of fair value measurements.

**Met Council 403(b) Retirement Savings Plan  
(Formerly Known as 403(b) Thrift Plan of Metropolitan  
Council on Jewish Poverty)**

**Notes to Financial Statements  
December 31, 2024**

The interest accumulation account is designed to be partially benefit-responsive, but not fully benefit-responsive. While the interest accumulation account provides a fixed interest rate at a rate that changes periodically, investments in the interest accumulation account are not under a contract between the interest accumulation account and a guarantor. For these reasons, Mutual of America believes that the contract would be considered not fully benefit-responsive and, therefore, is presented in the accompanying financial statements at fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's dividends, gains and losses on investments bought and sold as well as held during the year.

**Contributions**

Contributions from Plan participants and the matching contributions from the Organization are recorded in the year in which participants compensation is earned.

**Notes receivable from participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

**Payment of benefits**

Benefits are recorded when paid.

**Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

**Subsequent events**

The Plan's management has performed subsequent event procedures through September 22, 2025, which is the date the financial statements were available to be issued.

**Note 3 - Fair value measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities ("Level 1") and the lowest priority to unobservable inputs ("Level 3"). The three levels of the fair value hierarchy under Financial Accounting Standards Board issued Accounting Standards Codification 820 are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Met Council 403(b) Retirement Savings Plan  
(Formerly Known as 403(b) Thrift Plan of Metropolitan  
Council on Jewish Poverty)**

**Notes to Financial Statements  
December 31, 2024**

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

*Pooled separate accounts:* Valued at the accumulation unit value ("AUV") of units held by the Plan at year-end. The AUV is based on the value of underlying investments, which are valued using market quotations or prices obtained from independent pricing sources that may employ various pricing methods to value the investments including matrix pricing less its liabilities and account charges, plus any applicable dividend income, then divided by the number of units outstanding. AUV is deemed equivalent to net asset value ("NAV"), which is used as a practical expedient to determine the fair value. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan. The accounts allow for daily redemptions and there are no unfunded commitments. The underlying funds have different investment objectives, investment policies and risks. Some of the investment objectives of the underlying funds are as follows: capital appreciation, current income, investment results that correspond to the S&P 500 index or a combination of these objectives.

*Interest accumulation account:* Valued by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**Notes to Financial Statements  
December 31, 2024**

Financial assets carried at fair value at December 31, 2024 and 2023 are classified in the tables below in one of the three categories described above:

	2024			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 13,803,580	\$ -	\$ -	\$ 13,803,580
Interest accumulation account	-	-	620,756	620,756
Total assets in the fair value hierarchy	13,803,580	-	620,756	14,424,336
Investments measured at NAV (a)	-	-	-	749,103
Total investments	<u>\$ 13,803,580</u>	<u>\$ -</u>	<u>\$ 620,756</u>	<u>\$ 15,173,439</u>
	2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 12,266,835	\$ -	\$ -	\$ 12,266,835
Interest accumulation account	-	-	714,436	714,436
Total assets in the fair value hierarchy	12,266,835	-	714,436	12,981,271
Investments measured at NAV (a)	-	-	-	1,177,897
Total investments	<u>\$ 12,266,835</u>	<u>\$ -</u>	<u>\$ 714,436</u>	<u>\$ 14,159,168</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

**Quantitative information about significant unobservable inputs used in Level 3 fair value measurements**

The following table represents the Plan's Level 3 financial instrument, the valuation technique used to measure the fair value of the financial instrument, and the significant unobservable inputs and the range of values for those inputs:

Instrument	Fair value	Principal valuation technique	Unobservable inputs	Range of significant input values	Weighted average
<u>2024</u>					
Interest accumulation account	\$ 620,756	Discounted cash flow	Current yields of similar instruments	2.85%	2.85%
<u>2023</u>					
Interest accumulation account	\$ 714,436	Discounted cash flow	Current yields of similar instruments	1.60%	1.60%

(Formerly Known as 403(b) Thrift Plan of Metropolitan

**Notes to Financial Statements  
December 31, 2024**

**Note 4 - Fully benefit-responsive guaranteed interest contract**

The Plan holds a traditional investment contract. This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0.15%, nor greater than 3%. The crediting rate is reviewed on a semi-annual basis for resetting.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. Examples of such events include the following:

- The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code (the "IRC") or the failure of the trust to be tax-exempt under Section 501(a) of the IRC.
- Premature termination of the contract.
- Plan termination or merger.
- Bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

The Plan administrator believes that no events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include the following:

1. A breach of material obligation under the contract.
2. A material misrepresentation.
3. A material amendment to the agreements without the consent of the issuer.

(Formerly Known as 403(b) Thrift Plan of Metropolitan  
Council on Jewish Poverty)**

**Notes to Financial Statements  
December 31, 2024**

**Note 5 - Related party transactions and party-in-interest transactions**

Certain Plan investments were invested in funds managed by Mutual of America, Principal, and World Investment Advisors, LLC, formerly known as Pensionmark Financial Group, LLC. Mutual of America is the custodian, World Investment Advisors, LLC is the financial advisor and trustee and Principal is the recordkeeper as defined by the Plan, and, therefore, these transactions qualify as party-in-interest transactions.

Effective July 1, 2000, Mutual of America provided certain administrative services to the Plan pursuant to a Group Annuity Contract between the Organization and Mutual of America. Mutual of America receives revenue from mutual fund service providers for services Mutual of America provides to the funds. This revenue is used to offset certain amounts owed to Mutual of America for its administrative services to the Plan.

If the revenue received by Mutual of America from such mutual fund service providers exceeds the amount owed under the Group Annuity Contract, Mutual of America remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During the years ended December 31, 2024 and 2023, there were no excess amounts. The Plan or Organization may make a payment to Mutual of America for administrative expenses not covered by revenue sharing.

**Note 6 - Plan termination**

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

**Note 7 - Tax status**

The Plan has been designed to qualify under Section 403(b) of the IRC. The terms of the Plan have been prepared to conform with the sample language provided by the IRS in Revenue Procedure 2014-28 and the draft Listing of Required Modifications issued April 4, 2009. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for Plan participants under Section 403(b). Although the Plan has never received an opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified.

The Plan was amended on February 1, 2023 and is a 403(b) prototype plan designed by Principal. Principal has received an advisory letter from the IRS dated March 31, 2017 indicating that the 403(b) prototype plan satisfies the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Notes to Financial Statements  
December 31, 2024**

**Note 8 - Risks and uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**Note 9 - Certified investments**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain investments held at December 31, 2024 and 2023, and investment income for the years ended December 31, 2024 and 2023, that are disclosed in the accompanying financial statements and supplemental Schedule of Assets (Held at End of Year) (Schedule H, Line 4i), were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Principal. The following is a summary of the information that has been certified as of December 31, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Investments, at fair value	<u>\$ 13,803,580</u>	<u>\$ 12,266,835</u>

Less: contributions receivable at December 31, 2024	<u>(38,445)</u>
Contributions per Form 5500	<u>\$ 1,906,475</u>

**Note 11 - Nonexempt transactions**

As reported on the supplemental Schedule of Delinquent Participant Contributions (Schedule H, Line 4a), certain participant and employer contributions were not remitted to the Plan within the time frame specified by the Department of Labor's Regulation 29 CFR 2510.3-102, thus constituting nonexempt transactions between the Plan and the Organization during the year ended December 31, 2023. These delinquent contributions were fully corrected by the Organization through corrective contributions of lost earnings in January 2024.
