## INDEPENDENT AUDITOR'S REPORT

Board of Directors  
Broadhead Enterprises Inc. 401(k) Plan

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of Broadhead Enterprises Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for the years then ended, and the related notes to the financial statement.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Broadhead Enterprises Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Broadhead Enterprises Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## INDEPENDENT AUDITOR'S REPORT (Continued)

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Broadhead Enterprises Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Broadhead Enterprises Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

(Continued)

## INDEPENDENT AUDITOR'S REPORT (Continued)

### *Auditor's Responsibilities for the Audit of the Financial Statements* (Continued)

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Broadhead Enterprises Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matter — Supplemental Schedule Required by ERISA***

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

### *Other Matter – Supplemental Schedule Required by ERISA* (Continued)

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Broadhead Enterprises Inc. 401(k) Plan**

### **NOTES TO FINANCIAL STATEMENTS Years Ended December 31, 2024 and 2023**

#### **1. DESCRIPTION OF PLAN**

The following description of the Broadhead Enterprises Inc. 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan documents for a more complete description of Plan provisions.

##### **General**

The Plan is a defined contribution profit sharing 401(k) plan sponsored by Broadhead Enterprises Inc. (Company) covering substantially all employees except for union employees and non-resident aliens. Employees with at least three months of service are eligible to participate in the 401(k) portion of the Plan. To participate in matching contributions, employees must be eligible to participate in the 401(k) plan. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

##### **Participant Contributions**

The Plan allows participant contributions up to 96% of pretax annual compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch up contributions. Participants may also contribute amounts representing rollover distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

##### **Employer Contributions**

The Company matches participant elective deferrals up to 50% of the first 8% of eligible compensation. The Plan offers twenty-eight participant investment options. Additional employer discretionary contributions are determined annually by the Company's Board of Directors. To be eligible for discretionary contributions, employees must have six months of service. No employer discretionary contributions were elected for 2024 or 2023.

##### **Participant Accounts**

Each participant's account is credited with the participant's contribution, allocations of the Company's contribution, plan expenses, and net earnings or losses from the Plan. Plan net earnings and losses are allocated based on participant earnings or account balances, as defined. Employer discretionary contributions are allocated based on eligible compensation. Each participant is entitled to the benefit that can be provided from his or her vested account balance.

Under terms of the Plan, participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans are secured by the participant's balance, subject to regulations, and are due in a time period not to exceed 5 years, with interest at rates comparable to local prevailing rates. Principal and interest is paid ratably through payroll deductions.

The Plan has allowed for the provisions of the CARES Act in regards to distributions, loans and required minimum distributions. The Plan was amended for these changes on November 1, 2022.

### NOTES TO FINANCIAL STATEMENTS Years Ended December 31, 2024 and 2023

#### 1. DESCRIPTION OF PLAN (Continued)

##### **Vesting**

Participants are immediately vested in their contributions as well as the employer matching and discretionary profit sharing contributions plus actual earnings thereon.

##### **Payment of Benefits**

Upon termination of service, a participant with a non-forfeitable accrued benefit exceeding \$5,000 may elect to receive either a lump-sum amount equal to the participant's vested account balance or may elect to defer distribution in the Plan until normal retirement age. Participants working beyond normal retirement age may elect to defer payment until retirement.

Upon termination of service with non-forfeitable accrued benefits between \$1,000 and \$5,000, participants can elect to receive a distribution in a lump-sum or the distribution can be rolled over into a qualified retirement plan. If no election is made, the distributions will automatically roll over into a newly established individual retirement account (IRA). Upon termination of service with non-forfeitable accrued benefits below \$1,000, participants must receive a lump-sum distribution.

#### 2. SUMMARY OF ACCOUNTING POLICIES

##### **Basis of Accounting**

The financial statements of the Plan are prepared under the accrual method of accounting.

##### **Estimates**

Preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

##### **Investment Valuation and Income Recognition**

The Plan's investments are stated at fair value using quoted market prices, if available. See Note 4 for further discussion of investment valuation inputs.

Purchases and sales of investments are recorded on a trade-date basis. Interest is recorded when earned. Dividends and contributions are recorded when received.

Gains and losses (realized and unrealized) are included in the statements of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased, sold, and held during the year.

##### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance. Interest income from notes receivable is recorded when earned. Delinquent notes receivable are reclassified as loans in default and are recorded as distributions at the time they are deemed uncollectible.

### NOTES TO FINANCIAL STATEMENTS Years Ended December 31, 2024 and 2023

#### 2. SUMMARY OF ACCOUNTING POLICIES (Continued)

##### Payment of Benefits

Benefits are recorded when paid.

##### Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of participant loans and distributions, as well as investment transactions, are charged directly to the participant's account and are included in investment and administrative expenses.

##### Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

The Plan had investments totaling \$4,807,685 and \$3,260,758 that were concentrated in two funds, as of December 31, 2024 and 2023.

#### 3. INVESTMENTS

##### Information Prepared and Certified by the Trustee

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Principal as of December 31:

Investments	<u>2024</u>	<u>2023</u>

Interest from participant notes receivable	3,692	1,766
Net appreciation in fair value of investments	1,835,872	1,888,858

### NOTES TO FINANCIAL STATEMENTS Years Ended December 31, 2024 and 2023

#### 3. INVESTMENTS (Continued)

##### Guaranteed Investment Contract

Guaranteed investment contracts are valued at contract value.

#### 4. FAIR VALUE MEASUREMENTS

Accounting principles generally accepted in the United States of America establish a framework for measuring fair value based on a hierarchy that prioritizes valuation inputs as referenced below:

Level 1	Inputs using quoted prices in active markets for identical assets or liabilities
Level 2	Significant other observable inputs including quoted prices for similar assets in active or inactive markets, inputs that are derived from or corroborated by observable market data by correlation or other means, or inputs other than quoted prices that are observable for the asset
Level 3	Significant unobservable inputs

Valuation levels are not necessarily an indication of associated risk.

The following table summarizes the Plan's investments that were accounted for at fair value on a recurring basis:

<u>December 31, 2024</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 18,164,604	\$ -0-	\$ -0-	\$ 18,164,604
<u>December 31, 2023</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 13,739,588	\$ -0-	\$ -0-	\$ 13,739,588

#### 5. GUARANTEED INVESTMENT CONTRACT

The Plan invests in a benefit-responsive guaranteed investment contract with Principal. Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Plan management believes that the occurrence of an event that would cause the Plan to transact at less than contract value is not probable. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

## Broadhead Enterprises Inc. 401(k) Plan

### NOTES TO FINANCIAL STATEMENTS Years Ended December 31, 2024 and 2023

#### 6. ADMINISTRATION OF PLAN ASSETS

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

#### 7. INCOME TAX STATUS

The Volume Submitter 401(k) Profit Sharing Plan adopted by the Company obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### 8. PLAN TERMINATION

Although they have not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and terminate participation in the Plan subject to provisions of ERISA. In the event of termination, participants become 100% vested in their accounts.

#### 9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following reconciles net assets available for benefits and the changes in net assets available for benefits per the financial statements to Schedule H of Form 5500 as of December 31:

	<u>2024</u>	<u>2023</u>
