Independent Auditors' Report

The Plan Administrator and Participants Curate Partners LLC 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Curate Partners LLC 401(k) Profit Sharing Plan and Trust, (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements ("Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

The Plan Administrator and Participants
Curate Partners LLC 401(k) Profit Sharing Plan and Trust
Page 2

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Part IV, Line 4(a) - Schedule of Delinquent Participant Contributions for the year ended December 31, 2024 and Schedule H, Part IV, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Supplemental Schedules Required by ERISA (continued)

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

1. Description of the Plan

Curate Partners, LLC, Curate Partners, LLC II and Curate Insights, LLC (collectively the “Employer”) established the Curate Partners LLC 401(k) Profit Sharing Plan and Trust (the “Plan”) on January 1, 2014. The following description of the Plan provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution profit sharing plan covering all eligible employees of the Employer, who have attained 21 years of age and have met the sixty-day service requirement, except those employees who are leased employees or residents of Puerto Rico (“Participants”). Employees may enter the Plan on the first day of the calendar month after satisfying the eligibility requirements. Participants meeting the eligibility requirements will be automatically enrolled in the Plan.

Capital Bank and Trust Company (the “Trustee”) provides asset custodian services and serves as the trustee of the Plan, while recordkeeping and administrative services are provided by Empower Retirement (“Empower”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). All investments are participant-directed.

Plan Administration

The Employer is the plan administrator and has the authority to appoint person(s) for the Plan or entities to carry out the operations of the Plan. Individual Participant accounts may be charged directly with an allocation of administrative expenses, if not paid by the Employer. Individual participant accounts are charged directly for loan recordkeeping, if applicable.

Participant Deferral Contributions

Participants may voluntarily contribute up to 100% of their annual eligible compensation on a pre-tax basis, not to exceed a dollar limit established under the Internal Revenue Code (“IRC”). Participants may make pre-tax or Roth contributions to their accounts. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. In addition, Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans and individual retirement accounts (“Participant Rollovers”).

Employees, upon eligibility to participate in the Plan, will be automatically enrolled to defer 3% of their eligible compensation as defined. In addition, employees who are enrolled in the Plan will have their deferral percentage increased annually by 1% until a maximum deferral rate of 10% is reached unless the employee elects otherwise.

Notes to Financial Statements

1. Description of the Plan (*continued*)

Employer Contributions

The Employer, at its discretion, may elect to contribute a matching contribution using a discretionary formula. An employee is eligible for the matching contribution if they had at least 1,000 hours of service during the Plan year and were employed by the employer on the last day of the Plan year. During 2024, no matching contributions were made to the Plan.

The Employer may also make discretionary nonelective contributions to the Plan. Nonelective contributions are allocated to each eligible participant in the ratio that the participant's total compensation bears to the total compensation for all eligible participants for that year. An employee is eligible for the nonelective contribution if they had at least 1,000 hours of service during the Plan year and were employed by the employer on the last day of the Plan year. During 2024, no discretionary nonelective employer contributions were made to the Plan.

During 2024, the Plan made qualified non-elective employer contributions in the amount of \$20,898.

Participant Accounts

Each Participant's account is credited with the Participant's deferral contribution, an allocation of the Plan's earnings or losses, and is charged with certain administrative expenses. Allocations are based on Participant compensation or account balance, as defined. The benefit to which a Participant is entitled is the benefit which can be provided from the Participant's vested account.

Vesting

Participants are immediately vested in their deferral and rollover contributions plus allocated earnings thereon. Participants become 20% vested in the employer nonelective and matching contributions after their second year of service and 20% each year thereafter until they are 100% vested after year six.

Payment of Benefits

The Plan provides for a normal retirement benefit to be paid to participants who have reached the age of 65, with no option for early retirement. Upon termination of service due to death, disability, retirement, or termination, a participant or beneficiary may elect to receive a lump-sum amount equal to the value of the participant's vested interest. The payment can either be a cash distribution to the Participant, subject to income tax withholdings, or a cash rollover to an individual retirement account or another qualified plan as defined. If a Participant's vested account is more than \$1,000 but less than \$5,000, the plan administrator, after notification, may distribute the benefit into an individual retirement account. If the vested account balance is less than \$1,000, the plan administrator, after notification, may distribute the account balance to the Participant. The Plan allows for in-service distributions of the participant's vested accounts upon reaching the age of 59 ½. The Plan does not allow distributions due to hardship.

Notes to Financial Statements
December 31, 2024

1. Description of the Plan (*continued*)

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 reduced by the excess, if any, of the highest outstanding balance of any other loan to the participant from the Plan during the preceding 12-month period over the outstanding balance of such loan on the date the loan is made or 50% of their vested account balance. Loan terms range up to five years. All loans shall bear a reasonable rate of interest as determined by the plan administrator based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances. No more than two outstanding loans may be taken by a Participant at any time. Principal and interest are paid ratably through payroll deductions. If a Participant ceases to make loan repayments and the plan administrator deems the loan to be in default, the Participant's loan balance is reduced and a benefit payment is deemed to be made upon the occurrence of a distributable event. Loans to Participants are reported as notes receivable from participants at the unpaid principal balance plus any accrued but unpaid interest.

Interest rates for outstanding loans range from 5.00% to 9.50% at both December 31, 2024 and 2023 and mature at various dates through December 2025.

Forfeitures

A Participant who leaves the employment of the Employer forfeits any non-vested balance. Forfeited balances of terminated Participants' accounts are used to pay administrative expenses and reduce all Employer contributions in the year of forfeiture. During 2024, there were \$2,279 of forfeitures used to reduce the Employer's contributions and no forfeitures were used to offset administrative fees. At December 31, 2024 and 2023, there are unallocated forfeiture amounts of \$1,831 and \$3,744, respectively.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could vary from the estimates that were used.

2. Summary of Significant Accounting Policies (*continued*)

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are classified as Level 1 within the fair value hierarchy.

Investments, Investment Valuation and Income Recognition

Mutual funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from Participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recognized on the accrual basis of accounting. Related fees are recorded as administrative fees and expensed when incurred.

Benefits Paid

Benefit payments are recorded in the period in which the Participants are paid.

3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental Schedule H, Part IV, Line 4(i), Schedule of Assets (Held at End of Year) including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividend income, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by the Trustee, a qualified institution.

4. Risks and Uncertainties

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect Participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

5. Party-In-Interest Transactions

Plan investments include funds that have been managed by the Trustee during the year. During the year ended December 31, 2024, the Plan paid administrative expenses to an investment advisor and contract administrator totaling \$44,513. These transactions qualify as exempt party-in-interest transactions. Notes receivable from Participants also qualify as exempt party-in-interest transactions, as defined by ERISA.

6. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time or to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, any unallocated assets of the Plan will be allocated to Participant accounts and distributed in such a manner as the Employer may determine.

7. Tax Status

The underlying volume submitter profit sharing plan with cash or deferred arrangement has received an opinion letter from the Internal Revenue Service, dated June 30, 2020, stating that the form of the plan is qualified under Section 401(a) of the Code and that the plan, as then designed, was in compliance with the applicable requirements of the Code. The plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Code and that the Plan is qualified is tax-exempt as of the date of this report.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. No uncertain tax positions have been recognized by the Plan as of December 31, 2024 or 2023.

8. Prohibited Transactions

During 2023, certain Participant deferral contributions were not remitted to the Plan by the Employer on a timely basis as required under DOL 2510.3-102. Under ERISA, such delinquent contributions are considered prohibited transactions and are reported on Schedule H, Part IV, Line 4(a) of Form 5500. During 2024, the Company made the corrections and funded the lost earnings on the delinquent contributions to the effected Participants' accounts.

9. Subsequent Events

The plan administrator has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which is September 29, 2025.
