Independent Auditors' Report

To the Plan Administrator of the
BMC Growth Fund II, LLC 401(k) Plan
Miamisburg, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of BMC Growth Fund II, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of BMC Growth Fund II, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Independent Auditors' Report
(Continued)**

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of BMC Growth Fund II, LLC 401(k) Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about BMC Growth Fund II, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material, if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**Independent Auditors' Report
(Continued)**

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of BMC Growth Fund II, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about BMC Growth Fund II, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BMC GROWTH FUND II, LLC 401(K) PLAN

Notes to Financial Statements

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements of BMC Growth Fund II, LLC 401(k) Plan (the "Plan") have been prepared on the accrual basis of accounting using accounting principles generally accepted in the United States of America ("GAAP").

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Investment Valuation and Income Recognition

Investments are reported at fair value except for the fully benefit-responsive investment contract. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or global conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Benefit Payments

Benefit payments are recorded when paid.

Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

BMC GROWTH FUND II, LLC 401(K) PLAN

Notes to Financial Statements (Continued)

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Expenses

Certain expenses of the Plan were paid by the BMC Growth Fund II, LLC (the "Company") and accordingly, are not reflected in the Plan's financial statements. Certain investment-related expenses are included in net appreciation in fair value of investments.

Related-Party Transactions

Certain Plan investments are investments in mutual funds managed by Empower Trust Company, LLC. Empower Trust Company, LLC is the recordkeeper of the Plan and, therefore, these transactions qualify as party-in-interest.

Several employees of the Company provide administrative services to the Plan. These services include Plan oversight and day-to-day Plan administration. The Plan is not charged by the Company for the services of the employees to the Plan.

Subsequent Events

The Company has evaluated events subsequent to the balance sheet date of December 31, 2023 through September 22, 2025 which is the date these financial statements were available to be issued.

NOTE 2 DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the BMC Growth Fund II, LLC 401(k) Plan agreement for a more complete description of the Plan's provisions.

General

The original effective date of the Plan is January 1, 2019. The Plan was amended and restated July 31, 2022. The Plan is a defined contribution plan. All employees of the Company are eligible for participation in the Plan if they have completed at least 250 hours of service in a 3-month period and have attained the age of 18, with quarterly entry dates. Eligibility for profit sharing contributions requires the participant to have completed at least 1,000 hours of service during the plan year and be employed by the Company on the last day of the plan year. Employees of acquired companies who met the eligibility requirements under the acquired companies' retirement plan are immediately eligible to participate in the Plan. The Plan is subject to the Employee Retirement Income Security Act of 1974 ("ERISA").

Multiple-Employer Plan

The Plan is classified as a multiple-employer plan covering various employers. The employers covered by the Plan are City Dash, LLC, Patriot Converting, Inc., and Gateway Distribution, LLC (effective February 28, 2020).

BMC GROWTH FUND II, LLC 401(K) PLAN

Notes to Financial Statements (Continued)

NOTE 2 DESCRIPTION OF THE PLAN (CONTINUED)

Contributions

Each year, participants may contribute up to 100% of compensation, as defined in the Plan, on a pre-tax or after-tax (Roth) basis. However, contributions may not exceed limitations established under Section 402(g) of the Internal Revenue Code of 1986 as amended (\$22,500 for the year ended December 31, 2023). For 2023, Section 414(v) of the Internal Revenue Code of 1986 as amended allowed a maximum catch-up contribution of \$7,500 annually. Participants designate the percentage of their total contribution to be invested in any of the Plan's investment funds. Participants may change the percentage of contributions invested in each account and may make transfers between accounts anytime during the year. The Company can make discretionary matching contributions. For 2023, the Company made matching contribution totaling \$233,040. The Company may also make discretionary profit-sharing contributions. The Company did not make a profit-sharing contribution for 2023.

Rollover Contributions

Participants may roll over their taxable portion of funds previously held for their account in another qualified retirement plan to the Plan on a tax-free basis, regardless of whether they have met the age and service requirements of the Plan.

Participant Accounts

Each participant's account is credited with the participant's and Company's contributions and a pro-rata allocation of the Plan's earnings and expenses. The pro-rata allocation is based upon each participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants become immediately vested at the time of participation in the Plan in their contributions, safe harbor contributions, plus actual earnings thereon. Vesting in the Company's regular match and profit-sharing portion of their accounts, plus actual earnings thereon, is based on years of continuous service. Participants become partially vested after 2 years of service and 100% vested after 6 years of credited service. Forfeited balances of terminated participants' non-vested accounts are applied to offset administrative expenses of the Plan or to reduce employer contributions. The balance of unallocated forfeitures was \$27,654 and \$-0- at December 31, 2023 and 2022, respectively.

Payment of Benefits

Upon a participant's retirement, death, total and permanent disability, other termination of employment with the Company, or termination of the Plan, the participant's account is distributed in a lump sum.

In-service distributions are permissible from fully vested accounts for participants that have attained the age of 59 ½. In-service distributions are permissible from participants' rollover contribution portion of their account at any time.

BMC GROWTH FUND II, LLC 401(K) PLAN

Notes to Financial Statements (Continued)

NOTE 2 DESCRIPTION OF THE PLAN (CONTINUED)

Payment of Benefits (Continued)

In conditions of "financial hardship", as defined, a participant may apply to the Plan administrator for approval to withdraw that portion of their elective deferrals necessary to meet the financial hardship, subject to the limitations of the Plan and the Internal Revenue Code.

Notes Receivable from Participants

Participant loans are available on amounts in the participant's account. The minimum loan amount is \$1,000 and the maximum loan amount is the lesser of ½ of the participant's vested account balance or \$50,000. The vested participant account balance will be used as collateral for any loan. All loans shall bear a reasonable rate of interest as determined by the Plan Administrator. All loans must be repaid within 5 years except in the case of a loan for the purpose of acquiring a home. Participants may only have 1 loan outstanding at any given time.

NOTE 3 TAX STATUS

The Plan Sponsor has adopted a prototype plan which has received an opinion letter from the Internal Revenue Service dated June 30, 2020, which states the provider's prototype, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan itself has not received a determination letter from the Internal Revenue Service. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 4 FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board *Accounting Standards Codification 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs.

The hierarchy is broken down into 3 levels based on the ability to observe inputs as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2023 and 2022.

Money market and mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trusts: Investment fund formed by the pooling of investments by institutional investors, such as a group of not necessarily affiliated pension or retirement plans, typically with the intention of achieving cost savings over similar investment options such as mutual funds. Common/collective trusts are similar to mutual funds, with a named investment manager and documented investment objective. These investments, however, are not registered with the SEC (unlike mutual funds, which are registered) and participation is not open to the public. The NAV is measured by the custodian or investment manager as of the close of regular daily trading. When measuring the fair value of such funds, the NAV, as provided by the fund sponsor, is corroborated with observable inputs provided by pricing services for the securities. In certain instances, NAVs may require adjustments to more appropriately reflect the fair value. No adjustments to NAVs were required.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

NOTE 5 FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan entered into a fully benefit-responsive investment contract with Empower. The general investment account investment option is a guaranteed interest account (the "GIA") provided through a group annuity contract (the "Contract"). Under the terms of the Contract, a crediting rate is established for amounts invested in the GIA and participants may direct permitted withdrawal and/or transfer transactions of all or a portion of their account balance at contract value. Contract value represents contributions plus credited interest less participant withdrawals and fees.

The average yield earned by the Plan and average interest rate credited to participants was 1.93% for the year ended December 31, 2023. The average yield earned is calculated by dividing the annual interest credited to the Plan during the Plan year by the average annual fair value. The average interest rate credited to participants is calculated by dividing the annual interest credited to the participants during the Plan year by the average annual fair value.

Certain events may limit the ability of the Plan to transact at contract value. Such events include but may not be limited to a participant termination of employment due to: (1) removal of a group of participants from Plan coverage as a result of temporary absence; (2) change in position or other occurrence qualifying as a temporary break in service under the Plan; (3) transfer or other change of position resulting in employment by an entity controlling, controlled by, or under other common control with the employer; or (4) cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale or discontinuance of all or any part of the Plan sponsor's business. Such events also include: (1) removal from the Plan of one or more groups or classifications of participants; (2) partial or complete Plan termination; or (3) Plan disqualification.
