## INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of  
**SICPA Securink Corporation Pre-Tax Savings and Retirement Plan**

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of SICPA Securink Corporation Pre-Tax Savings and Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of SICPA Securink Corporation Pre-Tax Savings and Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of SICPA Securink Corporation Pre-Tax Savings and Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SICPA Securink Corporation Pre-Tax Savings and Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SICPA Securink Corporation Pre-Tax Savings and Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SICPA Securink Corporation Pre-Tax Savings and Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included

in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# SICPA Securink Corporation Pre-Tax Savings and Retirement Plan

## Notes to the Financial Statements

### 1. Description of the Plan

The following description of the SICPA Securink Corporation Pre-Tax Savings and Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan document maintained at SICPA Securink Corporation’s (the “Company”) corporate office for a more complete description of the Plan’s provisions.

Charles Schwab Trust Bank is the trustee of the Plan and holds the Plan’s investments. Schwab Retirement Plan Services, Inc. performed recordkeeping functions for the Plan during the years ended December 31, 2024 and 2023. The Plan Administrator oversees governance of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan Administrator.

#### *General*

The Plan is a defined contribution profit sharing plan covering all employees of the Company who have attained 18 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

#### *Contributions*

Participants may contribute any whole percentage of their pre-tax earnings subject to limitations established annually by the Internal Revenue Service (“IRS”). The plan allows participants to contribute Roth elective deferrals, which are post-tax deferrals. In addition, the Company will make matching contributions equal to 100% of each participant’s salary deferral up to 4% of the participant’s compensation and may make discretionary, profit-sharing contributions dependent upon the Company’s earnings. Employees are eligible for the employer matching contributions upon hire and become eligible for the discretionary profit-sharing contributions after completing one year of service. During the year ended December 31, 2024, employer matching contributions, QNEC contributions, and profit-sharing contributions were \$783,236, 667, and \$858,719, respectively.

The Plan has an automatic enrollment withholding percentage of 4%. Participants may override the automatic enrollment by selecting another withholding percentage or opting out of the plan.

#### *Participant Accounts*

Participants direct contributions into various investment funds as established by the Plan’s Investment Committee and may direct up to 25% of their vested balance in investments of their choice, including stocks, bonds, and mutual funds, through a self-directed brokerage account. Each participant’s account is credited with the participant’s contribution and an allocation of (a) the Company’s matching and discretionary profit-sharing contributions, and (b) Plan earnings and (c) charged with an allocation of administrative expenses. Allocations are based on

## Notes to the Financial Statements

participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### *Vesting*

Participants are immediately vested in their contributions, the Company matching contribution, and any rollovers plus actual earnings thereon. Vesting in the Company discretionary profit-sharing contribution plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after 6 years of credited service. The schedule of vesting in the Company discretionary profit-sharing contribution is as follows:

| <u>Years of Service</u> | <u>Vesting Percentage</u> |
|-------------------------|---------------------------|
| Less than 2             | 0%                        |
| 2                       | 20%                       |
| 3                       | 40%                       |
| 4                       | 60%                       |
| 5                       | 80%                       |
| 6 or more               | 100%                      |

If a participant becomes completely disabled, reaches 65 years of age, or upon death they automatically become fully vested in their accounts.

### *Notes Receivable from Participants*

Participants may borrow varying amounts of the vested portion of their accounts within guidelines established by the Plan. A participant may borrow from his or her account provided that the participant executes a promissory note in the amount of the loan, which indicates the repayment period and rate of interest. The minimum loan is \$1,000 and the aggregate amount of outstanding loans to a given participant may not exceed 50% of the participant's total vested account balance or \$50,000, whichever is lower. The rate of interest on any loan is at a fixed rate equal to the prime rate at the time of the loan is made plus 2%. The repayment period is selected by the participant but may not exceed the lesser of five years or the number of years remaining before the participant's retirement, with the exception of the residential loans that may be repaid over a longer period not to exceed ten years. Repayment is facilitated through payroll deductions.

### *Payment of Benefits*

Upon termination of service due to death, disability, or retirement at the normal age of 65, a participant or beneficiary may elect to receive either a lump-sum distribution equal to the value of the participant's or beneficiary's vested interest in his or her account, elect a payment schedule or delay distribution as long as the participants vested account balance is greater than \$1,000. Distributions may be made upon termination of employment or when the participant

## **Notes to the Financial Statements**

reaches age 59 ½. Lump sum distributions will be made upon termination of employment when the participant's vested account balance is \$1,000 or less.

### *Forfeited Accounts*

When a participant who is not 100% vested in his or her account terminates, the non-vested balance is immediately forfeited. As of December 31, 2024 and 2023, forfeited non-vested accounts totaled \$42,341 and \$41,869, respectively. The forfeited balance may be used to pay future administrative expenses or reduce future employer contributions. During the year ended December 31, 2024, the Company used \$38,704 of forfeitures to fund employer contributions.

## **2. Summary of Significant Accounting Policies**

### *Date of Management's Review*

Subsequent events were evaluated through September 17, 2025, which is the date the financial statements were available to be issued.

### *Basis of Accounting*

The financial statements of the Plan have been prepared on the accrual basis of accounting.

### *Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the plan administrator to make estimates and assumptions that affect certain amounts and disclosures. Accordingly, actual results may differ from those estimates.

### *Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2024 and 2023, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

## Notes to the Financial Statements

### *Investment Valuation and Income Recognition*

The Plan's investments are stated at fair value, except for its fully benefit-responsive investment contract, which is stated at contract value. See Note 4 for additional information.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### *Payment of Benefits*

Benefits are recorded when paid.

### *Administrative Expenses*

Certain expenses of maintaining the Plan are paid by the Company and are excluded from these financial statements. Participant transaction fees, such as loan fees and distribution fees, are charged directly to the participant's account and are included in administrative fees. The Plan also pays investment advisory, recordkeeping and trustee fees from plan assets. Certain investment-related expenses are included in net appreciation (depreciation) of fair value of investments.

### **3. Information Prepared and Certified by Trustee**

The following information in the accompanying financial statements and ERISA-required supplemental schedule, related to investments and notes receivable from participants held as of December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Trust Bank, a qualified institution:

### 4. Fair Value Measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value as follows: Level 1, which refers to securities valued using unadjusted quoted prices in active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. The Plan uses appropriate valuation techniques based on the lowest level of available inputs that are significant to the fair value measurement. There were no changes in the methodologies used during the years ended December 31, 2024 or 2023.

The following tables show the Plan's investments at fair value, by level within the fair value hierarchy as of December 31, 2024 and 2023:

## **Notes to the Financial Statements**

### **5. Fully Benefit-Responsive Investment Contract**

On January 1, 2018, the Plan executed a participating group annuity contract (the Contract) with New York Life Insurance Company (New York Life). The Contract was renewed for 12 months effective January 1, 2024 and is renewable for subsequent contract years. Contributions by the Plan under the Contract are credited to the New York Life Insurance Anchor Account IV, a stable value account maintained under the Contract. Amounts in the stable value account are invested in New York Life's Pooled Separate Account No. 25. The stable value account at any time will equal the sum of contributions, interest and dividends, less benefit payments to participants and expenses as stipulated in the Contract. New York Life provides the guarantee of principal and accumulated interest, subject to the terms of the Contract.

The investment in the Contract is considered a traditional fully benefit-responsive investment contract. This investment is valued at contract value, as reported by the fund manager based on the underlying investments within each fund, which was \$5,663,439 and \$4,997,401 as of December 31, 2024 and 2023, respectively.

Participants may deposit and withdraw on a daily basis at contract value. Participants may also transfer funds to other investment options in the plan. Certain events limit the ability of the Plan to transact at contract value with New York Life including but not limited to the following: (i) certain distributions resulting from employer-initiated events (including complete or partial plan termination or merger with another plan); (ii) termination by the contract holder if the contract holder fails to provide 12 months' advance written notice of termination; or (iii) termination by issuer due to loss of the Plan's qualified status. The plan administrator believes that the occurrence of any such events, which would limit the Plan's ability to transact at contract value with participants, is not probable of occurring.

### **6. Related Party and Party-In-Interest Transactions**

During the year ended December 31, 2024, the Plan paid administrative fees to Schwab for recordkeeping services. Additionally, the Plan's assets include investments managed by the trustee; therefore, these transactions qualify as party-in-interest transactions. In accordance with the Plan's agreement with the trustee, the Plan receives a rebate for certain costs of investments in certain investments managed by the trustee or an affiliate of the trustee. The rebates received by the Plan are placed in a Reduction in Comp account and may be used by the Plan to pay direct, necessary, and proper plan expenses. As of December 31, 2024 and 2023, the Reduction in Comp account held \$117 and \$72, respectively. During the year ended December 31, 2024, the Plan did not pay plan expenses from the Reduction in Comp account.

The Plan issues loans to participants, which are secured by the vested balance in the participants' accounts. These transactions qualify as party-in-interest. Employees of the Company provide administrative services to the Plan for which no fees are charged.

# **SICPA Securink Corporation Pre-Tax Savings and Retirement Plan**

## **Notes to the Financial Statements**

### **7. Income Tax Status**

The Plan adopted the Schwab Retirement Plan Services, Inc. Pre-Approved Defined Contribution Plan, which obtained its latest opinion letter on September 21, 2020, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan was formally amended in 2022 to incorporate the legislative and regulatory changes set forth in IRS Notice 2017-37 (i.e., the six-year pre-approved plan restatement cycle). Although the plan has been amended since receiving the opinion letter, the plan administrator and the plan's tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2021.

### **8. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts and will receive the balance of their accounts.

### **9. Risks and Uncertainties**

The Plan provides for various investment options in mutual funds, pooled separate accounts, common/collective trusts and as directed by the participants, individual stocks, bonds, fixed income securities, and other investment securities. These investments are exposed to various risks, such as interest rates, market fluctuations and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits. During 2024, the plan administrator conducted periodic reviews of investment options as part of the Plan's overall risk management.
