### INDEPENDENT AUDITORS' REPORT

To the Administrative Committee  
Leader's Holding Company 401(k) Plan  
Largo, Florida

#### Scope and Nature of the ERISA Section 103(a)(3)(C)

We have performed audits of the accompanying financial statements of Leader's Holding Company 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

#### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **INDEPENDENT AUDITORS' REPORT (CONTINUED)**

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

## INDEPENDENT AUDITORS' REPORT (CONTINUED)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter – Supplemental Schedule Required by ERISA**

The supplemental schedule, Form 5500; Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## INDEPENDENT AUDITORS' REPORT (CONTINUED)

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Leader's Holding Company 401(k) Plan**  
**Notes to the Financial Statements**  
**As of and December 31, 2024 and 2023,**  
**and for the Year Ended December 31, 2024**

**Note 1 – Description of the Plan**

The following description of Leader's Holding Company 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for more comprehensive information.

*General* – The Plan was established by Leader's Holding Company (the "Plan Sponsor") as a defined contribution plan and profit-sharing plan effective January 19, 2012. The Plan was amended and restated effective January 1, 2022, to comply with Internal Revenue Service ("IRS") regulations for periodic plan restatements. The Plan is subject to the provisions of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA").

*Eligibility* – All employees of the Plan Sponsor, other than union, non-resident aliens, and/or leased reclassified employees who have completed 60 days of service are eligible to participate in the Plan and are automatically enrolled into the Plan once eligibility requirements are met. The Plan permits for entry on the first day of the month coinciding with or following the date the requirements are met. Participants automatically contributed 3% of their compensation unless the participants made a contrary election.

*Contributions* – Eligible participants may contribute up to 100% of their pretax annual compensation, as defined by the Plan, up to statutory annual limits. Participants may contribute the maximum allowed under Section 402(g) of the Internal Revenue Code ("IRC"). Participants are also permitted to contribute Roth after-tax deferrals to the Plan. Participants who have attained the age of 50 are eligible to make catch-up contributions, subject to certain limitations. In addition, the Plan accepts rollovers from other tax-qualified plans.

The Plan Sponsor may make discretionary matching contributions. For the year ended December 31, 2024, the Plan Sponsor funded a matching contribution equal to 20% of each participant's contribution. The Plan Sponsor may also make discretionary profit-sharing contributions. No profit-sharing contributions were made for the year ended December 31, 2024. A participant must be employed on the last day of the Plan year to receive matching or profit-sharing contributions.

*Participant accounts* – Each participant's account is credited and/or reduced with the participant's contributions and withdrawals, profit-sharing contributions, and allocations of the Plan's earnings and losses. Allocations are based on participant earnings, participant elective contributions, or account balances, as defined. The benefit to which a participant is entitled is the vested balance in the participant's account.

*Vesting* – Participants are immediately vested in their contributions and rollovers, plus or minus any earnings or losses thereon. A participant's vested interest in their account attributable to discretionary matching contributions is based on a vesting of 20% per year, becoming fully vested after the fifth year of service.

*Excess contributions payable* – Contributions received from participants during the years ended December 31, 2024 and 2023, are net of payments of approximately \$2,000 and \$5,000, respectively, made after each plan year end to certain active participants to return excess contributions required to satisfy the relevant nondiscrimination provisions of the Plan. These amounts are included in the accompanying statements of net assets available for benefits as excess contributions payable.

**Leader's Holding Company 401(k) Plan**  
**Notes to the Financial Statements**  
**As of and December 31, 2024 and 2023,**  
**and for the Year Ended December 31, 2024**

**Note 1 – Description of the Plan (continued)**

*Notes receivable from participants* – Participants may borrow from their accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range up to five years or over a reasonable period of time for the purchase of a participant's primary residence, as established by the Plan Administrator at the time of the loan. Participants may not have more than one loan outstanding at any given time. The loans are secured by the vested balance in the participant's account. Principal and interest are paid ratably through payroll deductions over the term of the loan. Interest on loans issued is charged at the USA Today prime interest rate plus 2%. The interest rate charged on loans during the year ended December 31, 2024, ranged from 5.50% to 10.50%. Loans mature through 2029.

*Payment of benefits* – Distribution of a participant's vested account balance to the participant or his or her beneficiary may commence upon the earlier of retirement, death, disability, or separation from service. The Plan also allows for actively employed participants to withdraw from all vested account balances once the age of fifty-nine and half has been reached. A participant may elect to receive an amount equal to the value of the vested interest in his or her account in a single lump-sum payment or direct rollover. Distributions are subject to the applicable provisions of the Plan document.

The Plan allows, in certain hardship situations as defined in the Plan document, participants to withdraw amounts from their account balances while actively employed. A participant experiencing financial hardship may, with sufficient evidence, withdraw a portion of their account. The amount of the withdrawal may not be greater than the immediate financial need. These hardship withdrawals are subject to IRC restrictions and penalties.

*Termination* – Although it has not expressed an intention to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to provisions of ERISA. In the event of a Plan termination, participants would become 100% vested in their accounts.

*Forfeitures* – Forfeitures of participants' non-vested accounts may be used to pay administrative expenses or fund Plan Sponsor contributions. The Plan had forfeiture balances as of December 31, 2024 and 2023, of approximately \$7,000 and \$11,000, respectively. Approximately \$13,000 of forfeitures were used to reduce employer matching contributions during 2024.

**Note 2 – Summary of Significant Accounting Policies**

*Basis of accounting* – The accompanying financial statements have been prepared on the accrual basis of accounting.

*Use of estimates* – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

**Notes to the Financial Statements**  
**As of and December 31, 2024 and 2023,**  
**and for the Year Ended December 31, 2024**

**Note 2 – Summary of Significant Accounting Policies (continued)**

*Investments, investment valuation, and income recognition* – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value determinations, other than those measured using the net asset value (“NAV”) as a practical expedient, are made based upon a fair value hierarchy that prioritizes the inputs to valuation techniques. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of inputs that may be used to measure fair value:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other-than-quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and,

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy:

*Mutual funds* – These investments are public investment vehicles valued using the NAV provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market and classified within Level 1 of the valuation hierarchy.

*Collective trust funds* – These investments are investment vehicles valued using the NAV provided by the administrator of the funds as a practical expedient. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is excluded from the valuation hierarchy consistent with accounting principles generally accepted in the United States.

*Fixed annuity contract* – The fair value of the fixed annuity contract is based on the contract value less contract surrender charges and market value adjustments, if any. The contract value equals the accumulated cash contributions, interest credited to the contract, and transfers, if any, less any withdrawals and transfers, if any. These investments are classified within Level 3 of the valuation hierarchy.

Notes to the Financial Statements  
As of and December 31, 2024 and 2023,  
and for the Year Ended December 31, 2024**

**Note 2 – Summary of Significant Accounting Policies (continued)**

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date and interest income is recognized when earned. Net appreciation in fair value of investments includes the Plan’s gains and losses on investments bought, sold, and held during the year.

*Notes receivable from participants* – Notes receivable from participants are recorded at the unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make the schedule repayments and the Plan Administrator deems the participant to be in default, the participants note receivable is reduced and a benefit payment is recorded based on the terms of the Plan.

*Benefits paid to participants* – Benefits are recorded when processed and paid by the Plan.

*Administrative expenses* – Administrative expenses paid by the Plan are recorded when incurred. The Plan absorbs a significant amount of the cost of plan administration. Administrative expenses include fees related to the administration of notes receivable that are charged directly to the participant’s account and certain recordkeeping fees paid by the Plan. Investment related expenses are included in net appreciation in fair value of investments.

**Note 3 – Information Provided and Certified by the Trustee**

The following is a summary of the Plan’s financial information and data certified by Empower Annuity Insurance Company of America and Empower Trust Company, LLC (collectively, the “Trustee”) as complete and accurate in accordance with 29 CFR 2520.103-5(c) of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA:

**As of and December 31, 2024 and 2023,**

**Note 5 – Party-in-Interest Transactions**

The Plan's fixed annuity contract is administered by Empower Capital Management, LLC, an affiliate of the Trustee, therefore, the transactions qualify as party-in-interest transactions. Notes receivable from participants are also considered party-in-interest transactions because they are transacted with Plan participants. Fees paid during the year for services rendered by parties-in-interest were based on custom rates for such services. While these transactions qualify as party-in-interest activity, they are expressly exempted from prohibited transactions rules (ERISA, Tittle 1, and Section 408(b)).

**Note 6 – Income Tax Status**

The Plan adopted a pre-approved defined contribution plan ("pre-approved contribution plan") sponsored by Southern Pension Services ("SPS"). SPS obtained its latest opinion letter dated June 30, 2020, in which the IRS stated that the pre-approved contribution plan, as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the opinion letter, Plan management believes that the Plan is currently designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

**Note 7 – Risks and Uncertainties**

The Plan invests in various investment options in investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.
