Independent Auditor's Report

To the Trustee and Plan Administrator
Military Deli and Bakery Services, Inc. Health and Welfare Plan

Opinion

We have audited the accompanying financial statements of Military Deli and Bakery Services, Inc. Health and Welfare Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as amended (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and of benefit obligations of Military Deli and Bakery Services, Inc. Health and Welfare Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits and changes in its benefit obligations for the year ended December 31, 2024 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Military Deli and Bakery Services, Inc. Health and Welfare Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Military Deli and Bakery Services, Inc. Health and Welfare Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Military Deli and Bakery Services, Inc. Health and Welfare Plan's internal control. Accordingly, no such opinion is expressed.

- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Military Deli and Bakery Services, Inc. Health and Welfare Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Military Deli and Bakery Services, Inc. Health and Welfare Plan

Notes to the Financial Statements

December 31, 2024 and 2023

1. DESCRIPTION OF PLAN

The following description of Military Deli & Bakery Services, Inc. Health and Welfare Plan (the Plan) provides only general information. Participants should refer to the plan document for a complete description of the Plan's provisions.

General - The Plan was established January 1, 1998, to provide health and other benefits to eligible participants. Substantially all full-time employees of Military Deli & Bakery Services, Inc. (the Plan sponsor) employed under a federal service contract are eligible to participate in the Plan, as well as non-service-contract employees.

Benefits - The Plan provides medical, dental, vision, hospital, prescription drugs, life insurance, accidental death and dismemberment insurance, short-term disability, long-term disability and other fringe benefits to all eligible employees of the Plan sponsor, including employees working under federal service contracts covered by the Service Contract Act (the Act). Benefits are generally reserved for employee coverage, but employees may purchase additional coverage for their spouse and dependents through pre-tax and after-tax deductions as allowable under Internal Revenue Service (IRS) and the Employee Retirement Income Security Act of 1974, as amended (ERISA) rules and regulations. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Self-insured benefits - The Plan's medical, prescription drug, dental and vision benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processor. The claims processor pays claims directly to or on behalf of participants and are then reimbursed by either the Plan's Trust or the general assets of the Plan sponsor. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

Contributions - The Plan is funded by contributions from the Plan sponsor and employees. The Plan sponsor makes contributions to both Service Contract Act (SCA) and non-SCA employees. The contributions made to SCA employees are required by the SCA to provide an hourly fringe benefit rate and the applicable rate is set by the U.S. Department of Labor and implemented through contractual provisions. The rate is applied to the first 80 hours worked in a pay period. The contributions made to non-SCA employees are set at a fixed rate as long as the employees maintain full-time status. In addition to deductibles and copayments, participants may contribute specified amounts to the Plan. The employee contributions are deducted from payroll and are remitted to the Trust together with employer contributions.

Stop-loss coverage - The Plan has entered into a stop-loss insurance arrangement to limit its exposure for self-insured benefits (individual participant claims over a specified dollar amount, as well as its aggregate exposure for all claims). The Plan's self-insurance retention is \$175,000 for individual losses on a per-person basis.

Administration - The Plan has contracted with a third-party recordkeeper, Allied Benefit Systems, LLC, to maintain participant benefit records and to process claims and premiums. The Plan has also contracted with Independent Fiduciary Services to serve as trustee. All administrative expenses may be paid out of the Plan unless paid by the Plan sponsor. During the years ended December 31, 2024 and 2023, the Plan paid for substantially all administrative expenses, which consisted of third-party recordkeeping fees, trustee fees, auditing and accounting fees, and other miscellaneous expenses.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of accounting - The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of estimates - The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and benefit obligations at the date of the financial statements and changes in net assets available for benefits and benefit obligations during the year, particularly the estimate of the liability for claims incurred but not yet reported to the Plan. Accordingly, actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

Contributions receivable - Employer contributions due but not paid to the trust at year end are recorded as contributions receivable. There was no allowance for uncollectible accounts as of December 31, 2024 and 2023.

Participant reserve balances - The Plan sponsor contributes a required amount for employees based on a predetermined hourly fringe rate. Amounts contributed in excess of the required premiums, less expenses, are retained in the Plan for the benefits of these participants. This excess is known as the hour bank reserve maintained in the Individual Premium Reserve Account (IPRA) (see Note 5). The IPRA balances are used to fund employee premium shortfalls during months when the employee does not work sufficient hours to maintain full-time coverage. These funds may also be used after employee termination to fund continuation of coverage until exhausted. The IPRA balances amounted to \$38,896 and \$41,846 at December 31, 2024 and 2023, respectively.

Payment of benefits - Premiums paid by the Plan sponsor are recorded as payment of premiums to insurance companies in the accompanying Statement of Changes in Net Assets Available for Benefits.

Claim payments are recorded when paid by the third-party claims processor. Amounts due to the claims processor that have not been reimbursed by the Plan, if any, are recorded as payables to claims administrators in the accompanying Statements of Net Assets Available for Benefits.

Notes to the Financial Statements

December 31, 2024 and 2023

Stop-loss coverage - Premiums for stop-loss insurance are included in payment of premiums to insurance companies in the accompanying Statement of Changes in Net Assets Available for Benefits. Stop-loss refunds for the years ended December 31, 2024 and 2023, totaling \$42,004 and \$50,472, respectively, have been netted with self-insured claims in the accompanying Statement of Changes in Net Assets Available for Benefits.

Benefit obligations - Claims incurred but not yet reported are estimated by the Plan's third-party administrator based on claims data provided by the Plan's self-insured claims processors. This analysis and estimate are determined using a historical analysis of claims paid subsequent to year end as well as subsequent benefit payments actually made, classified according to the date that the related services were provided.

Subsequent events - In accordance with Financial Accounting Standards Board Accounting Standards Codification 855, *Subsequent Events*, the Plan has evaluated subsequent events through September 24, 2025, the date on which these financial statements were available to be issued. No material subsequent events that required recognition or disclosure in these financial statements.

3. RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

Allied Benefit Systems, LLC is the Plan's third-party administrator and Independent Fiduciary Services is the Plan's trustee. Therefore, transactions with these parties qualify as party in interest transactions. The Plan paid fees to Allied Benefit Systems, LLC and Independent Fiduciary Services for the year ended December 31, 2024.

Certain administrative functions of the Plan are performed by officers or employees of the Plan sponsor. No such officer or employee receives compensation from the Plan.

4. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits on account of the participant. No assets of the Plan may revert to the Plan sponsor or be used for purposes other than for the exclusive benefit of the Plan's participants.

5. PARTICIPANT RESERVE BALANCES

Participant reserve balances reflect the hour bank reserve maintained in the IRPA. At termination of employment, the unexpended portion of a participant's reserve balance is remitted to a retirement account on behalf of the terminating participant. Participant reserve balances totaled \$38,896 and \$41,846 as of December 31, 2024 and 2023, respectively, and are included as a liability in the accompanying Statements of Net Assets Available for Benefits.

Changes in participant balances result from changes in plan participants and in the estimated cost of providing benefits. Accordingly, participant reserve balances fluctuate between periods depending on changes in the number of participants, changes in participant elections, and the cost of benefits negotiated with insurance companies.

The following table summarizes the changes in participant reserve balances during the years ended December 31, 2024 and 2023:

Description	2024	2023
Participant reserve balances at January 1	\$ 41,846	\$ 37,140
Increase (decrease) in IPRA	(2,950)	4,706
Participant reserve balances at December 31	<u>\$ 38,896</u>	<u>\$ 41,846</u>

6. TAX STATUS

The Trust established under the Plan to hold the Plan's assets has not applied for exemption from federal or state income taxes. The Plan is required to pay federal and state taxes on unrelated business income as defined by Internal Revenue Code (IRC). Unrelated business income consists of the investment income earned on the excess of the net assets available for benefits over the required reserve balance allowable under the IRC. The Plan sponsor believes that the Plan does not have any net taxable income for the years ended December 31, 2024 and 2023; therefore, no tax liability is reflected in these financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain tax positions that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

7. RISKS AND UNCERTAINTIES

The Plan maintains its cash in a bank deposit account with a financial institution, which, at times may exceed federally insured limits. Plan management periodically evaluates the balance and believes this account does not pose a financial risk to the Plan.

Some of the plan participants are SCA employees of the Plan sponsor working under contracts with the federal government. As such, federal contracts are subject to termination clauses whereby the government may terminate contracts for cause or convenience. Any contract termination or funding delays caused by political, budgetary, or other administrative matters may affect employees participating in the Plan and the ability and necessity of the Plan sponsor to fund and maintain the Plan.
