(1) Name: **YOUNG, OAKES, BROWN & COMPANY, P.C.**

(2) EIN: **23-1589048**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? Yes No
 If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

INDEPENDENT AUDITOR'S REPORT

The Board of Trustees, Plan
Administrator, and Management
Rockland, Inc.
Profit Sharing Plan
152 Weber Lane
Bedford, Pennsylvania 15522

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Rockland, Inc. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the December 31, 2024 year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Rockland, Inc. Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Opinion (Continued)

- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Rockland, Inc. Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Other Matters - Form 5500

An auditor is required to obtain and read a substantially complete draft Form 5500 prior to dating the auditor report to identify any inconsistencies and apparent material misstatements of facts. As described in Note 10 of the financial statements we have identified aspects of Form 5500 which are required to be disclosed. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rockland, Inc. Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rockland, Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rockland, Inc. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matter - Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

Note 1: Plan Description

The following description of Rockland, Inc. Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Rockland, Inc. (the "Company"). Employees of the Company become eligible to participate in the Plan on January 1 or July 1 on or after the individual becomes an employee. Participants become eligible to share in the Company contribution on January 1 or July 1 on or after the employee attains the age of 18 and has met the service requirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute pretax or Roth deferrals of their annual compensation. Contributions may not exceed certain IRS limits. Participants who have attained age 50 by the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. Employee contributions to the Plan are recorded in the period that payroll deductions are made from participants. Company profit sharing contributions are accrued based upon the period those contributions relate to. The Plan has a safe harbor employer contribution of not less than 3% of eligible compensation. For years ended December 31, 2024 and 2023, the safe harbor contribution totaled \$696,665 and \$605,482, respectively. The employer may also make a discretionary contribution.

Participant Accounts

Each participant's account is credited with (a) the participant's contribution, (b) an allocation of the Company's discretionary profit sharing and safe harbor contribution, (c) investment earnings and administrative fees, and (d) an allocation of forfeitures of terminated participant's non-vested amounts, if any. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

The Plan is entirely participant-directed and, as such, upon enrollment in the Plan, a participant may direct employee and employer contributions in any investment option offered in the Plan. Participants may change their investment options at any time. The Plan currently offers various pooled separate accounts and an insurance company general account as investment options.

Vesting

Participants are always fully vested in their voluntary contributions, rollover contributions, employer safe harbor contributions, and any earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 3	0%
3 or More	100%

(CONTINUED)

Note 1: Plan Description (Continued)

Vesting (Continued)

Regardless of the number of years of service, a participant's account balance becomes fully vested when the participant, while employed by the Company, attains normal or early retirement age, becomes permanently disabled, or dies.

Payment of Benefits

The Plan allows for distributions upon termination of service, death, disability, or retirement. Upon termination of service, a participant may elect a partial or lump sum distribution equal to the value of the participant's vested account balance. The Plan also maintains a provision for in-service and hardship withdrawals. Hardship and in-service withdrawals are subject to certain restrictions and may only be made from a participant's pre-tax and Roth deferrals, employer safe harbor contributions, or rollover account. If your total vested account balance under the Plan is between \$1,000 and \$5,000 as of the distribution date and you do not consent to a distribution of your vested account balance, your vested benefit automatically will be rolled over to an IRA selected by the Plan administrator. If your total vested account balance exceeds \$5,000, no distribution will be made from the Plan without your consent. If your total vested account balance is \$1,000 or less as of the distribution date, your entire vested benefit will be distributed to you in a lump sum, even if you do not consent to a distribution.

Forfeited Accounts

Cumulative forfeited nonvested accounts of \$0 and \$3,638 remained unallocated as of December 31, 2024 and 2023, respectively. According to the terms of the Plan, forfeitures may be used at the discretion of the Plan sponsor to pay administrative expenses, reduce employer contributions, or they may be allocated among participants who are eligible to share in the profit sharing contribution based upon their compensation. During 2024 administrative expenses were reduced by \$3,844 of plan forfeitures.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans are secured by the vested balance in the participant's account and are charged interest at Prime Rate plus 1%. Loans generally must be repaid within five years. Principal and interest is paid ratably through payroll deductions.

Secure Act and Secure Act 2.0

The Plan is currently working with their third party administrator to ensure compliance and any required plan changes are made to comply with the Secure Act and the Secure Act 2.0.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

Investment contracts held by a defined-contribution plan are required to be reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Contract value is the relevant measurement attribute for that portion of the

Basis of Accounting (Continued)

net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (except for fully benefit-responsive investment contracts which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a description of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2024 and 2023, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Company and are, therefore, excluded from these financial statements. Investment related expenses are included in net appreciation in value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

Subsequent Events

The Plan has evaluated subsequent events through September 11, 2025, the date the financial statements were available to be issued.

Note 3: Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include significant inputs, other than Level 1 inputs, that are observable either directly or indirectly for substantially the full term of the asset through corroboration with observable market data. Level 2 inputs include quoted market prices in active markets for similar assets, quoted market prices in markets that are not active for identical or similar assets, and other observable inputs.

Level 3

Inputs to the valuation methodology are unobservable inputs and significant to the fair value measurement.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at December 31, 2024 and 2023.

Pooled Separate Accounts

The value of the pooled separate accounts is expressed in units as determined by dividing the value of the entire account by the total number of units in the plan account. Valued at the respective fair value of the underlying assets, which are principally marketable equity and fixed income securities.

Investment Contract with Insurance Company - Fixed Income Account

The fixed income account is reported at contract value based on interest rates forecasted for the coming month based the investments underlying the contract value. See Note 4 regarding the fact that this investment is excluded from fair value measurement.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**ROCKLAND, INC.
PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023
(CONTINUED)**

Note 3: Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, a summary of the Plan's investments measured at fair value on a recurring basis at December 31, 2024 and 2023:

	Assets at Fair Value as of December 31, 2024			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled Separate Accounts	\$0	\$19,935,009	\$0	\$19,935,009
	-	-	-	-
	Assets at Fair Value as of December 31, 2023			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled Separate Accounts	\$0	\$17,868,819	\$0	\$17,868,819
	-	-	-	-

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. We evaluated the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2024 and 2023, there were no significant transfers in or out of levels 1, 2 or 3. There has been no changes in the methodologies used or level designations at December 31, 2024 and 2023.

The Plan's policy is to recognize transfer of investments into or out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2024 and 2023, there were no transfers of investments into or out of Level 3.

Note 4: Investment Contract with Insurance Company

The Plan has a traditional fully benefit-responsive investment contract which is managed by Great-West Life & Annuity, an affiliate of Empower Retirement, which purchased Massachusetts Mutual Life Insurance Company (MassMutual) who performed these services on behalf of Talcott Resolution Insurance Company, formerly named Hartford Life Insurance Company. The investment contract is the Fixed Income Account. MassMutual maintains the contributions to the contract in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The Fixed Income Account is invested in the general asset account of MassMutual Life Insurance Company and is guaranteed by the MassMutual's claims paying ability. MassMutual's general account is primarily invested in investment grade fixed income securities.

**ROCKLAND, INC.
PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023
(CONTINUED)**

Note 4: Investment Contract with Insurance Company (Continued)

As described in Note 2, because the investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contract. Contract value, as reported to the Plan by MassMutual, represents contributions made under the contract plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The investment contract issuer is contractually obligated to pay the principal and a specified interest rate that is guaranteed to the Plan.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are subject to review and resetting by MassMutual on a quarterly basis.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following:

- a. Amendments to the Plan documents (including complete or partial Plan termination or merger with another plan);
- b. Changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions;
- c. Bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan; or
- d. The failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

The Company does not believe that the occurrence of events which would limit the Plan's ability to transact at contract value with participants is probable. The Plan may terminate their participation in the investment contract upon written notice to the contract holder.

<u>Average Yields</u>	<u>2024</u>	<u>2023</u>
Based on Interest Rate Credited to Participants	2.96%	2.86%

Note 5: Reliance on Information Certified by the Custodian

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Under that section, no auditing procedures are required to be performed with respect to information certified by Empower Annuity Insurance Company of America and its subsidiaries, including Empower Retirement, LLC, which acquired Massachusetts Mutual Life Insurance Company on behalf of Talcott Resolution Life Insurance Company, the custodian, other than comparing such information to that contained in the financial statements and supplemental schedule. The custodian of the Plan has certified to the completeness and

accuracy of all investments and notes receivable from participants reported in the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023 and the supplemental schedule as of December 31, 2024, and the related investment and interest income on notes receivable from participants activity reported in the statement of changes in net assets available for benefits for the year ended December 31, 2024.

Note 6: Tax Status

The Plan adopted a non-standardized form of a prototype plan. The prototype plan received an opinion letter from the Internal Revenue Service dated November 23, 2020, as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The prototype plan was amended since receiving the determination letter. However, the plan administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The plan administrator has evaluated the Plan's tax positions and believes that the Plan will maintain its tax exempt status and has taken no uncertain tax positions which will result in a recognition or further disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years before 2021.

Note 7: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities held by the Plan, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

Note 8: Related-Party and Party-In-Interest Transactions

The Plan's investments consist of a fixed income account and various investments managed by Empower Annuity Insurance Company of America and its subsidiaries, including Empower Retirement, LLC, which acquired Massachusetts Mutual Life Insurance Company (MassMutual), which acts as an agent for Talcott Resolution Life Insurance Company (TRLIC) formerly named Hartford Life Insurance Company (Hartford). Empower Annuity Insurance Company of America, Empower Retirement, LLC, MassMutual, and TRLIC/Hartford collectively work as record keepers, custodians, and administrative services providers for the Plan and, therefore, these transactions qualify as party-in-interest.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

Note 9: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

Note 10: Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of statement of net assets available for benefits as of December 31, 2024:

	<u>Per Financial Statements</u>	<u>Per 5500</u>

Net Assets Available for Benefits	<u>\$22,656,859</u>	<u>\$22,569,984</u>

The above reconciliation is due to the following:

- 5500 recognition of an other liability for deemed loans which have already been offset to the gross participant loans in both the financial statements and 5500.

The following is a reconciliation of statement of changes in net assets available for benefits for the year ended December 31, 2024:

	<u>Per Financial Statements</u>	<u>Per 5500</u>
Participant Contributions	\$1,483,409	\$1,483,409
Employer Contributions	696,665	696,665
Rollovers	329,484	329,484
Interest Income on Notes Receivable from Participants	42,354	42,354
Investment Income	2,337,040	2,346,194
Benefit Payments	(2,482,805)	(2,492,836)
Deemed Distributions of Participant Loans	(3,579)	(3,579)
Administrative Expenses	(<u>46,392</u>)	(<u>40,073</u>)
	<u>\$2,356,176</u>	<u>\$2,361,618</u>

The above differences are attributable to the Form 5500 not tying to the underlying accounting records and to presentation differences between the financial statements and Form 5500. Financial statements were prepared from the certified underlying trust reports received from Empower Retirement LLC.
