## INDEPENDENT AUDITOR'S REPORT

Plan Administrator  
Crye-Leike, Inc. 401(k) Plan  
Memphis, Tennessee

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Crye-Leike, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedules Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. ## CRYE-LEIKE, INC. 401(k) PLAN

*Notes to Financial Statements  
December 31, 2024 and 2023*

---

### **NOTE 1 - DESCRIPTION OF THE PLAN AND OTHER MATTERS**

The following description of the Crye-Leike, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### *General*

The Plan is a defined contribution plan covering substantially all employees of Crye-Leike, Inc. who are age twenty-one or older. Employees of the following related employers (controlled group) are included in the Plan: Crye-Leike, Inc., Crye-Leike of Arkansas, Inc., Crye-Leike of Mississippi, Inc., Crye-Leike of Nashville, Inc., Crye-Leike Property Management, Inc., Crye-Leike Insurance Agency, Inc., Crye-Leike Home Services, Inc., Crye-Leike Commercial, Inc., Realty Title & Escrow Company, Inc., Realty Title & Escrow Services, Inc., Crye-Leike South, Inc., Focus Relocation, Inc., Adaro Realty, Inc., Crye-Leike Franchises, Inc., Crye-Leike Realty, Inc., Realty Title & Escrow Services of Alabama, Inc., Referral Center, Inc., and Warranty Home USA, LLC. The Company's Benefit Plan Committee and the Plan Administrator control and manage the operation and administration of the Plan. The Plan is subject to the provisions of ERISA.

#### *Contributions*

Each year, participants may contribute up to the maximum amount allowable by law of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions and the company matching amount into various investment options offered by the Plan. The Plan currently offers various mutual funds and common stocks as investment options for participants. Company matching contributions are determined annually at the discretion of the Company. Newly eligible employees are automatically enrolled in the Plan with an initial employee contribution of 2%, unless an employee elects otherwise. The automatic deferral contribution amount increases by 1% each year until it reaches a maximum of 4% of compensation. The investment elections and deferral percentage or amount may be changed at any time during the plan year by the employee. Contributions are subject to certain Internal Revenue Service (IRS) limitations. Except for leased employees, all employees, at least 21 years of age, are eligible to participate. The Company made no matching contributions during 2024 and 2023.

#### *Investment Options*

Upon enrollment in the plan, a participant may direct employee and employer matching contributions in any of the available investment options and may change their investment options daily.

#### *Participant Accounts*

Each participant's account is credited with the participant's salary reduction contributions, rollovers and an allocation of the Company's match contribution and Plan earnings thereon (net of administrative expenses). Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

*Notes to Financial Statements

### **NOTE 1 - DESCRIPTION OF THE PLAN AND OTHER MATTERS – CONTINUED**

#### *Vesting*

Participants are immediately vested in their salary reduction contributions and rollover contributions plus actual earnings thereon. Company discretionary contributions and earnings thereon vest 20% after two years of service and 20% each year following continuous service so that a participant is fully vested after six completed years of service. A participant becomes fully vested upon death, disability, or retirement.

#### *Notes Receivable from Participants*

Each participant may borrow from their total account balance a minimum of \$1,000 and up to a maximum amount equal to the lesser of 50% of their vested balance or \$50,000 (minus their highest outstanding loan balance from the past 12 months, if any). Loans bear an interest rate as determined by the Plan Administrator based on the prevailing interest rates. The interest rate remains fixed throughout the duration of the loan. Principal and interest are paid ratably through payroll deductions. Notes receivable from participants are measured at the unpaid principal balance plus any accrued but unpaid interest.

#### *Payment of Benefits*

Distributions may be made when a participant retires, terminates employment, or dies.

Upon termination of employment, a participant may elect a distribution in a lump-sum payment, rollover to a qualified plan, or defer payment until the participant is required by law to receive required minimum distributions. The plan requires an automatic lump distribution to a terminated participant whose account balance is less than \$1,000 or less. The lump-sum distribution can either be made in the form of a cash distribution directly to the participant subject to federal income tax withholding or as a direct rollover to a qualified plan without immediate tax consequences. For participants with account balances in excess of \$1,000, a participant may receive the value of the vested interest in his or her account as a lump sum distribution, rollover, or continue to participate in the Plan's investments to provide benefit upon retirement or death.

#### *Forfeited Accounts*

Forfeited non-vested accounts are allocated to active participant accounts. Forfeited non-vested accounts total \$80,165 and \$99,418 as of December 31, 2024 and 2023, respectively. Active participants did not receive forfeitures from non-vested accounts for the year ended December 31, 2024.

#### *Plan Termination*

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the accounts of each participant shall become fully vested.

### **NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### *Basis of Accounting*

The financial statements of the Plan are prepared under the accrual basis of accounting.

#### *Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) require management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates. Management considers the fair value of investments to be a significant estimate. See Note 3 for discussion of fair value measurements.

#### *Investment Valuation and Income Recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### *Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024.

#### *Payment of Benefits*

Benefits are recorded when paid.

#### *Operating Expenses*

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

#### *Subsequent Events*

The Plan has evaluated subsequent events through September 5, 2025, the date the financial statements were available to be issued, for events requiring recording or disclosure in the Plan's financial statements.

### NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under U.S. GAAP are described as follows:

Level 1      Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has ability to access.

Level 2      Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3      Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023:

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common Stocks:* Valued at the closing price reported on the active market on which the individual securities are traded.

*Money market funds:* Valued at \$1 per share.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

### NOTE 3 - FAIR VALUE MEASUREMENTS – CONTINUED

The following table sets forth the level, within the fair value hierarchy, of the Plan's assets at fair value as of December 31, 2024 and 2023:

#### Assets at Fair Value as of December 31, 2024

#### Assets at Fair Value as of December 31, 2023

Mutual funds	9,663,103	-	-	9,663,103
Total assets at fair value	<u>\$ 11,067,918</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 11,067,918</u>

### NOTE 4 - ASSETS HELD BY THE PLAN'S TRUSTEE

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2024, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

### NOTE 5 - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee for the Plan and, therefore, these transactions qualify as party in interest transactions. Notes receivable from participants are also considered party-in-interest transactions.

## CRYE-LEIKE, INC. 401(k) PLAN

*Notes to Financial Statements  
December 31, 2024 and 2023*

### NOTE 6 - INCOME TAX STATUS

The Plan has received a determination letter from the IRS dated March 31, 2014, stating that the Plan is qualified under the Internal Revenue Code (IRC) and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified, and the related trust was tax exempt as of the financial statement date. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken a significant uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### NOTE 8 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of Schedule H of Form 5500 to net assets available for benefits per the financial statements at December 31, 2024 and 2023:
