Bard, Rao + Athanas Consulting Engineers, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Bard, Rao + Athanas Consulting Engineers, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of schedule H line 4i – schedule of assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Bard, Rao + Athanas Consulting Engineers, LLC 401(k) Plan

Notes to Financial Statements

Note 1. Description of Plan

The following description of the Bard, Rao + Athanas Consulting Engineers, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all eligible employees of Bard, Rao + Athanas Consulting Engineers, LLC (the Company) who have attained age 21 and are not leased employees, nonresident aliens or covered by collective bargaining agreements. Those eligible employees scheduled to work less than 1,000 hours per year cannot enroll until they complete one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions: Participants may elect to contribute up to 80% of their annual pre or post tax eligible compensation, as limited by the Internal Revenue Code (the Code), and defined in the Plan. Participants who have attained the age of 50 before the end of the year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution or benefit plans. During the year ended December 31, 2024, the Company made profit sharing contributions of 3% annual compensation and an additional 6% of eligible compensation for principles. Participants direct the investment of their accounts into various investment options offered by the Plan.

Participant accounts: Each participant's account is credited with the participant's contributions and employer contributions, plus an allocation of the Plan's earnings, and is charged with administrative expenses, as required. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: A participant is immediately vested in that portion of his or her account attributable to participant and rollover contributions, plus actual earnings thereon. Participants will become fully vested in employer contributions, plus actual earnings thereon, upon completion of three years of credited service, as defined in the Plan.

Investment options: Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan allows investments in various mutual funds and a common collective trust, as determined by the Plan Administrator. Participants may change their investment options at any time throughout the year by direct phone or online access.

Notes receivable from participants: Participants may borrow from their account a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Loan terms range from one to five years, or up to 15 years for the purchase of a primary residence. The loans are secured by the balance in the participants' account and bear interest at rates commensurate with local prevailing rates at the time of issuance, as determined by the Plan Administrator. Interest rates ranged from 5.25% to 10.50% on loans outstanding at December 31, 2024 and mature through 2040. Principal and interest are repaid ratably through payroll deductions.

Benefit payments: Upon termination of service due to death, disability or retirement, a participant or beneficiary may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or periodic installments over a period not to exceed the life expectancy of the participant or beneficiary. Withdrawals may be made under certain other circumstances in accordance with the plan document.

Notes to Financial Statements

Note 1. Description of Plan (Continued)

Forfeitures: Forfeitures represent nonvested employer contributions forfeited by participants who terminate their employment or who withdraw from the Plan. Forfeitures are retained by the Plan and are used to reduce future employer contributions. In 2024, approximately \$126,000 of forfeitures were generated and approximately \$173,000 of forfeitures were used to reduce employer contributions. As of December 31, 2024 and 2023, there was \$12,724 and \$59,856, respectively, of forfeited nonvested amounts available for use.

Administrative expenses: Administrative expenses associated with custody and recordkeeping are paid by the Company. Loan and other investment transaction fees are charged to participants. The Company provides certain administrative services for the Plan at no charge and pays for the annual audit of the Plan.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements of the Plan have been prepared in accordance with accounting standards set by the Financial Accounting Standards Board (FASB). The FASB sets generally accepted accounting principles in the United States of America (U.S. GAAP) to ensure net assets available for benefits and changes in net assets available for benefits are consistently reported. References to U.S. GAAP issued by the FASB in these footnotes are to the FASB Accounting Standards Codification.

Contributions: Contributions from Plan participants and the related contributions from the employer are recorded in the year in which the employee contributions are withheld from compensation.

Use of estimates: The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment valuation and income recognition: The Plan's investments are stated at fair value as determined by the custodian. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions in accordance with the provisions of the Plan. No allowance for credit losses has been recorded as of December 31, 2024 and 2023.

Payment of benefits: Benefits are recorded when paid.

Note 2. Summary of Significant Accounting Policies (Continued)

Income taxes: U.S. GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing jurisdictions. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded as of December 31, 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any open tax periods. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2021.

Note 3. Information Certified by Matrix Trust Company (Previous Trustee) and Fidelity Management Trust Company (Current Trustee)

The following is a summary of the Plan's asset information as of December 31, 2024 and 2023, and for the year ended December 31, 2024, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified as complete and accurate by the Previous Trustee for the period January 1, 2024 through October 14, 2024 and as of December 31, 2023 and the Current Trustee for the period October 15, 2024 through December 31, 2024 and as of December 31, 2024, qualified institutions:

	2024	2023
Investments, at fair value:		
Mutual funds	\$ 100,451,058	\$ 86,431,323
Common collective trust	5,168,393	3,727,404
Total investments	<u>\$ 105,619,451</u>	<u>\$ 90,158,727</u>
Interest-bearing cash	<u>\$ 196,568</u>	<u>\$ -</u>
Noninterest-bearing cash	<u>\$ -</u>	<u>\$ 76,568</u>
Notes receivable from participants	<u>\$ 856,522</u>	<u>\$ 672,014</u>

The Current Trustee and Previous Trustee also certified to the completeness and accuracy of \$12,564,491 of net appreciation in fair value of investments, \$2,614,604 of interest and dividend income and \$72,099 of interest income on notes receivable from participants for the year ended December 31, 2024.

Note 4. Fair Value Measurements

U.S. GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

Mutual funds: Valued at quoted market prices of shares held by the Plan as of year-end.

Common collective trust: Valued at the net asset value (NAV) provided by the administrator of the fund. The NAV is used as the practical expedient to estimate fair value. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4. Fair Value Measurements (Continued)

The following tables set forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 100,451,058	\$ -	\$ -	\$ 100,451,058
Common collective trust (a)				5,168,393
Total investments, at fair value				<u>\$ 105,619,451</u>

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 86,431,323	\$ -	\$ -	\$ 86,431,323
Common collective trust (a)				3,727,404
Total investments, at fair value				<u>\$ 90,158,727</u>

(a) In accordance with Accounting Standards Update 2015-07, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2024 and 2023, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan if the Plan were to liquidate from these investments.

Investment	December 31, 2024			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Common collective trust:				
International Growth Fund II Class R1	\$ 5,153,286	N/A	Daily	12 months (b)
PGIM Select Real Estate Fund	15,107	N/A	Daily	12 months (b)
	<u>\$ 5,168,393</u>			

Investment	December 31, 2023			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Common collective trust:				
OneAmerica Stable Value Z	<u>\$ 3,727,404</u>	N/A	Daily	12 months (b)

(b) The 12-month redemption notice period relates to full liquidation from the fund. Participants are not subject to the 12-month redemption notice period.

Notes to Financial Statements

Note 5. Tax Status

The Plan has adopted a non-standardized preapproved profit sharing plan that has been determined by the Internal Revenue Service in an opinion dated June 30, 2020, to be in accordance with the applicable sections of the Code. Although the Plan has been amended since receiving this preapproved plan opinion letter, the Plan Administrator believes the Plan is currently designed and being operated in accordance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would become 100% vested in their accounts.

Note 7. Party-In-Interest Transactions

Certain investments of the Plan and noninterest-bearing cash are managed by affiliates of the Current Trustee and Previous Trustee and qualify as exempt party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2024 and 2023, to net assets per the Form 5500:

	2024	2023
Net assets available for benefits per the financial statements	\$ 107,221,803	\$ 91,423,549
Less: current-year employer receivable	(549,262)	-
Net assets per Form 5500	<u>\$ 106,672,541</u>	<u>\$ 91,423,549</u>

The following is a reconciliation of net change in net assets available for benefits for the year ended December 31, 2024, per the financial statements to Form 5500:

Net increase in net assets available for benefits per the financial statements	\$ 15,798,254
Less: current-year employer receivable	(549,262)
Net income per Form 5500	<u>\$ 15,248,992</u>

Note 10. Subsequent Events

Subsequent events were evaluated through September 30, 2025, the date on which the financial statements were available to be issued.
