Eligibility

All employees not excluded by class are eligible to enter on the January 1 or July 1 coincident with or following the completion of the following requirements:

1 year of service

Normal Retirement Age

All participants are eligible to retire with their full retirement benefit on the later of the following:

Attainment of age 62
Completion of 5 years of participation from entry date

Normal Retirement Benefit

Upon normal retirement each participant will be entitled to a benefit payable in the normal form equal to the following:

100% of average compensation

The maximum monthly benefit is the lesser of $22,916.66 and 100% of the highest 3-year average salary, subject to service requirements.

The benefit is based on average salary during the highest 3 consecutive years of service from date of hire.

Normal Form of Benefit

A benefit payable for the life of the participant

Accrued Benefit

A fraction, not exceeding one, of the normal retirement benefit, calculated based on average salary on the calculation date. The numerator of the fraction is equal to the participant's credited years earned on the calculation date, and the denominator is equal to the participant's total projected credited years at normal retirement, up to a maximum of 10 credited years.

Credited years are 12-month periods from date of entry to the anniversaries of date of entry excluding the following:

Years before the effective date
Years with less than 1,000 hours
