## INDEPENDENT AUDITORS' REPORT

To the Participants and Administrative Committee  
Aerospace Welding Minneapolis, Inc. 401(k) Profit Sharing Plan  
Eagan, Minnesota

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Aerospace Welding Minneapolis, Inc. 401(k) Profit Sharing Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audits of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audits is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

#### **Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at Year End) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(K) PROFIT SHARING PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2024 and 2023

NOTE 1 – DESCRIPTION OF THE PLAN

The following brief description of the Aerospace Welding Minneapolis, Inc. 401(k) Profit Sharing Plan (the “Plan”) provides only general information. The Participants should refer to the adoption agreement, which was amended and restated as of August 1, 2022, for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all eligible full-time employees of Aerospace Welding Minneapolis, Inc. (the “Plan Sponsor”), excluding union employees whose employment is governed by a collective bargaining agreement. Eligible employees may elect to make pretax salary deferral contributions immediately upon hire. The Plan is administered by the Plan Sponsor along with Empower Trust Company (“Empower”) (the “Trustee”) as of and for the years ended December 31, 2024 and 2023, respectively. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Contributions

Participants may elect to contribute up to the maximum amount allowed by Internal Revenue Service (“IRS”) regulations for the Plan year. The Plan Sponsor makes matching contributions equal to 100% of participant deferrals up to the first 4% of the participant’s eligible compensation. New employees are automatically enrolled in the Plan, unless they elect otherwise, at an automatic enrollment rate of 5%. The Plan Sponsor’s matching contributions were \$344,670 and \$385,489 on the years ended December 31, 2024 and 2023, respectively.

If a participant reaches age 50 during the calendar year and is making the maximum Plan or IRS pre-tax contribution, they may make an additional “catch-up” contribution each pay period, up to the annual IRS dollar limit.

Rollovers

Rollover contributions consist of amounts rolled over by participants from another qualified plan as defined by the Internal Revenue Code (“IRC”).

Allocation of Forfeitures

Forfeitures attributable to Plan Sponsor matching contributions are used to reduce the Plan Sponsor’s contribution or to pay Plan expenses. At December 31, 2024 and 2023, there were no accumulated forfeitures. There were no forfeitures used to reduce the Plan Sponsor’s contributions or to pay Plan expenses during the years ended December 31, 2024 and 2023.

Participant Accounts

Separate accounts are maintained in the name of each participant. Participants direct their contributions and Plan Sponsor contributions to be invested in one or a combination of available investment accounts. Each participant’s account is credited with the participant’s contribution, the Plan Sponsor’s contributions, an allocation of Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Investment Options

Participants may elect their allocation percentage among investment options with varying degree of risk. Participants may change their investment directive at any time during the year.

AEROSPACE WELDING MINNEAPOLIS, INC.  
401(K) PROFIT SHARING PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2024 and 2023

Vesting

Participants are immediately vested in their contributions, as well as Plan Sponsor matching contributions, and earnings thereon.

Notes Receivable from Participants

The Plan allows participants to apply for and obtain notes in an amount defined in the Plan (no less than \$1,000 and limited to 50% of the participant's vested account balance provided such notes do not exceed \$50,000), from the balance of the participant's account. All notes must be repaid within five years unless the note is used to acquire the participant's primary residence in which case the term of the note may be set for a term of up to 15 years. The notes are secured by the balance in the participant's account and bear interest at a fixed rate of Prime plus 1% as of the date of the note's inception. Payments of principal and interest are credited to the participant's account.

Notes are in default when payments are not made by the end of the calendar quarter following the quarter in which the payment was due, if there is still an outstanding balance on the note's maturity date, or employment with the Plan Sponsor is terminated. In the event of default, the entire outstanding note balance, consisting of the missed payments, remaining principal, and all accrued but unpaid interest, will be reported to the IRS as taxable income. If a note has not been fully repaid by the end of its term, the outstanding balance will be treated as a deemed distribution and will be reported to the IRS as taxable income.

Payment of Benefits

On termination of service, if a participant's account is less than \$1,000, the participant must receive a lump-sum amount equal to the value of his or her vested account balance. If the participant's account balance is between \$1,000 and \$5,000 and the method of distribution is not specified by the participant, an automatic rollover to an Individual Retirement Account is made. If the participant's account exceeds \$5,000, the terminated participant may elect to defer distribution until a later date (not later than their normal retirement date).

Administrative Expenses

Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan. Administrative fees are paid by the Plan or the Plan Sponsor.

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, all participants shall be fully vested and shall receive a full distribution of the balances in their respective accounts.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accounting records of the Plan are maintained on the accrual basis.

AEROSPACE WELDING MINNEAPOLIS, INC.  
401(K) PROFIT SHARING PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2024 and 2023

Use of Estimates

In preparing the Plan's financial statements in accordance with accounting principles generally accepted in the United States of America, the Plan Sponsor is required to make estimates and assumptions that affect the reported amounts of Plan assets, liabilities and the reported increases and reductions of Plan assets during the reporting period. Actual results could differ from these estimates.

Fair Value of Financial Instruments

Fair value estimates are made at a specific point in time based on relevant market information about the financial instrument. These estimates are subjective in nature and involve uncertainties and matters of significant judgment and, therefore, cannot be determined with precision. Changes in assumptions could significantly affect the estimates.

Valuation of Investments and Investment Income

The Plan's investments in mutual funds are stated at fair value at December 31, 2024 and 2023.

The Plan has entered into a fully benefit-responsive investment contract with Empower Annuity Insurance Company of America (the "Issuer"), totaling \$3,906 and \$2,674 as of December 31, 2024 and 2023, respectively. The Issuer maintains the Plan's investment in their general accounts and is contractually required to repay the principal and a specified interest rate that is guaranteed to the Plan. Because the fixed annuity contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by the Issuer, represents contributions made under the contract, plus earnings at guaranteed crediting rates, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

In certain circumstances, the amount withdrawn from the fixed annuity contract would be payable at fair value rather than at contract value. These circumstances may include, but are not limited to, the following: mergers, mass layoffs, plan terminations, implementation of early retirement incentive programs or other events within the control of the fund or the Plan Sponsor resulting in a material and adverse financial impact on the issuer's obligations under the contract.

Investment income consists of dividend and interest income. The net appreciation of investments consists of realized gains or losses and the unrealized appreciation on those investments. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Realized gains and losses from security transactions are reported based on historical cost.

Notes Receivable from Participants

The Plan allows loans in accordance with the Plan document. The loans are carried at their unpaid principal balance, plus any accrued interest. Loans are deemed distributions by the Plan when they are determined to be in default.

Payment of Benefits

Benefits are recorded when paid.

AEROSPACE WELDING MINNEAPOLIS, INC.  
401(K) PROFIT SHARING PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2024 and 2023

Income Taxes

Under the Income Taxes Topic of the Financial Accounting Standards Board Accounting Standards Codification (“FASB ASC”), the Plan Sponsor is required to identify potential uncertain tax positions taken, assess and quantify those positions and record reserves. As of and for the years ended December 31, 2024 and 2023, the Plan Sponsor has identified no uncertain tax positions. The Plan files the United States Federal Form 5500 annually.

Subsequent Events

The Plan has evaluated subsequent events through September 19, 2025, the date the financial statements were available to be issued. Effective January 1, 2026, all Plans managed by the Plan Sponsor will be merged into a single Plan.

NOTE 3 – SUMMARY OF FINANCIAL DATA CERTIFIED BY TRUSTEE (UNAUDITED)

The Plan Sponsor has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) for the years ended December 31, 2024 and 2023. Accordingly, the Trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

	2024	2023
Fully benefit-responsive investment contract, at contract value	\$ 3,906	\$ 2,674
Mutual funds, at fair value	\$ 5,553,312	\$ 4,186,400
Notes receivable from participants	\$ 165,012	\$ 112,242
Dividend and interest income	\$ 141,743	\$ 92,467
Interest on notes receivable from participants	\$ 11,975	\$ 7,357
Net appreciation in the fair value of mutual funds	\$ 503,963	\$ 531,981

NOTE 4 – INVESTMENTS

The Plan’s investments are participant-directed accounts that are held by the Trustee.

Fair value is a market-based measurement that is determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, the Plan uses a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1 – Observable inputs such as quoted prices in active markets;
- Level 2 – Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3 – Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

AEROSPACE WELDING MINNEAPOLIS, INC.  
401(K) PROFIT SHARING PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2024 and 2023

The classification of fair value measurements within the hierarchy is based upon the lowest level of input that is significant to the measurement. Valuation methodologies used for assets and liabilities measured at fair value are as follows:

- Mutual funds: Valued at the closing price reported on the active market on which the individual securities are traded.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
	2024			
Mutual funds	<u>\$ 5,553,312</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,553,312</u>
	2023			
Mutual funds	<u>\$ 4,186,400</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,186,400</u>

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the valuation methods.

NOTE 5 – TAX STATUS

The Aerospace Welding Minneapolis, Inc. 401(k) Profit Sharing Plan document has obtained a favorable determination letter from the IRS to the effect that the Plan is exempt from federal income taxes dated November 14, 2022.

NOTE 6 – RELATED-PARTY TRANSACTIONS

Certain Plan investments are managed by the Trustee, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included as a reduction of the return on each fund. There are also indirect fees deducted directly from the investment earnings of the Plan.
