## REPORT OF INDEPENDENT AUDITORS

To the Plan Administrator of the  
Master Meter, Inc. 401(k) Savings & Investment Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Master Meter, Inc. 401(k) Savings & Investment Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (“ERISA Section 103(a)(3)(C) audit”). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the year ended December 31, 2024 and the period from April 1, 2023 through December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024 and for the period from April 1, 2023 through December 31, 2023, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor’s Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter — Supplemental Schedule Required by ERISA**

The supplemental schedule of Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# MASTER METER, INC. 401(k) SAVINGS & INVESTMENT PLAN

## NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

### A. Description of the Plan

#### General

The following description of the Master Meter, Inc. 401(k) Savings & Investment Plan (the “Plan”) is provided for general information purposes only. The Plan is sponsored by Master Meter, Inc. (the “Company” or “Plan Sponsor”). Participants should refer to the Plan document for more complete information. The Company’s corporate offices are located in Mansfield, Texas.

The Plan was effective March 31, 1987, and restated effective June 1, 2021. The Plan is a defined contribution plan available to all employees of the Company who have attained age 18 and completed two months of service. All employees of the Company and certain related employers are eligible to participate in the Plan, except for leased employees and those employees covered by a collective bargaining agreement. Eligible employees may enter the Plan on the first day of each month. Unless a newly eligible employee elects otherwise, all newly eligible employees are automatically enrolled in the Plan at the entry date following their attainment of the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Fidelity Management Trust Company (“Fidelity”) serves as trustee.

Effective April 1, 2023, the Plan’s year-end was changed from March 31<sup>st</sup> to December 31<sup>st</sup>.

The purpose of the Plan is to encourage the Company’s employees to save and invest, systematically, a portion of their current compensation so that they and their families may have a source of additional income upon their retirement, or in the event of death.

#### Contributions

Each year, participants may voluntarily contribute a percentage of their annual compensation up to 90% of annual compensation, as defined by the Plan. Participants may also contribute amounts representing distributions from other qualified employee benefit plans. Some or all of a participant’s contribution may be designated as a Roth deferral contribution. Roth deferral contributions are made on an after-tax basis; however, such contributions will not be taxed at the time of distribution to the participant. The maximum amount of participant contributions on an annual basis is subject to the limitations imposed by the Internal Revenue Code (the “Code”).

Participants who are eligible to make salary deferral contributions under the Plan and who have attained age 50 before the close of the year may make catch-up contributions in accordance with, and subject to, the limitations imposed by the Code.

The Plan Sponsor makes a “safe harbor” contribution equal up to 100% of the first 6% of each participant’s eligible compensation for the Plan year. In addition, the Plan Sponsor makes an “additional” matching contribution of 1.50% of each participant’s eligible compensation for the Plan year if the participant has elective deferral contributions of at least 1.00% of eligible compensation for the Plan year.

**MASTER METER, INC. 401(k) SAVINGS & INVESTMENT PLAN**

**NOTES TO FINANCIAL STATEMENTS (continued)**

**A. Description of the Plan – continued**

**Contributions – continued**

The Plan Sponsor may also make an additional “discretionary” employer contribution to the Plan in such amounts as determined by management. Participants must generally complete 1,000 hours of service to be eligible for the discretionary employer contribution. The Plan Sponsor made no discretionary employer contributions for the year ended December 31, 2024 or the period from April 1, 2023 through December 31, 2023.

**Participant Accounts**

Each participant’s account is credited with the participant’s contributions and allocations of: (a) the Company’s contributions; and (b) Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

**Vesting**

Participants are immediately vested in their voluntary contributions and the Company safe harbor and additional matching contributions, plus actual earnings thereon. Vesting in the discretionary employer contribution portion of accounts, plus actual earnings thereon, is as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1 year	0%
1 year	34%
2 years	67%
3 years	100%

In the event of disability, early retirement, or death, the participant will become fully vested.

**Participant Loans**

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their account balances. Loan terms range up to five years, or longer for the purchase of a primary residence. The loans are secured by the balances in the participants’ accounts and bear interest at a rate commensurate with local prevailing rates as determined by the Company. As of December 31, 2024 and 2023, interest rates range from 3.25% to 8.50%. Principal and interest are paid ratably through payroll deductions. Participant loans are classified as notes receivable from participants in the Plan’s financial statements.

## MASTER METER, INC. 401(k) SAVINGS & INVESTMENT PLAN

### NOTES TO FINANCIAL STATEMENTS *(continued)*

#### A. Description of the Plan – continued

##### **Benefit Payments**

Participants withdrawing during the year for reasons of service or disability, retirement, death, or termination are entitled to their vested account balances. Benefits are distributed in the form of rollovers or lump-sum payments. If withdrawing participants are not entitled to their entire account balances, the amounts not received are forfeited.

Certain in-service withdrawals are allowed. A participant may also elect to withdraw all or a portion of his/her vested account balance while employed after reaching age 59 ½. A participant may receive a hardship distribution from salary reduction contributions if the distribution is: (1) on account of uninsured medical expenses incurred by the participant, his/her spouse, or dependents; (2) to purchase (excluding mortgage payments) a principal residence of the participant; (3) for the payment of post-secondary tuition expenses; (4) needed to prevent eviction of the participant from his/her principal residence or foreclosure upon the mortgage of the participant's principal residence; (5) for the payment of funeral or burial expenses for the participant's deceased parent, spouse, children, dependent, or a primary beneficiary of the participant; or, (6) on account of expenses for the repair of damage to the participant's principal residence that would qualify for a casualty loss deduction under the Code.

##### **Forfeitures**

Forfeited balances attributed to the Company's discretionary contributions can be applied to pay expenses under the Plan. Forfeitures not used to pay expenses may be applied to reduce future Company contributions. Forfeitures of approximately \$5,400 were used to pay Plan expenses during the year ended December 31, 2024. Forfeitures of approximately \$5,200 were used to pay Plan expenses during the period from April 1, 2023 through December 31, 2023. Unallocated forfeitures were insignificant as of December 31, 2024 and 2023.

##### **Investment Options**

Upon enrollment in the Plan, a participant may direct his/her salary deferrals and any employer contributions into a variety of investment options, which vary in degree of risk.

##### **Plan Expenses**

Employees of the Company perform certain administrative functions with no compensation from the Plan. To the extent possible, costs relating to asset charges and recordkeeping are paid by any available forfeitures. All significant administrative expenses are paid by the Company and are not reflected in the accompanying financial statements.

## MASTER METER, INC. 401(k) SAVINGS & INVESTMENT PLAN

### NOTES TO FINANCIAL STATEMENTS *(continued)*

#### **B. Summary of Significant Accounting Policies**

##### **Basis of Accounting**

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

##### **Use of Estimates**

The preparation of the financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

##### **Contributions**

Contributions from the Company and participants are accrued as they become obligations of the Company, as determined by the plan administrator, and in the period in which they are deducted, in accordance with salary deferral agreements.

##### **Investment Valuation and Income**

The investments of the Plan are stated at fair value as of the end of the year and are subject to market or credit risks customarily associated with equity investments. Fair value measurements are determined in accordance with GAAP, which defines fair value, establishes a framework for measuring fair value, and expands disclosures about assets and liabilities measured at fair value. See Note C for information related to the Plan’s valuation methodologies.

Investment gains and losses are accounted for using the average cost basis of the securities sold. The net realized and unrealized gains and losses on investments include realized gains and losses on sales of investments during the year and unrealized increases or decreases in the market value of investments held at year-end. Purchases and sales of investments are reflected on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income.

##### **Notes Receivable from Participants**

Notes receivable from participants are recorded at the unpaid principal balance.

##### **Payment of Benefits**

Benefits are recorded when paid.

**MASTER METER, INC. 401(k) SAVINGS & INVESTMENT PLAN**

**NOTES TO FINANCIAL STATEMENTS *(continued)***

**C. Fair Value Measurements**

GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a three-tier hierarchy that is used to identify assets and liabilities measured at fair value. The hierarchy focuses on the inputs used to measure fair value and requires that the lowest level input be used. The three levels defined are as follows:

- Level 1 — observable inputs that are based upon quoted market prices for identical assets or liabilities within active markets.
- Level 2 — observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.
- Level 3 — inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

GAAP requires that management describe the methodologies used to measure the fair value of assets and liabilities. The methodologies used to measure the fair value of the Plan's investments are as follows:

- Mutual funds are valued at the published per share net asset value ("NAV") of shares held by the Plan and are classified within Level 1 of the valuation hierarchy. There are no significant restrictions on redeeming these investments at NAV.
- The common collective trust funds consist mostly of fully benefit-responsive investment contracts that are valued at the NAV of units of the respective collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the funds will sell the investment for an amount different from the reported NAV.

**MASTER METER, INC. 401(k) SAVINGS & INVESTMENT PLAN**

**NOTES TO FINANCIAL STATEMENTS (continued)**

**C. Fair Value Measurements – continued**

There have been no changes in the methodologies used at December 31, 2024 and 2023. The following table details the Plan's investments at fair value by level, within the fair value hierarchy, as of December 31, 2024 and 2023. The Plan has no assets classified within Level 2 or Level 3 of the valuation hierarchy.

	<b>December 31, 2024</b>	
	<b>Level 1</b>	<b>Total</b>
Mutual funds	\$21,171,418	\$21,171,418
Total investments in the fair value hierarchy	<u>\$21,171,418</u>	<u>21,171,418</u>
Investments measured at NAV <sup>(a)</sup>		<u>1,717,367</u>
Total investments at fair value		<u><u>\$22,888,785</u></u>
	<b>December 31, 2023</b>	
	<b>Level 1</b>	<b>Total</b>
Mutual funds	\$18,527,398	\$18,527,398
Total investments in the fair value hierarchy	<u>\$18,527,398</u>	<u>18,527,398</u>
Investments measured at NAV <sup>(a)</sup>		<u>1,804,751</u>
Total investments at fair value		<u><u>\$20,332,149</u></u>

(a) In accordance with GAAP, the common collective trust funds that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy.

These items are classified in their entirety based on the lowest priority level of input that is significant to the fair value measurement. The assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the placement of assets and liabilities within the levels of the fair value hierarchy.

**MASTER METER, INC. 401(k) SAVINGS & INVESTMENT PLAN**

**NOTES TO FINANCIAL STATEMENTS (continued)**

**C. Fair Value Measurements – continued**

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2024 and 2023. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<b>December 31, 2024</b>	<b>Fair Value</b>	<b>Unfunded Commitments</b>	<b>Redemption Frequency (If Currently Eligible)</b>	<b>Redemption Notice Period</b>

## MASTER METER, INC. 401(k) SAVINGS & INVESTMENT PLAN

### NOTES TO FINANCIAL STATEMENTS *(continued)*

#### **D. Certified Investments**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net realized and unrealized gains on investments, interest and dividends, and interest income from notes receivable from participants for the year ended December 31, 2024 and the period from April 1, 2023 through December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

#### **E. Tax Status**

Effective June 1, 2021, the Plan was amended and restated by the adoption of the Fidelity Non-Standardized Pre-Approved Profit-Sharing Plan with CODA which has a favorable advisory letter from the Internal Revenue Service (“IRS”) dated June 30, 2020. This advisory letter states that the form of the prototype plan is acceptable under Section 401 of the Code. The Company may rely on this letter with respect to the qualification of the Plan under Code Section 401(a) with certain limitations.

Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Company believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **F. Plan Termination**

Although it has not expressed any intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA. In the event the Plan terminates, all amounts credited to participants’ accounts will become 100% vested.

## MASTER METER, INC. 401(k) SAVINGS & INVESTMENT PLAN

### NOTES TO FINANCIAL STATEMENTS *(continued)*

#### G. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

#### H. Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons.

The Plan invests in shares of mutual funds managed by Fidelity. Fidelity acts as trustee for only those investments as defined by the Plan. Transactions in such investments, as well as notes receivable from participants, qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. The Plan paid certain expenses related to Plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA which are exempt from the prohibited transaction rules.

#### I. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits as of December 31, 2024 and 2023, per the accompanying financial statements to the Form 5500:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$23,439,280	\$20,733,924
Participant contributions receivable per the financial statements	(26,026)	-
Employer contributions receivable per the financial statements	<u>(21,972)</u>	<u>-</u>

**MASTER METER, INC. 401(k) SAVINGS & INVESTMENT PLAN**

**NOTES TO FINANCIAL STATEMENTS (continued)**

**I. Reconciliation of Financial Statements to Form 5500 – continued**

The following is a reconciliation of the net increase in net assets available for benefits for the year ended December 31, 2024 and the period from April 1, 2023 through December 31, 2023, per the accompanying financial statements to the Form 5500:

	<b>Year Ended December 31, 2024</b>	<b>Period from April 1, 2023 through December 31, 2023</b>
Net increase in net assets available for benefits per the financial statements	\$ 2,705,356	\$ 2,323,320
Prior year participant contributions receivable per the financial statements	-	23,684
Prior year employer contributions receivable per the financial statements	-	18,428
Current year participant contributions receivable per the financial statements	(26,026)	-
Current year employer contributions receivable per the financial statements	<u>(21,972)</u>	<u>-</u>
Net increase in net assets available for benefits per the Form 5500	<u>\$ 2,657,358</u>	<u>\$ 2,365,432</u>

The reconciling items noted above are due to the difference in the method of accounting used in preparing the Form 5500 as compared to the Plan's financial statements.

**J. Subsequent Events**

In preparing the accompanying financial statements, management has evaluated all subsequent events and transactions for potential recognition or disclosure through September 26, 2025, the date the financial statements were available for issuance.

## REPORT OF INDEPENDENT AUDITORS

To the Plan Administrator of the  
Master Meter, Inc. 401(k) Savings & Investment Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Master Meter, Inc. 401(k) Savings & Investment Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (“ERISA Section 103(a)(3)(C) audit”). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the year ended December 31, 2024 and the period from April 1, 2023 through December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024 and for the period from April 1, 2023 through December 31, 2023, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor’s Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter — Supplemental Schedule Required by ERISA**

The supplemental schedule of Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

### A. Description of the Plan

#### General

The following description of the Master Meter, Inc. 401(k) Savings & Investment Plan (the “Plan”) is provided for general information purposes only. The Plan is sponsored by Master Meter, Inc. (the “Company” or “Plan Sponsor”). Participants should refer to the Plan document for more complete information. The Company’s corporate offices are located in Mansfield, Texas.

The Plan was effective March 31, 1987, and restated effective June 1, 2021. The Plan is a defined contribution plan available to all employees of the Company who have attained age 18 and completed two months of service. All employees of the Company and certain related employers are eligible to participate in the Plan, except for leased employees and those employees covered by a collective bargaining agreement. Eligible employees may enter the Plan on the first day of each month. Unless a newly eligible employee elects otherwise, all newly eligible employees are automatically enrolled in the Plan at the entry date following their attainment of the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Fidelity Management Trust Company (“Fidelity”) serves as trustee.

Effective April 1, 2023, the Plan’s year-end was changed from March 31<sup>st</sup> to December 31<sup>st</sup>.

The purpose of the Plan is to encourage the Company’s employees to save and invest, systematically, a portion of their current compensation so that they and their families may have a source of additional income upon their retirement, or in the event of death.

#### Contributions

Each year, participants may voluntarily contribute a percentage of their annual compensation up to 90% of annual compensation, as defined by the Plan. Participants may also contribute amounts representing distributions from other qualified employee benefit plans. Some or all of a participant’s contribution may be designated as a Roth deferral contribution. Roth deferral contributions are made on an after-tax basis; however, such contributions will not be taxed at the time of distribution to the participant. The maximum amount of participant contributions on an annual basis is subject to the limitations imposed by the Internal Revenue Code (the “Code”).

Participants who are eligible to make salary deferral contributions under the Plan and who have attained age 50 before the close of the year may make catch-up contributions in accordance with, and subject to, the limitations imposed by the Code.

The Plan Sponsor makes a “safe harbor” contribution equal up to 100% of the first 6% of each participant’s eligible compensation for the Plan year. In addition, the Plan Sponsor makes an “additional” matching contribution of 1.50% of each participant’s eligible compensation for the Plan year if the participant has elective deferral contributions of at least 1.00% of eligible compensation for the Plan year.

**MASTER METER, INC. 401(k) SAVINGS & INVESTMENT PLAN**

**NOTES TO FINANCIAL STATEMENTS (continued)**

**A. Description of the Plan – continued**

**Contributions – continued**

The Plan Sponsor may also make an additional “discretionary” employer contribution to the Plan in such amounts as determined by management. Participants must generally complete 1,000 hours of service to be eligible for the discretionary employer contribution. The Plan Sponsor made no discretionary employer contributions for the year ended December 31, 2024 or the period from April 1, 2023 through December 31, 2023.

**Participant Accounts**

Each participant’s account is credited with the participant’s contributions and allocations of: (a) the Company’s contributions; and (b) Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

**Vesting**

Participants are immediately vested in their voluntary contributions and the Company safe harbor and additional matching contributions, plus actual earnings thereon. Vesting in the discretionary employer contribution portion of accounts, plus actual earnings thereon, is as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1 year	0%
1 year	34%
2 years	67%
3 years	100%

In the event of disability, early retirement, or death, the participant will become fully vested.

**Participant Loans**

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their account balances. Loan terms range up to five years, or longer for the purchase of a primary residence. The loans are secured by the balances in the participants’ accounts and bear interest at a rate commensurate with local prevailing rates as determined by the Company. As of December 31, 2024 and 2023, interest rates range from 3.25% to 8.50%. Principal and interest are paid ratably through payroll deductions. Participant loans are classified as notes receivable from participants in the Plan’s financial statements.

## MASTER METER, INC. 401(k) SAVINGS & INVESTMENT PLAN

### NOTES TO FINANCIAL STATEMENTS *(continued)*

#### A. Description of the Plan – continued

##### **Benefit Payments**

Participants withdrawing during the year for reasons of service or disability, retirement, death, or termination are entitled to their vested account balances. Benefits are distributed in the form of rollovers or lump-sum payments. If withdrawing participants are not entitled to their entire account balances, the amounts not received are forfeited.

Certain in-service withdrawals are allowed. A participant may also elect to withdraw all or a portion of his/her vested account balance while employed after reaching age 59 ½. A participant may receive a hardship distribution from salary reduction contributions if the distribution is: (1) on account of uninsured medical expenses incurred by the participant, his/her spouse, or dependents; (2) to purchase (excluding mortgage payments) a principal residence of the participant; (3) for the payment of post-secondary tuition expenses; (4) needed to prevent eviction of the participant from his/her principal residence or foreclosure upon the mortgage of the participant's principal residence; (5) for the payment of funeral or burial expenses for the participant's deceased parent, spouse, children, dependent, or a primary beneficiary of the participant; or, (6) on account of expenses for the repair of damage to the participant's principal residence that would qualify for a casualty loss deduction under the Code.

##### **Forfeitures**

Forfeited balances attributed to the Company's discretionary contributions can be applied to pay expenses under the Plan. Forfeitures not used to pay expenses may be applied to reduce future Company contributions. Forfeitures of approximately \$5,400 were used to pay Plan expenses during the year ended December 31, 2024. Forfeitures of approximately \$5,200 were used to pay Plan expenses during the period from April 1, 2023 through December 31, 2023. Unallocated forfeitures were insignificant as of December 31, 2024 and 2023.

##### **Investment Options**

Upon enrollment in the Plan, a participant may direct his/her salary deferrals and any employer contributions into a variety of investment options, which vary in degree of risk.

##### **Plan Expenses**

Employees of the Company perform certain administrative functions with no compensation from the Plan. To the extent possible, costs relating to asset charges and recordkeeping are paid by any available forfeitures. All significant administrative expenses are paid by the Company and are not reflected in the accompanying financial statements.

**MASTER METER, INC. 401(k) SAVINGS & INVESTMENT PLAN**

**NOTES TO FINANCIAL STATEMENTS (continued)**

**B. Summary of Significant Accounting Policies**

**Basis of Accounting**

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

**Use of Estimates**

The preparation of the financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

**Contributions**

Contributions from the Company and participants are accrued as they become obligations of the Company, as determined by the plan administrator, and in the period in which they are deducted, in accordance with salary deferral agreements.

**Investment Valuation and Income**

The investments of the Plan are stated at fair value as of the end of the year and are subject to market or credit risks customarily associated with equity investments. Fair value measurements are determined in accordance with GAAP, which defines fair value, establishes a framework for measuring fair value, and expands disclosures about assets and liabilities measured at fair value. See Note C for information related to the Plan’s valuation methodologies.

Investment gains and losses are accounted for using the average cost basis of the securities sold. The net realized and unrealized gains and losses on investments include realized gains and losses on sales of investments during the year and unrealized increases or decreases in the market value of investments held at year-end. Purchases and sales of investments are reflected on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income.

**Notes Receivable from Participants**

Notes receivable from participants are recorded at the unpaid principal balance.

**Payment of Benefits**

Benefits are recorded when paid.

**MASTER METER, INC. 401(k) SAVINGS & INVESTMENT PLAN**

**NOTES TO FINANCIAL STATEMENTS *(continued)***

**C. Fair Value Measurements**

GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a three-tier hierarchy that is used to identify assets and liabilities measured at fair value. The hierarchy focuses on the inputs used to measure fair value and requires that the lowest level input be used. The three levels defined are as follows:

- Level 1 — observable inputs that are based upon quoted market prices for identical assets or liabilities within active markets.
- Level 2 — observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.
- Level 3 — inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

GAAP requires that management describe the methodologies used to measure the fair value of assets and liabilities. The methodologies used to measure the fair value of the Plan's investments are as follows:

- Mutual funds are valued at the published per share net asset value ("NAV") of shares held by the Plan and are classified within Level 1 of the valuation hierarchy. There are no significant restrictions on redeeming these investments at NAV.
- The common collective trust funds consist mostly of fully benefit-responsive investment contracts that are valued at the NAV of units of the respective collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the funds will sell the investment for an amount different from the reported NAV.

**MASTER METER, INC. 401(k) SAVINGS & INVESTMENT PLAN**

**NOTES TO FINANCIAL STATEMENTS (continued)**

**C. Fair Value Measurements – continued**

There have been no changes in the methodologies used at December 31, 2024 and 2023. The following table details the Plan's investments at fair value by level, within the fair value hierarchy, as of December 31, 2024 and 2023. The Plan has no assets classified within Level 2 or Level 3 of the valuation hierarchy.

	<b>December 31, 2024</b>	
	<b>Level 1</b>	<b>Total</b>
Mutual funds	\$21,171,418	\$21,171,418
Total investments in the fair value hierarchy	<u>\$21,171,418</u>	<u>21,171,418</u>
Investments measured at NAV <sup>(a)</sup>		<u>1,717,367</u>
Total investments at fair value		<u><u>\$22,888,785</u></u>
	<b>December 31, 2023</b>	
	<b>Level 1</b>	<b>Total</b>
Mutual funds	\$18,527,398	\$18,527,398
Total investments in the fair value hierarchy	<u>\$18,527,398</u>	<u>18,527,398</u>
Investments measured at NAV <sup>(a)</sup>		<u>1,804,751</u>
Total investments at fair value		<u><u>\$20,332,149</u></u>

(a) In accordance with GAAP, the common collective trust funds that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy.

These items are classified in their entirety based on the lowest priority level of input that is significant to the fair value measurement. The assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the placement of assets and liabilities within the levels of the fair value hierarchy.

**MASTER METER, INC. 401(k) SAVINGS & INVESTMENT PLAN**

**NOTES TO FINANCIAL STATEMENTS (continued)**

**C. Fair Value Measurements – continued**

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2024 and 2023. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<b>December 31, 2024</b>	<b>Fair Value</b>	<b>Unfunded Commitments</b>	<b>Redemption Frequency (If Currently Eligible)</b>	<b>Redemption Notice Period</b>

## MASTER METER, INC. 401(k) SAVINGS & INVESTMENT PLAN

### NOTES TO FINANCIAL STATEMENTS *(continued)*

#### **D. Certified Investments**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net realized and unrealized gains on investments, interest and dividends, and interest income from notes receivable from participants for the year ended December 31, 2024 and the period from April 1, 2023 through December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

#### **E. Tax Status**

Effective June 1, 2021, the Plan was amended and restated by the adoption of the Fidelity Non-Standardized Pre-Approved Profit-Sharing Plan with CODA which has a favorable advisory letter from the Internal Revenue Service (“IRS”) dated June 30, 2020. This advisory letter states that the form of the prototype plan is acceptable under Section 401 of the Code. The Company may rely on this letter with respect to the qualification of the Plan under Code Section 401(a) with certain limitations.

Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Company believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **F. Plan Termination**

Although it has not expressed any intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA. In the event the Plan terminates, all amounts credited to participants’ accounts will become 100% vested.

## MASTER METER, INC. 401(k) SAVINGS & INVESTMENT PLAN

### NOTES TO FINANCIAL STATEMENTS *(continued)*

#### G. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

#### H. Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons.

The Plan invests in shares of mutual funds managed by Fidelity. Fidelity acts as trustee for only those investments as defined by the Plan. Transactions in such investments, as well as notes receivable from participants, qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. The Plan paid certain expenses related to Plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA which are exempt from the prohibited transaction rules.

#### I. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits as of December 31, 2024 and 2023, per the accompanying financial statements to the Form 5500:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$23,439,280	\$20,733,924
Participant contributions receivable per the financial statements	(26,026)	-
Employer contributions receivable per the financial statements	<u>(21,972)</u>	<u>-</u>

**MASTER METER, INC. 401(k) SAVINGS & INVESTMENT PLAN**

**NOTES TO FINANCIAL STATEMENTS (continued)**

**I. Reconciliation of Financial Statements to Form 5500 – continued**

The following is a reconciliation of the net increase in net assets available for benefits for the year ended December 31, 2024 and the period from April 1, 2023 through December 31, 2023, per the accompanying financial statements to the Form 5500:

	<b>Year Ended December 31, 2024</b>	<b>Period from April 1, 2023 through December 31, 2023</b>
	<u>2024</u>	<u>2023</u>
Net increase in net assets available for benefits per the financial statements	\$ 2,705,356	\$ 2,323,320
Prior year participant contributions receivable per the financial statements	-	23,684
Prior year employer contributions receivable per the financial statements	-	18,428
Current year participant contributions receivable per the financial statements	(26,026)	-
Current year employer contributions receivable per the financial statements	<u>(21,972)</u>	<u>-</u>
Net increase in net assets available for benefits per the Form 5500	<u>\$ 2,657,358</u>	<u>\$ 2,365,432</u>

The reconciling items noted above are due to the difference in the method of accounting used in preparing the Form 5500 as compared to the Plan's financial statements.

**J. Subsequent Events**

In preparing the accompanying financial statements, management has evaluated all subsequent events and transactions for potential recognition or disclosure through September 26, 2025, the date the financial statements were available for issuance.
