INDEPENDENT AUDITORS' REPORT *(Continued)*

Opinion *(Continued)*

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Huntington Coach Corporation 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Other Matter – Merger and Transfer of Assets

As discussed in Note 8, there was a merger and transfer of assets to another plan. The plan was terminated after the merger transactions were completed. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

INDEPENDENT AUDITORS' REPORT *(Continued)*

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Huntington Coach Corporation 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITORS' REPORT *(Continued)*

Auditors' Responsibilities for the Audit of the Financial Statements *(Continued)*

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500, Schedule H, Line 4i - Schedule of Assets (Held at End of Period) as of April 25, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITORS' REPORT *(Continued)*

Supplemental Schedule Required by ERISA *(Continued)*

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HUNTINGTON COACH CORPORATION 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
Period Ended April 25, 2024 and Year Ended December 31, 2023

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Huntington Coach Corporation 401(k) Plan (the "Plan") provides only general information. A more complete description is provided in the Plan agreement.

General

The Plan was a defined contribution plan under Section 401(k) of the Internal Revenue Code and was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Prior to the Plan's merger and termination, the Plan covered all eligible employees of Huntington Coach Corporation, Huntington Coach, LLC and Hendrickson Bus Corporation (collectively referred to as the "Company").

Termination

In April 2024, there was a merger and transfer of assets to another plan. The plan was terminated after the merger transactions were completed.

Eligibility

Prior to the Plan's merger and termination, employees were eligible to participate and qualify for employer matching contributions once they were age twenty-one or older and completed one year of service, except non-resident aliens as defined in the Plan. Plan entry dates were the first day of each calendar month following eligibility.

Contributions

Eligible participants were allowed to make contributions to the Plan ranging from 1% to 15% of their compensation, subject to federally imposed limits. Participants who attained age 50 before the end of the Plan year were eligible to make catch-up contributions. Rollover contributions from other qualified plans may be made as well.

The Company made matching contributions to eligible participants equal to a discretionary percentage of the participant's salary deferrals up to a maximum amount, as stated in the Company's Union Contract. For the period January 1, 2024 to April 25, 2024, the Company made matching contributions of 50 cents per dollar contributed by eligible participants, up to 7% of the participant's compensation.

All contributions were participant-directed and held and invested by the custodian in accordance with the participant's investment allocation. For the period January 1, 2024 to April 25, 2024, the Company's total matching contributions to the Plan were \$101,967.

NOTES TO FINANCIAL STATEMENTS
Period Ended April 25, 2024 and Year Ended December 31, 2023

NOTE 1 - DESCRIPTION OF THE PLAN *(Continued)*

Participant Accounts

Each participant's account was credited with the participant's contribution and Company's contributions, as well as an allocation of the Plan's earnings (or losses). Participant accounts were charged with an allocation of administrative expenses that were paid by the Plan. Allocations were based on participant earnings (or losses), account balances, or specific transactions, as defined by the Plan. The benefit to which a participant was entitled to was the benefit that can be provided from the participant's vested account.

Investment Options

The Plan provided participants with participant-directed investment options which can be elected through Voya Financial Advisors, LLC.

Vesting

Participants were immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company's matching contributions was based on years of continuous service. A participant was fully vested after 3 years of continuous service in accordance with the following schedule:

<u>Years of Service</u>	<u>Percent of Vested Interest</u>
Less than 3	0%
3	100%

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a 10-year period. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

In connection with the Plan's termination, each participant's account balance was transferred to another qualified plan or individual retirement account in accordance with the Plan terms.

Plan Administration

The Plan was administered by the Company's Director of Human Resources and Vice President. The Plan had three trustees who were members of the Company's management. Voya Retirement Insurance and Annuity Company ("Voya") was the custodian of the Plan for the period January 1, 2024 to April 25, 2024, and for the year ended December 31, 2023.

HUNTINGTON COACH CORPORATION 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
Period Ended April 25, 2024 and Year Ended December 31, 2023

NOTE 1 - DESCRIPTION OF THE PLAN *(Continued)*

Notes Receivable from Participants

Participants could borrow from their participant accounts a minimum of \$500 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes receivable from participants were secured by the balance in the participant's account and bore interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. The interest rate on all outstanding notes receivable was between 4.25% and 9.50% for the period ended April 25, 2024. Repayments were made through payroll deductions over the term of the note. All notes were payable within a period of five years. A participant may not have more than one note outstanding at any time.

Forfeited Accounts

Forfeitures of terminated participant's non-vested accounts may be used to reduce employer contributions. At April 25, 2024 and December 31, 2023, forfeited non-vested accounts were \$0 and \$37,835, respectively. For the period January 1, 2024 to April 25, 2024, no forfeited funds were used to reduce employer contributions.

Hardship Distribution

Prior to the Plan's merger and termination, participants could withdraw in a lump sum up to 100% of the vested interest in the participant's elective deferral account (excluding any investment earnings), matching contribution account, and non-elective contribution account to pay for a financial hardship caused by (1) eligible medical expenses incurred by the participant or his or her family, (2) the purchase (excluding mortgage payments) of a principal residence, (3) tuition for the next 12 months of college for the participant or his or her family, (4) payments needed to prevent eviction from a principal residence or payments needed to prevent foreclosure on the mortgage of a principal residence, (5) payments for burial or funeral expenses for the participant's family, or (6) certain expenses for the repair of damage to the participant's principal residence.

A hardship distribution cannot exceed the amount required to relieve the financial need, and the participants are not permitted to make any elective deferrals for six months after the date of receiving the distribution.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

HUNTINGTON COACH CORPORATION 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
Period Ended April 25, 2024 and Year Ended December 31, 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Investment Valuation and Income Recognition

Investments were reported at fair value (except for the fully benefit-responsive investment contract, which was reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Refer to Note 4 for the fair value measurement disclosures associated with the Plan's investments.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recognized when earned. Dividend income was recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments included the Plan's gains and losses on investments bought and sold as well as held during the year.

Earnings on investments, with the exception of notes receivable from participants, were allocated on a pro rata basis to individual participant accounts based on the type of investment and the ratio of each participant's individual account balance to the aggregate of participant account balances. The portion of interest included in each loan payment made by a participant was recognized as interest income in the participant's individual account.

Notes Receivable from Participants

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income was recorded on the accrual basis. Related fees were recorded as administrative expenses and were expensed when they were incurred. No allowance for credit losses were recorded as of April 25, 2024 and December 31, 2023. If a participant ceased to make loan repayments and the Plan administrator deemed the participant loan to be in default, the participant loan balance was reduced and a benefit payment was recorded.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") were recorded as a liability, with a corresponding reduction to contributions. There were no excess contributions payable at April 25, 2024 and December 31, 2023.

Payment of Benefits

The Plan recorded benefit payments to withdrawing participants when paid. Under the rules for preparation of Form 5500, the Plan's Form 5500 will reflect an accrual for the amount to be paid to participants who withdrew from the Plan prior to year-end, and who had requested a distribution which was approved but not yet paid at year-end, if any. There were no such unpaid distributions at April 25, 2024 and December 31, 2023.

HUNTINGTON COACH CORPORATION 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
Period Ended April 25, 2024 and Year Ended December 31, 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Expenses

Certain expenses of maintaining the Plan were paid by the Plan, unless otherwise paid by the Company. Expenses that were paid by the Company were excluded from these financial statements. Fees related to the administration of notes receivables from participants were charged directly to the participant's account and were included in administrative expenses. Investment related expenses were included in net appreciation in fair value of investments. For the period January 1, 2024 to April 25, 2024, administrative expenses of \$3,000 were incurred by the Plan.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent Events

Subsequent events were evaluated through August 27, 2025, which is the date the financial statements were available to be issued.

NOTE 3 - RISKS AND UNCERTAINTIES

The Plan invested in various investment securities. Investments in securities were generally exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it was reasonably possible that changes in the values of investment securities could occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

HUNTINGTON COACH CORPORATION 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
Period Ended April 25, 2024 and Year Ended December 31, 2023

NOTE 4 - FAIR VALUE MEASUREMENTS *(Continued)*

Basis of Fair Value Measurement

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at April 25, 2024 and December 31, 2023.

Pooled Separate Accounts

Pooled separate accounts invest primarily in domestic and international long-term bonds, domestic and international stocks, or mutual funds. The net asset value ("NAV") was used as a practical expedient to determine fair value for these accounts. Each pooled separate account provides for redemptions by the Plan reported at net asset value per share, with no advance notice.

The following tables present by level, within the fair value hierarchy, the Plan's investment assets at fair value as of April 25, 2024 and December 31, 2023. The investment assets were classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

NOTE 5 - INFORMATION CERTIFIED BY THE CUSTODIAN

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. For the period January 1, 2024 to April 25, 2024 and at December 31, 2023, the assets of the Plan were held by the custodian, Voya Retirement Insurance and Annuity Company. The custodian has certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- 1) Investments, as shown in the Statements of Net Assets Available for Benefits, as of April 25, 2024 and December 31, 2023;
- 2) Dividend income and other income, net appreciation in fair value of investments and interest income on notes receivable from participants, as shown in the Statement of Changes in Net Assets Available for Benefits, for the period January 1, 2024 to April 25, 2024;
- 3) The Schedule of Investments (Held at End of Period) as of April 25, 2024 as shown in the supplemental schedule.

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTES TO FINANCIAL STATEMENTS
Period Ended April 25, 2024 and Year Ended December 31, 2023

NOTE 6 - INVESTMENT CONTRACT WITH INSURANCE COMPANY

In 2004, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with ING Life Insurance and Annuity Company (ILIAC). ILIAC maintained the contributions in a general account. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer was contractually obligated to repay the principal and a specified interest rate that was guaranteed to the Plan. During 2014, ILIAC changed their name to Voya Retirement Insurance and Annuity Company (“Voya”) with no effect on the fully benefit-responsive investment contract. In 2018, the Plan entered into an amendment of the contract and added Fixed Asset Account A under the contract. On November 30, 2021, the investment option in Fixed Asset Account A was transferred to Fixed Asset Account (4634). The crediting rate was based on a formula established by the contract issuer but may not be less than 1.00 percent.

This contract met the fully benefit-responsive investment contract criteria and therefore was reported at contract value. Contract value was the relevant measure for fully benefit-responsive investment contracts because this was the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Voya, represented contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan’s ability to receive amounts due was dependent on the issuer’s ability to meet its financial obligations. The issuer’s ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the Plan’s ability to transact at contract value with Voya. Such events include the following: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan’s prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (d) the failure of the trust, that was established under the Plan to hold the Plan’s assets, to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974, or (e) premature termination of the contract.

Effective December 31, 2023, the Huntington Coach Corporation 401 (k) Plan merged into the Beacon Mobility Transportation Employee Retirement Plan for non-union employees, and effective April 25, 2024, the Huntington Coach Corporation 401 (k) Plan merged into the Beacon Mobility Union 401(k) Plan for union employees. The issuer of Voya Fixed Account requires liquidating the funds in 6 equal installments over a 5-year period.

HUNTINGTON COACH CORPORATION 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
Period Ended April 25, 2024 and Year Ended December 31, 2023

NOTE 6 - INVESTMENT CONTRACT WITH INSURANCE COMPANY *(Continued)*

Pursuant to the provisions of the Voya Fixed Account mentioned above, 20% of the fund's assets were transferred on April 26, 2024 and temporarily invested in the Empower Putnam Stable Value Fund. The remainder will transfer in 5 annual installments ending April 2029.

Assets that remain invested in the Voya Fixed Account will continue to accrue interest. Employees will still be able to take a distribution through Empower should they have a distributable event, but they cannot take a loan from the assets in this fund.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (a) an uncured violation of the Plan's investment guidelines, (b) a breach of material obligation under the contract, (c) a material misrepresentation, or (d) a material amendment to the agreement without the consent of the issuer.

NOTE 7 - RELATED PARTIES AND PARTY-IN-INTEREST TRANSACTIONS

The Plan allowed for transactions with certain parties who have or may perform services or have fiduciary responsibilities to the Plan. Certain employees and officers of the Company, who were also participants in the Plan, performed administrative services to the Plan at no cost to the Plan. The Plan issued loans to participants, which were secured by the balances in the participants' accounts. The Company paid a portion of the administrative and accounting fees of the Plan. These transactions qualify as party-in-interest transactions.

Certain Plan investments were shares of pooled separate accounts managed by Voya. Voya was the custodian as defined by the Plan; therefore, these transactions qualified as party-in-interest transactions. Fees incurred by the Plan for investment management services were included in net appreciation in fair value of the investment.

Voya was also the principal underwriter for the Guaranteed Investment Contract and received commissions of \$3,000 for the period January 1, 2024 to April 25, 2024.

HUNTINGTON COACH CORPORATION 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
Period Ended April 25, 2024 and Year Ended December 31, 2023

NOTE 8 - MERGER AND TRANSFER OF ASSETS FROM THE PLAN

On January 31, 2023, Beacon Mobility, the sponsor of the Beacon Mobility Transportation Retirement Plan and Beacon Mobility Union 401(k) Plan, acquired the Company. Effective December 31, 2023, Huntington Coach Corporation 401(k) Plan partially merged into the Beacon Mobility Transportation Employee Retirement Plan, for which the service provider is Empower. There was a blackout period from December 21, 2023 to January 22, 2024 for non-union employees. During this period, non-union employees' retirement accounts were transferred and reconciled, and employees could not access their 401(k) accounts, change investment elections, or request distributions. Their account balances were invested throughout the transfer and blackout period. The assets were liquidated and transferred to Empower for non-union employees. Empower immediately reinvested the assets into a money market fund on a temporary basis, and, as soon as the files were reconciled, the assets were moved to the funds the employees elected, or to which their investments were mapped, at Empower. Total assets transferred in 2023 were \$10,836,365.

Effective April 25, 2024, the Plan transferred its remaining assets held in the union employees' retirement accounts to the Beacon Mobility Union 401(k) Plan. There was a blackout period from April 18, 2024 to May 17, 2024 for union employees. During this period, union employees' retirement accounts were transferred and reconciled, and employees could not access their 401(k) accounts, change investment elections, or request distributions. Their account balances were invested throughout the transfer and blackout period. The assets were transferred to Empower for union employees on April 26, 2024. Empower reinvested the assets as soon as the files were reconciled. Total assets transferred in 2024 were \$13,381,713.

After these merger transactions were completed, the Plan was terminated.

NOTE 9 - TAX STATUS

The Company adopted a prototype plan of Voya, for which the IRS has issued an opinion letter dated June 30, 2020 stating that the form of the plan was appropriate for use by employers for the benefit of their employees.

Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and was being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan was qualified, and the related trust was tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
