## INDEPENDENT AUDITOR'S REPORT

County Insulation Company 401(k) Profit Sharing Plan  
Wilmington, Delaware

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of County Insulation Company 401(K) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits – modified cash basis for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note L to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, on a modified cash basis.
- the information in the accompanying financial statements related to assets held by and certified to by Qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## County Insulation Company 401(k) Profit Sharing Plan

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of County Insulation Company 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements on a modified cash basis, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about County Insulation Company 401(k) Profit Sharing Plan's ability to continue as a going concern within one year after the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

*Auditor's Responsibilities for the Audit of the Financial Statements (Continued)*

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of County Insulation Company 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about County Insulation Company 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of modified cash basis in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, on a modified cash basis.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matters - Supplemental Schedules Required by ERISA***

The supplemental schedule of Schedule H, Item 4(i) Schedule of Assets (Held at Year End) as of and for the year ended December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by Qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# COUNTY INSULATION COMPANY 401(K) PROFIT SHARING PLAN

## NOTES TO FINANCIAL STATEMENTS

### NOTE A – DESCRIPTION OF THE PLAN

The following description of County Insulation Company 401(k) Profit Sharing Plan (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### *General*

The Plan is a qualified retirement plan covering all full-time employees of the Company who have one year of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### *Contributions*

Each year, participants may contribute up to the maximum allowable by regulation of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a guaranteed investment contract as investment options for participants. The Company contributes 100% of the first 4% of base compensation that a participant contributes to the Plan. Additional profit-sharing amounts may be contributed at the option of the Company's board of directors. Contributions are subject to certain limitations.

#### *Participant Accounts*

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, (b) Plan earnings, and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

COUNTY INSULATION COMPANY 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE A – DESCRIPTION OF THE PLAN (CONTINUED)

*Vesting*

Participants are fully vested in their contributions plus actual earnings thereon. Vesting in the employer match and profit sharing is based on years of continuous service. Below is the vesting schedule:

<u>Years of Service</u>	Vested	<u>Percentage</u>
1		0%
2		20%
3		40%
4		60%
5		80%
6		100%

*Notes Receivable from Participants*

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.50% to 9.50%, which are commensurate with local prevailing rates as determined quarterly by the Plan Administrator. Principal and interest are paid ratably through weekly payroll deductions.

*Payment of Benefits*

On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

*Forfeited Accounts*

Amounts forfeited in accordance with the Plan's provisions are added to employer discretionary contributions.

*Pension Benefit Guaranty Corporation.*

Benefits provided by the Plan are not insured by the Pension Benefit Guaranty Corporation (PBGC) since insurance provisions under ERISA are not applicable to the Plan.

NOTES TO FINANCIAL STATEMENTS

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

*Basis of Accounting*

The policy of the Plan is to prepare the financial statements on the modified cash basis of accounting; consequently, certain revenues and related assets are recognized when received rather than when earned, and certain expenses and purchase of assets are recognized when cash is disbursed rather than when the obligation is incurred. The modified cash basis is a comprehensive basis of accounting other than U.S. generally accepted accounting principles. Management records investments and recognizes any appreciation (depreciation) as revenue.

*Use of Estimates*

The preparation of financial statements in conformity with the modified cash basis required the Plan Administrator to make estimates and assumptions that affected the amounts reported in the financial statements and accompanying notes. Although these estimates were based on management's knowledge of current events and actions it may have taken in the future, they may have ultimately differed from actual results. Accounting measurements most affected by management's estimates of future events included the determination of fair value of investments. Estimates and assumptions are reviewed periodically and the effects of revisions were reflected in the financial statements in the period determined.

*Valuation of Investments and Income Recognition*

The Plan's investments are stated at fair value (except for the fully benefit-responsive investment contract which is reported at contract value). Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end. Investments in the fully benefit-responsive investment contract are valued at contract value (refer to Note D).

COUNTY INSULATION COMPANY 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

*Notes Receivable from Participants*

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

*Payment of Benefits*

Benefits are recorded when paid.

*Expenses*

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

Investments related expenses are included in net appreciation (depreciation) of fair value of investments.

*Income Taxes*

The Plan is organized as an exempt organization under the existing regulations of Internal Revenue Code Section 401(a) and is not liable for income taxes. Although the Plan has been amended since receiving the initial determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan Administrator has a high level of confidence that the Plan is no longer subject to income tax examinations for years prior to 2021.

NOTE D – GUARANTEED INVESTMENT CONTRACT

The Plan entered into a fully benefit-responsive guaranteed investment contract with Principal Life Insurance Company. Principal Life Insurance Company maintained the contributions in a general account. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer was contractually obligated to repay the principal and a specified interest rate was guaranteed by the Plan.

## COUNTY INSULATION COMPANY 401(K) PROFIT SHARING PLAN

### NOTES TO FINANCIAL STATEMENTS

#### NOTE D – GUARANTEED INVESTMENT CONTRACT (CONTINUED)

During 2024, the Plan entered into a second guaranteed investment contract provided by Principal Life Insurance Company.

Due to the guaranteed investment contracts having been fully benefit-responsive, contract values were the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contracts.

Contract values, were reported to the Plan by Principal Life Insurance Company, representing contributions made under the contracts, plus earnings, less participant withdrawals, and administrative expenses. Participants may have ordinarily directed the withdrawal or transfer of all or a portion of their investments at contract values. There were no reserves against contract values for credit risk of the contract issuer or otherwise. The crediting interest rates were based on a formula agreed upon with the issuer. Such interest rates were reviewed on an annual basis for resetting.

Certain events could limit the ability of the Plan to transact at contract values with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan); (2) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan; or (3) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transactions exemption under the Employment Retirement Income Security Act of 1974, as amended. The Plan Administrator did not believe that any events that would limit the Plan's ability to transact at contract value with participants were probable of occurring. The guaranteed investment contract did not permit the insurance company to terminate the agreement prior to the scheduled annuity date. The average yield earned by the Principal Fixed Income and Principal Guaranteed Option investment contracts for the year ended December 31, 2024 were 2.85% and 2.10%, respectively.

#### NOTE E – FAIR VALUE MEASUREMENTS

ASC 820, "*Fair Value Measurements and Disclosures*" defines fair value, establishes a framework for measuring fair value under generally accepted accounting principles and enhances disclosures about fair value measurements. Fair value is defined under ASC 820 as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date.

## COUNTY INSULATION COMPANY 401(K) PROFIT SHARING PLAN

### NOTES TO FINANCIAL STATEMENTS

#### NOTE E – FAIR VALUE MEASUREMENTS (CONTINUED)

*Level 1* - Quoted prices in active markets for identical assets or liabilities. Level 1 assets include money market funds, debt and equity securities that are traded in active exchange market, as well as certain U.S. Treasury and other U.S. Governments and agencies that are highly liquid and are actively traded in over-the-counter markets.

*Level 2* - Observable inputs other than Level 1 such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the same term of the assets or liabilities.

*Level 3* - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The valuation methodologies used for assets measured at fair value may produce a fair value calculation that may not be indicative of net realizable values or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Pooled separate accounts:* Valued daily based on the market value of the underlying net assets in each separate account. The majority of the underlying net assets have observable Level 1 and/or 2 quoted pricing inputs which are used to determine the unit value of the PSA which is not publicly quoted. These PSAs are classified as Level 2. The redemption frequency of cash of the PSA is daily, and there are no redemption restrictions. There are no unfunded commitments related to the Plan's investments in PSAs.

COUNTY INSULATION COMPANY 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE E – FAIR VALUE MEASUREMENTS (CONTINUED)

*Common collective trust funds:* CITs are daily valued pooled accounts that have a stated investment objective and investment strategy and are valued based on the plan's interest, represented by investment units, in the underlying investments held within the trust that are traded in an active market by the trustee.

*Guaranteed investment contract:* Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer (see Note D).

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement of the reporting date.

The table below presents the financial instruments carried at fair value as of December 31, 2024 and 2023 by the ASC 820 valuation hierarchy defined above.

Ending balance	<u>\$ 4,952,130</u>	<u>\$ 3,135,159</u>

NOTE F – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE G – BENEFIT OBLIGATIONS

Included in net assets available for benefits are amounts allocated to individuals who are no longer participating in the plan but who have not been paid. Plan assets allocated to these participants at December 31, 2024 and 2023, amounted to \$1,681,250 and \$1,501,994, respectively.

NOTE H – EMPLOYER CONTRIBUTIONS

At December 31, employer contributions consist of the following:

Description	2024	2023

Employer profit-sharing	-	-
Total employer contributions	\$ 238,824	\$ 221,141

NOTE I – TAX STATUS

The Internal Revenue Service has determined that the prototype plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. Management evaluated the Plan's tax position and concluded that the Plan has maintained its tax-exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

NOTE J – RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Some of the Plan's investments are related entity products. Principal Life Insurance Company was the asset custodian, as defined by the Plan, and therefore, these transactions or holdings qualify as party-in-interest transactions.

At December 31, 2024 and 2023, the Plan held investments of \$5,194,469 and \$3,450,162, respectively, which qualify as party-in-interest holdings. The supplemental Schedule H, Item 4(i), Schedule of Assets (Held at End of Year) identifies the specific assets deemed as party-in-interest for 2024.

Plan investments are shares of mutual funds and a guaranteed investment contract managed by Principal Life Insurance Company. Principal Life Insurance Company is the custodian as defined by the Plan and, therefore these transactions qualify as a party in interest transaction. Fees incurred by the Plan for the investment management services are included in net depreciation in fair value of the investment.

NOTE J – RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS (CONTINUED)

Fees paid by the Plan to Principal Life Insurance Company amounted to \$45,042 and \$38,838 for the years ended December 31, 2024 and 2023, respectively. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE K – PROHIBITED TRANSACTIONS

The trustees have reviewed contributions (including loan payments) to the Plan and determined there were no prohibited transactions for the years ended December 31, 2024 and 2023, respectively.

NOTE L – INFORMATION CERTIFIED BY THE PLAN’S CUSTODIAN

The Plan Administrator has elected the method of compliance permitted by ERISA 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan’s independent auditor not to perform any auditing procedures with respect to the following information certified by Principal Life Insurance Company for the year ended December 31, 2024 and 2023, except for comparing such information certified by Principal Life Insurance Company with information included in the Plan’s financial statements and supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year):

	<u>2024</u>	<u>2023</u>
Mutual funds	\$ 7,076,299	\$ 7,862,148

## NOTES TO FINANCIAL STATEMENTS

### NOTE M – RISKS AND UNCERTAINTIES

The Plan invests in certain investment securities. The investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statement of net assets available for benefits-modified cash basis.

Investment options accounting for more than 10% of the Plan's total net assets available for benefits for the years ended December 31, 2024 and 2023 are as follows:

	2024		2023	
American Funds Infla Bd R6	N/A	N/A	\$ 1,276,879	10.87%
PIMCO Total Return Institutional Class	N/A	N/A	1,330,313	11.33%

### NOTE N – SECURE ACT 2.0

The SECURE ACT 2.0, also known as the Setting Every Community Up for Retirement Enhancement Act 2.0, was enacted into law on December 29, 2022, and is aimed at improving retirement savings opportunities for individuals. The provisions of the law are expected to have a profound impact on nearly every aspect of retirement plan administration.

Section 101 of the SECURE ACT 2.0 requires 401(k) plans to automatically enroll participants into the Plan upon reaching eligibility unless the employee opts-out, at a rate of at least 3 but no more than 10 percent, unless the employer has less than 10 employees, is a new business in operation for less than three years or is a church or governmental plan. However, all current 401(k) plans are grandfathered in from this requirement.

Under the SECURE Act 2.0, starting in 2024, if the taxpayer has income of at least \$145,000 for the year, a catch-up contribution must be treated as a Roth contribution. That means these funds are contributed with after-tax dollars, so they will not reduce current taxable income, but can be withdrawn tax-free in the future. The \$145,000 income threshold will also be indexed for inflation in future years.

Starting in 2025, a new special catch-up contribution is permitted for taxpayers who are between ages 60 and 63. That contribution limit will be equal to the greater of (1) \$10,000 or (2) 150% of the standard catch-up contribution limit for 2024. The \$10,000 limit will also be indexed for inflation. Once the taxpayer reaches age 64, the regular (lower) catch-up contribution limit applies.

COUNTY INSULATION COMPANY 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE N – SECURE ACT 2.0 (CONTINUED)

The SECURE ACT 2.0 increases the age thresholds for required minimum distributions (RMD's) from age 72 to age 73 as of January 1, 2023. It additionally increases the age threshold to age 75 as of January 1, 2033.

Furthermore, the legislation includes provisions aimed at expanding access to retirement savings plans for part-time employees. It seeks to make it easier for these individuals to participate in employer-sponsored plans, thus promoting greater retirement preparedness among a broader range of workers.

Further provisions of the SECURE ACT 2.0 will begin coming online in future plan years and their impact to the operation of 401(k) plans may be affected by future legislation.

NOTE O – SUBSEQUENT EVENTS

Management has reviewed and evaluated all subsequent events as of August 5, 2025, the date the financial statements were available to be issued and has determined there were no matters that require adjustment to or disclosure in the December 31, 2024 financial statements.
