REPORT OF INDEPENDENT AUDITORS

To the Plan Administrator and Participants of the
Cinemark USA, Inc. Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Cinemark USA, Inc. Plan and Trust (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (“ERISA Section 103(a)(3)(C) audit”). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certification from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (“GAAP”).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CINEMARK USA, INC. PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

A. Description of the Plan

Plan Description

The following description of the Cinemark USA, Inc. Plan and Trust (the “Plan”) provides only general information. The Plan is sponsored by Cinemark USA, Inc. (the “Company”). Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions. The Company’s corporate office is in Plano, Texas.

General

The Plan, which was established effective January 1, 1989, restated most recently effective July 1, 2024, is a defined contribution plan available to all employees of the Company who have attained age 21 and completed three months of service with the Company or certain predecessor employers as stated in the Plan. All employees of the Company are eligible to participate in the Plan, except for those employees covered by a collective bargaining agreement. Eligible employees may enter the Plan on the first day of each month. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Participants may elect to contribute up to 50% of their eligible compensation not to exceed the amount deductible for federal income tax purposes. All contributions are subject to limitations on annual additions and other limitations imposed by the Internal Revenue Code (the “Code”) as defined in the Plan document. Eligible participants may make a rollover contribution to the Plan.

Participants who are eligible to make salary deferral contributions under the Plan and who have attained age 50 before the close of the year may make catch-up contributions in accordance with, and subject to the limitations imposed by the Code.

The Company matched 100% of the first 6% of participants’ contributions in 2024 and 2023.

The Company may also make non-elective contributions and additional matching contributions at the discretion of the Compensation Committee of the Board of Directors of Cinemark Holdings, Inc., the Company’s parent. No such contributions were made during 2024 or 2023.

Participant Accounts

A separate account is maintained for each participant and is credited with the participant’s contributions, the Company’s matching contributions, and actual earnings or losses thereon.

CINEMARK USA, INC. PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS *(continued)*

A. Description of the Plan – continued

Forfeited Accounts

Forfeited balances of terminated participants' non-vested accounts may be applied to reduce the Company's matching contributions. Unallocated forfeiture account balances as of December 31, 2024 and 2023, were \$201,073 and \$188,839, respectively. No forfeitures were allocated to offset employer matching contributions for 2024 and 2023.

Vesting

Participants' contributions and employer matching contributions, plus actual earnings thereon, vest immediately.

Vesting in the Company's discretionary contributions, plus actual earnings thereon (collectively "Discretionary Amounts"), is as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

In the event of disability, early retirement, or death, the participant will become fully vested in these Discretionary Amounts.

Participant Loans

Participants are allowed to borrow from their accounts. The loan must be at least \$1,000 but cannot exceed the lesser of a) 50% of the participant's vested balance or b) \$50,000. Loans must be repaid through bi-weekly payroll deductions within five years of the disbursement, unless the funds are used for the purchase of a primary residence, in which case the term may be extended up to ten years. Interest rates ranged from 4.25% to 9.50% as of December 31, 2024 and 2023. Loans are classified as notes receivable from participants on the statement of net assets available for benefits.

Investment Options

Upon enrollment in the Plan, a participant may direct his/her contributions and the employer matching contributions into a variety of investment options, which vary in degree of risk, using any percentage allocation. Participants may change their investment options daily.

A. Description of the Plan – continued

Payment of Benefits

Upon termination of service due to death, disability, retirement, or termination of employment, a participant or designated beneficiary is entitled to receive the value of the participant's vested interest in the account as defined by the Plan. Payment shall be made as soon as practicable following the participant's actual termination of service. Payment of benefits to terminated participants with balances less than \$5,000 will automatically be distributed. The participant may elect to receive the distribution in a single lump-sum payment or to roll over the distribution to another retirement plan.

Certain in-service withdrawals are allowed. A participant may also elect to withdraw all or a portion of their vested account balance while employed after reaching age 59 ½. A participant may receive a hardship distribution from salary reduction contributions and rollover contributions if the distribution is: (1) on account of uninsured medical expenses incurred by the participant, their spouse or dependents; (2) to purchase (excluding mortgage payments) a principal residence of the participant; (3) for the payment of post-secondary tuition expenses for the participant, their spouse or dependents; (4) needed to prevent eviction of the participant from his or her principal residence or foreclosure upon the mortgage of the participant's principal residence; (5) burial or funeral expenses for the participant's parent, spouse, children or dependents; or (6) expenses for the repair of damage to the participant's principal residence caused by fire, storm, or other casualty, provided that the expenses qualify as a casualty loss on the participant's tax return.

Plan Expenses

Employees of the Company perform certain administrative functions with no compensation from the Plan. Generally, most Plan expenses are paid by the Company and are not reflected in the accompanying financial statements, but the portion of expenses paid directly by the Plan is reflected in the accompanying financial statements.

B. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of the financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

CINEMARK USA, INC. PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS (continued)

B. Summary of Accounting Policies – continued

Contributions

Contributions from the participants are accrued in the period in which they are withheld from the participants through payroll deductions and deducted in accordance with salary deferral agreements and obligations of the Company as determined by the Plan administrator.

Investment Valuation and Income Recognition

The investments of the Plan are stated at fair value as of the end of the year and are subject to market or credit risks customarily associated with equity investments. Fair value measurements are determined in accordance with GAAP, which defines fair value, establishes a framework for measuring fair value, and expands disclosures about assets and liabilities measured at fair value. See Note C for information related to the Plan's fair value methodologies under GAAP.

Investment gains and losses are accounted for using the average cost basis of the securities sold. The net realized and unrealized gains and losses on investments include realized gains and losses on sales of investments during the year and unrealized increases or decreases in the market value of investments held at year end. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participant Loans

Notes receivable from participant loans are reflected at the unpaid principal balance plus accrued interest.

Payment of Benefits

Benefits are recorded when paid to a participant or their beneficiary.

C. Fair Value Measurements

GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a three-tier hierarchy that is used to identify assets and liabilities measured at fair value. The hierarchy focuses on the inputs used to measure fair value and requires that the lowest level input be used. The three levels are as follows:

- Level 1 – observable inputs that are based upon quoted market prices for identical assets or liabilities within active markets.
- Level 2 – observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.

CINEMARK USA, INC. PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS (continued)

C. Fair Value Measurements – continued

- Level 3 – inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

GAAP requires disclosure of the methodologies used to measure the fair value of assets and liabilities. The methodology used to measure each major category of assets and liabilities is described below. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

- Mutual funds - Values based on quoted market prices of the underlying assets provided by the custodian of the Plan and are classified within Level 1 of the valuation hierarchy.
- Stable value fund - Composed primarily of fully-benefit responsive investment contracts that are valued at net asset value (“NAV”). The NAV is used as a practical expedient, in accordance with Accounting Standards Codification Topic 820, to estimate fair value.

The following table details the Plan’s investments at fair value by level, within the fair value hierarchy, as of December 31, 2024 and 2023.

	2024	2023
Mutual funds (Level 1)	\$ 197,772,004	\$ 172,483,320
Total investments in the fair value hierarchy	197,772,004	172,483,320
Investments measured at NAV ^(a)	13,719,164	14,835,569
Total investments at fair value	\$ 211,491,168	\$ 187,318,889

- ^(a) In accordance with GAAP, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The Plan has no assets or liabilities that are classified as Level 2 or Level 3 as of December 31, 2024 and 2023.

These items are classified in their entirety based on the lowest priority level of input that is significant to the fair value measurement. The assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the placement of assets and liabilities within the levels of the fair value hierarchy.

CINEMARK USA, INC. PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS (continued)

C. Fair Value Measurements – continued

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2024 and 2023. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2024</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>
Putnam Stable Value Fund	\$ 13,719,164	N/A	Daily	12 months
<u>December 31, 2023</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>
Putnam Stable Value Fund	\$ 14,835,569	N/A	Daily	12 months

D. Tax Status

The Company has adopted Empower Trust Company, LLC (formerly known as Great-West Trust Company, LLC) (the “Custodian”) Prototype Non-Standardized Profit Sharing Plan with CODA, which was approved by the Internal Revenue Service (“IRS”) in its most recent opinion letter dated June 30, 2020, for use by employers as a qualified Plan. This opinion letter states that the form of the prototype plan is acceptable under Section 401 of the Code. The Company may rely on this letter with respect to the qualification of the Plan under Code Section 401(a) with certain limitations.

Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Company believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified, and the related trust is tax exempt as of the financial statement date.

Plan management evaluates tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

CINEMARK USA, INC. PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS *(continued)*

E. Parties-in-Interest

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons.

The Plan invests in Putnam Fiduciary Trust Company common collective trusts. Putnam Fiduciary Trust Company acts as a trustee for only those investments as defined by the Plan. Transactions in such investments, as well as loans made to participants, qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. The Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

F. Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2024 and 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by the Custodian.

G. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA. In the event the Plan terminates, all amounts credited to participant's accounts will become 100% vested.

H. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

CINEMARK USA, INC. PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS (continued)

I. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31:

	2024	2023
Net assets available for benefits per the financial statements	\$ 215,976,693	\$ 191,169,007
Contributions receivable	(308,933)	(180,927)
Deemed loans	(594,083)	(571,472)
Net assets available for benefits per the Form 5500	\$ 215,073,677	\$ 190,416,608

The following is a reconciliation of the net increase in net assets available for benefits for the years ended December 31, 2024 and 2023, per the financial statements to the Form 5500:

	2024	2023
Net increase in net assets available for benefits per the financial statements	\$ 24,807,686	\$ 28,875,090
Prior year employer contributions receivable per the financial statements	180,927	253,544
Current year employer contributions receivable per the financial statements	(308,933)	(180,927)
Current year change in deemed loans	(22,611)	69,176
Net increase in net assets available for benefits per the Form 5500	\$ 24,657,069	\$ 29,016,883

The reconciling items noted above are due to the difference in the method of accounting used in preparing the Form 5500 as compared to the Plan's financial statements. The cash basis of accounting was used in 2024 and 2023 in preparing the Form 5500, whereas the Plan's financial statements have been prepared on the accrual basis of accounting as required by GAAP.

J. Subsequent Events

In preparing the accompanying financial statements, management of the Plan has evaluated all subsequent events and transactions for potential recognition or disclosure through September 23, 2025, the date the financial statements were available for issuance.
