**Part III Accountant's Opinion**

**3** Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

**a** The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1)  Unmodified (2)  Qualified (3)  Disclaimer (4)  Adverse

**b** Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1)  DOL Regulation 2520.103-8 (2)  DOL Regulation 2520.103-12(d) (3)  neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

**c** Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **SARDONE ROBINSON AND ASSOCIATES LLP**

(2) EIN: **16-1587614**

**d** The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1)  This form is filed for a CCT, PSA, DCG or MTIA. (2)  It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

**Part IV Compliance Questions**

**INDEPENDENT AUDITORS' REPORT**

To the Administrative Committee of  
T & L Automatics, Inc.  
Profit Sharing Plan  
Rochester, New York

*Opinion*

We have audited the accompanying financial statements of T & L Automatics, Inc. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of T & L Automatics, Inc. Profit Sharing Plan as of December 31, 2024 and 2023 and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

*Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of T & L Automatics, Inc. Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

*Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about T & L Automatics, Inc. Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness T & L Automatics, Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about T & L Automatics, Inc. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) is presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**NOTE 1      DESCRIPTION OF PLAN:**

The following description of T & L Automatics, Inc. Profit-Sharing Plan (the Plan), as restated in 2022 provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan consists of two parts: a discretionary non-integrated profit-sharing plan and a contributory 401(k) plan. It covers substantially all of T & L Automatics, Inc. employees. Employees are eligible to participate in the Plan when they have completed one year of service or 1000 hours of service and reached the age of 21. The employer may make discretionary contributions each year to the Plan at its discretion. The Plan also allows eligible employees to make salary deferrals to a 401(k) Plan on their behalf. The compensation used is based on regular earnings only.

Contributions:

After completing one year of service, all employees become eligible to make pretax contributions. All participants may make tax-deferred cash contributions of up to 100% of total compensation subject to applicable limits of the Internal Revenue Code. Compensation as defined in the plan excludes overtime and commissions.

The Company may contribute a discretionary amount to be allocated proportionately to each participant's account. The company declared a profit sharing contribution of \$98,457 and \$203,597 for years ended December 31, 2024 and 2023, respectively, and made the contribution in July of 2025 and March of 2024, respectively.

Participant Accounts:

Each participant's account is credited with an allocation of the Company's contribution and Plan earnings. Allocation of participant contributions, company contributions and forfeitures are based on compensation while allocation of plan earnings are based on participant account balance as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

The maximum contribution for the Plan is the total amount of the participant's contribution not to exceed 100% of the participant's salary or the annual Internal Revenue Service (IRS) contribution limit, whichever is less. The IRS contribution limit was \$23,000 and \$22,500 for the years ended December 31, 2024 and 2023, respectively. The catch-up contribution for participants over 50 years old was \$7,500 for both years.

**NOTE 1      *DESCRIPTION OF PLAN (Continued):***

Vesting:

Each participant's vesting percentage is determined under the following schedule and is based on vesting years of service:

| <u>Years of Service</u> | <u>Percentage</u> |
|-------------------------|-------------------|
| Less than 2             | 0                 |
| 2                       | 20                |
| 3                       | 40                |
| 4                       | 60                |
| 5                       | 80                |
| 6                       | 100               |

Regardless of the vesting schedule above, participants are always 100% vested in their salary reduction amounts contributed to the Plan.

Payment of Benefits:

Upon termination of service, a participant has the following options: lump sum rollover into a qualified Plan; lump sum distribution; installment payments; or deferred distribution until a later date or age 72 if the account is over \$5,000. In the event of a Participant's death, the balance in the participant's account is paid to the participant's beneficiaries.

**NOTE 2      *SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:***

Basis of Accounting:

The Plan maintains its accounting records and financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investments:

The investments are recorded at fair market value as determined by quoted market prices of securities held in the funds. The unrealized appreciation or depreciation of the investments based upon the quoted market value at December 31, 2024 and 2023 is recorded as an increase or decrease in net assets available for benefits.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**  
**(SEE INDEPENDENT AUDITORS' REPORT)**

**NOTE 2      *SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued):***

Accounts Forfeited:

Participants who terminate employment prior to the vesting of the employer non-elective contribution to their retirement accounts forfeit such contributions. The forfeited amount is then allocated to all participants based on the proportion that each participant's compensation for the year bears to the compensation of all participants for the year.

Payment of Benefits:

Benefits are recorded when paid.

Administrative Expenses:

Administrative expenses may be paid by the Company or by the Plan's assets.

**NOTE 3      *RISKS AND UNCERTAINTIES:***

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market credits, foreign currency, custodial credit, and concentration of credit risks. Due to level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially offset participants' account balances and the amounts reported in the statement of net assets available for benefits.

Foreign Currency Risk:

Foreign currency risk is the risk that changes in exchange rates may occur that could adversely affect the fair value of the investment. The Plan allows participants the option of purchasing investments that invest outside of the United States which would increase the investment foreign currency risk.

Custodial Credit Risk:

Custodial credit risk is the risk that, in the event of a bank failure, the Plan's deposits may not be returned to it. Deposits are exposed to custodial credit risk if they are not covered by depository insurance and that deposits are (a) uncollateralized, (b) collateralized with securities held by the pledging financial institution, or (c) collateralized with securities held by the pledging financial institution's trust department or agent by not in the Plan's name. All deposits of the Plan are held on behalf of the Plan by the Plan custodian in accordance with the formal deposit policy for the custodial credit risk and are not exposed to custodial credit risk.

**DECEMBER 31, 2024 AND 2023**  
**(SEE INDEPENDENT AUDITORS' REPORT)**

**NOTE 3     *RISKS AND UNCERTAINTIES (Continued):***

Concentration of Credit Risk:

Concentration of credit risk is the risk of loss attributed to the magnitude of the Plan's investment in a single issuer. The Plan's investments are managed by several fund managers. The concentration of investments is determined by participants' elections to invest in the available investment options as selected by the Plan Sponsor and its advisers. Since all investments are participant directed, all risks exist at the participant level. Each individual within the Plan has the ability to liquidate his/her position on demand and has responsibility to manage his/her exposure to fair value loss.

**NOTE 4     *INVESTMENTS:***

The investments in the Plan include money market funds and mutual funds, with American Funds. The investments' market value was \$10,220,047 and \$9,273,748 at December 31, 2024 and 2023, respectively.

FASB ASC 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

**Level 1** – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2** – Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation, or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3** – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023  
(SEE INDEPENDENT AUDITORS' REPORT)**

**NOTE 4 INVESTMENTS (Continued):**

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Mutual funds and money market funds:* Valued at the daily closing price as reported on the active market on which the individual securities are traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023.

**NOTE 5 PLAN TERMINATION:**

Although it has not expressed intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will become 100% vested in their employer contribution.

**NOTE 6      *TAX STATUS:***

The Internal Revenue Service has determined and informed the Company by a letter dated June 2020 that the Plan is designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believe that the Plan is qualified.

Accounting principles generally accepted in the United State of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 7      *RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS:***

The Company, the participants and the Trustee have all been identified as parties-in-interest. The Plan invests in shares of mutual funds and money markets managed by the Trustee. Transactions in such investments qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. Participant loans also qualify as party-in-interest and related party transactions, which are exempt from the prohibited transaction rules. Certain administrative expenses of the Plan are paid by the Company and qualify as party-in-interest transactions. The Company has a Master Service Agreement with the Trustee. The Plan pays for the services of the Trustee through net fees charged to the participants in the Plan.

**NOTE 8      *SECURE ACT 2.0:***

On December 29, 2022, the Consolidated Appropriations Act of 2023 was signed into law, which includes the package of retirement provisions referred to as "SECURE 2.0". These provisions continue the themes and reforms that began with the 2019 SECURE Act, focusing on getting more participants into the retirement system and finding ways for them to accumulate more assets. These changes have various effective dates starting in 2023 and forward. Since the provisions include both required and optional elements, the Plan administrator will determine the optional provisions to elect.
