Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **URISH POPECK & CO., LLC**

(2) EIN: **25-1306171**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

| | Yes | No | Amount |
|--|-----|----|---------|
| a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.) | | X | |
| b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Independent Auditor's Report

To the Plan Administrator of the
Covestro LLC Savings and Retirement Plan
Pittsburgh, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Covestro LLC Savings and Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and

- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report

To the Plan Administrator of the
Covestro LLC Savings and Retirement Plan
Pittsburgh, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Covestro LLC Savings and Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and

- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COVESTRO LLC SAVINGS AND RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

1 Description of Plan

The following description of the Covestro LLC Savings and Retirement Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the plan document or the summary plan description for more complete information.

1.1 General

The Plan is a defined contribution savings plan available to union and non-union employees of Covestro, LLC (the “Company”). The Company is responsible for the administration of the Plan. The Vanguard Fiduciary Trust Company (“Vanguard”) is the trustee of the Plan.

The Company is the plan sponsor of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

1.2 Contributions

The Company matches a percentage of employee contributions, as defined by the Plan, as company matching contributions. The Company matches one hundred percent of the first three percent and fifty percent of the next four percent of eligible compensation that a participant contributes to the Plan.

Additionally, the Company contributes five percent of eligible compensation, as defined by the Plan, as retirement contributions. Certain members of the Plan are entitled to additional retirement contributions, as defined by the Plan. As such, employees who are participants in the Covestro LLC Pension Plan may qualify for an additional retirement contribution in addition to the retirement contributions of the Plan based upon their participation, age and years of benefit service.

For union employees, the Company’s matching and retirement contributions, if any, are made pursuant to the terms of the applicable collective bargaining agreements.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Contribution percentages auto escalate by 1% each year if a participant does not change the contribution percentage from their default percentage.

1.3 Participant Accounts

Each participant’s account is credited with the participant’s contribution and an allocation of the Company’s contribution and Plan earnings less administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

COVESTRO LLC SAVINGS AND RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

Employees may elect to contribute up to thirty percent of their compensation in the form of pre-tax contributions. Roth 401(k) contributions are permitted by the Plan. Employees who attain age 50 by December 31 and who meet other eligibility criteria are able to make additional "catch-up" contributions to the Plan. The maximum catch-up contribution amount is \$7,500 for the years ended December 31, 2024 and December 31, 2023. Employee contributions include rollover amounts from other qualified pension plans.

Each participant can elect to have their employee contributions, the matching employer contributions and retirement contributions invested in any of the available investment options in whole-numbered increments of one percent. This election may be changed daily with proper notification.

Participants may elect to enroll in a fee-based investment advisory program offered by an affiliate of the trustee. Fees are based on a percentage of assets of the participants' account (See Note 5).

1.4 Vesting

Vesting service is used to determine if the participant is entitled to receive any benefits from the Plan when leaving the company. Participants are immediately vested in their contributions and company matching contributions plus actual earnings thereon.

Vesting in the Company's retirement contribution portion of participant accounts is based upon years of vesting service. The Company's retirement contributions fully vest after three years of vesting service with the Company.

1.5 Benefit Payments and Forfeitures

The Plan provides for withdrawals of after-tax savings contributions during a participant's employment. A participant may at any time make a voluntary withdrawal from all or any part of the participant's after-tax contributions account, including earnings on such amounts. There is a Plan provision for withdrawals caused by a break in service by reason other than retirement, permanent shutdown, total and permanent disability or death.

Forfeitures by non-vested participants are used to reduce employer contributions. The forfeited balances as of December 31, 2024 and 2023 were \$44,204 and \$12,958, respectively. Forfeitures used to reduce employer contributions for the years ended December 31, 2024 and 2023 were \$287,292 and \$346,923 respectively.

Upon termination of employment with the Company, retirement or disability, participants or the named beneficiary(ies) (in the event of death) with an account balance greater than \$5,000 as of February 29th, 2024 or \$7,000 as of March 1st, 2024 are given the options to have their vested account balance remain in the Plan. The accounts of terminated participants with account balances from \$1,000 to \$5,000 / \$7,000 that do not elect a lump-sum payment or a rollover to a qualified retirement plan or individual retirement account will be automatically rolled into an individual retirement account. Terminated participants with account balances less than \$1,000 automatically

receive a lump-sum cash payment. Terminated participants' accounts totaled \$273,440,448 and \$231,521,613 as of December 31, 2024 and 2023, respectively.

1.6 Notes Receivable – Participant Loans

Participants may borrow from their account a minimum of \$1,000 and a maximum equal to the lesser of: 1) \$50,000 minus the highest outstanding balance of loan(s) from the Plan during the one year period ending on the day the loan was made minus the current outstanding balance on any other plan loans or 2) fifty percent of their vested and non-forfeitable portion of the member's account at the relevant time. A participant may have a maximum of three loans outstanding at any one time. The loans bear interest at rates that range from approximately 3.25 percent to 8.5 percent, which are commensurate with the prevailing rate of interest charged by persons in the business of lending money for similar loans as determined by the plan administrator. Principal and interest is generally paid ratably through monthly payroll deductions.

Participant loans are valued at the unpaid principal balance plus unpaid accrued interest, which approximates fair value.

1.7 2024 Plan Amendment and Restatement

The S&RP document was updated on January 1st, 2024 to incorporate all Plan amendments and update financial values and age requirements to 2024 standards. Specific updates were made to several key sections including, forfeitures or cashouts (see note 1.5), minimum distributions and minimum contributions in certain situations under the top-heavy provisions article (See Note 6).

2 Summary of Significant Accounting Policies

2.1 Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis and in accordance with accounting principles generally accepted in the United States of America.

2.2 Valuation of Investments and Income Recognition

The investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Investment transactions are recorded on the trade date basis. Net appreciation (depreciation) in the fair value of investments is comprised of the unrealized appreciation (depreciation) on investments held during the year and the realized gain (loss) on investments sold during the year (which is computed using the average cost method based on the beginning market value). Dividend income is recorded on the ex-dividend date and interest is accrued when earned.

2.3 Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Significant estimates of the Plan include the valuation of investments. Actual results could materially differ from those estimates.

2.4 Risks and Uncertainties

The Plan invests in various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term. As such, changes could materially affect the amounts reported in the statements of net assets available for benefits.

2.5 Payment of Benefits

Benefits are recorded when paid.

2.6 Plan Expenses

Certain administrative expenses incurred in the operation of the Plan are paid directly by the Company and are not reflected in the accompanying financial statements.

2.7 Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan in certain circumstances to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, all account balances are fully vested, non-forfeitable and would be distributed to participants, as defined by the Plan, within a reasonable time following termination.

2.8 Concentrations of Credit Risk

The following table reflects concentrations of individual investments within the plan that were equal to or greater than 10 percent of the total plan net assets:

| December 31, | 2024 | 2023 |
|--|--------|--------|
| Vanguard Institutional 500 Index Fund | 23.27% | 20.99% |

3 Certification of Financial Information

Certain information related to investments and notes receivable from participants are disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation (depreciation) in fair value of investments, dividend and interest income from mutual funds, dividend and interest income from collective trust fund, and interest from participant notes receivable for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Vanguard Fiduciary Trust Company (a qualified institution and the trustee of the Plan). The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

At the request of the plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

1 Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below.

Basis of Fair Value Measurement:

- Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.
- Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly.

COVESTRO LLC SAVINGS AND RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

- Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value:

- Mutual Funds:

Mutual fund investments are reported at fair value. Fund fair values are based on the quoted daily net asset value (NAV) of the respective investment fund. The mutual funds consist of various domestic equity, fixed income, and international index funds, among others, as disclosed in Note 3.1.

- Common/Collective Trust Funds:

The common/collective trust funds consist of indirect investments in the Vanguard Retirement Savings Trust III (the "Trust Fund"), the Loomis Sayles Core Plus Trust Fund, Class C (the "Loomis Sayles Fund"), the Vanguard Target Retirement Trusts (the "Retirement Funds"), the Vanguard Institutional 500 Index Trust (the "Index Fund"), the Vanguard Institutional Extended Market Index Trust (the "Extended Market Fund"), the Vanguard Institutional Total Bond Market Index Trust (the "Bond Fund"), and the Vanguard Institutional Total International Stock Market Index Trust (the "International Fund"). The common/collective trust funds are valued utilizing the NAV practical expedient. There are no unfunded commitments, or redemption restrictions related to the common/collective trust funds, except for in limited circumstances a 30-day waiting period could be applied after redemption.

The Trust Fund is diversified among high-credit-quality investments and investment contracts that are structured to smooth market gains and losses over time, while maintaining a stable \$1 unit price. The Trust Fund invests in a combination of synthetic contracts backed by Vanguard bond funds, traditional investment contracts backed by major insurance providers, and bank contracts. The strict credit guidelines require that traditional investment contracts be rated at least AA. The Trust Fund is a conservative savings option that falls between a money market fund and short-term bond fund, with income historically comparable to a short-term bond fund.

The Retirement Funds are designed to transition to a more conservative investment portfolio over time. The Index Fund is designed to track the performance of the Standard & Poor's 500 Index, an index measuring U.S. large capitalization stocks. The Extended Market Fund is designed to track the performance of the Standard and Poor's Completion Index, a broadly diversified index measuring U.S. small- and mid- capitalization stocks. The Bond Fund is designed to track the performance of the Bloomberg U.S. Aggregate Float Adjusted Bond

COVESTRO LLC SAVINGS AND RETIREMENT PLAN

Index, a broad U.S. market-weighted bond index. The International Fund is designed to track the performance of the FTSE Global All Capitalization ex U.S. Index, a free-float-adjusted market-capitalization-weighted index that measures the investment return of stocks issued by companies located in developed and emerging markets, excluding the United States.

The Loomis Sayles Fund seeks to outperform the Barclays Capital US Aggregate Bond Index while maintaining a benchmark-aware risk return objective. Additionally, portfolio guidelines are broad which offers investment flexibility. However, investment ideas are evaluated on a basis of return potential and portfolio risk. Investment options may include mortgage-backed securities, asset-backed securities, investment grade corporate bonds, high yield corporate bonds, emerging markets debt, non-US dollar bonds, convertibles and preferred stock.

The methods described above may provide a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. While the Plan believes its valuation methods are appropriate and consistent with other market participants, it is possible that different fair value measurements may arise due to the use of different methodologies or assumptions in determining the fair value measurement at the reporting date.

Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the valuation methodologies used as of December 31, 2024 and 2023.

The following tables set forth by level, within the fair value hierarchy, the Plan investment assets at fair value as of December 31, 2024 and 2023. As required by ASC 820, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan had no material financial liabilities as of December 31, 2024 and 2023.

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

5 Related Party Transactions

The Plan's assets are invested in funds managed by Vanguard, who is the trustee of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to Vanguard or its affiliates for years ended December 31, 2024 and December 31, 2023 were \$797,807 and \$546,529, respectively. These fees consist of investment management fees and do not include loan origination fees totaling \$18,165 and \$21,760 for the years ended December 31, 2024 and December 31, 2023, respectively, as loan origination fees are included in gross loan withdrawals.

Loan, redemption and reissued check fees are specifically charged to the participant's account. If a participant elects to enroll in the fee-based advisory program, fees are based on the enrolled participant's account balance and directly charged to their account (See Note 1.3).

6 Tax Status

The Plan is intended to be a qualified retirement plan under Section 401(a) of the Internal Revenue Code (the Code) and includes a cash or deferred arrangement under Section 401(k) of the Code. The Plan document was restated effective January 1, 2024 to comply with applicable regulatory updates and maintain its qualified status. Although the Plan has not received a new determination letter from the Internal Revenue Service, the Plan administrator believes that the Plan, as restated, is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the relevant taxing authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress or no uncertain tax positions
