INDEPENDENT AUDITORS' REPORT

**To the Trustees and Plan Administrators
Clair Global Corporation 401(k) Plan
Lititz, Pennsylvania**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed the audits of the accompanying financial statements of Clair Global Corporation 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Clair Global Corporation 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Clair Global Corporation 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance, and therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Clair Global Corporation 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Clair Global Corporation 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Part IV Line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2024 and Schedule H, Part IV Line 4j - Schedule of Reportable Transactions for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Clair Global Corporation 401(k) Plan

Notes to Financial Statements

Years Ended December 31, 2024 and 2023

NOTE A - DESCRIPTION OF PLAN

The following description of the Clair Global Corporation 401(k) Plan (the Plan) provides only general information. The Plan was originally established in 1976 and amended and restated thereafter. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General and Eligibility Requirements

The Plan is a defined contribution plan covering substantially all full-time employees of Clair Global Corporation and the participating employer Rock Lititz Properties, LP (collectively, the Company), excluding temporary employees, of the Company who have attained the age of 18. There is no service requirement for employee deferrals; however, one year of service is required for employer contributions. Employees are credited with a year of service for each Plan year during which they have at least 1,000 hours of service. Additionally, the Plan allows for all employees of entities acquired by the Company to be immediately eligible to participate in the Plan with their service years from the acquired entity to count towards service in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Management of the Company is responsible for oversight of the Plan. The Plan's administrators determine the appropriateness of the Plan's investment offerings and monitors investment performance.

Acquisitions and Transfers in of Plan Assets

In December 2023, in conjunction with the Company's acquisition of Southern California Sound Image, Inc., the employees of Southern California Sound Image entered the Plan, and approximately \$9,200,000 of participant assets were transferred into the Plan.

Contributions

Each year, participants may contribute up to 100 percent of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an automatic enrollment provision, whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect a different deferral rate. The deferral rate was 6 percent of eligible compensation for automatically enrolled participants.

Under current provisions of the Plan, the Company may make a discretionary matching contribution to all qualifying participants, which the Company determines from year to year. For the years ended December 31, 2024 and 2023, the Company has elected to make a discretionary matching contribution of 50 percent of a participant's elective deferrals up to a maximum of 3 percent. The matching Company contribution is invested as directed by the participant. Discretionary matching contributions made by the company amounted to \$2,572,969 and \$1,889,125 as of December 31, 2024 and 2023, respectively. The Company may make a discretionary safe harbor employer contribution to the Plan equal to 3% of Plan compensation for eligible employees. The Company did not make a discretionary safe harbor employer contribution to the Plan for the years ended December 31, 2024 or 2023. An additional discretionary profit-sharing contribution amount may be contributed at the option of the Company. The Company did not make any discretionary profit-sharing contributions to the Plan for the years ending December 31, 2024 or 2023.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Clair Global Corporation 401(k) Plan

Notes to Financial Statements

Years Ended December 31, 2024 and 2023

NOTE A - DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company discretionary matching contributions, as well as allocations of the Company's discretionary safe harbor employer contribution and discretionary profit-sharing contribution, if applicable, and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and discretionary safe harbor contributions, plus actual earnings on the contributions. Vesting in the Company's discretionary matching contribution and discretionary profit-sharing contribution portion of their accounts is based on years of continuous service following a six-year vesting schedule as follows:

<u>Years of Service</u>	
<i>Less than Two Years</i>	0%
<i>Two Years</i>	20%
<i>Three Years</i>	40%
<i>Four Years</i>	60%
<i>Five Years</i>	80%
<i>Six Years</i>	100%

A participant becomes fully-vested upon attainment of normal retirement age, upon disability, upon death, or upon termination of the Plan.

Notes Receivable from Participants

Effective January 1, 2016, no new loans were permitted in the Plan, except for outstanding loans converted into Plan as part of acquisitions. Prior to 2016, participants were able to borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. The interest rates are determined based on local commercially reasonable interest rates for the geographical region in which the participant lives. Principal and interest are paid ratably through bi-weekly payroll deductions.

As noted above, the employees of Southern California Sound Imagine, Inc. entered the Plan on December 29, 2023, and the assets from their previous plans were rolled into the Plan, including outstanding loans. These loans will continue to be repaid ratably through payroll deductions.

Payment of Benefits

On termination of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account if their account balance exceeds \$5,000. The portion of the participant's account to which they are not vested is a "forfeiture" and allocated to restore participants' forfeitures, if applicable, and the remaining is allocated as a reduction of future employer matching contributions or operational and administrative expenses.

Hardship withdrawals are allowed from all vested account balances in the event of financial hardship at the discretion of the Plan Administrator.

Notes to Financial Statements

Years Ended December 31, 2024 and 2023

NOTE A - DESCRIPTION OF PLAN (Continued)

Payment of Benefits (Continued)

In-service withdrawals of a participant's elective deferrals and vested employer contributions are permitted after the participant has obtained age 59½. Rollover contributions are available for in-service withdrawals at any time.

If the participant's vested account balance is less than \$5,000, the vested account balance is paid out in the form of a lump sum distribution upon their termination. Rollover portions of the account is excluded in determining the \$5,000 amount. In the event of a mandatory distribution greater than \$1,000, the Plan administrator will pay the distribution in the form of a direct rollover to an individual retirement arrangement account designated by the Plan administrator, if the participant does not elect a direct rollover or lump sum distribution.

Forfeited Accounts

At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$83,268 and \$25,474, respectively. These accounts will be used to restore participants' forfeitures, if applicable. Remaining forfeitures are then used to reduce the future employer contributions or operational and administrative expenses. In 2024 and 2023, employer contributions were reduced by \$25,474 and \$9,292, respectively, from forfeited non-vested accounts.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting. Contributions from employees are recorded in the period in which the Company makes the authorized payroll deductions from Plan participants.

Use of Estimates

The preparation of financial statements in accordance with the accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Years Ended December 31, 2024 and 2023

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits

Benefits are recorded when paid.

Employer Contributions

Employer contributions to the Plan are recognized in the period for which the Plan sponsor has made a formal commitment to fund such amounts for the period. Contributions receivables include legal or contractual requirements for the employer to make contributions applicable to past periods.

Expenses

Certain expenses incurred maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Transactional fees and charges which are attributable to a specific participant's account are deducted directly from that account. Investment related expenses are included in net appreciation in fair value of investments.

The Plan received miscellaneous receipts, including, but not limited to, payments from mutual funds, rebates of 12b-1 fees, service fees, sub-transfer agent fees, commission recaptures, and similar payments from third parties through an agreement with the trustee. Such amounts are used to offset Plan operating expenses. During 2024 and 2023, administrative maintenance charges paid from the miscellaneous receipts amounted to \$126,529 and \$92,734, respectively. The amounts are included in net appreciation in fair value investments and administrative expenses in the Statements of Changes in Net Assets Available for Benefits.

NOTE C - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets in active markets;
- Quoted prices for identical or similar assets in inactive markets;
- Inputs other than quoted prices that are observable for the asset; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the assets have a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 or 2023.

NOTE C - FAIR VALUE MEASUREMENTS (Continued)

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust: Valued at the net asset value (NAV) of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value measurements at December 31, 2024 and 2023. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Investments at Fair Value as of December 31, 2024	
	<u>Level 1</u>	<u>Total</u>
<i>Mutual Funds</i>	\$ <u>106,798,570</u>	\$ <u>106,798,570</u>

* Certain investments that are measured at fair value using the NAV per share practical expedient have not been categorized in the fair value hierarchies. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchies to the amounts presented in the statement of net assets available for benefits.

** The fund files an annual form 5500 as a direct filing entity.

NOTE D - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Administrative maintenance charges are paid to the trustee based on the closing market value of the mutual funds in the Plan's trust. These fees amounted to \$284,366 and \$205,570 for the years ended December 31, 2024 and 2023, respectively. Plan audit fees included in administrative expenses amounted to \$22,000 and \$20,700 for years ended December 31, 2024 and 2023, respectively. These are considered related party and party-in-interest transactions.

The Plan has issued loans to participants, which are secured by the participant's account balances. These are considered party-in-interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE E - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE F - TAX STATUS

The Plan operating under an adoption agreement of the prototype defined contribution plan document prepared by Fulton Financial Advisors. The IRS stated in an opinion letter dated June 30, 2020 that the prototype plan document was designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

Notes to Financial Statements

Years Ended December 31, 2024 and 2023

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE H - INFORMATION CERTIFIED BY TRUSTEE

Certain information disclosed in the accompany financial statements and ERISA-related supplemental schedules, including investments and notes receivable from participants held as of December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2024 and 2023, was obtained by management agreed to and derived from information certified as complete and accurate by Matrix Trust Company, the trustee of the Plan, for the year ended December 31, 2024 and for the period July 1, 2023 to December 31, 2023, and from Fulton Financial Advisors for the period January 1, 2023 to June 30, 2023.

NOTE I - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 30, 2025, the date the financial statements were available to be issued. There were no material subsequent events that require recognition or additional disclosure in these financial statements.
