INDEPENDENT AUDITOR'S REPORT

**To the Participants and Administrator of
Criterion Systems 401(k) & Profit Sharing Plan
Vienna, Virginia**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Criterion Systems 401(k) & Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Criterion Systems 401(k) & Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Emphasis of Matter

As discussed in Note F, the Company terminated the Plan effective December 31, 2024, and all plan assets were transferred to the successor company's plan on January 2, 2025. Our opinion is not modified with respect to this matter.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Criterion Systems 401(k) & Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Criterion Systems 401(k) & Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Criterion Systems 401(k) & Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Criterion Systems 401(k) & Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Criterion Systems 401(k) & Profit Sharing Plan

NOTES TO FINANCIAL STATEMENTS for Years Ended December 31, 2024 and 2023

NOTE A - DESCRIPTION OF PLAN

The following description of Criterion Systems L.L.C. (the Company), Criterion Systems 401(k) & Profit Sharing Plan (the Plan) provides only general information. Readers of these financial statements should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan with 401(k) salary deferral provisions covering substantially all eligible employees who have attained the age of 18 years. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may elect to defer a portion of pretax or post-tax eligible compensation into the Plan, up to the maximum allowed by the Internal Revenue Code. In addition, the Plan allows for catch up contributions by employees aged 50 years and older before the end of the Plan year. Participants may also contribute amounts representing distributions from other qualified plans, as defined in the Plan's provisions as rollover contributions. The Plan also includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled at 6% unless they affirmatively opt out. The Plan also includes an auto escalation of 1% per year up to a maximum of 8% deferral. Participant contributions are invested in a designated balanced fund until changed by the participant.

The Company, may at its discretion, contribute to the Plan a flexible discretionary matching contribution, and/or a discretionary non-elective contribution, which can be specific to business unit or location. For the years ended December 31, 2024 and 2023, the Company elected to match contributions equal to 50% of participant contributions, up to the first 8% of eligible compensation. For the Intelligence Solutions Business Unit, the Company elected to match contributions equal to 100% of participant contributions, up to the first 6% on 75% of eligible compensation. For the years ended December 31, 2024 and 2023, the Company made matching contributions, net of forfeitures of \$1,707,974 and \$2,052,608, and discretionary non-elective contributions of \$138,348 and \$274,803, respectively.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's discretionary contribution, Plan earnings, losses, and Plan expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the vested balance in the participant's account and bear interest at rates ranging from 4.25% to 9.5% and mature through December 2029. Loan terms range from one to five years except for the purchase of a primary residence. Principal and interest are paid ratably through semi-monthly payroll deductions.

Criterion Systems 401(k) & Profit Sharing Plan

NOTES TO FINANCIAL STATEMENTS for Years Ended December 31, 2024 and 2023

NOTE A - DESCRIPTION OF PLAN (continued)

Vesting

Participants are immediately vested in their contributions and rollover contributions, plus actual earnings thereon. Effective January 1, 2023, the Plan was amended to reflect immediate 100% vesting of all employer matching and nonelective contributions for employees with at least 1 hour of service on or after January 1, 2023. In addition, participants become 100% vested in the case of death, permanent disability or upon attaining the age of 65.

Forfeited Accounts

Forfeited unused balance at December 31, 2024 and 2023 totaled \$62,145 and \$24,637, respectively. The forfeited accounts may be used at the discretion of the Company to reduce Company contributions or to pay administrative fees incurred by the plan. For plan years ended 2024 and 2023, forfeited accounts were used to reduce Company contributions by \$67,600 and \$130,649, respectively.

Payment of Benefits

On termination of service, death, or retirement, a participant is entitled to receive a distribution of the full amount in that participant's salary reduction and rollover contributions as well as his vested interest in the Company's contribution.

Upon termination of service, if the vested value of a participant's account is less than \$1,000, his or her account will be distributed in a single lump-sum payment at the Company's discretion. If the vested value of a participant's account exceeds \$1,000, he or she may elect to receive either a lump-sum amount or elect to have all of the distribution paid in a direct rollover to another qualified plan, or a combination of the above. Hardship distributions are not permitted by the Plan.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared using the accrual basis of accounting where revenues are recognized when earned and expenses are recognized when incurred. The accrual basis of accounting conforms to accounting principles generally accepted in the United States.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

All the Plan's invested assets are held at Reliance Trust Company, which invests funds based on the recommendations of each fund's manager. Investments are reported at fair value. Fair value is the sale price that would be received to sell an asset or price paid to transfer a liability in a typical transaction between market participants at the date of measurement. Plan management assesses and establishes the Plan's valuation policies using information provided by the custodians of the investments. See Note I for discussion of fair value measurements. Investment assets, transactions, and income as presented in the financial statements and supplemental schedule were certified by the trustees to be complete and accurate.

Criterion Systems 401(k) & Profit Sharing Plan

NOTES TO FINANCIAL STATEMENTS for Years Ended December 31, 2024 and 2023

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's realized and unrealized gains and losses on investments bought and sold, as well as held, during the year.

Participant Loans

Participant loans in the Plan are recognized when granted to eligible plan participants. The Plan recognizes these loans as assets on its balance sheet. Participant loans are initially measured at the principal amount disbursed to the participant and are subsequently measured based on the amortization of the loan balance. Interest is recognized using the effective interest rate method over the life of the loan.

Plan Expenses

Either the Plan or the Plan sponsor, as provided in the Plan document, pays administrative expenses of the Plan.

Payment of Benefits

Benefits are recorded when paid.

NOTE C - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company has certified that the following data included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate. Investments certified by the trustee totaled \$55,848,775 and \$52,745,267 as of December 31, 2024 and 2023, respectively. Investment gain totaled \$7,178,456 for the year ended 2024.

NOTES TO FINANCIAL STATEMENTS for Years Ended December 31, 2024 and 2023

NOTE D – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The accompanying financial statements are prepared in conformity with U.S. generally accepted accounting principles (“GAAP”), while Form 5500 is prepared on a cash basis of accounting. As described in Note F, the Company approved the termination of the Plan effective December 31, 2024. Accordingly, under GAAP, all plan assets were accrued as a payable to the successor company’s plan as of December 31, 2024, and net assets available for benefits were reported as \$0. However, because the final transfer of assets was not completed until January 2, 2025, the Form 5500, including the Schedule of Assets Held for Investment Purposes, continues to reflect investments held by the Plan as of December 31, 2024.

The following is a reconciliation of net assets available for benefits per the accompanying financial statements to Schedule H of Form 5500 as of December 31:

	2024	2023
Net assets available for benefits per the financial statements	\$ 0	\$ 53,180,126

Change in employer contributions receivable	202,251	
Net increase per Schedule H of Form 5500	\$ 3,134,255	

NOTE E - RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by T. Rowe Price. T. Rowe Price is the Plan recordkeeper as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing rather than a direct payment.

Criterion Systems 401(k) & Profit Sharing Plan

NOTES TO FINANCIAL STATEMENTS for Years Ended December 31, 2024 and 2023

NOTE F - PLAN TERMINATION AND TRANSFER OF ASSETS

Plan Termination

On July 18, 2024, the Company approved the termination of the Plan, effective December 31, 2024. In accordance with the termination provisions, all participant account balances were liquidated and transferred to a successor plan on January 2, 2025. As a result, no assets remained in the Plan after that date.

Subsequent Contributions

Although the Plan year ended December 31, 2024, employee deferrals and employer matching contributions relating to payroll period December 16 through December 31, 2024, paid on January 10, 2025, were remitted directly to the successor plan and are not reflected in these financial statements. Accordingly, no contributions receivable are recorded as of December 31, 2024.

Payable to Successor Plan

At December 31, 2024, the Plan reported a liability to transfer remaining net assets to the successor plan. This amount was fully distributed to the successor plan on January 2, 2025.

NOTE G - TAX STATUS

The Internal Revenue Service has determined and informed the Company by letter that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan adopted the provisions of Statement of Financial Accounting Standard ASC Topic 740, *Income Taxes* (ASC 740). ASC 740 prescribes a comprehensive model for recognizing, measuring, presenting, and disclosing in the financial statements tax positions taken or expected to be taken on a tax return, including positions that the Plan took since issuance of ASC 740. The adoption of ASC 740 resulted in no changes to the Plan's beginning balances and net assets available for benefits.

With few exceptions, the Plan is no longer subject to income tax examination by the U.S. Federal, state, or local tax authorities for years beyond the three previous years.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

Criterion Systems 401(k) & Profit Sharing Plan

NOTES TO FINANCIAL STATEMENTS for Years Ended December 31, 2024 and 2023

NOTE I - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual Funds

These funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are generally open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Funds

The Plan's investments in money market funds are valued at the NAV of shares held by the Plan at year end based upon quoted market prices.

Criterion Systems 401(k) & Profit Sharing Plan

NOTES TO FINANCIAL STATEMENTS for Years Ended December 31, 2024 and 2023

NOTE I - FAIR VALUE MEASUREMENTS (continued)

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit as of December 31, 2024.

	<u>Fair Value</u>	<u>Quoted Prices In Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>
Mutual funds	\$ 53,706,276	\$ 53,706,276	\$ 0	\$ 0
Money market funds	<u>1,490,589</u>	<u>1,490,589</u>	<u>0</u>	<u>0</u>
Investments at fair value	<u>\$ 55,196,865</u>	<u>\$ 55,196,865</u>	<u>\$ 0</u>	<u>\$ 0</u>

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit as of December 31, 2023.

	<u>Fair Value</u>	<u>Quoted Prices In Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>
Mutual funds	\$ 49,873,201	\$ 49,873,201	\$ 0	\$ 0
Money market funds	<u>2,305,777</u>	<u>2,305,777</u>	<u>0</u>	<u>0</u>
Investments at fair value	<u>\$ 52,178,978</u>	<u>\$ 52,178,978</u>	<u>\$ 0</u>	<u>\$ 0</u>

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the end of the reporting period.

Total amount of gains and losses (realized and unrealized) included in the statement of changes in net assets available for benefits for the year ended December 31, 2024 are reported in net change in fair value of investments.

The Plan evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2024, there were no significant transfers into or out of Levels 1, 2 or 3.

Criterion Systems 401(k) & Profit Sharing Plan

NOTES TO FINANCIAL STATEMENTS for Years Ended December 31, 2024 and 2023

NOTE J - SUBSEQUENT EVENTS

The Plan adopted Statement of Financial Accounting Standard ASC Topic 855, Subsequent Events (ASC 855). ASC 855 establishes general standards of accounting for and disclosure of events that occur after the balance sheet date but before the financial statements are issued or are available to be issued.

The Plan has evaluated subsequent events through September 22, 2025, the date the financial statements were available to be issued. Subsequent to year-end, the Plan completed the transfer of all remaining assets to the successor company's plan on January 2, 2025.
