INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of
Lower East Side Tenement Museum 403(b) DC Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Lower East Side Tenement Museum 403(b) DC Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Lower East Side Tenement Museum 403(b) DC Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Lower East Side Tenement Museum 403(b) DC Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lower East Side Tenement Museum 403(b) DC Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lower East Side Tenement Museum 403(b) DC Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lower East Side Tenement Museum 403(b) DC Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LOWER EAST SIDE TENEMENT MUSEUM 403(B) DC PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024

Note 1 - Description of Plan

The following description of the Lower East Side Tenement Museum 403(b) DC Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

a - General and Eligibility

The Plan is a defined contribution plan covering all eligible employees of Lower East Side Tenement Museum (the "Employer" or "Sponsor"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Employees are eligible to contribute their own money to the Plan and to receive employer contributions after completing six months of service.

b - Contributions

Participants may elect to contribute to the Plan up to the maximum amount allowable under the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Each year, the Employer makes a nondiscretionary contribution equal to 3% of compensation on behalf of each eligible employee. The Employer also makes a matching contribution based on the participants' elective deferral percentage as outlined below:

<u>Elective Deferral Percentage</u>	<u>Matching Contribution</u>
Less than 1%	0%
Greater than 1% but less than 3%	1%
Greater than or equal to 3%	2%

c - Participant Accounts

Each participant's account is maintained separately within the Plan and is credited with his or her elective deferrals, employer contributions and earnings. Participants may elect to have contributions invested in any or all of the funds of the Plan, subject to certain limitations. Investment income and related management expenses are allocated to the participants' accounts regularly. Allocations of investment income and administrative expenses are based on the ratio that each participant's account balance bears to the total account balances of all participants. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested accounts.

LOWER EAST SIDE TENEMENT MUSEUM 403(B) DC PLAN**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2024****Note 1 - Description of Plan (continued)****d - Vesting**

Participants are immediately vested in the contributions made by them and by the Sponsor and actual earnings thereon. As such, there were no forfeited non-vested accounts at December 31, 2024 and 2023.

e - Payment of Benefits

Benefits may be withdrawn upon termination of employment, after attaining normal retirement age, or upon plan termination. Normal retirement age under the Plan is 59 ½. Benefits may be paid as a lump sum, partial payments, installment payments, or as an annuity contract.

f - Participant Loans

No participant loans are permitted under the Plan.

g - Hardship Withdrawals

There is no provision for hardship withdrawals in the Plan.

Note 2 - Summary of Accounting Policies

The following accounting policies have been used consistently in the preparation of the Plan's financial statements:

a - Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

b - Investment Valuation and Income Recognition

The Plan's investments are stated at fair value except for insurance company contracts which are stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (See Note 4 for discussion of fair value measurements). Contract value is the relevant measure for that portion of the net assets available for benefits attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Purchases and sales of securities are recorded on a trade date basis. Net appreciation includes the Plan's gains on investments bought and sold, as well as held during the year. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

LOWER EAST SIDE TENEMENT MUSEUM 403(B) DC PLAN**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2024****Note 2 - Summary of Accounting Policies (continued)****c - Payment of Benefits**

Benefits are recorded when paid.

d - Plan Expenses

All administrative expenses of maintaining the Plan are generally paid by the Sponsor. Investment-related expenses have been offset with net investment income.

e - Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

f - Risks and Uncertainties

The Plan invests in various investments which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with these investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

g - Subsequent Events

The Sponsor has evaluated subsequent events through September 25, 2025, the date that the financial statements are considered available to be issued.

Note 3 - Certified Financial Information (Unaudited)

The Plan administrator elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, TIAA-CREF, the trustee of the Plan, has certified that the following information in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2024 and 2023; and
- Investment income, as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2024.

LOWER EAST SIDE TENEMENT MUSEUM 403(B) DC PLAN**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2024****Note 4 - Fair Value Measurements**

The framework for measuring fair value establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from and corroborated by observable market data by correlation or other means.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2024 and 2023:

Registered Investment Companies: Shares of registered investment companies are based on quoted market prices that are available on an active market and are priced daily.

Pooled Separate Accounts: Units held in pooled separate accounts are valued using the net asset value ("NAV") of the shares held by the plan. The NAV is determined on a daily basis based on the fair value of the underlying investments.

	Total	Level 1	Level 2	Level 3
Registered investment companies	\$3,851,817	\$3,851,817	\$ -	\$ -
Pooled separate account, at NAV ¹	123,371			
Total investments measured at fair value	<u>\$3,975,188</u>			

The following is a summary of the Plan's investments for which fair value is estimated using the net asset value per share as of December 31, 2024 and 2023:

Instrument	Redemption Frequency	Fair Value at December 31,		Unfunded Commitment	Redemption Notice Period
		2024	2023		
TIAA Real Estate Fund	Quarterly	<u>\$123,732</u>	<u>\$123,271</u>	<u>\$ -</u>	None

Gains and losses included in the statement of changes in net assets available for benefits for the year ended December 31, 2024 are reported in net appreciation in fair value of investments. The Plan's policy is to recognize the transfer of financial instruments from one fair value level to another at the beginning of the reporting period. For the year ended December 31, 2024, there were no transfers in or out of levels 1, 2 or 3.

¹ In accordance with Subtopic 820-10, certain investments that are measured at NAV per share have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

LOWER EAST SIDE TENEMENT MUSEUM 403(B) DC PLAN**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2024****Note 5 - Insurance Company General Account**

The TIAA Traditional Annuity is an unallocated fixed-annuity contract that is fully and unconditionally guaranteed by TIAA. The TIAA Traditional Annuity provides a guarantee of principal, a guaranteed minimum rate of interest (generally 3%, but in some recent contracts between 1% and 3%) and the potential for additional interest if declared by TIAA. Additional interest, when declared, remains in effect for the “declaration year,” which begins each March 1. Additional interest is not guaranteed for future years.

When participants choose to allocate a portion of their retirement savings to the TIAA Traditional Annuity, their contributions purchase a guaranteed amount of lifetime annuity income. When a participant's account in the TIAA Traditional Annuity is annuitized based on available options, the present value of the stream of payments is equal to the account balance. The subsequent stream of annuity payments occurs outside of the Plan and does not represent an obligation of the Plan.

Note 6 - Tax Status

The Trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate sections of the Internal Revenue Code (“IRC”), and accordingly, the Trust's net investment income is exempt from income taxes. The Plan has adopted a prototype plan through TIAA-CREF that is qualified by the Internal Revenue Service and a determination letter separately filed is not mandatory for the Plan. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan administrator believes that it has appropriate support for any tax positions taken and does not have any uncertain tax positions that are material to the financial statements. The Plan's tax returns are generally subject to routine examination by taxing authorities, however, there are currently no audits for any tax periods in progress.

Note 7 - Party-in-Interest Transactions

Plan investments are managed by TIAA-CREF. TIAA-CREF acts as custodian for those investments. Transactions in such investments qualify as party-in-interest transactions. Fees totaling \$38,976 were paid indirectly to TIAA-CREF during the 2024 plan year.

Note 8 - Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan agreement to terminate the Plan subject to the provisions of ERISA.
