REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Plan Administrator
Guy & O'Neil, Inc. Share in Our Growth 401(k) Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit

We have performed audits of the financial statements of Guy & O'Neil, Inc. Share in Our Growth 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matter - supplemental schedules required by ERISA

The supplemental schedule of assets (held at end of year) and schedule of delinquent participant contributions as of and for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Guy & O'Neill, Inc. Share in Our Growth 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE A - DESCRIPTION OF PLAN

The following description of the Guy & O'Neill, Inc. Share in Our Growth 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plans' provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Guy & O'Neill, Inc. (Plan Sponsor) and Boomerang Laboratories, Inc. (Boomerang) through February 9, 2025 when Boomerang was sold. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan Sponsor has appointed members of management as the Plan administrators. The Plan administrators are responsible for oversight of the Plan.

Participation Requirements

Full-time employees will become eligible to participate in 401(k) contribution deferrals upon attaining age 18, and the completion of one month (83 hours) of service with the Plan Sponsor, as defined in the Plan. Part-time employees become eligible to participate in 401(k) contribution deferrals upon attaining age 18, and the completion of one year (1,000 hours) of service with the Plan Sponsor, as defined in the Plan.

Contributions - Participants

Participants may elect to contribute up to 75% of their annual compensation through pre-tax deferrals and Roth deferrals, subject to limitations under the Internal Revenue Code (IRC) (\$23,000 and \$22,500 for the years ended December 31, 2024 and 2023, respectively). Participants must contribute a minimum of 1% of their compensation in order to participate. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to a maximum of \$7,500 for the years ended December 31, 2024 and 2023. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants are able to change their elective deferral percentage quarterly. Participants may also contribute distributions from other qualified plans (rollovers).

Contributions - Employer

The Plan Sponsor may make discretionary matching contributions, as determined by the board of directors. For a portion of 2024 and 2023, the Plan Sponsor matched 35% of the first 10% of a participants' deferrals. Matching contributions totaled \$210,605 and \$239,854 for the years ended December 31, 2024 and 2023, respectively.

Funding

The Plan Sponsor remits participant deferrals and matching contributions to the Plan as soon as practical after amounts are withheld from participant wages.

Participant Accounts

Each participant's account is credited with the participants' contribution, the Plan Sponsor's matching contributions, investment earnings (losses), and charged with benefit payments and administrative expenses. Allocations are based on participant's compensation or account balance, as defined by the Plan. The balance to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their voluntary contributions, plus actual earnings thereon. Vesting in the Plan Sponsor's matching contributions plus actual earnings thereon is based on years of credited service. Participants are vested at the rate of 33% per year beginning with the completion of 1 year of service, with full vesting occurring after three years of credited service.

Investment Options

The Plan is intended to satisfy the requirements under Section 404(c) of ERISA and, therefore, provides that participants may choose to direct their contributions and all of their account balance among the Plan's investment alternatives. All investments are participant directed.

Notes Receivable from Participants

Participants may borrow from their vested accounts a minimum of \$1,000 up to the lesser of \$50,000 or 50% of the participant's vested account balance. Note terms range from one to five years unless used to purchase a primary residence. The loans are secured by the vested balance in the participant's account and bear interest at the rate of prime plus 2%, which is fixed at the inception of the loan. Principal and interest is paid ratably through bi-weekly payroll deductions. The interest rates on participant loans range from 5.25% to 10.50% for the years ended December 31, 2024 and 2023, respectively.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent notes receivable from participants are recorded as benefit payments based upon the terms of the Plan.

Payment of Benefits

A participant who terminates employment or qualifies for a withdrawal due to death or disability is generally able to immediately receive his or her account in a single lump sum. Participants with account balances over \$5,000 may remain in the Plan, or may elect to receive benefit payments in installments. If a request for distribution is not made in a timely manner, then balances over \$1,000 but not more than \$5,000 will be automatically rolled over into a traditional IRA, and balances of \$1,000 or less will automatically be paid out in a lump sum as soon as administratively practical.

The Plan allows in-service distributions at age 59½. The amounts subject to this distribution from the Plan must be 100% vested.

Forfeitures

Forfeitures of nonvested matching contributions are used to pay plan expenses or reduce amounts otherwise required to be contributed to the Plan. Forfeitures used to pay plan expenses during the Plan years ended December 31, 2024 and 2023 were \$16,281 and \$20,041, respectively. Forfeited nonvested accounts totaled \$1,905 and \$5,670 as of December 31, 2024 and 2023, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Plan's significant accounting policies consistently applied in the preparation of the accompanying financial statements follow:

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Guy & O'Neill, Inc. Share in Our Growth 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2024 and 2023

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

The Plan pays most administrative expenses of the Plan, including investment management fees and third-party administrator fees, and the expenses are expensed as incurred. The Plan Sponsor pays certain administrative fees which are excluded from these financial statements.

NOTE C - INVESTMENTS

The Plan's investments are held in a trust fund managed by Associated Trust Company, N.A. (Associated), the trustee.

In general, the investments provided by the Plan are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE D - FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board provides a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Guy & O'Neill, Inc. Share in Our Growth 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2024 and 2023

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2024 and 2023:

Mutual Funds

Valued at the net asset value (NAV) of shares held by the Plan at year end, which is obtained from an active market.

Collective Trust Fund

Valued at the NAV of units of a bank collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	December 31, 2024			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 7,997,876	\$ -	\$ -	\$ 7,997,876
Total assets in the fair value hierarchy	\$ 7,997,876	\$ -	\$ -	7,997,876
Investments measured at NAV				309,600
Total investments, at fair value				\$ 8,307,476

	December 31, 2023			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 7,051,416	\$ -	\$ -	\$ 7,051,416
Total assets in the fair value hierarchy	\$ 7,051,416	\$ -	\$ -	7,051,416
Investments measured at NAV				256,946
Total investments, at fair value				\$ 7,308,362

In accordance with Subtopic 820-10, certain investments that were measured at NAV, or its equivalent, have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table sets forth disclosures of the Plan's investments whose fair value is measured using NAV as a practical expedient as of December 31, 2024 and 2023:

Investment	2024	2023	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Common collective trust	\$ 309,600	\$ 256,946	N/A	N/A	N/A

NOTE E - TRUSTEE CERTIFICATION

The Plan Sponsor has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Associated, the Plan's trustee, has certified that the following data, included in the accompanying financial statements and supplemental schedule, is complete and accurate:

- Investments and notes receivable from participants as reported in the statements of net assets available for benefits as of December 31, 2024 and 2023.
- Interest and dividend income, net appreciation (depreciation) in fair value of investments, and interest income from notes receivable from participants as reported in the statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023.
- Schedule H, line 4(i) - schedule of assets (held at end of year) as of December 31, 2024.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE F - PARTY-IN-INTEREST TRANSACTIONS

The Plan has assets invested in the Associated Core Bond Fund, which is offered through Associated Bank. This collective trust is managed by Associated, the Plan's third-party trustee. Therefore, transactions with

Guy & O'Neill, Inc. Share in Our Growth 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

Associated qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions. These transactions are not considered prohibited transactions under 29 CRF 408(b) of the ERISA regulations.

NOTE G - PLAN TERMINATION

The Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA (see Note J below). In the event of plan termination, participants would become 100% vested in their company contributions.

NOTE H - TAX STATUS

The prototype defined contribution plan and trust adopted by the Plan obtained its latest opinion letter on May 8, 2015, in which the Internal Revenue Service (IRS) stated the prototype plan and trust are designed in accordance with applicable sections of the IRC. The Plan Administrator has determined that the Plan is eligible to and has chosen to rely on the current IRS opinion letter. The Plan has adopted certain discretionary amendments. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by applicable taxing authorities. The Plan administrator has analyzed tax positions taken by the Plan and has concluded that, as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE I - RISKS AND UNCERTAINTIES

Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE J - SUBSEQUENT EVENTS

The Plan evaluated its December 31, 2024, financial statements for subsequent events through August 29, 2025, the date the financial statements were available to be issued. The Plan is not aware of any subsequent events that would require recognition or disclosure in the financial statements, except as noted below.

On January 7, 2025, the Plan Sponsor was placed into receivership and is currently in process of being wound down. As a result of these developments, the Plan Sponsor has ceased normal operations. Management has communicated its intent to terminate the plan, and the termination process is expected to be initiated in accordance with the provisions of ERISA. While the Plan Sponsor is in receivership, the Plan remains fully funded and will pay benefits due to participants in conjunction with the termination and liquidation of the Plan.
