**INDEPENDENT AUDITOR'S REPORT**

Refinery Terminal Fire Company, Sponsor  
Refinery Terminal Fire Company 401(K) Profit Sharing Plan  
Corpus Christi, Texas 78469-4162

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed the audits of the accompanying financial statements of Refinery Terminal Fire Company 401(K) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Refinery Terminal Fire Company 401(K) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Refinery Terminal Fire Company 401(K) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Refinery Terminal Fire Company 401(K) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Refinery Terminal Fire Company 401(K) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Refinery Terminal Fire Company 401(K) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

**Other Matters - Supplemental Schedules Required by ERISA**

The supplemental schedule of Schedule of Assets (Held at End of Year) for the year ended December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

REFINERY TERMINAL FIRE COMPANY 401(K) PROFIT SHARING PLAN  
NOTES TO THE FINANCIAL STATEMENTS  
December 31, 2024 and 2023

NOTE 1 - PLAN DESCRIPTION

The following description of the Refinery Terminal Fire Company 401(K) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Refinery Terminal Fire Company (the Company) who have completed one year with at least 1,000 hours of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustee oversees governance of the Plan by determining the appropriateness of the Plan's investment offerings and monitoring performance.

Contributions

The Company contributes, on behalf of each participant, an amount elected by the participant withheld through payroll deductions. Participants can elect to contribute a percentage of their compensation to the Plan, subject to limitations contained in Internal Revenue Code Section 415, which generally apply to highly compensated employees. Participants who have reached age 50 before the end of the Plan year are eligible to make catch-up contributions.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutuals funds and a guaranteed interest account.

The Company may also make a discretionary contribution to the Plan. The Company (employer) contributions for years ended December 31, 2024 and 2023 were \$265,588 and \$230,658, respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum distribution equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, such as hardship, a participant may receive the value of the vested interest in his or her account as a lump-sum or rollover distribution. Normal retirement age under the Plan is sixty-five.

NOTE 1 - PLAN DESCRIPTION (Continued)

Forfeited Accounts

Forfeited nonvested accounts totaled \$0 for the years ending December 31, 2024 and 2023. These amounts may be used to reduce future employer contributions.

Vesting

Participants are immediately vested in their contributions plus actual earnings. Participants are 100% vested in employer contributions after they complete three years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Notes receivable are secured by the balance in the participant's account and bear interest rates which are proportionate with local prevailing rates as determined by the Plan administrator upon issuance of loan. Principal and interest are paid ratably through payroll deductions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared on the accrual basis in accordance with principles generally accepted in the United States of America as of December 31, 2024 and 2023. Employee contributions are recognized as revenues in the period in which salaries are earned. Employer discretionary contributions are recognized as revenues in the period in which they are determined. Benefits payable are recognized when due and payable in accordance with terms of the Plan.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts, which are reported on contract value. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Expenses

All operating expenses of the Plan are paid by the Company and are therefore excluded from these financial statements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

The Plan entered into an investment contract with John Hancock Life Insurance Company (U.S.A.) who maintains the contributions in various mutual funds and a guaranteed interest account. Investments held mutual funds are maintained at fair value and investments in the contract guaranteed account are maintained at contract value and adjusted at end of the year to fair value. The investments are not considered fully benefit responsive and are included in the statement of net assets available for benefits at fair value. Investments are stated at fair value.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for the discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation and appreciation include the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as accounts payable, with a corresponding reduction within the plan year, when necessary. There were no excess contributions for the years ended December 31, 2024 and 2023.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits

Benefits payable are recognized when due and payable in accordance with terms of the Plan.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred.

Date of Management's Review

Subsequent events were evaluated through September 5, 2025, which is the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1), and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used only when Level 1 is not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were unavailable. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. With respect to the guaranteed interest accounts, John Hancock similarly publishes rates on which it pays interest for specified terms. The rates may change from time to time, but monthly or annualized rates are available. Although there is no secondary market for the guaranteed interest accounts to which fair values can be compared, John Hancock applies these rates, to both new deposits and the calculation of fair value to constitute an active market, similar to the subaccount of mutual funds held with John Hancock.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

**Fair Value Measurements at the End of Reporting Period Using:**

	<u>Fair Value</u>	Quoted Prices In Active Markets for Identical Assets/ Liabilities (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2024 and 2023, are reported in net appreciation in fair values of investments. The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2024 and 2023, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

NOTE 4 - INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

The Plan administrator elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator limited auditing procedures with respect to the investment information certified by John Hancock Life Insurance Company (John Hancock), which included total investments as of December 31, 2024 and 2023, the total investment income for the year ended December 31, 2024, and all information included in the supplemental schedule H, Line 4i-Schedule of Assets (Held at End of Year).

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination or complete discontinuance of contributions, participants would become 100% vested in the employer contributions.

NOTE 6 - TERMINATED EMPLOYEES

The Plan has a "cash out" provision whereby the Plan can distribute the vested account balance for terminated participants with account balances not exceeding \$5,000. The Plan had two (2) terminated participants with vested account balances totaling \$7,071 that had not been paid as of December 31, 2024. The Plan had three (3) terminated participants with vested balances totaling \$5,249 that had not been paid as of December 31, 2023.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 - INCOME TAX STATUS

The Plan has received a determination letter from the Internal Revenue Service ("IRS") dated June 30, 2020, stating that the Plan is qualified under Section 401(a) of the Code and, therefore, the related trust is exempt from taxation.

Generally accepted accounting principles require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons.

Plan investments in the self-directed brokerage fund are managed by John Hancock Life Insurance Company; therefore, these transactions qualify as party-in-interest transactions. Party-in-interest transactions also include fees paid during the year for trustee, accounting, and other services, as well as contributions paid to the Plan by the Company.

However, no fees were paid by the Plan for the investment management services for the year ended December 31, 2024. All these transactions are exempted from prohibited transaction rules under ERISA.

NOTE 10 - INVESTMENT FEES AND THIRD-PARTY EXPENSES

The investments of the Refinery Terminal Fire Company 401(K) Profit Sharing Plan are commingled with the investments of the Refinery Terminal Fire Company Money Purchase Pension & Trust. Related expenses are not separated between the two retirement plans by John Hancock. To report investment fees and direct third-party administrative expenses, all investment fees and direct expenses are included in the statement of changes in net assets available for benefits of the Refinery Terminal Fire Company 401(K) Profit Sharing Plan for the years ending December 31, 2024 and 2023. No expenses are recorded in the financial statements of the Refinery Terminal Fire Company Money Purchase Pension & Trust for the year ending December 31, 2024 and 2023.

NOTE 11 - CONTINGENCIES

The Plan Sponsor is subject to claims and lawsuits that arise primarily in the ordinary course of business. It is the opinion of management that the disposition or ultimate resolution of such claims and lawsuits will not have a material adverse effect on the financial position of the Plan Sponsor.
