## INDEPENDENT AUDITORS' REPORT

To the Trustees and Plan Administrator  
Mobile Integration Workgroup, Inc. 401(K) Plan  
Redmond, Washington

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed an audit of the accompanying financial statements of Mobile Integration Workgroup, Inc. 401(K) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements ("financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from Capital Bank and Trust Company as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion for Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matters – Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Mobile Integration Workgroup, Inc. 401(K) Plan

### Notes to Financial Statements

December 31, 2024

#### Note 1 - Description of Plan

The following description of the Mobile Integration Workgroup, Inc. 401(K) Plan (“the Plan”) provides only general information. Participants should refer to the Plan document for a more comprehensive description of the Plan’s provisions.

##### General

The Plan is a defined contribution plan established August 1, 2007. The Plan covers eligible employees of Mobile Integration Workgroup, Inc. (“the Company”). The Plan is subject to the Employee Retirement Income Security Act of 1974, as amended (ERISA).

##### Eligibility

Employees are eligible to participate in the Plan once they have completed 30 days of service, provided they are at least 21 years of age. Employees are eligible to receive a discretionary matching contribution once they have completed 1,000 hours of service in a 12-month period and are at least 21 years of age.

##### Contributions

Participants may contribute up to 100% of their compensation (as defined in the Plan Document), subject to the maximum dollar amounts allowed by law. Contributions from participants can be either pre-tax deferrals or Roth contributions. Unless an employee has voluntarily enrolled in the Plan or has declined to participate in the Plan, all newly eligible participants are automatically enrolled in the Plan, and contributions equal to 3% of their eligible compensation are withheld and contributed to the Plan as pre-tax contributions. Participants may elect to adjust, cease, or resume their contributions at any time.

Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (“rollover contributions”).

The Company makes discretionary matching contributions to the Plan equal to the lesser of participant contributions or 2% of participant wages, subject to regulatory limitations.

##### Vesting

Participant contributions and related earnings are 100% vested at all times. Employer discretionary matching contributions and related earnings become 100% vested to the participant or the participant’s beneficiary upon death, disability or termination of the Plan. Otherwise, Company discretionary matching contributions and related net earnings become vested to the participant based on the following schedule of years of service:

<u>Completed Years of Service</u>	<u>Percentage Vested</u>
Less than 1	0%
1	25
2	50
3	75
4	100

### Notes to Financial Statements

#### Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's discretionary matching contribution and Plan earnings or losses. Allocations are based on participant earnings or account balances, as defined. Income is allocated daily based on the shares in the participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants have full discretion to direct their proportionate share (vested and non-vested) of Plan assets to a variety of investment funds.

#### Benefit Payments

Upon termination of employment, death, disability, or retirement (age 65), the participant will receive the value of the vested interest in his or her account in the form of a lump-sum distribution. The Plan allows for in-service distributions if a participant reaches age 59 ½, as well as hardship distributions. If a participant terminates employment and the participant's account balance does not exceed \$5,000, the Plan administrator will authorize the benefit payment without the participant's consent.

#### Notes Receivable from Participants

Under the terms of the Plan, participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participants' accounts and bear interest at a rate determined by the Plan administrator on the date of the loan. Loan terms cannot exceed five years, except for the purchase of a primary residence, and payments are required at least quarterly through payroll deductions. As of December 31, 2024, the rate of interest on outstanding loans ranged from 8.50% to 10.50%, maturing at various dates through November 2029.

#### Forfeited Accounts

The use of forfeited nonvested accounts is based on the discretion of the Plan. Forfeited nonvested accounts may be used to reduce administrative expenses or used to reduce future Company contributions. At December 31, 2024 and 2023, there were \$827 and \$2,080, respectively, of forfeitures included with net assets available for benefits to reduce future administrative expenses or employer discretionary matching contributions.

#### Plan Changes

The Company has the right to amend or terminate the Plan at any time. However, no such amendment or termination shall deprive any participant of any vested interest in the Plan. In the event of Plan termination, participants will become fully vested in their accounts.

#### Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

#### Note 2 - Summary of Significant Accounting Policies

##### Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

##### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

##### Contributions

Contributions from participants are recorded in the period in which they are withheld from the participant's compensation. Discretionary matching contributions from the Company are recorded in the period in which the related participant contributions are recorded.

##### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest is recorded on the accrual basis. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document.

##### Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded on the accrual basis. Net appreciation (depreciation) of investments represents the change in fair value of assets from one period to the next and includes realized gains and losses on investments.

##### Administrative Expenses

The Plan provides that certain expenses of the Plan may be paid by the Plan or the Company. Certain expenses incurred to maintain the Plan are paid directly by the Company and are excluded from these financial statements.

##### Payment of Benefits

Benefits are recorded when paid.

##### Subsequent Events

The Plan has evaluated subsequent events through September 18, 2025, the date the audited financial statements were available to be issued.

#### Note 3 - Fair Value Measurements

Fair value is defined as an exit price, representing the amount that would be used to sell an asset or paid to transfer a liability in an orderly transaction between market participants. As such, fair value is a market-based measurement determined based on assumptions that market participants would use in pricing an asset or liability.

## Mobile Integration Workgroup, Inc. 401(K) Plan

### Notes to Financial Statements

December 31, 2024

There are three levels that prioritize the inputs used in measuring fair values as follows:

- Level 1: Observable market inputs such as quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: Observable market inputs, other than quoted prices in active markets, that are observable either directly or indirectly.
- Level 3: Unobservable inputs where there is little or no market data, which require the reporting entity to develop its own assumptions.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a description of the valuation methodology used for the Plan's assets measured at fair value. There have been no changes in the methodology used at December 31, 2024 and 2023.

*Mutual Funds and Money Market Fund:* Mutual funds and the money market fund are valued at the daily closing price as reported by the fund. Mutual funds and the money market fund held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds and the money market fund held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

#### Fair Value Measurement at December 31, 2024, Using:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,383,340	\$ -	\$ -	\$ 4,383,340
Money market fund	108,977	-	-	108,977
Total	<u>\$ 4,492,317</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,492,317</u>

#### Fair Value Measurement at December 31, 2023, Using:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,786,552	\$ -	\$ -	\$ 3,786,552
Money market fund	107,687	-	-	107,687
Total	<u>\$ 3,894,239</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,894,239</u>

### Notes to Financial Statements

December 31, 2024

#### **Note 4 – Information Prepared and Certified by Custodian**

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Capital Bank and Trust Company, a qualified institution, has certified as to the completeness and accuracy of all investment information reflected on the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023, the statement of changes in net assets available for benefits for the year ended December 31, 2024, and the supplementary Schedule of Assets (Held at End of Year) as of December 31, 2024.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

#### **Note 5 - Tax Status**

The Plan adopted a volume submitter plan developed by the volume submitted sponsor. Based in part on a favorable opinion letter received for the volume submitter plan dated June 30, 2020, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

In accordance with guidance on accounting for uncertainty in income taxes, the Plan administrator evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **Note 6 - Party-In-Interest Transactions**

Plan investments as of December 31, 2024 and 2023, consist entirely of mutual funds and the money market fund managed and/or sponsored by Capital Bank and Trust Company. The Plan has engaged Capital Bank and Trust Company for recordkeeping custodian services. Therefore, transactions with Capital Bank and Trust Company are party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.
