FINANCIAL STATEMENTS

DECEMBER 31, 2024

## INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of  
Teamsters Local 639 Legal Services Fund  
Columbia, MD

### Opinion

We have audited the accompanying financial statements of the Teamsters Local 639 Legal Services Fund (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and benefit obligations as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits and benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits and its benefit obligations for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets (held at end of year) and reportable transactions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## TEAMSTERS LOCAL 639 LEGAL SERVICES FUND

### NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2024 AND 2023

#### NOTE 1. DESCRIPTION OF THE PLAN

The following brief description of the Teamsters Local 639 Legal Services Fund (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement and the Summary Plan Description, which are available at the Plan administrator's office, for a more complete description of the Plan's provisions. The Plan meets the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

**General** - The Plan provides legal, tax preparation, and other benefits that may be added by the Board of Trustees (Trustees) to eligible employees covered by the collective bargaining agreement and their dependents. It is subject to the provisions of ERISA.

**Eligibility** - An employee becomes eligible for benefits at the beginning of the third month after they have worked 120 hours during a calendar month for which contributions are made by an employer on their behalf. Alternatively, employees are eligible if they work 720 hours in six consecutive months.

**Contributions** - Contributions to the Plan are made by individual contributing employers at eight cents per hour for hours worked by eligible employees under the provisions of collective bargaining agreements. Disabled, laid off, or retired participants may make self-payment contributions to continue their eligibility up to six months.

#### NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Accounting** - Assets and liabilities and revenues and expenses are recognized on the accrual basis of accounting. Under this basis, revenue is recognized when earned and expenses are recognized when incurred.

**Use of Estimates** - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, incurred but not reported (IBNR), claims payable, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

## NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

**Employer Contributions Receivable** - Contributions due from employers are accrued at year end and only as to those amounts applicable to contribution periods which ended on or before the financial statement dates and are based on subsequent period cash collections. The Plan considers receivables to be fully collectible; accordingly, no allowance for credit losses is deemed necessary as of December 31, 2024 and 2023.

**Benefits Obligations to Legal Service Providers** - The obligation to legal service providers represents actual and estimated amounts payable to legal providers after the year end for legal services rendered inclusive of the period December 31<sup>st</sup>.

**Investment Valuation and Income Recognition** – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are reported on a trade-date basis. Interest income is recognized on the accrual basis. Dividends are reported on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Administrative Expenses** - Administrative expenses are paid by the Plan.

**Reclassifications** - When applicable, certain reclassifications may have been made to conform to current year financial statement presentation. These reclassifications had no effect on the net assets available for benefits.

## NOTE 3. FAIR VALUE MEASUREMENTS

Accounting standards provide the framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include other significant observable inputs including:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and

### NOTE 3. FAIR VALUE MEASUREMENTS (CONTINUED)

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2024 and 2023.

*Short-term investments:* Valued at cost, which approximates fair value.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	Assets at Fair Value as of December 31, 2024			
	Total	Level 1	Level 2	Level 3
Short-term investments	<u>\$ 1,813,000</u>	<u>\$ 1,813,000</u>	<u>\$ -</u>	<u>\$ -</u>

	Assets at Fair Value as of December 31, 2023			
	Total	Level 1	Level 2	Level 3
Short-term investments	<u>\$ 1,647,000</u>	<u>\$ 1,647,000</u>	<u>\$ -</u>	<u>\$ -</u>

### NOTE 4. PLAN TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect. However, in order to safeguard against any unforeseen contingencies, the right to discontinue the Plan can be exercised by the Trustees. In the event of termination, the Trustees shall first satisfy or make provisions to satisfy the obligations of the Plan. Any remaining assets will be distributed in such manner as will, in the opinion of the Trustees, bring about the purpose of the Plan. Termination shall not permit any part of the Plan to be used for or diverted to purposes other than the exclusive benefit of the participants.

## NOTE 5. INCOME TAX STATUS

The trust established under the Plan to hold Plan assets is qualified pursuant to Section 501(c)(9) of the Internal Revenue Code, and, accordingly, the trust's income is exempt from income taxes. The Plan has obtained a favorable tax determination letter from the Internal Revenue Service (IRS) and the Plan Sponsor believes that the Plan, as amended, continues to qualify and to operate as designed.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or the various states the Plan files returns. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## NOTE 6. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 for the years ended December 31, 2024 and 2023:

## NOTE 7. PLAN AMENDMENTS

## **NOTE 8. PARTY-IN-INTEREST TRANSACTIONS**

As disclosed in Note 2, the Plan pays certain administrative, and professional fees to various service providers. These transactions are party-in-interest transactions exempt under ERISA.

## **NOTE 9. SUBSEQUENT EVENTS**

Subsequent events have been evaluated through September 26, 2025, which is the date the financial statements were available to be issued.
