## Letter of Representations

September 30, 2025

Ernst & Young LLP  
1775 Tysons Blvd  
Tysons, Virginia 22102

We elected to have the audit of the MidCap Financial Services, LLC 401(k) Plan (the Plan) performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). We understand that, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements or information related to assets held for investment of the Plan by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have obtained certifications as of December 31, 2024 and 2023 and for the year ended December 31, 2024 from Reliance Trust Company, stating that the investment information provided to us is complete and accurate. We have determined that the entity that prepared and certified the investment information is a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America (US GAAP) . We have also determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. For any investment information that was inappropriately certified or excluded from the certification, we instructed you to consider this information when planning and performing your audit procedures or we obtained a revised certification.

We understand that our election to have an ERISA Section 103(a)(3)(C) audit does not affect our responsibility for the preparation and fair presentation of the financial statements (including disclosures) in accordance with US GAAP.

In connection with your audits of the statements of net assets available for benefits as of December 31, 2024 and 2023 , statement of changes in net assets available for benefits for the year ended December 31, 2024, supplemental schedule of the Plan, and the related notes to the financial statements, we recognize that obtaining representations from us concerning the information contained in this letter is a significant procedure in enabling you to form an opinion on whether (a) the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with US GAAP and (b) the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that we determined meets the requirements of ERISA Section 103(a)(3)(C).

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in the light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

Accordingly, we make the following representations, which are true to the best of our knowledge and belief:

***Management's responsibilities***

We have fulfilled our responsibilities, as set forth in the terms of the audit engagement agreement dated January 14, 2025, for the preparation and fair presentation of the financial statements (including disclosures) in accordance with US GAAP applied on a basis consistent with that of the preceding period.

In preparing the financial statements, we evaluated whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued, and provided appropriate financial statement disclosure, when applicable, related to going concern and the use of the going concern basis of accounting.

We are responsible for the preparation and fair presentation of the supplemental schedules required by the Employee Retirement Income Security Act of 1974 (ERISA) (ERISA-required schedule(s)), including the form and content, in conformity with the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We believe the ERISA-required schedule is fairly stated in all material respects, and the form and content are presented in conformity with the DOL's Rules and Regulations under ERISA. The ERISA-required schedule complies, in all material respects, with the DOL's Rules and Regulations under ERISA. There have been no changes in the methods of measurement or presentation from those used in the prior period. There are no significant assumptions or interpretations underlying the measurement or presentation of the information.

We acknowledge our responsibility for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

We also acknowledge our responsibility for the design, implementation and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

We have provided you with:

- Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements and ERISA-required schedule such as records, documentation and other matters. This responsibility includes identifying the use of new technologies or techniques in preparing such information (e.g., the use of

generative artificial intelligence), and additional details you may require regarding the use of any such technologies and techniques in order to perform your audit procedures.

- Additional information that you have requested from us for the purpose of the audit
- Unrestricted access to persons within the entity from whom you determined it necessary to obtain evidence
- A draft of the Plan's current period Form 5500 that is substantially complete

We have no plans or intentions that may materially affect the carrying value or classification of assets and liabilities. In addition, we have no knowledge of any matters affecting the company that sponsors the Plan (the Plan Sponsor) that could be significant to the Plan

There are no material transactions that have not been properly recorded in the accounting records underlying the financial statements.

From October 7, 2024 through the date of this letter we have disclosed to you, to the extent that we are aware, any (1) unauthorized access to our information technology systems that either occurred or is reasonably likely to have occurred, including of reports submitted to us by third parties (including regulatory agencies, law enforcement agencies and security consultants), to the extent that such unauthorized access to our information technology systems is reasonably likely to have a material effect on the financial statements, in each case or in the aggregate, and (2) ransomware attacks when we paid or are contemplating paying a ransom, regardless of the amount.

***Uncorrected misstatements***

There are no uncorrected misstatements (including the effects of correcting or reversing prior period uncorrected misstatements), or uncorrected misstatements in disclosures relating to the current period financial statements or the ERISA-required schedule.

***Internal control***

There have been no significant changes in internal control since October 7, 2024.

We are not aware of any significant deficiencies or material weaknesses in the design or operation of internal control over financial reporting.

***Plan document and benefits***

We have provided you the most current executed plan document and all amendment(s), including amendments to comply with applicable laws, if any, as follows:

- Trust Agreement executed on June 10, 2015
- Amendment Number One to the Plan Document effective October 18, 2016
- Amendment Number Two to the Plan Document effective April 17, 2020
- Amendment Number Three to the Plan Document effective January 1, 2021

- Amendment Number Four to the Plan Document effective June 25, 2021

The Plan has adopted provisions from the Setting Every Community Up for Retirement Enhancement (SECURE) Act or the Coronavirus Aid, Relief, and Economic Security (CARES) Act and intends to amend the plan document by December 31, 2026.

We have disclosed to you all significant pension benefits promised and have made available to you all significant summary plan descriptions, benefit communications and all other relevant information, including plan changes that constitute the Plan.

***Minutes and contracts***

There were no meeting minutes for the Plan between January 1, 2024 and the date of this letter.

We also have made available to you all significant agreements and contracts, including amendments, and have communicated to you all significant oral agreements. We have complied with all aspects of contractual agreements, including employee benefits-related contracts that have a material effect on the financial statements. We have not breached our fiduciary responsibilities.

***Methods, significant assumptions, and data used in making accounting estimates***

The appropriateness of the methods, the consistency in application, the accuracy and completeness of data, and the reasonableness of significant assumptions used by us in developing accounting estimates and related disclosures, including those measured at fair value, are reasonable and supportable.

***Risks and uncertainties***

There are no risks and uncertainties related to significant estimates or current vulnerabilities due to material concentrations that have not been disclosed in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 275, *Risks and Uncertainties*.

***Ownership and pledging of assets***

The Plan, or its related trust, has satisfactory title to all assets appearing on the statements of net assets available for benefits as of December 31, 2024 and 2023. No security agreements have been executed under the provisions of the Uniform Commercial Code, and there are no liens or encumbrances on assets, nor has any asset been pledged. All assets to which the Plan or its related trust has satisfactory title appear on the statement of net assets available for benefits.

***Commitments***

There are no material commitments outstanding at December 31, 2024 and 2023 for the acquisition of financial instruments or other assets.

There were no agreements or commitments to repurchase assets previously sold. There were no material commitments outstanding at December 31, 2024 and 2023 as a result of being a party to futures or forwards contracts, short sales or hedge transactions.

***Fair value measurements***

We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services or other third parties. Our valuation techniques have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of ASC 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in ASC 820.

We have evaluated the fair value information provided to us by brokers, pricing services or other parties that has been used in the financial statements and believe this information to be reliable and consistent with the requirements of ASC 820.

***Related party relationships and transactions***

We have made available to you the names of all related parties and all relationships and transactions with related parties.

Transactions with related parties, as defined in ASC 850, *Related Party Disclosures*, and related amounts receivable or payable including sales, purchases, loans, transfers, leasing arrangements, guarantees, non-monetary transactions, and transactions for no consideration, have been properly recorded and disclosed in the financial statements, and information concerning these transactions and amounts has been made available to you.

***Side agreements and other arrangements***

There have been no side agreements or other arrangements (either written or oral) that have not been disclosed to you.

***Transactions with parties in interest***

There have been no transactions with parties in interest, as defined in ERISA section 3(14), and related regulations, that were not disclosed in the financial statements or ERISA-required schedule.

***Contingent liabilities***

There are no unasserted claims or assessments, including those our lawyers have advised us of that are probable of assertion and must be disclosed in accordance with ASC 450-20, *Contingencies – Loss Contingencies*

There have been no violations or possible violation of laws or regulations in any jurisdiction whose effects should be considered for disclosure in the financial statements or as a basis for recording a loss contingency.

There have been no internal investigations or communications from regulatory agencies or government representatives in any jurisdiction concerning investigations or allegations of noncompliance with laws or regulations, noncompliance with or deficiencies in financial reporting practices, or other matters that could affect the financial statements.

There are no other liabilities or gain or loss contingencies considered material, individually or in the aggregate, that are required to be accrued or disclosed by ASC 450, *Contingencies*, nor are there any accruals for loss contingencies or gain contingencies included in the financial statements that are not in conformity with the provisions of ASC 450.

We have not consulted legal counsel concerning litigation, claims or assessments.

***Oral or written guarantees***

There are no oral or written guarantees, including guarantees of the debt of others.

***Non-compliance with laws and regulations, including fraud***

We acknowledge that we are responsible to determine that the activities of the Plan are conducted in accordance with laws and regulations and that we are responsible for identifying and addressing any non-compliance with applicable laws or regulations, including fraud.

We acknowledge our responsibility for the design, implementation and maintenance of internal controls to prevent and detect fraud.

We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.

We have disclosed to you all known actual or suspected noncompliance with laws and regulations whose effects should be considered when preparing the financial statements.

We have no knowledge of any fraud or suspected fraud involving management or other employees who have a significant role in the internal control over financial reporting of the Plan. In addition, we have no knowledge of any fraud or suspected fraud involving other employees where the fraud could have a material effect on the financial statements. We have no knowledge of any allegations of financial improprieties, including fraud or suspected fraud, (regardless of the source or form and including without limitation, any allegations by "whistle-blowers") which could result in a misstatement of the financial statements or otherwise affect the financial reporting of the Plan.

***Independence***

We have communicated to you the names of all the Plan's affiliates, as defined in the AICPA Code of Professional Conduct, and officers and directors who serve in such capacity for the Plan.

We are not aware of any business relationship between the Plan or the Plan Sponsor and Ernst & Young LLP or any other member firm of the global Ernst & Young organization (any of which, an "EY Firm") other than one pursuant to which an EY Firm performs professional services.

We are not aware of any reason that Ernst & Young LLP would not be independent for purposes of the Plan's audit.

***Participant data***

There were no material omissions from the participant data provided to the Plan's recordkeeper for the purpose of determining the allocations to individual accounts used in the preparation of the financial statements.

***Tax-qualified status***

We recognize that the audit procedures performed did not encompass all of the procedures necessary to determine the tax-qualified status of the Plan, nor the tax consequences of the Plan Sponsor or participants. However, we confirm to the best of our knowledge and belief that the Plan is qualified and the associated trust is tax exempt under the appropriate sections of the Internal Revenue Code and intend to continue as a qualified Plan and tax-exempt trust.

We have chosen to rely on the current Internal Revenue Service (IRS) opinion letter issued on behalf of the pre-approved plan that we have adopted. We have reviewed the current IRS opinion letter for the pre-approved plan, the timing of the opinion letter and the fact pattern related to the history of our Plan and we have determined, in accordance with the most current IRS Revenue Procedures governing pre-approved plans that we are eligible to rely on the pre-approved plan opinion letter. We understand that this opinion letter does not cover some of the key requirements of the Internal Revenue Code covering tax-qualified plans.

***Other plan matters***

There have been no prohibited transactions (as defined in ERISA section 406 and regulations under that section) or reportable transactions (as defined in ERISA section 103(b)(3)(H) and regulations under that section) that were not reported in the ERISA-required schedule or financial statements.

We understand that the determination as to whether to pay a particular expense out of plan assets is a fiduciary act governed by ERISA. Administrative expenses paid by the Plan for the periods under audit are considered appropriate plan expenses to pay from plan assets and are not prohibited transactions (as defined in ERISA section 406 and regulations under that section).

We have complied with the regulations relating to service provider disclosures under ERISA section 408(b)(2). We understand that a violation of the 408(b)(2) regulations is a prohibited transaction.

The Plan has filed all reports and made all disclosures required of it under ERISA.

The Plan has complied with the fidelity bonding requirements of ERISA.

Any loans, fixed income obligations or leases that are in default or classified as uncollectible have been presented in the ERISA-required schedule(s) as required by the DOL's Rules and Regulations under ERISA.

There is no present intention to terminate the Plan.

The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions and loan repayments to the trust containing assets for the Plan.

***Subsequent events***

Subsequent to December 31, 2024, no events or transactions have occurred or are pending that would have a material effect on the financial statements at that date or for the period then ended, or that are of such significance in relation to the Plan's affairs to require mention in a note to the financial statements in order to make them not misleading regarding the net assets available for benefits or the changes in net assets available for benefits of the Plan.

***Summary***

We understand that your audit was conducted in accordance with auditing standards generally accepted in the United States of America as established by the American Institute of Certified Public Accountants and was, therefore, designed primarily for the purpose of expressing an opinion on the financial statements of the Plan and that your tests of the accounting records and other auditing procedures were limited to those that you considered necessary for that purpose.
