Independent Auditor's Report**

INDEPENDENT AUDITOR'S REPORT

September 24, 2025

To the Trustees of
New York State Nurses Association 401(k) Plan:

Opinion

We have audited the accompanying financial statements of the New York State Nurses Association 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the New York State Nurses Association 401(k) Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the New York State Nurses Association 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the New York State Nurses Association 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the New York State Nurses Association 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the New York State Nurses Association 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NEW YORK STATE NURSES ASSOCIATION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

1. DESCRIPTION OF PLAN

The following description of the New York State Nurses Association 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution pension plan covering substantially all employees of the New York State Nurses Association (NYSNA) who are not covered under a collective bargaining agreement and are age eighteen or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

For each plan year, eligible participants may elect to contribute to the Plan an amount up to certain maximum amounts allowed subject to certain limitations under the terms of the Plan and the Internal Revenue Code. Participants direct the investment of their contributions into various investment options offered by the Plan.

Employer contributions are not available under the Plan. Employer contributions included in these statements, if any, represent corrections in accordance with the plan document.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of Plan earnings and losses and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

The Plan currently offers twenty-five (25) mutual funds, and one money market fund through a regulated investment company. Participants may make their own elections and change their investment options daily.

Vesting

Participants are immediately vested in their contributions and accumulated earnings thereon.

Benefits

Upon termination of employment due to death, disability or retirement, participants or their beneficiary may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount or in substantially equal installments over his or her lifetime.

1. DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Participants are allowed to borrow from their accounts provided up to a maximum equal to the lesser of \$50,000 or 50% of the vested account balance. Only two notes receivable may be outstanding at any given time and may be used for any purpose. Notes receivable are secured by the balance in the participant's account. Interest is charged at prevailing interest rates as determined by the Plan Administrator at the time the note is originated. Notes receivable are required to be repaid in level payments of principal and interest paid through payroll deductions.

Administrative Expenses

For the years ended December 31, 2024 and 2023, Fidelity Investments Institutional Operations Company was paid \$3,050 and \$2,700, respectively, for third party administrative services, which is included in the accompanying statements of changes in net assets available for benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate risk, financial market risk and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amount reported in the statements of net assets available for benefits.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income on notes receivable from participants is recognized by the Plan in the period in which it is earned based on the outstanding principal times the stated interest rate. Dividends are recorded on the ex-dividend date. Investment income recognized by the Plan includes earnings from investments, net gains (losses) realized from the sale of investments, and the net changes in the unrealized appreciation (depreciation) of investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan document.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Financial Instruments Measured at Fair Value

The Plan has financial instruments which are recorded at fair value in the accompanying statements of net assets available for benefits. The Plan makes estimates regarding the valuation of assets and liabilities measured at fair value in the financial statements. These assets and liabilities include the investments in mutual funds and a money market fund.

Fair Value Measurement - Definition and Hierarchy

The Plan uses various valuation techniques in determining fair value and classifies into a three-level hierarchy based on the nature of the inputs. Level 1 valuations are based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Level 2 valuations are based on inputs, other than quoted prices included within Level 1 that are observable either directly or indirectly. Level 3 valuations are based on inputs that are unobservable and significant to the overall fair value measurement. The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Valued at the net asset value of shares held at year-end based on quoted market prices.

Money Market fund: Valued at the quantity held at year-end and is considered the same as cash.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Administration

NYSNA is responsible for the administration of the Plan. The majority of the direct administrative costs are absorbed by the Plan Sponsor.

Payment of Benefits

Benefits to participants are recorded when paid.

3. INVESTMENTS

At December 31, 2024, the Plan's investments are measured at fair value on a recurring basis and are valued as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money market funds	\$ 625,065	\$ 0	\$ 0	\$ 625,065
Mutual funds	<u>16,056,353</u>	<u>0</u>	<u>0</u>	<u>16,056,353</u>
Total investments, at fair value	<u>\$ 16,681,418</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$ 16,681,418</u>

3. INVESTMENTS (Continued)

At December 31, 2023, the Plan's investments are measured at fair value on a recurring basis and are valued as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money market funds	\$ 598,526	\$ 0	\$ 0	\$ 598,526

Total investments, at fair value	<u>\$ 15,151,361</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$ 15,151,361</u>

4. PLAN TERMINATION

Although it has not expressed any intent to do so, NYSNA has the right under to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in NYSNA's contribution portion, if any, of their accounts.

5. PARTY-IN-INTEREST TRANSACTIONS

The Plan is sponsored by the New York State Nurses Association. The Plan and the sponsor are considered parties-in-interest based upon shared management and certain shared Board of Trustees members. The following organizations are considered parties-in-interest based upon services provided to the Plan during the years ended December 31, 2024 and 2023:

The New York State Nurses Association - Plan Sponsor
Bonadio & Co., LLP - Plan Audit Firm
Fidelity Workplace Services, LLC - Recordkeeper
Fidelity Management Trust Company (FMTC) - Trustee of Plan Assets
Cohen, Weiss and Simon - Legal Consultant
Meketa - Consultant
Kestra Investment Services, LLC - Consultant

Meketa and Kestra Investment Services, LLC provide investment management and advisory services to the Plan. Services are not paid for by the Plan Sponsor, but paid for by the Plan, qualify as party-in-interest transactions.

The Plan also allows current employees who are participants to receive loans under specific circumstances. As such, transactions between the participants that have notes receivable to the Plan qualify as party-in-interest transactions.

For the years ended December 31, 2024 and 2023, there were no prohibited transactions between the Plan and the parties-in-interest.

6. TAX STATUS

The Plan is tax-exempt under Section 401(a) of the Internal Revenue Code. A prototype document was used by the Plan to obtain its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code.

6. TAX STATUS (Continued)

Although, the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believe that the Plan is qualified, and the related trust is tax-exempt.

7. SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 24, 2025, which is the date the financial statements were available to be issued.
