| <b>Part I</b> | <b>Asset and Liability Statement</b> |
|---------------|--------------------------------------|

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

## Independent Auditor's Report

To the Plan Administrator and Plan Participants  
SPX FLOW Retirement Savings Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audits**

We have performed audits of the financial statements of SPX FLOW Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022 and the related statement of changes in net assets available for benefits for the years then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the years then ended stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

### ***Auditor's Responsibilities for the Audits of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audits* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that audits conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

***Supplemental Schedule Required by ERISA***

The supplemental schedule of assets held at end of year as of December 31, 2023 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Note 1 - Plan Description

The following description of SPX FLOW Retirement Savings Plan (the "Plan") provides only general information. The Plan is established and maintained by SPX FLOW, Inc. (the "Company" or the "Employer") in order to encourage eligible employees of the Company with an incentive to save for the future.

Participants should refer to the plan agreement for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan operates as a profit-sharing plan in accordance with Internal Revenue Code Sections 401(k) and 401(m) and, for the year ended December 31, 2021, featured a stock bonus plan that included an employee stock ownership plan component designed to comply with Section 4975(e)(7) and the regulations thereunder of the Internal Revenue Code (the "Code" or IRC). Refer to the *Employer Securities* section below for further detail on the liquidation of this portion of the Plan during the year ended December 31, 2022.

#### **General**

The Plan is a defined contribution plan that benefits employees of the Company who have met eligibility requirements set forth in the plan document.

#### **Contributions**

Participants can elect to defer a portion of their compensation as a pretax contribution to the Plan and can also elect to contribute on an after-tax basis to a Roth 401(k), up to the maximum allowed under the Plan and the Code.

In general, the Company makes matching contributions equal to 100 percent of the participant's pretax and Roth 401(k) contributions up to the first 4 percent of compensation deferred and 50 percent of the participant's pretax and Roth 401(k) contributions in excess of 4 percent of compensation deferred, up to a maximum of 6 percent of compensation deferred.

Employer contributions for union employee participants are determined based on the respective collective bargaining agreements.

#### **Participant Accounts**

Each participant's account is credited with the participant's contributions; the Employer's matching contributions, if any; and an allocation of plan earnings or losses.

The allocation of plan earnings or losses to participant accounts is based on the participant's proportionate share of funds in each of the investment accounts. The plan benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Participants elect to invest their account balances and contributions among various investment options selected by the SPX FLOW Plan Investment Committee (the "Committee").

#### **Vesting**

Participants in the Plan are at all times 100 percent vested in their contributions and earnings or losses thereon. In general, participants are 100 percent vested in employer contributions. Any forfeitures may be used to pay expenses of the Plan or reduce the employer contributions in the year the forfeitures occur or in future years.

December 31, 2023 and 2022

### Note 1 - Plan Description (Continued)

#### ***Benefit Payments***

Upon termination of service, a participant may elect to receive either a lump-sum distribution or monthly or annual payments equal, in aggregate, to the value of his or her account. Terminated participants with account balances in excess of \$1,000 can also elect to wait until retirement age to receive benefits. A participant still employed may request a distribution of all or any portion of his or her after-tax contributions at any time or all or any portion of his or her pretax contributions on or after he or she reaches age 59½. A participant who experiences a financial hardship is eligible to receive a distribution from his or her plan account. All withdrawal and distribution payments are made by Fidelity Management Trust Company (the "Trustee" or Fidelity) from the Plan's trust.

#### ***Employer Securities***

Effective as of the market close on March 29, 2018, the Company amended the Plan to institute a freeze of new investments (whether through contributions, transfers, exchanges, or rebalancing) directed into the SPX FLOW Stock Fund investment option provided under the Plan. The amendment did not eliminate the right of participants to transfer participant account balances out of the SPX FLOW Stock Fund to other available investment options under the Plan. During 2020, it was determined that Form 11-K would no longer need to be filed due to this freeze of investments into employer securities. During 2022, the Company was acquired by an independent entity and, upon closing, each share of SPX FLOW Stock Fund converted to a right to receive cash without interest. As such, the SPX Flow Stock Fund was liquidated from the Plan during 2022.

#### ***Participant Notes Receivable***

Participants may borrow from the Plan an amount that does not exceed the lesser of \$50,000 or 50 percent of the participants' vested account balances. The term of the participant note receivable may not exceed 5 years unless the participant note receivable is used in the purchase of a primary residence, in which case the term may be up to 15 years.

Participant notes receivable are collateralized by the balance in the participant's account and bear interest at market rates outlined in the plan document. Principal and interest are paid ratably through payroll deductions.

#### ***Voting Rights***

Prior to the SPX FLOW Stock Fund liquidation during 2022, each participant was entitled to exercise voting rights for company shares attributable to the units of SPX FLOW Stock Fund credited to his or her account. The Trustee was required to vote shares of common stock that had been allocated to participants but for which the Trustee received no voting instructions in the same manner and in the same proportion as the shares for which the Trustee received timely voting instructions.

#### ***Administration***

The Company is the sponsor of the Plan. The SPX FLOW benefits administrative committee, as provided in the plan document, is the plan administrator. The Trustee also functions as a plan fiduciary.

Investment management fees, trustee fees, and other applicable plan expenses are paid by the Plan or the Company in accordance with the plan document.

#### ***Party-in-interest Transactions***

Certain plan assets are in investment funds managed by Fidelity or its affiliates. Transactions involving the SPX FLOW Stock Fund, notes receivable, and the Trustee of the Plan are considered party-in-interest transactions, as defined under ERISA guidelines.

### Note 1 - Plan Description (Continued)

#### *Termination*

While it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

### Note 2 - Summary of Significant Accounting Policies

#### *Investment Valuation and Income Recognition*

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date.

#### *Participant Notes Receivable*

Participant notes receivable are recorded at their unpaid principal balances plus any accrued interest. Participant notes receivable are written off when deemed uncollectible.

#### *Benefit Payments*

Distributions to participants are recorded when paid.

#### *Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

#### *Risks and Uncertainties*

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

#### *Subsequent Events*

The financial statements and related disclosures include evaluation of events up through and including September 3, 2024, which is the date the financial statements were available to be issued.

### Note 3 - Certified Information

The Trustee holds the Plan's investments and participant notes receivable and executes all related transactions. The investment and participant notes receivable balances and related income and losses included in the accompanying financial statements and supplemental schedule of assets held at end of year are based solely on information certified by the Trustee.

December 31, 2023 and 2022

### Note 4 - Tax Status

The Plan has received a determination letter from the Internal Revenue Service indicating that the Plan, as designed, is qualified for tax-exempt treatment under the applicable section of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, management believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

### Note 5 - Fair Value Measurements

Accounting standards require certain assets and liabilities be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the valuation techniques and inputs used to measure fair value.

#### **Level 1**

Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Plan has the ability to access.

#### **Level 2**

Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable for the asset.

#### **Level 3**

Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset.

In instances where inputs used to measure fair value fall into different levels of the fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. Management's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

The following valuation methodologies have been used to value the Plan's investments:

#### **Mutual Funds**

Mutual funds are valued at a quoted price reported in active markets.

#### **Money Market Fund**

The money market fund is valued at a quoted price reported in active markets.

#### **Common/Collective Trust Funds**

The common/collective trust funds are valued at net asset value (NAV) per share or its equivalent of the funds, which is based on the fair value of the funds' underlying assets. There are no redemption restrictions or unfunded commitments on these investments.

#### **Pooled Separate Account**

The pooled separate account is valued at NAV per share or its equivalent of the funds, which is based on the fair value of the fund's net underlying assets. There are no redemption restrictions or unfunded commitments on this investment.

**December 31, 2023 and 2022**
