## INDEPENDENT AUDITOR'S REPORT

To the Trustees of  
Frazer, LLP Profit Sharing Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed audits of the accompanying financial statements of Frazer, LLP Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Frazer, LLP Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

As explained further in Note 5 of the accompanying financial statements, approximately 56% of the Plan's assets are covered by the certification of the custodian, John Hancock Life Insurance Company, and approximately 44% of the Plan's assets are invested or held by another financial institution, brokerage firm, or in partnerships.

### Opinion

In my opinion, based on my audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

I conducted my audits in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of Frazer, LLP Profit Sharing Plan and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Frazer, LLP Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Frazer, LLP Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Frazer, LLP Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

My audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

#### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedule of Schedule H, Part IV, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedule, I evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FRAZER, LLP PROFIT SHARING PLAN  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

**Note 1 – Description of plan**

The following description of the Frazer, LLP Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Frazer, LLP (the Plan Sponsor and Plan Administrator). The Plan was established by the Plan Sponsor on October 1, 1988 to provide retirement income for its employees and is subject to the provisions of the Employee Retirement Income Security Act of 1974 as amended (ERISA).

The Plan was restated effective January 1, 2022 to meet the requirements of Protecting Americans from Tax Hikes Act of 2015, the American Taxpayer Relief Act of 2012, as well as the required changes from the 2017 Cumulative List of Changes in Plan Qualification Requirements. The Plan was also amended effective January 1, 2022 and again January 1, 2025 to account for the affiliated service group additions, retirements and resignations.

During 2020, the Plan Sponsor elected to implement certain provisions of the CARES Act for qualified participants, including the increased limit of loan amounts and allowed percentage of loans for loans issued between March 27, 2020 and September 23, 2020 and qualified participants could elect to suspend loan payments from March 27, 2020 through December 31, 2020 for one year. Participants also had the choice to waive their 2020 Required Minimum Distributions. Additionally, distributions received by qualified participants, from January 1, 2020 to December 31, 2020, if less than \$100,000 did not have to pay a 10% withdrawal penalty, if applicable, and were not subject to mandatory tax withholding. The tax on the distribution can be paid over a 3-year period, and the distribution can be repaid to a retirement plan or IRA, over a 3-year period. The plan has not yet been amended as of the date these financial statements were issued.

The Plan also implemented certain requirements of the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), including delaying the commencement date for required minimum distributions. Setting Every Community Up for Retirement Enhancement (SECURE) Act 2.0 was signed into law on Dec. 29, 2022, as part of the Consolidated Appropriations Act (CAA) of 2023. SECURE Act 2.0 builds on and expands the SECURE Act of 2019 to improve retirement-savings opportunities. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

Administration

During the years ended December 31, 2024 and 2023, John Hancock Life Insurance Company has been contracted to serve as the custodian of 56% and 54%, respectively, of the Plan's assets as further described in Note 4.

Investment options

Participants may direct employee and employer contributions to various investment options available under the Plan. The investment options include registered investment companies, pooled separate accounts that invest in a variety of underlying funds, limited partnerships, exchange traded funds (ETFs), and mutual funds.

FRAZER, LLP PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

**Note 1 – Description of plan (continued)**

Eligibility and participation

Employees of Frazer, LLP that are eighteen years of age and have been employed for three months are eligible to participate in this plan. Employees have completed three months of service for the purpose of eligibility after three months from their date of hire if they worked at least one hour during that time period. The plan will cover all employees except non-resident aliens who receive no U.S. earned income and employees who are included in a unit of collective bargaining.

Participants can enter the Plan on the first day of the month following the date on which they satisfy the above eligibility requirements.

Contributions

The Plan is a contributory plan whereby participants may contribute pre-tax annual compensation and/or Roth 401(k) contributions from 1% to 100% of their salary, not to exceed \$23,000 and \$22,500 for December 31, 2024 and 2023, respectively. Participants age 50 or older may elect to defer up to an additional \$7,500 of “catch up” contributions to the Plan for 2024 and 2023. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Plan Sponsor may also elect to make an annual discretionary profit-sharing contribution. During the years ended December 31, 2024 and 2023, the employer made discretionary profit sharing contributions of \$588,627 (less \$39,288 forfeitures used) and \$575,528 (less \$13,739 forfeitures used), respectively. Employer contributions are invested in investments with Securities America, rebranded as Osaic Wealth, Inc., effective June 2023, John Hancock, and limited partnerships, Southern Way Industrial, LP and Park Technology, LP. Contributions are subject to certain limitations as defined by the Plan.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. The Sponsor’s discretionary profit-sharing contributions and related earnings are vested over a six-year period with 0% vested in year 1, and 20% vesting each year thereafter.

Participant accounts

Each participant's account is credited with the participant's contribution and an allocation of a) the Sponsor's contribution and b) Plan earnings. Each participant's account is decreased by investment losses and depreciation in the value of investments, as well as withdrawals and distributions from their account. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of 50% of their vested account balance, not to exceed \$50,000 reduced by the highest outstanding loan balance during the prior 12-month period. Loan terms range from 1 year to a maximum of 5 years. However, the amortization period for a loan to a participant to acquire his or her principal residence may be extended to 15 years. The loans are secured by the balance in the participant's account and bear a reasonable fixed rate of interest to be determined by the Plan Administrator. Interest rates on participant loans range from 4.25% to 9.50% as of December 31, 2024 and 2023. The amount of the loan, plus interest, is amortized over the repayment period. Loans are repaid by payroll deductions or participant payments.

FRAZER, LLP PROFIT SHARING PLAN  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

**Note 1 – Description of plan (continued)**

Payments of benefits

Upon retirement, death, disability, or termination of service, a participant is entitled to receive, as benefits, a lump sum amount equal to the value of his/her account, distributed in accordance with the Plan. Benefits provided under this plan are neither insured nor guaranteed by the Plan Sponsor, by the Pension Benefit Guarantee Corporation, a federal governmental agency, nor under any state or federal law.

Forfeitures

Forfeited balances of terminated participating non-vested accounts may be used to reduce administrative expenses and Plan Sponsor contributions to the Plan. As of December 31, 2024 and 2023, the amount of forfeitures available was \$39,288 and \$13,739, respectively. During 2024 and 2023, \$39,288 and \$13,739, respectively, were used to reduce Plan Sponsor profit sharing contributions or plan expenses.

**Note 2 – Summary of significant accounting policies**

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Sponsor to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. The Plan Sponsor believes that the estimates utilized in preparing these financial statements are reasonable and prudent. Actual results could differ from these estimates.

Investment valuation and income recognition

Investments are measured at quoted prices in an active market and have been certified complete and accurate by John Hancock Life Insurance Company, the Plan's custodian. The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation of the fair value of investments consists of realized gains and losses and the change in unrealized gains and losses in the Plan's investments. Realized gains and losses from the sale of investments are computed using the participant's cost basis in the investment aggregated at the Plan level. Net changes in unrealized appreciation/depreciation in investments represents the difference between the fair value of investments held at year-end and the cost of investments purchased in the current fiscal year or the fair value of investments held at the end of the preceding year.

Notes receivable from participants

Participant notes receivable are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on participant notes receivable is recorded when earned. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when incurred.

FRAZER, LLP PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

**Note 2 – Summary of significant accounting policies (continued)**

Expenses

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's accounts and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments. Fees paid by the Plan for certain administrative fees amounted to \$310,001 for the year ended December 31, 2024. There were no fees paid by the Plan Sponsor for administrative fees for the year ended December 31, 2024.

Payment of benefits

Benefits are recorded when paid.

Subsequent events

The Plan evaluated the impact of subsequent events through October 1, 2025, the date these financial statements were issued. No material subsequent events have occurred since December 31, 2024 that required recognition or additional disclosure in the current period financial statements.

**Note 3 – Fair value measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access;
- Level 2: Inputs to the valuation methodology include
- quoted prices for similar assets or liabilities in active markets;
  - quoted prices for identical or similar assets or liabilities in inactive markets;
  - inputs other than quoted prices that are observable for the asset or liability;
  - inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2024 and 2023.

FRAZER, LLP PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

**Note 3 – Fair value measurements (continued)**

The valuation methodology used for the assets measured at fair value is as follows:

Pooled separate accounts: Pooled separate accounts represent investments in participation units held in pooled separate accounts through sub-accounts of an insurance company. The underlying securities in pooled separate accounts, except for the stable value fund, are listed on national securities exchanges and valued on the basis of year-end closing prices. The Plan concluded that the net asset value as adjusted (for mutual fund dividends, mutual fund splits and administrative maintenance charges and other items) and reported by the insurance company denotes readily determinable fair value. These pooled separate accounts are classified in Level 1 in the fair value hierarchy.

Stable value fund: Included in pooled separate accounts, is a stable value fund which represents participation units of a collective investment trust for which the net asset value is based on the market value of the underlying investments. The stable value fund is composed primarily of fully benefit-responsive investment contracts that are valued at the net asset value of units of the bank collective trust. The Plan has concluded that the net asset value as adjusted and reported by the insurance company denotes readily determinable fair value. The stable value fund is classified in Level 1 in the fair value hierarchy.

It is possible that the redemption rights may be restricted or eliminated in the future. Due to the nature of the investments, changes in market conditions, liquidity requirements, and the economic environment may significantly affect the net asset value of the pooled separate accounts, and consequently, the fair value of the Plan's investments.

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Exchange traded funds (ETFs): Valued at the daily closing price as reported by the fund. These funds are required to publish their net asset value (NAV) and to transact at that price throughout the day. The ETFs held by the Plan are deemed to be actively traded.

Interest bearing cash: Valued at market value of corresponding currency at year end.

Partnerships: The investments in the Southern Way Industrial, LP and Park Technology Industrial, LP are valued at normalized net operating income divided by current cap rate for industrial real estate in the specific geographic area, for the years ending December 31, 2024 and 2023, which approximates fair value.

The following table set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

	Investments at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total

**Note 4 - Information certified by the custodian**

The Plan Sponsor elected the method of compliance permitted by 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employment Retirement Income Security Act of 1974 (the Act). Under this provision of the Act, certain information certified need not be subject to independent audit.

Approximately 56% of the Plan's assets are covered by the certification of the custodian, John Hancock Life Insurance Company, and approximately 44% of the Plan's assets are invested or held by another financial institution, brokerage firm, or partnerships.

The Plan Sponsor has obtained certification from John Hancock that the following information included in the Plan's financial statements is complete and accurate, as of and for the years ended December 31, 2024 and 2023:

	2024	2023
Investments in pooled separate accounts	\$ 13,200,027	\$ 10,891,959
Noninterest-bearing cash	39,288	13,739

FRAZER, LLP PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

**Note 5 – Parties-in-interest transactions**

Approximately 56% of the Plan investments are managed by John Hancock Life Insurance Company as custodian of the Plan. Other assets of the Plan are being held at SMBC MANUBANK and Securities America, rebranded as Osaic Wealth, Inc. effective June 2023; invested in real estate partnerships and invested in notes receivable representing participant loans. All of these transactions qualify as party-in-interest transactions. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

**Note 6 – Plan termination**

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participant accounts will become fully vested and non-forfeitable.

**Note 7 – Tax status**

The IRS has determined and informed the plan sponsor by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified as tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The financial statement effects are recognized when the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024, there are no uncertain tax positions taken or expected to be taken.

The Plan is subject to potential audits on open years by any jurisdiction in which it operates. The statute of limitations for federal purposes is generally three years.

**Note 8 – Risks and uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant accounts' balances and the amounts reported in the statements of net assets available for benefits.

The Plan deposits funds in financial institutions that are considered by management to be of high credit quality. From time to time, the Plan maintains cash balances in excess of the federally insured limit of \$250,000. At December 31, 2024 and 2023, the Plan had \$304,665 and \$337,639 in excess of the FDIC insured limit, respectively.
