INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Asset Protection & Security Services, L.P. Retirement Plan
Corpus Christi, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Asset Protection & Security Services, L.P. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of September 30, 2024, and 2023, and the related statement of changes in net assets available for benefits for the year ended September 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Asset Protection & Security Services, L.P. Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of September 30, 2024, and 2023, and for the year ended September 30, 2024, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Asset Protection & Security Services, L.P. Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Asset Protection & Security Services, L.P. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Asset Protection & Security Services, L.P. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Asset Protection & Security Services, L.P. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules listed in the Table of Contents as of or for the year ended September 30, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - DESCRIPTION OF THE PLAN

The following description of Asset Protection & Security Services, L.P. (the Partnership) Retirement Plan (the Plan) is provided for general information purposes. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan as permitted under Section 401 (k) of the Internal Revenue Code (the Code) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is funded by employee and employer contributions and covers all employees of Asset Protection & Security Services, L.P. (the Plan Sponsor) eligible under a certain collective bargaining agreement, as well as other employees not under the collective bargaining agreement. The Plan commenced on October 1, 2005. The Board of Trustees oversees governance of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

Contributions: Each year, each eligible employee may make pre-tax contributions to the Plan by salary reduction up to the limits imposed by the Code. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amount representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and common collective trusts as investment options for participants. The Plan Sponsor's contributions to the Plan are based on a standard hourly fringe benefit rate, as defined in the respective collective bargaining agreement. Contributions are also made from employees' health and welfare insurance benefits excess earnings. Total contributions made on behalf of each participant may not exceed limits imposed by the Code.

Participant Accounts: Each participant's account is credited with his or her pre-tax contribution, health and welfare insurance benefits excess earnings and an allocation of the Plan Sponsor's contributions. Plan earnings are charged with an allocation of administrative expenses. Allocations of earnings (losses) are based on participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions, including the Plan Sponsor's contributions plus actual earnings thereon. Subject to the provisions of the collective bargaining agreement, the Plan's Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will be entitled to the amount of their account at the date of such termination.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account. Interest on the notes is recorded on the accrual basis. Loans must be repaid in at least quarterly installments of principal and interest over a maximum five-year term.

Payment of Benefits: Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum distribution equal to the value of his or her account, or annual installments over a period of years not to exceed the life expectancy or the joint life and last survivor expectancy of the participant and his or her spouse. A terminated participant may elect non-periodic withdrawals and may decline to receive payments until age 65. Withdrawals are also permitted in the event of financial hardship, as defined in the Plan. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Forfeited Accounts: All contributions to the Plan are fully vested. As a result, there are no forfeited accounts.

Investment Options: Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various registered mutual funds and a money market fund.

Funding Policy: Participant deferrals and any corresponding employer contributions are remitted each pay period to the Plan Recordkeeper and are invested per participant instructions. Certain employer discretionary contributions are deposited annually.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements are presented on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies. The collective trust funds are fully benefit responsive and are stated at contract value, which equals fair value. See Note C for discussion of fair value measurements. Purchases and Sales of Securities are Recorded on a Trade-Date Basis. Interest income is recorded on the accrual basis. Net appreciation on the fair value of investments includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Loans to participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is reported on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of September 30, 2024, and 2023, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Excess Contributions Payable: Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as accounts payable, with a corresponding reduction to contributions. There were no excess contributions for the years ended September 30, 2024, and 2023.

Payment of Benefits: Benefits are recorded when paid. The plan provides for payment of benefits to participants (or their beneficiaries) upon retirement, termination, disability, or death, in accordance with the provisions of the Plan document.

Expenses Certain administration expenses of maintaining the Plan include administrative fees, recordkeeping fees, and audit fees, and are paid by the Plan, unless otherwise paid directly by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are not included in these financial statements. Fees related to the administration of note receivables from participants are charged directly to the participant's account and are included in administration expenses. Investment-related expenses are included in net appreciation or depreciation of fair value of investments.

New Accounting Pronouncements: Management is not aware of any new accounting pronouncements that have been released, and are not yet effective, which will have a significant impact to its financial position or results of operations in future periods.

Date of Management's Review: Subsequent events were evaluated through July 14, 2025, which is the date the financial statements were available to be issued.

NOTE C - FAIR VALUE MEASUREMENTS

The Plan measures and reports certain assets and liabilities at fair value. The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

- Level 1 – Inputs are unadjusted quoted prices available in active markets for identical assets as of the reporting date and have the highest priority.
- Level 2 – Inputs consist of observable inputs other than quoted prices for identical assets in Level 1, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies.
- Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability. The reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented and there were no changes in the methods used to measure fair value as of September 30, 2024, and 2023.

The Plan's financial instruments carried at fair value on a recurring basis by the fair value hierarchy levels discussed as of September 30, 2024, and 2023, are as follows:

	2024			
	Plan Assets			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 2,564,845			\$ 2,564,845
Money Market Fund	<u>5,319</u>			<u>5,319</u>
Total	<u>\$ 2,570,164</u>			<u>\$ 2,570,164</u>

	2023

NOTES TO FINANCIAL STATEMENTS - Continued

NOTE C - FAIR VALUE MEASUREMENTS - Continued

Mutual funds, including the money market fund are categorized as Level 1. They are valued at quoted market prices that represent the net asset value of shares held by the Plan at year-end.

The Plan's policy is to recognize significant transfers of investments into or out of Level 3. For the years ended September 30, 2024, and 2023, there were no transfers of investments into or out of Level 3.

Realized and Unrealized Gains and losses included in changes in net assets available for benefits for the years ended September 30, 2024, and 2023, are reported in net appreciation or depreciation in fair value of investments.

NOTE D - PLAN TERMINATION

Although it has not expressed any intent to do so, the Partnership, subject to the provisions of the collective bargaining agreement, has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will be entitled to the amount of their account at the date of such determination.

NOTE E - TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Partnership by a letter dated November 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax period in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2021.

NOTE F - RISKS AND UNCERTAINTIES

The Plan invests in multiple investment securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE G - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE OF THE PLAN

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements and supplemental schedule that was prepared by or derived from information reported by the trustee of the Plan. The Plan administrator has obtained certifications from the trustee that such information is complete and accurate as of September 30, 2024 and 2023, as follows:

	<u>2024</u>	<u>2023</u>
Statement of Net Assets Available for Benefits:		
Investments at Fair Value	\$ 2,570,164	\$ 2,247,020
Notes Receivable from Participants	29,257	41,526
 Statement of Changes in Net Assets Available for Benefits		
Investment Income:		
Interest and Dividends	\$ 73,428	
Net Appreciation in Fair Value of Investments	415,064	
Interest Income on Note Receivables from Participants	2,069	

The trustee of the Plan also certifies all investment balances and investment information in Note C, excluding the classification of investments by level.

NOTE H - PARTY-IN-INTEREST

Net assets available for benefits includes various mutual fund investments managed by the Plan's recordkeeper, Mutual of America, as of September 30, 2024. As a result, these assets and all transactions relating to these assets qualify as party-in-interest transactions. For the year ended September 30, 2024, fees paid to Mutual of America for investment management services amounted to \$11,932. Other administrative expenses paid by the Plan were rendered by parties-in-interest for plan administration including annual audit. Those fees were based on customary and reasonable rates for such services. These party-in-interest transactions are exempt from the prohibited transaction rules by ERISA.

Net assets available for benefits include notes receivable from participants as of September 30, 2024. As a result, these assets and all transactions relating to these assets qualify as party-in-interest transactions. Related loan fees and interest are charged directly to the borrowing participant's account. For the year ended September 30, 2024, loan fees and interest amounted to \$295 and \$2,069, respectively. These party-in-interest transactions are exempt from the prohibited transaction rules by ERISA.
