## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Plan Participants of the  
A.C.S. & Sons, Inc. Profit Sharing 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of the A.C.S. & Sons, Inc. Profit Sharing 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Respectfully submitted,

## **NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023**

### ***Note 1* Summary of Plan Provisions**

The following brief description of the A.C.S. & Sons, Inc. Profit Sharing 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### **General**

The Plan is a defined contribution plan covering all eligible employees of A.C.S. & Sons, Inc. (the Company). Employees are eligible to participate in the Plan upon completion of at least one hour of service during the first three months of employment and attainment of age 18. Participants are eligible for employer contributions upon completion of one year of service and attainment of age 18. The Plan also immediately covers all employees whose compensation is determined by the Davis-Bacon Act. For service performed under a public contract subject to the Davis-Bacon Act or any other federal, state, or municipal prevailing wage law, there will be no age or service requirement. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA) and all the requirements of Sections 401(a) and 401(k) of the Internal Revenue Code (IRC).

The Plan assets are currently held by Fulton Bank, N.A. (Fulton Bank), Custodian of the Plan, and Matrix Trust Company (Matrix Trust), as sub-custodian. The custodians hold and maintain all contributions, participant elective deferrals, and participant accounts and invest cash received and income from investments based on written instructions from the Company and participants and makes distributions to participants. The Plan's trustees are responsible for oversight of the Plan and for determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

#### **Contributions**

The Plan allows for automatic enrollment into the Plan at a rate of 3% of compensation allocated to a default investment account for employees who meet the eligibility requirements noted above and who fail to notify the Company that they do not wish to participate in the Plan by the Plan specified entry dates. Each year, participants may contribute a percentage of their pre-tax annual compensation, subject to certain limitations as defined by the Plan and the IRC. The maximum participant deferral for the years ended December 31, 2024 and 2023 was \$23,000 and \$22,500, respectively. Participants age 50 and over are also eligible to make catch-up contributions. Participants may also contribute rollover amounts representing distributions from other qualified plans.

Effective July 2011, participants covered by the Davis-Bacon Act have a portion of their benefits allocated directly to the Plan based on a prevailing wage contract to help satisfy the fringe benefit requirements of the law. This contribution is based on the amount of hours the participant worked during the Plan year. Participants direct the investment of their contributions into various investment options offered by the Plan.

#### **Contributions - Continued**

The Company, at its discretion, may also make a qualified non-elective contribution. Such qualified non-elective contribution is determined by the Plan's trustees. Eligibility requirements for the discretionary qualified non-elective contribution are the attainment of age 18 and one year of service consisting of 1,000 hours and must be employed on the last day of the Plan year. Qualified non-elective contributions are allocated to the account balances of eligible employees in the same proportion that each participant's eligible compensation bears to the eligible compensation earned by all participants. The Company elected to make a qualified non-elective contributions of \$400,000 for the Plan years ended December 31, 2024 and 2023.

#### **Participant Accounts**

Each participant's account is credited with the participant's contribution as well as allocations of the Company's discretionary qualified non-elective contribution and the Plan's investment earnings (losses), net of investment expenses. Participant accounts are charged with withdrawals and an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings (losses) or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **Vesting**

Participants are 100% vested immediately in their elective deferral amounts and rollover contributions, including the Davis-Bacon Act contributions, plus actual earnings thereon.

Vesting in the Company's discretionary qualified non-elective contribution is based on years of continuous service. A participant is 100% vested upon: (1) disability; (2) death; (3) normal retirement at age 65; or (4) termination of the Plan. If a participant's employment with the Company is terminated before age 65 for any reason other than disability or death, the participant shall be entitled to an amount equal to the "vested percentage" of their account balance.

A participant shall have a vested and non-forfeitable interest in the employer's discretionary qualified non-elective contribution portion of their account balance determined by the number of years of credited service as follows:

<u>Years of Credited Service</u>	<u>Vesting %</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

#### **Payment of Benefits**

On termination of service, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account or elect to rollover funds into an IRA or other retirement account. Employee vested account balances under \$5,000 may receive a lump sum distribution within a reasonable period following the date the participant terminates employment or may elect to rollover their distribution to an IRA or to another qualified plan. If the total vested account balance under the Plan is between \$1,000 and \$5,000 as of the distribution date and the participant does not consent to a distribution of their vested account balance, the amount will automatically be rolled over to an IRA selected by the Plan Administrator. If the vested account balance is \$1,000 or less, the entire vested balance will be distributed to the participant in a lump sum.

The Plan provides for benefits upon termination of employment through retirement, required minimum distribution, death, or for other reasons.

Prior to termination, a participant may withdraw all or any portion of their vested account balance in the event of undue financial hardship. The Plan also provides for in-service distributions for participants who have attained age 59½.

#### **Forfeited Accounts**

Forfeited non-vested accounts totaled \$41,692 and \$13,298 at December 31, 2024 and 2023, respectively. The Plan sponsor may decide in its discretion how to treat forfeitures under the Plan. These amounts may be used to offset plan expenses and/or allocated to employees as additional employer contributions. The Plan sponsor chose to offset plan expenses for the years ended December 31, 2024 and 2023 by \$29,819 and \$9,338, respectively.

### ***Note 2* Summary of Significant Accounting Policies**

#### **Basis of Accounting and Financial Statement Presentation**

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) for defined contribution plans.

#### **Estimates**

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting year. Actual results could differ from those estimates.

#### **Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustees determine the Plan's valuation policies utilizing information provided by the investment advisors and Trustee.

## **NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023**

### ***Note 2* Summary of Significant Accounting Policies - Continued**

#### **Investment Valuation and Income Recognition - Continued**

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### **Excess Contributions Payable**

The Plan has chosen the refund method to satisfy the compliance test for the years ended December 31, 2024 and 2023. Therefore, any excess contributions and attributable earnings are refunded to the participants and reduce the total employee contributions.

For the Plan year ended December 31, 2024, \$8,003 of excess contributions and attributable earnings were refunded timely by March 15, 2025 to the participants.

For the Plan year ended December 31, 2023, \$7,652 of excess contributions and attributable earnings were refunded timely by March 15, 2024 to the participants.

#### **Payment of Benefits**

Benefits are recorded when paid.

#### **Administrative Expenses**

Certain administrative expenses to the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

#### **Subsequent Events**

The Plan has evaluated all other subsequent events for potential recognition or disclosure through September 11, 2025, the date the financial statements were available to be issued.

### ***Note 3* Certified Information**

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Fulton Bank and Matrix Trust, as complete and accurate, except for comparing such certified information to information included in the Plan's financial statements and supplemental schedule:

**Note 4 Investments and Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; or
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at December 31, 2024.

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

### **Note 4 Investments and Fair Value Measurements - Continued**

Mutual Funds and Money Market Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of:

	<u>December 31, 2024</u>
	<u>Level 1</u>
Money Market Funds	\$ 257,735
Mutual Funds	20,105,689
Total Investments, at Fair Value	<u>\$ 20,363,424</u>
	<u>December 31, 2023</u>
	<u>Level 1</u>
Money Market Funds	\$ 209,327
Mutual Funds	16,823,478
Total Investments, at Fair Value	<u>\$ 17,032,805</u>

### **Note 5 Related Party and Party-In-Interest Transactions**

Certain administrative functions are performed by employees of the Company who do not receive compensation for such functions.

### **Note 6 Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event that the Plan terminates, participants will become 100% vested in their accounts.

### **Note 7 Tax Status**

The Plan adopted a non-standardized pre-approved profit sharing plan sponsored by Fulton Bank. The pre-approved profit sharing plan has received an opinion letter, dated June 30, 2020, from the Internal Revenue Service (IRS) as to the pre-approved profit sharing plan's qualified status. The pre-approved profit sharing plan opinion letter has been relied upon by the Plan. The Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC.

The Plan's management evaluates tax positions taken by the Plan and recognizes a tax liability or asset if an uncertain tax position was taken and it is more-likely-than-not that the tax position would not be sustained upon examination by taxing authorities. Plan management has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no Plan audits for any tax periods in progress. The Plan is no longer subject to income tax examinations for years prior to 2021.

## **NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023**

### ***Note 8* Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit. Market risks include global events which could impact the value of investment securities, such as inflation, a pandemic, or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
