## **INDEPENDENT AUDITORS' REPORT**

To the Plan Administrator of  
SHM7 Management Groups Insurance Trust  
Employee Benefit Plan  
Many, Louisiana

### **Opinion**

We have audited the accompanying financial statements of the SHM7 Management Groups Insurance Trust Employee Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net assets available for benefits as of December 31, 2024 and 2023 and the related statement of changes in benefit obligations and net assets available for benefits for the year ended December 31, 2024 and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the benefit obligations and net assets available for benefits of the SHM7 Management Groups Insurance Trust Employee Benefit Plan as of December 31, 2024 and 2023 and the changes in its net assets available for benefits for the year ended December 31, 2024 in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of SHM7 Management Groups Insurance Trust Employee Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

To the Plan Administrator of  
SHM7 Management Groups Insurance Trust  
Employee Benefit Plan  
September 16, 2025

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SHM7 Management Groups Insurance Trust Employee Benefit Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SHM7 Management Groups Insurance Trust Employee Benefit Plan's internal control. Accordingly, no such opinion is expressed.

**SHM7 MANAGEMENT GROUPS INSURANCE TRUST**  
**EMPLOYEE BENEFIT PLAN**  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

**(1) DESCRIPTION OF PLAN**

The following description of the SHM7 Management Groups Insurance Trust Employee Benefit Plan provides medical and prescription drug benefits covering eligible employees of an affiliated group of plan sponsors. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**General**

The Plan provides health benefits to eligible employees of an affiliated group of plan sponsors (permanent, full-time (32 hours/week) employees of the plan sponsors that choose to participate following the employee waiting period). The employee waiting period for all other employees is satisfied the first day following three months of full-time employment.

**Benefits**

The Plan provides medical and prescription drug benefits through a funding arrangement that includes a trust, which is funded by the plan sponsors and/or the participating employees, and with insurance to protect the Plan against unpredictable excess claims. Under the Plan agreement, the plan sponsor contributes in cash to the trust its pro-rata share of the cost of providing benefits under the Plan in a manner and at such time determined by a committee, which is a plan fiduciary. Employees may or may not be required to contribute to the Plan in order to participate. The Plan also provides continuation coverage as required by the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) for qualified beneficiaries who would otherwise have lost coverage under the Plan. The Plan does not have any post-retirement obligations for benefits offered to retired employees or beneficiaries of retired employees.

Medical benefits are provided on a partially self-insured basis. The Plan has purchased insurance contracts to protect the Plan against excessive or unpredictable claims. The insurance contracts include specific loss provisions that cover claims in excess of \$90,000 and \$85,000 for each individual covered under the medical plan for fiscal years 2024 and 2023. The insurance contracts also include aggregate loss provisions that cover the combined claims for all participants of the Plan when the qualified claims for the plan year exceed a stated amount. The stated amount under the aggregate loss provisions was approximately \$3,168,783.85 and \$2,516,981 at December 31, 2024 and 2023, respectively.

**Stop Loss Coverage**

As mentioned above, the Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

**SHM7 MANAGEMENT GROUPS INSURANCE TRUST**  
**EMPLOYEE BENEFIT PLAN**  
NOTES TO FINANCIAL STATEMENTS (CONTINUED)  
DECEMBER 31, 2024 AND 2023

**(1) DESCRIPTION OF PLAN (CONTINUED)**

**Self-Insured Benefits**

All other Plan benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by the general assets of the company sponsors. Despite the Plan's utilization of third-party claim processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

The Plan utilizes a pharmacy benefit manager (PBM) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

**Contributions**

In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections.

**(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting and Use of Estimates**

The financial statements of the Plan are prepared on the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Payment of Benefits**

Premiums paid by the company sponsors are recorded as premium payments in the accompanying statement of changes in benefit obligations and net assets available for benefits.

Claim payments are recorded when paid by the third-party claims processor. Amounts due to claims processors that have not been reimbursed by the Plan are recorded as payable to claims administrators in the accompanying statements of benefit obligations and net assets available for benefits. Short-term disability payments are processed through the company sponsor's payroll system and paid from the general assets of the company sponsor. These payments are recorded as claims paid in the accompanying statement of changes in net assets available for benefits.

**EMPLOYEE BENEFIT PLAN**  
NOTES TO FINANCIAL STATEMENTS (CONTINUED)  
DECEMBER 31, 2024 AND 2023

(2) **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Stop Loss**

Premiums for stop loss insurance are included in premium payments in the accompanying statement of changes in benefit obligations and net assets available for benefits. There are no stop loss refunds that have been netted with claims paid in the accompanying statement of changes in benefit obligations and net assets available for benefits.

**Refunds**

Refunds due from the Plan's PBM are recorded when earned. Refunds due as of the financial statement date have been reported as a receivable, with the offset being netted against claims paid. Pharmacy rebates totaling \$1,511,000 have been netted with claims paid in the accompanying statement of changes in benefit obligations and net assets available for benefits for the year ended December 31, 2024.

**Date of Management's Review**

Management has evaluated subsequent events through September 16, 2025, which is the date the financial statements were available to be issued.

(3) **CLAIMS INCURRED BUT NOT REPORTED**

Plan obligations at December 31, 2024 for claims incurred but not reported are estimated by the Plan's actuary in accordance with accepted actuarial principles based on claims data provided by the Plan's third-party claims administrators. These amounts are paid by the Plan only if claims are submitted and approved for payment.

(4) **FAIR VALUE MEASUREMENTS**

The Plan determined the fair value of its assets and liabilities through a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. Level 1 inputs to the valuation methodology are based on unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access. Level 2 inputs are based primarily on quoted prices for similar assets in active or inactive markets and/or based on inputs that are derived principally from or corroborated by observable market data. Level 3 inputs are unobservable and are based on assumptions that market participants would utilize in pricing the asset.

The fair value of financial instruments, including cash, approximate the carrying value, principally because of the short maturity of those items and are considered Level 1 or Level 2.

**EMPLOYEE BENEFIT PLAN**  
NOTES TO FINANCIAL STATEMENTS (CONTINUED)  
DECEMBER 31, 2024 AND 2023

**(5) ADMINISTRATIVE EXPENSES**

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators, the trustee, and actuary. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Company on behalf of the Plan.

**(6) CASH**

The Plan is fully funded by SHM7, except in situations where participants' medical claims exceed \$90,000 in a given Plan year. In such situations, the Plan has purchased stop-loss insurance to pay for medical claims exceeding the \$90,000 per Plan year amount. No amounts related to the arrangement are included in the financial statements.

**(7) RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2024 and 2023 to the Plan's Form 5500:

**(7) RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**  
**(CONTINUED)**

Claims and premiums that have been processed and approved for payment at year-end, but not paid and claims incurred but not reported are not considered liabilities under GAAP and, therefore, are not presented as liabilities or claims and premiums paid in the accompanying financial statements, but are recorded on the Form 5500 as a liabilities.

**(8) RELATED PARTY TRANSACTIONS**

The Plan paid Meritain, its third-party administrator, administrative fees of \$187,396 and \$154,491 for the year ended December 31, 2024 and 2023, respectively. The Plan also receives certain administrative services and office usage at no charge from SHM7. These transactions qualify as party-in-interest transactions. However, these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

The Plan paid Management Seven, LLC, the lead employer of the Plan, management fees of \$16,000 and \$48,000 for the years ended December 31, 2024 and 2023, respectively.

As of December 31, 2024 and 2023, the Plan owes \$500,000 and \$145,000, respectively, to its affiliated group of plan sponsors. These balances represent net unsecured advances from the Plan's affiliated group of plan sponsors. The advances are not subject to a fixed maturity schedule and may be repaid only at the discretion of the Plan's management.

**(9) RISKS AND UNCERTAINTIES**

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would-be material to the financial statements.

**(10) FIDELITY BOND**

An ERISA fidelity bond is in force covering the Plan in the amount of \$2,000,000. ERISA requires every fiduciary of an employee benefit plan and every person who handles funds of the Plan to maintain fidelity bond coverage equal to 10% of the amount of plan assets. The trustee (fiduciary) does not maintain such a bond.

**(11) PLAN TERMINATION**

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

**(12) TAX STATUS**

The Plan has not applied for tax exempt status. However, taxable income to the trust is defined in such a way that yields no tax liability for the current year. Accordingly, no tax liability or expense is reflected in the financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service and the Department of Labor. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. There are three open years in regard to potential audits. The Plan files an annual return and records must be retained for at least six years to support the filing.
