## INDEPENDENT AUDITOR'S REPORT

Retirement/Profit Sharing Committee  
c/o Wagman, Inc.  
The Profit Sharing and Retirement Plan of Wagman, Inc.

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Profit Sharing and Retirement Plan of Wagman, Inc. (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

## **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our

opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter – Supplemental Information Required by ERISA**

The supplemental information noted in the table of contents, as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary

information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental information, other than the information in the supplemental information that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental information related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

**1. DESCRIPTION OF THE PLAN**

The following description of The Profit Sharing and Retirement Plan of Wagman, Inc. (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

***General***

The Plan is a safe harbor defined contribution plan covering all non-union, part-time, and full-time employees of Wagman, Inc. and subsidiaries (the “Company” or “employer”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

The Retirement/Profit Sharing Committee (the “Committee”) is responsible for oversight of the Plan. The Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance, and reports to the Company’s Board of Directors.

Effective February 1, 2024, the Plan was restated, and Plan assets were transferred from Vanguard Fiduciary Trust Company (“Vanguard”) to T. Rowe Price Trust Company (T. Rowe Price). The Plan adopted the T. Rowe Price Pre-Approved Defined Contribution Plan. Also, effective February 1, 2024, all administrative and recordkeeping services were transitioned from Vanguard to T. Rowe Price Retirement Plan Services Inc.

***Participation***

An employee becomes eligible to contribute 401(k) elective salary deferrals and receive employer safe harbor contributions immediately following the attainment of age 18 and the completion of one hour of service.

An employee becomes eligible to receive employer profit sharing contributions on the first day of the Plan year or the first day of the seventh month of the Plan year following the completion of 1,000 hours of service and one year of service.

Eligible employees shall receive a prevailing wage contribution after completing one hour of service on a project that is subject to a prevailing wage requirement under the Davis Bacon Act or similar state prevailing wage law.

***Contributions***

There are several types of contributions that can be added to a participant’s account, including employee salary deferral contributions, employer safe harbor contributions, discretionary employer profit sharing contributions, prevailing wage contributions, and employer qualified non-elective contributions. Participants may also contribute amounts representing distributions from other

**THE PROFIT SHARING AND RETIREMENT PLAN  
OF WAGMAN, INC.**

NOTES TO FINANCIAL STATEMENTS

qualified defined benefit or contribution plans (rollover).

Participants may contribute up to 80% of their annual compensation through elective salary deferral contributions, subject to certain limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Prior to February 1, 2024, participants could contribute up to 100% of their annual compensation through elective salary deferral contributions, subject to certain limitations.

The employer makes safe harbor contributions equal to 100% of the participants' salary deferral contributions that do not exceed 3% of the participants' compensation and 50% of the participants' salary deferral contributions exceeding 3% but not greater than 5% of the participants' compensation. Additionally, each participant that worked on a designated prevailing wage project was entitled to a prevailing wage contribution provided by the employer.

The employer may also make, at the sole discretion of its Board of Directors, employer profit sharing contributions. Employer profit sharing contributions totaled \$3,379,554 for the year ended December 31, 2024.

In addition, the employer may make qualified non-elective contributions on behalf of either the non-highly compensated active participants or all active participants that are sufficient to satisfy certain required regulations. There were no qualified non-elective contributions made for the year ended December 31, 2024.

Participants direct the investment of their contributions into various investment options offered by the Plan.

Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

***Participant Accounts***

Each participant's account is credited with the participant's contributions, employer safe harbor contributions, prevailing wage contributions, and/or employer qualified non-elective contributions, as well as allocations of the employer profit sharing contributions and plan earnings. To the extent that administrative expenses paid by the Plan exceed available forfeitures, participant accounts are charged with an allocation of those administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Allocations of prevailing wage contributions are based on participants' hours worked on an eligible employment classification of a prevailing wage job multiplied by the respective designated hourly rate.

**THE PROFIT SHARING AND RETIREMENT PLAN  
OF WAGMAN, INC.**

NOTES TO FINANCIAL STATEMENTS

Allocations of employer qualified non-elective contributions and employer profit sharing contributions are based on participants' compensation, while allocations of Plan earnings are based on participants' account balances. Employees must meet certain requirements to receive an allocation of the employer profit sharing contributions.

***Vesting***

A participant is 100% vested at all times in their salary deferral contributions, prevailing wage contributions, rollover contributions, employer qualified non-elective contributions, and employer safe harbor contributions, plus actual earnings thereon regardless of the number of years of service. A participant will also always be 100% vested if they are employed on or after their early or normal retirement age or if they die or become disabled.

The vested interest in a participant's account attributable to employer profit sharing contributions is dependent upon their years of credited service as shown in the following table. To earn a year of service, a participant must have at least 1,000 hours of service during a plan year.

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

***Notes Receivable from Participants***

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes receivable are secured by the balance in the participant's account and bear interest equal to the Prime Lending Rate. Notes receivable originating prior to February 1, 2024, bear interest equal to the Prime Lending Rate plus 1%. Principal and interest are paid ratably through payroll deductions.

***Payment of Benefits***

Upon retirement, death, disability, or termination of service, a participant (or participant's beneficiary in the event of death) may receive a distribution of the vested portion of some or all of their accounts. If the value of the participant's vested account balance does not exceed \$5,000 (\$7,000 effective February 1, 2024), then a single lump-sum distribution will be made. If the value of the participant's vested account balance exceeds \$5,000 (\$7,000 effective February 1, 2024), the

**THE PROFIT SHARING AND RETIREMENT PLAN  
OF WAGMAN, INC.**

NOTES TO FINANCIAL STATEMENTS

participant may elect to receive a single lump-sum payment, installments, or partial withdrawals of at least \$1,000. Provisions are available to allow withdrawals of benefits prior to termination of employment as defined in the Plan document and in compliance with the Internal Revenue Code ("IRC").

***Forfeited Accounts***

At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$113,463 and \$34,526. Forfeitures are used to pay administrative expenses and to reduce employer contributions. For the year ended December 31, 2024, forfeited nonvested accounts were used to pay administrative expenses of \$22,960 and to reduce employer safe harbor contributions by \$16,744.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Basis of Accounting***

The financial statements of the Plan have been prepared using the accrual basis of accounting.

***Use of Estimates***

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

***Investment Valuation and Income Recognition***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date and all dividends are reinvested into the Plan. Net appreciation in fair value of investments includes the Plan's gains and losses on investments purchased and sold as well as held during the year, as well as indirect investment expenses.

***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued

**THE PROFIT SHARING AND RETIREMENT PLAN  
OF WAGMAN, INC.**

NOTES TO FINANCIAL STATEMENTS

but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023.

***Payment of Benefits***

Benefit payments to participants are recorded when paid.

***Administrative Expenses***

For the year ended December 31, 2024, administrative expenses of the Plan were paid first using forfeited account balances, with any remaining expenses being allocated among the accounts of the participants based on the value of account balances. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

***Subsequent Events***

The Plan has evaluated subsequent events through September 16, 2025, the date the financial statements were available to be issued. See Note 11.

**3. INVESTMENTS**

Effective February 1, 2024, T. Rowe Price Trust Company (the trustee) holds the funds for the Plan and T. Rowe Price Retirement Plan Services, Inc. (the recordkeeper) maintains an individual account for each participant. Contributions made on a participant's behalf under the Plan are directly allocated to that participant's account and are invested, based on the participant's direction, in registered investment companies, common collective trusts and/or a money market fund. Prior to February 1, 2024, Vanguard Fiduciary Trust Company held the funds for the Plan and maintained an individual account for each participant.

**4. FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, are described as follows:

**THE PROFIT SHARING AND RETIREMENT PLAN  
OF WAGMAN, INC.**

NOTES TO FINANCIAL STATEMENTS

Level 1      Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2      Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3      Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Registered investment companies:* Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-end funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

*Money market fund:* Valued at the daily closing price as reported by the fund. The money market fund held by the Plan is an open-end money market fund that is registered with the U.S. Securities and Exchange Commission. This fund is required to publish its NAV and to transact at that price. The money market fund held by the Plan is deemed to be actively traded.

*Common collective trust:* Common collective trust funds are valued at the net asset value (NAV) of units held by the Plan at year end. The NAV is determined by the custodian of the fund and is based upon the fair value of the underlying assets held by the fund. NAV is used as a practical expedient to estimate fair value. There are no participant redemption restrictions for these investments; the

**THE PROFIT SHARING AND RETIREMENT PLAN  
OF WAGMAN, INC.**

redemption notice period is applicable only to the Plan.

*Common collective trust – stable value:* A stable value fund that is composed primarily of synthetic investment contracts backed by high-credit quality fixed income investments and traditional investments issued by insurance companies and banks that is valued at the NAV of the units of the collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

The following table sets forth by level, within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	\$ 16,790,956	\$ -	\$ -	\$ 16,790,956
Money market fund	6,142,040	-	-	6,142,040
Investments measured at net asset value <sup>a</sup>	-	-	-	64,549,925
Investments at fair value	<u>\$ 22,932,996</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 87,482,921</u>

The following table sets forth by level, within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	\$ 71,402,585	\$ -	\$ -	\$ 71,402,585

Investments at fair value	<u>\$ 71,402,585</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 75,712,487</u>

<sup>a</sup> In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

**5. INFORMATION CERTIFIED BY QUALIFIED INSTITUTIONS**

Certain information summarized below related to the accompanying financial statements and ERISA-required supplemental information was obtained by Plan management and agreed to or derived from information certified as complete and accurate by T. Rowe Price and Vanguard, the trustees of the Plan:

- Investment and notes receivable from participants' balances included in the statements of net assets available for benefits at December 31, 2024 and 2023, and in the notes to the financial statements.
- Investment income and interest income on notes receivable from participants included in the statement of changes in net assets available for benefits for the year ended December 31, 2024, and in the notes to the financial statements.
- Information included in the accompanying schedule of assets (held at end of year).

**THE PROFIT SHARING AND RETIREMENT PLAN  
OF WAGMAN, INC.**

NOTES TO FINANCIAL STATEMENTS

**6. RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS**

A related party is any party who can control or significantly influence Plan management or operating policies. Parties in interest are defined under Department of Labor regulations as any employees of the Plan, fiduciaries of the Plan, service providers to the Plan, the employer whose employees are covered by the Plan, and certain significant owners of the employer and their relatives. Service providers may include, but are not limited to, the custodian, trustee, third-party administrator (TPA), investment managers, investment advisors, legal counsel, and plan auditor.

Certain Plan investments are common collective trusts managed by T. Rowe Price Trust Company. In addition, T. Rowe Price Trust Company and T. Rowe Price Retirement Services, Inc. provide certain trust, administrative, and recordkeeping services to the Plan pursuant to a fee agreement with the Company. T. Rowe Price Trust Company is the trustee and T. Rowe Price Retirement Services, Inc. is the recordkeeper as defined by the Plan and, therefore, these transactions qualify as party in interest transactions.

The Plan issues loans to participants, which are secured by the participant's account balance. These transactions qualify as party in interest transactions.

Certain administrative functions of the Plan are performed by employees of the Company. No such employee receives compensation from the Plan.

**7. PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the employer profit sharing contribution portion of their account.

**8. TAX STATUS**

The IRS determined and informed the Plan's former third-party administrator by a letter dated June 30, 2020, that the pre-approved plan previously adopted by the Plan, and in effect through January 31, 2024, was designed in accordance with applicable sections of the IRC. As discussed in Note 1, the Plan has adopted a pre-approved plan provided by T. Rowe Price Retirement Plan Services, Inc. effective February 1, 2024. The pre-approved plan received an opinion letter dated August 19, 2020, in which the IRS stated that the pre-approved plan, as then designed, was in compliance with the applicable requirements of the IRC. In addition, the opinion letter stated that an employer who adopts this pre-approved plan may rely on the opinion letter with respect to the

OF WAGMAN, INC.**

NOTES TO FINANCIAL STATEMENTS

qualification of its own plan under the IRC. Although the Plan has been amended since the pre-approved plan received the opinion letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**9. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

**10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

Upon an event of default on a note receivable from participant to the extent a distribution to the participant is not permissible under the Plan, the amount due to the Plan on account of the defaulted note receivable from participant will be treated as a deemed distribution. A note receivable from participant that is a deemed distribution is treated as a distribution on Form 5500 and removed from Plan assets on Form 5500. However, in the Plan's financial statements, and in accordance with the Plan Document, such deemed distributions remain part of the participant's account balance until a distributable event occurs for the participant.

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 93,491,365	\$ 80,517,301
Less certain deemed distributions of notes receivable from participants	<u>(16,604)</u>	<u>(47,656)</u>
Net assets available for benefits per the Form 5500	<u>\$ 93,474,761</u>	<u>\$ 80,469,645</u>

**11. SUBSEQUENT EVENT**

The Securing a Strong Retirement Act (SECURE 2.0 Act) was signed into law on December 29, 2022, and includes mandatory and optional provisions with varying effective dates in 2025 and later.

Effective February 3, 2025, the Plan was amended to adopt the following SECURE 2.0 provisions:

- Additional catch-up contributions up to \$10,000 for employees age 60-63 are permitted.
- Roth Employer Contributions are permitted.
